तुम्ही से है तुम ही से है

मेरा संसार तुम्हीं से है मेरा घर बार तुम्हीं से है
माँ बाप भाई बहन का प्यार तुम्हीं से है
हो गई थी सबसे पराई जिस दिन थी डोली में बिठाई
नए घर में मिली पहचान तुम्हीं से है
मायका हो चाहे हो ससुराल दोनों जगह सम्मान तुम्हीं से है
अंजान बनकर आई थी नहीं पहचान तुम्हीं से है
दुनिया के लिए चाहे एक व्यक्ति हो तुम मेरी पूरी दुनिया की शान तुम्हीं से है
गुस्सा करूं चाहे गलती करूं मैं पीछे रहूं या आगे चलूं कुछ कहू या चुप ही रहूं
मेरी तरफ आने वाली हर समस्या का समाधान तुम्हीं से है
तुम्हारे होने के साथ से कहीं गई हर बात से
मेरे अंदर के विश्वास से उठने वाली उड़ान तुम्हीं से है
हर रिश्ता के पूरक हो तुम हां मेरी जरूरत हो तुम
ईश्वर ने जो जोड़ा था रिश्ता उस रिश्ते का मान तुम्हीं से है
मेरी खुशी को आगे रख मेरे दोस्त बनकर साथ चले
मुझे मेरे ही तरह अपनाकर मेरा हर रिश्ता अपना बनाकर
मेरी समस्याओं के बीच खड़े होकर हौसलों की उड़ान तुम्हीं से है
कहे रीबा विजय भाव का नारा संग ले विजय की संगिनी की तान तुम्हीं से है तुम्हीं से है

The event is declared a big success by the team of UPIAPM

QUOTE BY THE ENVIRONMENTAL COMMITTEE

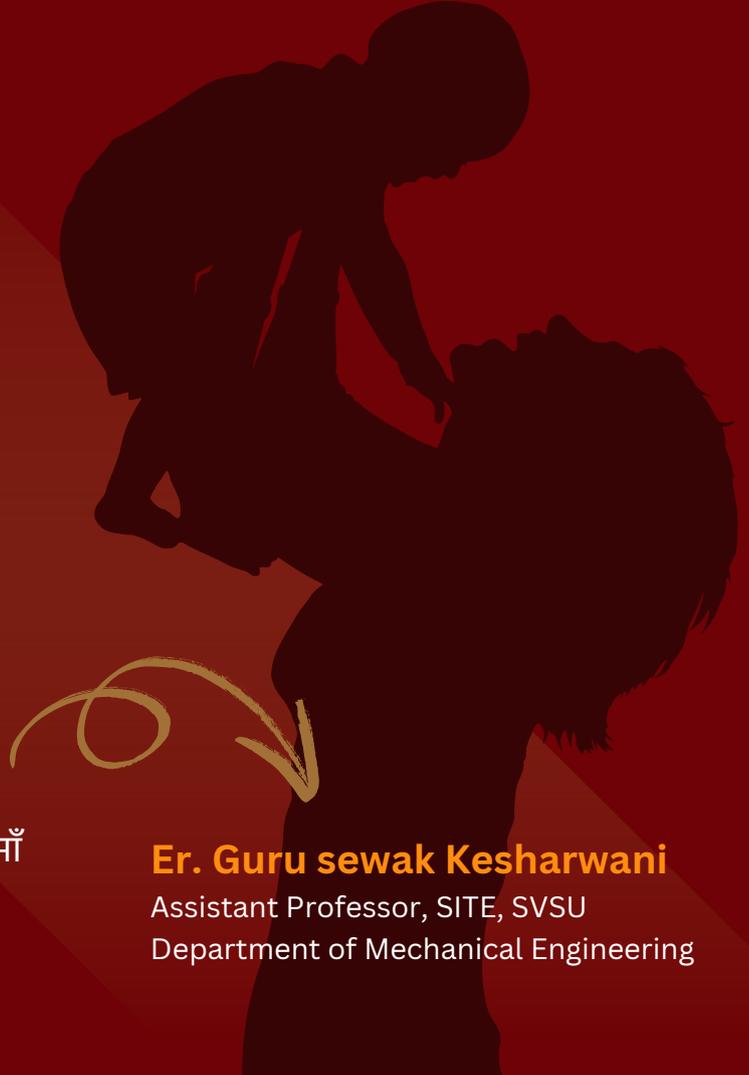

*We are on Earth to take care of life.
We are on Earth to take care of each other.*

