The meeting commenced with a welcome address by the Director-IQAC. He emphasized the importance of NIRF 2027 participation, evidence-based documentation, timely data collection, and coordinated efforts among all Faculties/Colleges and concerned Departments of the University. A presentation on the National Institutional Ranking Framework (NIRF) was delivered, explaining the objectives, methodology, and institutional responsibilities by Dr. Anchit Narwadkar, ROP Enterprises.

Agenda 1	To review applicable NIRF categories.																																																			
Discussion	The Director-IQAC explained that each Faculty/College must compile and submit data only for the category applicable to its academic discipline, while departments such as the Environmental Department and R&D Cell shall coordinate data related to the Sustainable Institution and Research & Innovation categories, respectively. The IQAC shall function as the central coordinating body for the University's overall NIRF submission and shall monitor data collection, verification, and timely submission. The members were informed that the categorization has been finalized after reviewing the NIRF guidelines and considering the academic structure of the University. The following category-wise mapping was presented before the House: <table><tr><th>S. No.</th><th>Faculty / Colleges / Department</th><th>Applicable NIRF Category</th></tr><tr><td>1</td><td>Faculty of Medicine</td><td>Medical</td></tr><tr><td>2</td><td>Faculty of Dental Sciences</td><td>Dental</td></tr><tr><td>3</td><td>Faculty of Nursing</td><td>Medical</td></tr><tr><td>4</td><td>Faculty of AYUSH</td><td>Medical</td></tr><tr><td>5</td><td>Faculty of Allied Health Sciences</td><td>Medical</td></tr><tr><td>6</td><td>Faculty of Pharmacy</td><td>Pharmacy</td></tr><tr><td>7</td><td>Faculty of Engineering and Technology</td><td>Engineering</td></tr><tr><td>8</td><td>Faculty of Law</td><td>Law</td></tr><tr><td>9</td><td>Faculty of Science</td><td>College</td></tr><tr><td>10</td><td>Faculty of Management and Commerce</td><td>Management</td></tr><tr><td>11</td><td>Faculty of Education</td><td>College</td></tr><tr><td>12</td><td>Faculty of Fine Arts</td><td>College</td></tr><tr><td>13</td><td>Faculty of Arts & Social Science</td><td>College</td></tr><tr><td>14</td><td>Environment Department</td><td>Sustainable Institution</td></tr><tr><td>15</td><td>R&D Cell</td><td>Research, Innovation</td></tr><tr><td>16</td><td>IQAC</td><td>Overall</td></tr></table> Following the presentation, an extensive discussion was held regarding the scope and eligibility criteria of each category. The NIRF Coordinators sought clarification on the data requirements, submission timelines, and documentation standards applicable to their respective categories.	S. Resolution	After detailed deliberations, the House unanimously resolved that: • The category-wise participation of all Faculties, Colleges, and Departments, as presented before the House, is hereby considered for NIRF 27. • Each Faculty/College shall compile data only under its approved NIRF category in accordance with the latest NIRF guidelines. • The Environment Department shall coordinate the preparation and submission of data for the “Sustainable Institution” category. • The R&D Cell shall coordinate all data pertaining to the “Research” and “Innovation” categories.																																																			

	• The IQAC shall act as the nodal office for all categories, including the overall coordination, monitoring, verification, consolidation, and final submission of NIRF data at the University level. • All NIRF Coordinators shall ensure the availability of complete supporting documents and maintain records for audit and verification purposes. • Monthly review meetings shall be conducted by IQAC to monitor the progress of data collection and resolve any issues faced by the concerned Faculties/Colleges and Departments. • Any modification in category applicability, if required as per future NIRF notifications, shall be communicated by IQAC after approval from the competent authority. <i>Action by: IQAC, NIRF Coordinators</i>
Agenda: 2	To evaluate NIRF Parameters and their documentation.
Discussion	The members were briefed on the evaluation methodology adopted under the National Institutional Ranking Framework (NIRF). It was emphasized that the University's overall performance depends upon the quality, authenticity, and timely submission of data under all prescribed parameters. The members were also informed that NIRF evaluates Higher Education Institutions based on five key parameters, namely: • Teaching, Learning & Resources (TLR) • Research & Professional Practice (RP) • Graduation Outcomes (GO) • Outreach & Inclusivity (OI) • Peer Perception (PR) The Director-IQAC explained the significance of each parameter and highlighted that every Faculty/College and Department must maintain complete documentary evidence to substantiate the data submitted under these parameters. A detailed discussion was held regarding the responsibility of various University departments in collecting and validating the required information. It was decided that: • Student-related data, including admissions, enrolment, and examination records, and Faculty-related information, including sanctioned posts, qualifications, experience, and appointments, shall be authenticated by the respective Faculty/College/Departments. • Research publications, citations, patents, funded research projects, consultancy, and innovation-related data shall be compiled by the NIRF coordinators and verified by the R & D Cell of the University before submission to IQAC/NIRF. • Financial data, including expenditure/income on infrastructure, salaries, research, and academic activities, shall be supported by audited financial statements and verified by the Finance Department of the University.

