Faculty of Arts and Social Science

07/04/2026

2:00 PM onwards

Minutes of Meeting	
College/ Faculty	Faculty of Arts and Social Science
Departments	Department of Library and Information Science Department of Journalism and Mass Communication Department of Languages Department of Liberal Arts and Humanities Department of Home Science School of Buddhist Studies
Date	07/04/2026
Venue	Conference / Meeting Room
Time	2:00 PM onwards
Purpose of the Meeting	The meeting was conducted to discuss institutional quality enhancement initiatives and to review the academic, administrative, and documentation practices of the college in the context of accreditation, ranking, and quality assurance systems.
Agenda	<ul style="list-style-type: none"> • Welcome Address by Dr. Kapil Kumar (IQAC Director) • Introduction of ROP Enterprises by Dr. Anchit Narwadkar • Discussion on Objectives and Scope of MoU by Dr. Anchit Narwadkar • Presentation on NAAC New Process and NIRF by Dr. Anchit Narwadkar • AQAR 2024-25 Review by Dr. Kapil Kumar (IQAC Director) • Open Discussion and Queries
Business Transacted	presentation was delivered on the proposed NAAC accreditation format and NIRF ranking parameters to brief the participants about the key requirements and assessment parameters.
Key Observations	<ol style="list-style-type: none"> 1. Independent Functioning of Departments- The six departments of the university are currently functioning independently. This creates challenges in internal coordination, standardization of processes, and systematic maintenance of institutional data required for quality assurance, accreditation, and ranking purposes. 2. Applicability of NAAC Health Sciences University Manual- As per the existing NAAC Guidelines under the Revised Accreditation Framework (RAF), the university is presently following the Health Sciences University Manual. As mentioned in the note on Page No. 23 of the manual: 3. “If more than 60% of their departments belong to Health Sciences, the Higher Education Institution (HEI) will have to mandatorily adopt the Manual for Health Sciences Universities for their Assessment and Accreditation.” <p>Manual Link: http://naac.gov.in/images/docs/Manuals/manuals_new/Health-Science-University-Manual-16-11-2021.pdf (Reference: Page No. 23)</p>

	<p>If the departments function individually and independently, the institution may not be treated purely as a Health Sciences University for accreditation purposes. In such a situation, the university may need to follow the NAAC General University Manual instead of the Health Sciences University Manual, as the assessment would be considered from the perspective of a multi-disciplinary or general university structure rather than a specialized health sciences institution.</p> <p>4. Participation in NIRF Rankings- As per the NIRF Overall Category Guidelines, individual departments are not eligible to participate independently. Institutions must apply at the institutional level, and one of the eligibility requirements is that the minimum number of students should exceed 1000 for participation in any category.</p> <p>Document Link: https://www.nirfindia.org/nirfpdcdn/2025/framework/Overall.pdf (Reference: Page No. 2 and 3)</p>
Action Points	<p>It is suggested that the Faculty of Arts and Social Sciences should function as a single faculty unit rather than as individual departments.</p> <p>An Office Order may kindly be issued at the University level to formalize this structure. This step will help address the practical difficulties currently being faced in terms of internal coordination, data consolidation, documentation, and compliance with accreditation and ranking requirements, as mentioned above.</p>
Conclusion	<p>In conclusion, all the members unanimously agreed to work in a coordinated manner for the enhancement of quality initiatives at SVSU and to extend their cooperation in achieving the institutional goals related to accreditation, ranking, and quality improvement.</p>
To send on email	<p>Blank format of a Monthly Planner that departments/faculties can use to provide an overview of activities conducted during Academic Year 2025–26.</p>

