

MESSAGE FROM HON'BLE VICE-CHANCELLOR ON JOINING OFFICE

Dear Student, Faculty & Administrative Staff,

It is with great humility and honor that I take office as the 4th Vice-Chancellor of Swami Vivekanand Subharti University. My taking office is not only a validation of your love, affection but also the confidence and trust that the University's Trustee & Chancellor have shown in me.

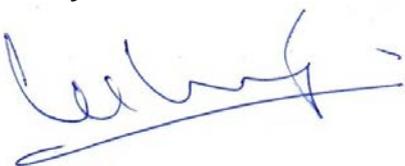

Today from the office of the Vice-Chancellor, I seek out your cooperation, your passion, your commitment to continue to make Swami Vivekanand Subharti University an institution of repute not only in our region but both across India and internationally.

For those of you who know me, also know that I have personally lived a life of Passion, and it is not a coincidence that our University's motto is "Where Education is Passion". For me passion is life itself, it is commitment to excellence in all spheres of life. This excellence is only achieved by relentless hard work, integrity and discipline. I have dedicated my life for these principles and I expect nothing less from you. We do a great disservice to ourselves, our society, nation and world at large by acceptance of mediocrity or "Chalta hai" attitude. The term "survival of the fittest" has never been more important and appropriate than in today's dynamic and competitive environment. A fully rounded development of the individual today entrails not only abilities and capabilities to conquer newer fields of knowledge & mastery of new skills, but also higher Emotional Quotient (EQ) and Spiritual Quotient (SQ). We can do this only by relentless pursuit of excellence.

Subharti has given us a strong foundation to leap from and I am hopeful that together, we will take this leap of faith to dedicate ourselves to a life long journey of excellence, commitment & discipline and to make Subharti our "Karmabhoomi".

Once again, with lot of gratitude, I look forward to a new & exciting phase of all round excellence for me, you & Subharti.

Thank you

Dr. N. K. Ahuja

Vice-Chancellor

Swami Vivekanand Subharti University
