College Placement Cell Committee  
Minutes of Meeting (MoM) for 10/07/2024

Date: July 10, 2024

Time: 11:00 AM

Venue: Conference Room

Members Present:

- Mr. Saurabh Tripathi, Assistant professor, BCSCCHM (Chairman) *Saurabh*
- Dr. Dhananjay Srivastav, Assistant professor, BCSCCHM (Member) *Dhananjay*

The meeting commenced with a welcome address by the Chairman. The following points were discussed, and resolutions were passed:

Agenda & Discussion:

1. Review of placement activities for the last academic year:

- A final review of placement activities for the past academic year was conducted, and a 78% placement rate was achieved.
- Feedback from students showed satisfaction with the placement process, though they suggested the inclusion of more corporate sector jobs.

Resolution:

- The Placement Cell will work towards increasing placement opportunities in the corporate sector, with a goal of reaching 85% placement in the upcoming year.

2. Discussion on expanding placement opportunities for the next academic year:

- Discussion centered around targeting more multinational corporations and companies in emerging industries.
- Dr. Nitin Gupta emphasized diversifying opportunities for students in sectors like finance and marketing.

Resolution:

- The Placement Cell will target multinational companies for placement drives. A list of potential companies will be finalized by the end of July 2024.

3. Evaluation of student readiness and skills development programs:

- It was noted that students needed more focus on soft skills, communication, and leadership training.
- The committee discussed the possibility of offering online certifications in industry-relevant skills.

Resolution:

- A soft skills workshop will be organized in August 2024, and online certification programs will be introduced to students in September 2024.

4. Any other matter with the permission of the Chair:

- Mr. Saurabh Tripathi suggested organizing company visits to give students insights into the workplace environment.

Resolution:

- A schedule for company visits will be prepared and shared with students in September 2024.

The meeting concluded with a vote of thanks by the Chairperson, expressing gratitude to all members for their valuable insights and active participation. The commitment to achieving the objectives discussed and fostering a positive and productive environment was reaffirmed.
