The Subharti Krishna Kumar Bhatnagar Charitable Trust

(Late) Dr. K.K. Bhatnagar
(16-8-1926 to 29-1-1991)

Smt. Rajwati Bhatnagar
The Creator of the Trust

The Trust was established in 1991 by Smt. Rajwati Bhatnagar in the memory of her educationist husband, the late Dr. K.K. Bhatnagar, with the aim to guide the energy of the youth of our country in the right direction. This aim could only be achieved by educating the youth. Thus the Trust ventured into the field of education by establishing educational institutions from the primary level to higher education.

In addition to providing education, the Trust aims at instilling principles of service, nationalism and brotherhood into the young Indian minds. The Trust actively carries out various other social, national and charitable activities.

A number of schools, hospitals, dispensaries have been opened in different rural areas of Meerut district. Numerous medical camps, dental camps, donation camps, social awareness camps are carried out in various parts of the district for awareness and benefit of the people at large. During the unfortunate occasion of a national calamity the Trust ensures contribution of at large scale.

Various programmes are held by the Trust to encourage and inculcate in the youth a feeling of National awareness, brotherhood and equality.

The more we come out and do good to others, The more our hearts will be purified, and God will be in them.
Swami Vivekanand

The Visionary

The boy who set out to make his dream a success was none other than Dr. Atul Krishna, who was still in his sophomore year at LLRM Medical College, Meerut at that time. Armed with a post graduate degree in General Surgery, Dr. Krishna soon set out to realize his dream which had already taken shape in his mind.

The dream was to establish such institutions of education and training that would produce highly skilled graduates and masters of academic excellence in every field and all aspects of life.

Graced with fore vision, versatility, a genius mind and gifted with a vibrant and vivacious personality, Dr. Atul Krishna is not only a reputed surgeon of Northern India but is also a great philanthropist, a learned thinker, visionary and a committed, staunch social reformer, dedicated to the upliftment of the downtrodden and weaker sections of society. Dr. Atul Krishna is the founder of SUBHARTI, a duly registered body, engaged in social service and various other activities. He has also established several primary, secondary level schools and rural hospitals in the remotest villages.

Dr. Atul Krishna
MBBS, MS

"Subharti meaning सुभातीय' is not just a name but a movement. A movement of converting our youth into 'सु' meaning "Good", "भारतीय" meaning 'an Indian', "a good Indian".

Education is the first step towards making our people responsible. We started this University with the dream of making our young Indians not only professionally sound but also motivated nationals, who are inclined towards not just building their career but making their parents proud and also fulfill their social and national duties.

"शिक्षा सेवा संस्कार" our motto, is based on the values and ethics with which the University was established.

Today, after a long struggle and overcoming many hurdles, I am proud that the Swami Vivekanand Subharti University is not only one of the most reputed Universities of Northern India, but has also established itself in the top ranking Universities of India.

I am confident that soon, we will be on the International map and be known for our unique combination of values and academics.

Till date, we have left no stone unturned towards achieving excellence and will keep working towards perfection.

Jai Subharti Jai Hind!"

- Dr. Atul Krishna

MBBS, MS

Dr. Krishna is not only an ardent follower of Indian culture but is also a diehard patriot. He is a guiding force in bringing people together by removing hatred arising out of casteism and communalism, spreading love and harmony, building up of moral and national character along with service of mankind so as to make his dream of **"VASUDHAIVA KUTUMBAKAM"** Come true.

"A Journey of a thousand miles must begin with a single step"

(Lao Tzu)

"In the pursuit of overcoming the void of insufficiency in the field of medical education, Subharti KKB Charitable Trust took its first baby step, in this long journey, with the establishment of Subharti Dental College in 1996, which has acquired a commendable record of service in the field of education, healthcare and social welfare.

The University today, (established in 2008) is an exceptional and exquisite learning education hub, offering variety of value-based, career oriented disciplines of technical and professional education thus engaged in creating highly qualified, academically and technically proficient professionals, who are responsive to the emerging needs of the nation.

We at Subharti believe in collectively embarking on the great voyage of the life through experiences of trial and toil, which will lead to strengthening of the soul, clearing of vision, inspiring the ambition and achieving success. The process of education here, is concerned with the overall personality development and sharpening of the inherent capabilities of an individual, by providing an environment, fully conducive to overall development of students, thus maintaining a balance between academic excellence and moral perfection.

I pray that Subharti University goes a long way in inspiring and stirring the young minds and soul for bringing out the best within them, which would ultimately turn them out to be "Better than the best".

I gladly welcome and invite you to become the integral part of the "Subharti Family" so that together, we can shape the destiny of our nation."

The President

A Leader needs to foresee to make things better, have the vision, the skill, and the wherewithal to revolutionize the system; and mobilize the energy of others to organize and act in ways to achieve that vision.

