Bachelor of Library and Information Science (BLISc)

Program Outcome:

Bachelor's degree in Library and Information Science aims to:

- Train students in modern library administration and prepare them for careers in Academic, Public and Special Libraries.
- Impart education and training for generating budding library professionals in the present scenario of information age.
- Develop man power for libraries and information centres for effective and efficient services, professional values, dedication and attitude.
- To equip students with competent skills essentially required for carrying out various housekeeping operations of library and Information Centers using ICT.
- To develop LIS students as competent professionals in the field by imparting employability skill based on effective communication, critical thinking, and ethical literacy.
- Enable to become lifelong learners for their personal growth and development.

This course can be opted by the students of BLISc.
.....

Suggested Continuous Evaluation Methods:

Internal Evaluation 25 Marks: 20 Marks (2 Tests - 10 Marks each) 05 Marks (Assignment)

External Evaluation 75 Marks: The paper will be divided into Three Sections A, B and C.

Section A will consist of *Five* Short Answer Type questions not exceeding 75 words. The examinee will attempt all questions. Each question carries 2 marks.

Section B will consist of *Three* questions not exceeding 200 words. The examinee will attempt *Two* questions. Each question carries 10 marks.

Section C will consist of *Five* questions in detail. The examinee will attempt *three* questions. Each question carries 15 marks

Course prerequisites: To study this course, a student must have had the Graduation in any discipline.

Suggested equivalent online courses: Courses on Swayam/MOOCs/NPTEL