-Xiye Bastida

कुछ पंक्तियाँ हृदय भाव से ममत्वता की छाँव

माँ की ममता का आँचल
अदभुत ईश्वर प्रदत्त, सागर का गागर
पुलकित मन, स्नेह का आंगन
शायद मेरे हिस्से में ना था
पता नहीं क्यों रूठ गया, मैं हृदय से टूट गया।
क्या धूप - क्या छाँव
सब दुःख दर्द हर लेती मां
जब आँचल में मुझे संजोती माँ
शायद मेरे हिस्से में ना था
पता नहीं क्यों रूठ गया, मैं हृदय से टूट गया।
स्नेह का झरना, प्यार की झाँकी
जो सबका जीवन संजोती
सब जिनके बागो की कलियाँ
मैं अभागा कैसे रह गया
पता नहीं क्यों रूठ गया, मैं हृदय से टूट गया।
जब - जब याद आपकी आती माँ
स्मृतियाँ विचलित कर जाती माँ
मन हृदयमय हो, अंखिया आसुओ से भर जाती माँ
मैं अभागा कैसे रह गया
पता नहीं क्यों रूठ गया, मैं हृदय से टूट गया।

जीवन की श्रृंखला

तीन पहर तो बीत गये,
बस एक पहर ही बाकी है ।
जीवन हाथों से फिसल गया,
बस खाली मुट्टी बाकी है ।

सब कुछ पाया इस जीवन में,
फिर भी इच्छाएं बाकी हैं ।
दुनिया से हमने क्या पाया,
यह लेखा - जोखा बहुत हुआ,
इस जग ने हमसे क्या पाया,
बस ये गणनाएं बाकी हैं ।

इस भाग-दौड़ की दुनिया में
हमको इक पल का होश नहीं,
वैसे तो जीवन सुखमय है,
पर फिर भी क्यों संतोष नहीं !

क्या यूँ ही जीवन बीतेगा,
क्या यूँ ही सांसें बंद होंगी ?
औरों की पीड़ा देख समझ
कब अपनी आंखें नम होंगी ?
मन के अंतर में कहीं छिपे
इस प्रश्न का उत्तर बाकी है ।

मेरी खुशियां, मेरे सपने
मेरे बच्चे, मेरे अपने
यह करते - करते शाम हुई
इससे पहले तम छा जाए
इससे पहले कि शाम ढले

कुछ दूर परायी बस्ती में
इक दीप जलाना बाकी है ।
तीन पहर तो बीत गये,
बस एक पहर ही बाकी है।
जीवन हाथों से फिसल गया,
बस खाली मुट्टी बाकी है ।

जीवन की सारी दौड़ केवल अतिरिक्त के लिए है!
अतिरिक्त पैसा, अतिरिक्त पहचान, अतिरिक्त शोहरत, अतिरिक्त प्रतिष्ठा,
यदि यह अतिरिक्त पाने की लालसा ना हो तो जीवन एकदम सरल है।।

डॉ. पूनम राठौर,

सहायक आचार्या, दूरस्थ शिक्षा विभाग
स्वामी विवेकानन्द सुभारती विश्वविद्यालय मेरठ।

हिंदी

हिंदी कोई भाषा नहीं, हमारा प्रेम हैं ।
भारत के घर घर में,
मिट्टी के कण कण में,
हर भारतीय के अंतरमन में,
बस्ता रस्ता हिन्दी हैं ।
हिन्दी कोई भाषा नहीं, हमारा प्रेम हैं ।
जब सोचता हूँ,
आज के भारत का भविष्य,
तब मेरे अंतरमन, उठता एक प्रश्न हैं ।
कहा जा रहे हैं, आज के युवा,
अपनी भाषा बोलने में शर्मते,
हिन्दी कोई भाषा नहीं हमारा प्रेम हैं।
जिस भाषा में राम पले,
जिस भाषा में कृष्ण पले,
जिस भाषा में बुद्ध पले,
जिस भाषा में नरेंद्र पले,
वो भाषा हमारा हिन्दी हैं,
हिन्दी कोई भाषा नहीं, हमारा प्रेम हैं ।
इसी भाषा में राम पल कर,
मर्यादा पुरषोत्तम कहलाये,
इसी भाषा में कृष्ण पल कर,
गीता का ज्ञान दिया,
इसी भाषा में बुद्ध पल कर,
शांति का उपदेश दिया,
इसी भाषा में नरेंद्र पल कर,
स्वामी विवेकानंद बन गए,
हिन्दी कोई भाषा नहीं, हमारा प्रेम हैं।

नितेश कुमार तिवारी

LIFE – SIMPLE AND LOVING

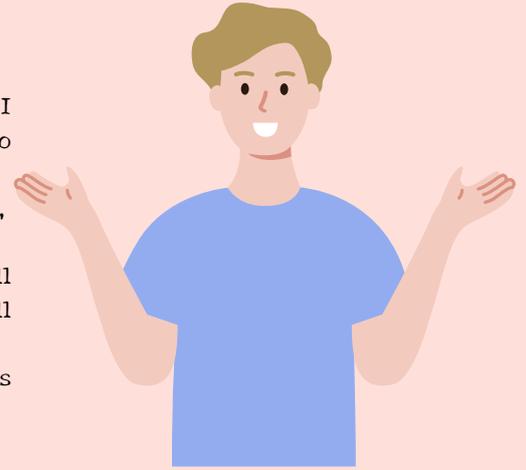

Life is just a series of obstacles preventing us from reading a book.
I learned to love myself, because I sleep with myself every night and I wake up with myself every morning, and if I don't like myself, there's no reason to even live the life.