Minutes of Meeting	
College/ Faculty	Faculty of Medicine
Number of Departments	25
Date	08/04/2026
Venue	Conference / Meeting Room
Time	2:00 PM onwards
Purpose of the Meeting	The meeting was conducted to discuss institutional quality enhancement initiatives and to review the academic, administrative, and documentation practices of the college in the context of accreditation, ranking, and quality assurance systems.
Agenda	<ul style="list-style-type: none"> • Welcome Address by Dr. Kapil Kumar (IQAC Director) • Introduction of ROP Enterprises by Dr. Anchit Narwadkar • Presentation on NAAC New Process and NIRF by Dr. Anchit Narwadkar • Open Discussion and Queries
Business Transacted	Presentation was delivered on the proposed NAAC accreditation format and NIRF ranking parameters to brief the participants about the key requirements and assessment parameters.
Key Observations	<ul style="list-style-type: none"> • A Criteria Coordinator System is currently not in place for working systematically on the NAAC Criteria. This needs to be established for better coordination and documentation. • Certain deficiencies were observed in the NIRF 2026 data, which may require attention and improvement: <ol style="list-style-type: none"> 1. Limited data related to Intellectual Property Rights (IPRs) such as patents, copyrights, and related activities. 2. No fee reimbursement or financial support provided to students from institutional funds. 3. Low Super Speciality Graduation Percentage, as program started few years back and which impacts the relevant NIRF parameter. 4. Challenges in collecting Placement and Higher Education data of graduating students as no formal mechanism is in place.
Action Points	<ul style="list-style-type: none"> • Establishment of Criteria Coordinator System in faculty of medicine immediately. • Enhancement of IPR Activities by encouraging faculty and researchers with financial support to file patents, copyrights, and other IPRs. • Student Financial Support Mechanism need to be developed at university level for institutional fee reimbursement. • To Develop a student exit record and alumni tracking system for capturing placement and higher education details.

Conclusion	In conclusion, all the members unanimously agreed to work in a coordinated manner for the enhancement of quality initiatives at SVSU and to extend their cooperation in achieving the institutional goals related to accreditation, ranking, and quality improvement.

Time	02:00 PM onwards
Purpose of the Meeting	The meeting was conducted to discuss institutional quality enhancement initiatives and to review the academic, administrative, and documentation practices of the college in the context of accreditation, ranking, and quality assurance systems.
Agenda	<ul style="list-style-type: none"> • Welcome Address by Dr. Kapil Kumar (IQAC Director) • Introduction of ROP Enterprises by Dr. Anchit Narwadkar • Presentation on NAAC New Process and NIRF by Dr. Anchit Narwadkar • Open Discussion and Queries
Business Transacted	Presentation was delivered on the proposed NAAC accreditation format and NIRF ranking parameters to brief the participants about the key requirements and assessment parameters.
Key Observations and Suggestions	<ul style="list-style-type: none"> • The Faculty of Nursing is presently not participating in any specific NIRF category and has been contributing data only towards the overall category of the University. It is noted that the Faculty of Nursing had previously participated in the college category. Considering the relatively lower number of participants in the medical category than the college category, it is suggested that the Faculty of Nursing may explore participation in Medical category, as it could enhance the probability of achieving rank.
Conclusion	In conclusion, all the members unanimously agreed to work in a more coordinated manner towards enhancing the quality initiatives at 'Faculty of Nursing' and to extend their cooperation in achieving the institutional goals related to accreditation, ranking, and continuous quality improvement."

Agenda	<ul style="list-style-type: none"> • Welcome Address by Dr. Kapil Kumar (IQAC Director) • Introduction of ROP Enterprises by Dr. Anchit Narwadkar • Presentation on NAAC New Process and NIRF by Dr. Anchit Narwadkar • Open Discussion and Queries
Business Transacted	Presentation was delivered on the proposed NAAC accreditation format and NIRF ranking parameters to brief the participants about the key requirements and assessment parameters.
Key Observations and Suggestions	<ul style="list-style-type: none"> • The Management and Commerce may kindly consider devising a strategic plan for participation in the National Institutional Ranking Framework (NIRF) under the Management category, wherein rankings are extended up to the top 100 institutions along with a 101–125 band. • It is suggested that the Management and Commerce may further strengthen internal coordination by identifying and assigning key roles such as NAAC Coordinator, NAAC Criteria Coordinators, NIRF Coordinator, and NBA Coordinator. • The Management and Commerce may also kindly consider filling the NBA pre-qualifier on a preliminary basis and having the same reviewed by the IQAC Team prior to start of NBA Accreditation work.
Conclusion	In conclusion, all the members unanimously agreed to work in a more coordinated manner towards enhancing the quality initiatives at ‘Management and Commerce’ and to extend their cooperation in achieving the institutional goals related to accreditation, ranking, and continuous quality improvement.”