Dr. Shalya Raj, did her graduation from SDM College of Dental Sciences, Dharwad and completed her masters in Conservative Dentistry & Endodontics from Subharti Dental college. She is presently working as an Associate Professor in Subharti Dental College.

Innovation has always been her forte and foray into the unknown has been her strong point. She combined the benefits of engineering and dentistry for the benefit of patients and did her doctoral thesis on the novel concept of computational fluid dynamics. Her keen interest in academics is reflected in the fact that she has published numerous research papers, articles and books even at this young age. She is also the guide to a few students pursuing their dissertation.

She is a lady who has her mind set and plans made. She is independently looking after the directorate of distance education in the capacity of the Director. Realizing her sense of purpose and a sense of direction, the board of trustees have nominated her as the President of the trust. She is a popular teacher, academician, good clinician and above all a dedicated human being. These qualities make her an integral part of all cultural and social events of the University. She is a trained Kathak dancer and Hindi classical singer, and her efforts have won her various accolades in the field of painting, craft and drama.

"We have all been sent for a purpose to this planet, and what better purpose can there be than to be of use to our nation. However we are all bound in the clutches of responsibilities and duties, not all of us have the courage to leave all behind and fight at the border. So what can we do?

We can be good citizens, responsible nationals, rise above the minor differences of caste, creed, religion, commit to our duties towards our Nation ! But how do we do it?

Get educated, study hard and spread knowledge...

Be responsible, conserve the national resources and use them wisely...

Be good children, respect and realize the sacrifices your parents have done to get you here...

Claim your rights but with it, fulfill your duties...

Remember God helps those who help themselves, Be the Change you want to see...

With these words I welcome all the new entrants to our Subharti family. I hope you make the best of all the facilities provided and emerge as responsible citizens, skilled professionals and self motivated individuals with the desire to prove yourself and give back mother India what we owe to her.

Jai Hind"

Activities of the TRUST

Youth can mould and design the future of a nation. Quality education and lifestyle for the youth is the main motive of SKKB Charitable Trust. And casteless society is our dream which is a basic quality for a nation so as to progress effectively.

Established in 1991 by Smt. Rajwati Bhatnagar, the main motto of the trust has been to instill principles of service, nationalism and brotherhood in the young Indian minds. The purpose of the Trust was to channelize the energy of the youth of our country in the right direction.

Nurturing the minds at grass root level is important and quality education is necessary for that. The Trust ventured into the field of education by establishing educational institutions from the primary level to higher education with the sole purpose to raise the living standard of the society, especially in rural areas.

Education can't help alone. Health is also a concern in a country where sanitation, cleanliness and basic life sustaining things are scarce. To ensure that, health care camps were organized at regular intervals and medical centers in rural areas have been setup. Medical consultancy and proper treatment for most of the diseases are given of top quality on affordable amounts to all the needy.

Dream of a prefect nation can be achieved by building bridges, narrowing the gaps. The Trust is determined towards that.

I welcome and invite you to Subharti Dental College for receiving excellent dental education and enriching clinical experience in a caring, ethical & professional manner."

- Dr. Nikhil Shrivastav

"Above all, beware of compromises. Hold on to your own principles in weal or woe and never adjust them to others' "fads" through the greed of getting supporters. Your atman is the support of the universe—whose support do you stand in need of?"

Swami Vivekanand

Our Mission with a Vision...

With a prestigious history, ambitious current endeavours, an eye to advancing technology and a sprawling campus, the mission of this college is to educate predoctoral and graduate dental students in the highest quality of clinical and research environment. To deliver comprehensive dental care that will help to maintain and improve the overall health of the people within the community and have a National and Global impact too.

Journey so far...

The journey of Subharti in the field of education started with the dental college long back in the 1996. Recognized by the dental council of India, the college is a pioneer of its field in the North India owing to its enormous infrastructure and other amenities.

Choose Us...

Ranked among the top Dental Colleges of India, SDC is committed to being a national leader in advancing oral health.

The college has created and maintained a large infrastructure with a multistoried building, AC lecture theatre-cum-presentation halls with modern audio-visual facilities. It is equipped with state-of-the-art facilities for diagnosis and treatment of dental and orofacial diseases. Eight specialty departments encompass numerous laboratories and dedicated research areas, to name some; Laser Diagnostic & Treatment Unit, Digital OPG X ray unit, Conscious Sedation unit, Surgical microscope, Dental implants, Histo chemistry Lab, etc.

Each department has separate undergraduate and postgraduate clinics as well as a well equipped departmental library in addition to a central library having more than 50,000 books, to promote and enrich learning. Attached to the Medical College & Hospital, the students are trained in emergency services and are taught by experts of all fields.

Our students have the opportunity to engage in valuable professional exchanges with their global colleagues through our International exchange programs with the renowned Universities of Boston and Florida.