We will always be brave in someone's mind and coward in another's, strong to one and fragile to another, good to one and terrible to another. We will be seen as annoying to one and comforting to another. Some will feel anxious around us and some will find peace in our company. Some will see us as "too much" while others will see us as a gift.

The world will look at us from their subjective point of view. The world is never going to agree on a definition of who we are.

So we might as well live the way that feels true to our heart...

We can learn a lot about people from how they react to our boundaries, how they react to ours. "no", how they react when we call them out on their foolish, and if they play the victim to make us the villain in their story to tell others when we reduce or remove their access

HIMANSHU AGARWAL

Assistant Professor
Subharti Polytechnic College

काश

काश मेरे पास भी जादू की छड़ी होती ।
उससे अपने सपनों की बोछार करती ॥

अपना बचपन वापिस माँगती
माँ का दुलार वापिस माँगती
पापा की डॉट वापिस माँगती
दादी का उपहार वापिस माँगती

काश मेरे पास भी जादू की छड़ी होती ।
उससे अपने सपनों की बोछार करती ॥

भाई से छोटी मोटी लड़ाई होती
साथ में बैठकर पढ़ाई होती
दादी की रात में कहानी होती
खुले आसमान में तारों की गिनती हज़ार बार होती

काश मेरे पास भी जादू की छड़ी होती ।
उससे अपने सपनों की बोछार करती ॥

रुपया की टॉफ़ी २० आती
ऐंटेना ठीक करने बारी बार बार आती
कभी महाभारत कभी रामायण आती
ट्रैक्टर की बैटरी भी बार बार लगाती

काश मेरे पास भी जादू की छड़ी होती ।
उससे अपने सपनों की बोछार करती ॥

TIBET: THE FORGOTTEN NEIGHBOUR

A peace-loving nation that fell pray to the dragon

MR. SHUBHRA ATREYA
IT DEPARTMENT

To the north of India beyond the Himalaya Mountains lies a mystical faraway land which is so high that it is often called 'the Roof of the World'. Referred to as 'the Water Tower of Asia' for being home to the headwaters of many great rivers including Indus and Brahmaputra, and termed as 'the Third Pole' because of its countless glaciers that contain largest reserve of fresh water outside the polar regions; this land is the world's highest and largest plateau. This is the land of Tibet, a little-known part of the world, occupied by a well-known foreign power, China.

India's northern border, the Line of Actual Control as we know it, wasn't always like this. It wasn't always the border between India and China. In fact China was not a neighboring country before 1950. From Ladakh to Himachal and Uttarakhand, from Sikkim to Arunachal, we had a common boundary with a peaceful independent nation before the Chinese invasion of Tibet in 1950. China imposed itself as our neighbor by annexing Tibet with brute force. In reality, the northern boundary of our country is the Indo-Tibet Border that we seem to have forgotten.

China says Tibet had been a province of China for centuries, sort of like a vassal state i.e. a country that depends on and is controlled by a more powerful state. But that's not true. That's actually a false claim that China used as a pretext for occupying Tibet. The truth is Tibet was never a full-fledged Chinese province. Chinese suzerainty over Tibet was always nebulous and nominal, and was challenged by the Tibetans whenever they were strong, or the Central Chinese Government was weak. China never had any direct control over Tibet except by conquest.

The communist revolution swept China, and in October 1949, Mao Zedong, the chairman of Chinese Communist Party, proclaimed the establishment of People's Republic of China. Mao knew the importance of Tibet's strategic location. He could see the huge potential of Tibet's untapped rich geologic resources, and the headwaters of key Asian rivers. He himself said, 'He who holds Tibet dominates the Himalayan piedmont; he who dominates the Himalayan piedmont threatens the Indian subcontinent, and he who threatens the Indian subcontinent may well have all of South Asia within his reach, and with that, all of Asia'. Just a year after the creation of People's Republic of China, Mao Zedong ordered the People's Liberation Army to 'liberate' Tibet. Liberation meant occupation. Chinese troops advanced into Tibet on 7th October 1950.
