**Important Notes:**

1. As per the judgment of the Hon'ble Supreme Court passed in the case of P.A. Inamdar, the State Government was authorized to make an interim fee fixation committee to fix the fee till any Act is made. The State Government has enacted Swami Vivekanand Subharti University Act in 2008 in which the right to fix fee has been given to the University. Thus, **the Swami Vivekanand Subharti University does not come under the purview of the Fee Fixation Committee of the Government for fixation of fee.** However, the committee has got the right to oversee whether any profiteering or commercialization of education is not being done.
2. In spite of the above mentioned factual position, the state Government has issued notification no. 1083/71-2-16-37/2015 dated 07-04-17 through which it has decided the fee structure of different PG courses of Subharti Medical College, Meerut, unilaterally. The move of the State Government is arbitrary and illegal, against which the College has filed a writ petition at the Hon'ble High Court. The hearing at the Hon'ble High Court will take place in due course of time and the Hon'ble Court will deliver the decision subsequently. **The decision given by the Hon'ble Court shall be applicable on the College as well as on the students.**
3. Since, the college does not want to come in confrontation with the Government because that will affect the students community which is eager in taking admission in PG courses at Subharti Medical College, Meerut, the College has accepted the fee structure fixed by the State Government under protest.
4. **All the aspirants for taking admission in PG course at Subharti Medical College, Meerut are advised to go through the following regulations very carefully before filling the online form.**