The true worth of SDC is not in the monetary value of the bricks and mortar, but in the values of the institution which are inculcated into the foundation of a student's transformation into a successful oro-dental specialist, committed to patient care and cure.

Future Prospects...

- As clinicians in India and Abroad

Auditorium

"Maangalya" Auditorium with a seating capacity of over 3000 members is a work of art in itself, equipped with all latest equipments; it is one of its kinds in the whole of north India. Spread over an area of 50 acres, it has been built with international standards and norms.

The campus has two other auditoriums with a seating capacity of around 500, each air cooled and air conditioned respectively, besides possessing two multi- purpose halls which are used for diverse activities such as seminars, symposia, debates, cultural activities, movies shows / previews/etc. Also each college has an individual counseling room, seminar room & an auditorium for their Individual events.

Library

"Books are a man's best friend" All colleges have well stocked libraries with international & national journals, equipped with audio visuals.

The university has a central air conditioned library with more than 25000 books, 150 international, 250 national and 400 e-journals.

It also has other aids, internet facilities and subscription to various E-Journals. There is a huge projector room, a separate reading room and a seminar room for the learners. Learning CDs/DVDs and other audio –visual aids are also available for students. To energize the students a small coffee café is attached to the library which is in conjugation with the library.

Scholarship

The University has been established under the trust. The trust provides financial aid to students who are brilliant & are unable to continue their studies due to financial constraints.

Accommodation: The University has in campus accommodation available for its faculty members, doctors & others. All residential blocks have round the clock electricity, water backup and security.

Evaluation Process

Our Evaluation process is spontaneous and faculty guided in nature. This inspires the students to conceptualize content and develop their ability of innovative thinking and problem solving. Emphasis is given on training components which might help them immediately in their professional career. The performance of the student in both academic and CCA/ECA are evaluated and certified.

Faculty Resources

The faculty members are the product of reputed universities and committed towards their profession. Their in-depth subject knowledge, impressive teaching methodologies and positive attitude motivate the learners to become a harbinger of joyful learning. They continuously upgrade their knowledge through cutting age research studies in education. The university organizes multiple faculty development programs for keeping them abreast for lifelong education.

- **Academic Reform Committee:** To keep ourselves updated with the fast paced development across the world, this committee reviews all courses and their updates from time to time after the approval of the academic council.
- **Internal Quality Assurance Cell:** To maintain high standards of education and Subhartian culture, this cell has been devised.
- **Anti Ragging Cell:** To curb the menace of ragging which has assumed a nasty face today, we have separate anti ragging cells for all colleges with special protection for the freshers.
- **Protection against sexual harassment of women Cell:** " For the security & protection of women we have a cell working towards it. Constituted on the guidelines of UGC, it is headed by strong women. We also have separate security & helpline numbers for the girls.
- **Disabled Citizen Welfare Committee:** "In eastern civilization our elders are our books". To instill in our students, Indian values & Subhartian culture we have devised a separate plan for the well being of our elders and the disabled.

Special Committees

instituted a committee which organizes separate counseling & teaching sessions for the students.

- **Career Counseling Cell:** "Climbing to the top demands strength, whether it is to the top of Mount Everest or to the top of your career".-Abdul Kalam. University has a panel of experts to provide career counseling at every stage of their career to our students to pursue a successful professional life.
- **Foreign student Cell:** For the benefit of foreign students and for solving their pre and post arrival problems, a separate foreign student cell has been made.

Admission Procedure & Rules

Admissions to the courses offered by Swami Vivekanand Subharti University are done either through Entrance Examination [UPCAT-BDS, UPCAT- MDS, UPCMET-MBBS, UPPGMET-MD, MS, Subharti National Entrance Test (SNET)] or on the basis of merit in the qualifying examination, spot test and interview. Mode-wise and course wise details are given on page no. 58 to 67.

If seats remain vacant after the entrance examination in any course and students are not available in the waiting list made on the basis of marks obtained in the Entrance Examination, admissions will be made from another list compiled considering the marks obtained in the qualifying examination, spot test and interview conducted by the University.

A notification will be issued in newspapers and will also be posted at the website of the University regarding the date of spot test and interview along with other relevant details related to the examination. The applicant will be required to go to the specified place on specified date along with all the original certificates and fee of the course, to be deposited then and there, if selected.

General Rules of Admission:

- Admissions are offered by Swami Vivekanand Subharti University to the following categories of students:

(a) General Category - Indian Nationals

(b) NRI / Foreign National Category - Foreign Nationals, NRIs and Indian Nationals sponsored by NRIs - as per policy of the Indian Government.

