REPORT- On 11/09/2021 a visit to Lok Adalat was organized by Sardar Patel Subharti Institute of Law, Swami Vivekanand Subharti University to teach the working procedure of Lok Adalat.

Students during their visit

The main purpose of this visit was to introduce the students with the working method of lok adalats as it is one of the important methods which provide speedy justice to the needy person/litigants. At 10.30 group of students along with 3 faculty members of Subharti law college moved from the college to visit the work procedure of Lok Adalat. Team of students was guided by the Justice Rajesh Chandra former judge, High Court of Judicature at , Prayagraj, UP, director, Subharti Law College and in the directions of Prof. (Dr.)Vaibhav Goel Bhartiya, Dean, Faculty of Law, Swami Vivekanand Subharti University, Meerut. In his address Justice Chandra said that understanding of work procedure of Lok Adalat is very important for law students. It is the main task of Lok Adalat to resolve the disputes in a speedy manner, you are fortunate that Subharti Law College is organizing this visit to facilitate you. Definitely you all will be benefitted with this.

Students understanding the working of Lok Adalats

On this occasion Prof. (Dr.)Vaibhav Goel Bhartiya, Dean Faculty of Law told that Lok Adalat is the way through which litigants can resolve their disputes/ cases in lesser time and the burden of Courts can be reduced by using all the alternative methods of disputes resolution.

As it is much cleared with the name the literal meaning of Lok Adalat is “People’s Court”. It is one of the components of ADR (Alternative Dispute Resolution) systems. In ancient times, the disputes were referred to “Panchayats”, which were established at the village level. Panchayats resolved the disputes through arbitration. It has proved to be a very effective alternative to litigation.

The awards passed by a Lok Adalat are considered to be a decree of a Civil Court and shall be final and binding on all the parties of the dispute (there shall also be no appeal against the award).

We can say that lok adalat is having the powers as the civil courts are having by the virtue of Civil Procedure Code, 1908. Not only this proceeding under sec. 195 and Chapter VI of Criminal Procedure Code, 1972 are also considered as civil proceedings.

Students understanding the functioning of Lok Adalats

The advent of Legal Services Authorities Act, 1987 gave a statutory status to Lok Adalats, pursuant to the constitutional mandate in Article 39-A of the Constitution of India. It contains various provisions for settlement of disputes through Lok Adalat. First Lok Adalat was started in Gujarat in March 1982 and slowly spread across the country. The advent of Legal Services Authorities Act, 1987 gave a statutory authority to Lok Adalats, pursuant to the constitutional mandate in Article 39-A of the Indian Constitution.

The act mandates to provide free legal services to the weaker sections of the society and ensure that justice is not denied to any of the citizens. The parties are not allowed to be represented by the lawyers and encouraged to interact with judge who helps in arriving at amicable settlement. No fee is paid by the parties. Strict rule of Civil Procedural Court and evidence is not applied. Decision is by informal sitting and binding on the parties and no appeal lies against the order of the Lok Adalat.

During the visit students met with Sh. Dinesh Chandra Sharma, District Judge, Meerut and asked various questions related to the Lok Adalat. He explained various method of dispute resolution such as arbitration, conciliation, mediation, negotiation and lok adalats, how the judges noticed demeanour of witness during the virtual hearing, how to learn all the provisions given in various Acts/Statute and about the appellate procedure against the award passed by the arbitrator were raised by the students and queries were resolved by the honorable District Judge and by the other judges. After this students met with Sh. Irfan Qamar, Principal Judge, Family Court, Meerut and raised few questions about maintenance, restitution of conjugal rights (Sec.9 HMA,1955), Judicial separation (Sec.11 HMA,1955) as well as on the legitimacy of a child.

Students also met with Mr. Punit Sharma, Advocate. He told the students about the bank loan cases jurisdiction is of upto 20.00, 000/ rs.