Faculty of Fine Arts

Faculty of Engineering and Technology

20/04/2026

02:00 PM onwards

Minutes of Meeting	
College/ Faculty	Faculty of Engineering and Technology
Number of Departments	8
Date	20/04/2026
Venue	AICTE Idea Lab Conference Room
Time	02:00 PM onwards
Purpose of the Meeting	The meeting was conducted to discuss institutional quality enhancement initiatives and to review the academic, administrative, and documentation practices of the college in the context of accreditation, ranking, and quality assurance systems.
Agenda	<ul style="list-style-type: none"> • Welcome Address by Dr. Kapil Kumar (IQAC Director) • Introduction of ROP Enterprises by Dr. Anchit Narwadkar • Presentation on NAAC New Process and NIRF by Dr. Anchit Narwadkar • Open Discussion and Queries
Business Transacted	Presentation was delivered on the proposed NAAC accreditation format and NIRF ranking parameters to brief the participants about the key requirements and assessment parameters.
Key Observations and Suggestions	<p>The meeting with the Faculty of Engineering & Technology was held successfully, and a few important points emerged for further review and strengthening:</p> <p>Intake Alignment: It was observed that the approved intake as per AICTE EOA and the intake reflected in institutional records may require alignment.</p> <p>Institutional Structure & Visibility: Currently, two colleges are operating in the campus. While private state universities are permitted to offer Engineering & Technology programs without approval from All India Council for Technical Education (AICTE), it would be beneficial to consider a clearer bifurcation between AICTE-approved and non-AICTE programs.</p> <p>Link:- https://aicte.gov.in/downloads/aph/Final%20Addendum%202026-27.pdf (Page Number 2, Point Number 5)</p> <p>Faculty-Student Ratio: The faculty-to-student ratio, as available on the website, may need to be reviewed in line with AICTE/UGC norms.</p> <p>NBA Accreditation Readiness: The NBA accreditation process may be approached in structured manner. As a first step, the NBA pre-qualifier can be prepared and internally assessed to evaluate the current level of readiness.</p> <p>NIRF Participation and Strategy: The consistent participation in NIRF is notable. For NIRF 2027, a more focused and data-driven approach, with continuous monitoring of parameters is required.</p>

Conclusion	In conclusion, all the members unanimously agreed to work in a more coordinated manner towards enhancing the quality initiatives at ‘Faculty of Engineering and Technology’ and to extend their cooperation in achieving the institutional goals related to accreditation, ranking, and continuous quality improvement.”

Faculty of Pharmacy

25/04/2026

02:00 PM onwards

Minutes of Meeting	
College/ Faculty	Faculty of Pharmacy
Number of Departments	3
Date	25/04/2026
Venue	Conference / Meeting Room
Time	12:00 PM onwards
Purpose of the Meeting	The meeting was conducted to discuss institutional quality enhancement initiatives and to review the academic, administrative, and documentation practices of the college in the context of accreditation, ranking, and quality assurance systems.
Agenda	<ul style="list-style-type: none"> • Welcome Address by Dr. Kapil Kumar (IQAC Director) • Introduction of ROP Enterprises by Dr. Anchit Narwadkar • Presentation on NAAC New Process and NIRF by Dr. Anchit Narwadkar • Open Discussion and Queries
Business Transacted	Presentation was delivered on the proposed NAAC accreditation format and NIRF ranking parameters to brief the participants about the key requirements and assessment parameters.
Key Observations and Suggestions	<ul style="list-style-type: none"> • The 'Faculty of Pharmacy' has been consistently participating in the NIRF ranking process, and detailed discussions were held on identifying potential areas of improvement to enhance the overall score. Strategic measures and actionable inputs were deliberated to help the 'Faculty of Pharmacy' to secure a better band/rank in NIRF 2027. • It was also noted that the Faculty of Pharmacy has already applied for NBA Accreditation, successfully cleared the pre-qualifier stage, and submitted the Self-Study Report (SSR). The next stage, i.e., the expert visit, is awaited. • In this regard, the IQAC team, along with the ROP Enterprises team, will extend support to the 'Faculty of Pharmacy' in preparation for the expert visit. This will include a thorough review of documentation, conducting mock visits, and providing necessary guidance to ensure readiness. • The Dean/ NBA Coordinator has been requested to share the NBA Self-Assessment Report (SAR) on IQAC email at the earliest so that the preparatory work can be initiated accordingly.
Conclusion	In conclusion, all the members unanimously agreed to work in a more coordinated manner towards enhancing the quality initiatives at 'Faculty of Pharmacy' and to extend their cooperation in achieving the institutional goals related to accreditation, ranking, and continuous quality improvement."