- In all admissions, whether through any Entrance Test or on the basis of merit, reservation policy for students of SC/ST/OBC categories (as per law) of that time and other eligibility criteria fixed by the University will apply. The student is required to have attained 17 years of age by 31st Dec. of the year of admission in all graduation courses after 10+2.
- The form annexed to this brochure is for students, applying for merit based admissions or SUET. Students appearing in various other entrance exams will have to fill the form prescribed for them separately.
- Subharti University reserves the right to change the curriculum, course structure and the rules relating to admissions, examinations, fee structure and refunds, and Scholarships etc.
- Updates, if any, will be notified on the University website and no individual communication will be sent to the candidates. All differences and disputes arising in the interpretation and implementation of any section in this Prospectus will be referred to the Vice Chancellor and his decision shall be final and binding.
- Any dispute arising out of or in connection with the University shall be referred to and finally resolved by the Allahabad High Court, Allahabad, Uttar Pradesh, India only.
- Fee deposited for any course shall not be refunded. However, if the student gets a seat in some other course run by the University within the time

schedule for admissions, full or a part of fee may be transferred to that course as per the policy of the University.

- Admissions are open for Indian/Foreign Nationals and NRIs. Students who have passed the qualifying examination from outside the country will have to produce the equivalence certificate from the Association of Indian Universities. Any other condition laid down by the Central Govt. shall also be followed.

How to procure an application form:

Student's Speak

Anuj Kumar, BA-LLB

Apart from aiming at academic growth the University also aims at inculcating the moral values among students. Subharti has given me a rock solid platform for my passion for entrepreneur which helped to me start the Asia's leading portal for Law students and Professional i.e, Legal Desire. The vision of the Founders of Subharti gives a clear view of Life at Subharti. The presence in Subharti inculcated a sense of leadership, self-independence, responsibility and passion for social services. The quality of education inspired to develop a mindset of reasoning leading to a sense of questioning to know the proof behind existence of things.

I feel home at Subharti! Join Subharti to Experience the taste of 'Shiksha-Seva-Sanskar'.

Apoorva Srivastava (B.Tech 3rd year CS)

Life at Subharti has truly been an enriching experience. At Subharti, we just not learn the curriculum but also the skills that help us to emerge as a better person and a skilled professional.

Being a hosteller I would say it's a 'home away from home.'

Here you just not get a degree but experience that will make you a better person and life long memories to cherish ...!

Peer Mohd. Fazil (B.Tech 3rd year civil)

B.Tech was my aim but the question was where to study, finally got the solution from Chhatrapati Shahuji Subharti Institute of Technology and Engineering, as it is an isle for the solution of afflicting things. SITE, Pinnacle of technical, academic, infrastructural, inspirational, qualitative and quantitative education is unmatched. All its intensively glooming reflection cannot be baptized in words. It enlightens the way of solutions. Come and feel elated in pronouncing of being a proved Alumni of Subharti University which begets best engineers crafted out of serene ambiance and high tech teaching and learning programme. If you are in perplexion of choosing University or College, Subharti is the best choice for you.

Shubhra Sharma (B.Tech 3rd year CS)

College days, they say, contribute some of the best memories of life and life at Subharti truly conspires in a manner that you're left with a lifetime of moments and good experiences.

SITE has not only imbibed in me the do's and don'ts of an engineer but has also inculcated in me the virtues of a good person; since values form the strong foundation of this institution.

Studying in Subharti is truly a worthwhile experience.

Mr.GAKI PHUNTSHO, B.Tech.

A beautiful campus setting, classmates from many different cultures and backgrounds, lecturers with interesting insights into current best industry practice and academic thinking, an intimate class-tutor environment, a focus on individual personal development, a team-based approach to assignments so essential in business today, and multiple company projects offering the immediate opportunity to apply academic learning; all of these made the program a truly stimulating experience, and a very worthwhile investment in terms of both personal and professional development.

Tashi Lhamo, BBA III semester

Studying at SIMC has given me the opportunity to study and meet with students from many different countries. The teachers have been really friendly, supportive and enthusiastic. The facilities are amazing!

Binod Pantha, BBA III semester

The B.B.A. program at SIMC is believed to be one of the best courses offered at SVSU. It not only made me better academically and professionally but also helped me test my capabilities to further excel in this field. Both the faculty as well as the staff made the learning experience enjoyable and intellectual.

DIRECTORATE OF DISTANCE EDUCATION

(Approved by the joint committee of UGC-AICTE-DEC)

(Recognized by DEB of UGC)

In this age of science, education is a must for all, not only for personal development but also for the development of the Nation.

Distance Education programme of Swami Vivekanand Subharti University was launched in the year 2009 to extend the benefits of its high quality innovative, and value-based education to all sections of society, especially, the weaker sections and women residing in remote, backward and in tribal areas. Aimed towards their empowerment and economic development, a number of employment-oriented programmes are offered through distance mode, at a very nominal fee structure.