	All supporting documents shall be maintained systematically to facilitate internal verification, external audits, and NIRF validation.															
Resolution	After detailed deliberations, the House unanimously resolved that: - All Faculties/Colleges, and Departments shall prepare and submit data strictly as per the NIRF Guidelines and within the prescribed timelines. - Every data entry shall be supported by authentic documentary evidence and verified by the concerned competent authority before submission to IQAC. - The Admission Cell, Controller of Examinations Office, Finance Department, R&D Cell, Environment Department, and all NIRF Coordinators shall work in close coordination with IQAC to ensure the accuracy and completeness of the institutional data. - IQAC shall periodically review the progress of data collection and provide necessary guidance to all concerned stakeholders. - Supporting documents shall be maintained by each Faculty/College/Department for future reference, verification, and audit purposes. <i>Action By- IQAC, Finance Department, R&D Cell, Faculty/Colleges, and all NIRF Coordinators</i>															
Agenda: 3	To Discuss NIRF Ranking and Band Range.															
Discussion	The Director - IQAC presented the NIRF Ranking and Band Range framework and explained the ranking methodology adopted by the National Institutional Ranking Framework (NIRF) for different categories of Higher Education Institutions. He informed the members that NIRF publishes rankings as well as band ranges depending upon the category and performance of the participating institutions. Understanding these ranking bands is essential for setting realistic institutional targets and developing appropriate strategies for improving the University's performance in NIRF 2027. During the discussion, the following data were shown: <table><tr><td>Overall Rank 1-100 Band 101-150 Band 151-200</td><td>University Rank 1-100 Band 101-150 Band 151-200</td><td>College Rank 1-100 Band 101-150 Band 151-200 Band 201-300</td><td>Engineering Rank 1-100 Band 101-150 Band 151-200 Band 201-300</td><td>Management Rank 1-100 Band 101-125</td></tr></table> <table><tr><td>Research Institutions Rank 1-50</td><td>Pharmacy Rank 1-100 Band 101-125</td><td>Medical Rank 1-50</td><td>Dental Rank 1-40</td><td>Law Rank 1-40</td></tr></table> <table><tr><td>Architecture and Planning Rank 1-40</td><td>Innovation Rank 1-10</td><td>Open University and Skill University Rank 1-3</td><td>State Public Universities Rank 1-50 Band 51-100</td><td>SDG Rank 1-10</td></tr></table> It was informed that the Overall and University categories provide rankings from Rank 1–100, followed by Band 101–150 and Band 151–200. Similarly, categories such as College and Engineering extend the band ranges up to Band 201–300, while the Management and Pharmacy categories include rankings up to Rank 1–100, followed by Band 101–125. 	It was further explained that categories such as Medical, Dental, Law, Research, Innovation, and Sustainable Institutions have different ranking or band structures based on the evaluation methodology prescribed by NIRF.
Resolution	After detailed deliberations, the House unanimously resolved that: All Faculties/Colleges, and Departments shall align their annual action plans to improve the University's performance in NIRF 27. <i>Action By: IQAC, Faculty/Colleges/ Departments, NIRF Coordinators, Environment Department, Finance Department, and all concerned stakeholders</i>
Agenda: 4	To discuss NIRF 2027 data templates.
Discussion	The Director-IQAC initiated the discussion by emphasizing that the success of the University's participation in NIRF 2027 largely depends upon the timely collection, verification, and submission of complete and authentic institutional data. He informed the members that standardized NIRF Data Collection Templates have been prepared by IQAC in accordance with the latest NIRF guidelines to ensure uniformity, accuracy, and consistency in data reporting across all Faculties/ Colleges/Departments. The members were informed that separate templates shall be circulated to all Faculties/Colleges/Departments based on their applicable NIRF category. Each Faculty NIRF Coordinator shall be responsible for collecting the required information from the concerned departments, verifying the accuracy of the data, and submitting the completed templates to IQAC within the stipulated timelines.
Resolution	After detailed deliberations, the House unanimously resolved that: The standardized NIRF 2027 Data Collection Templates, prepared by IQAC in accordance with the latest NIRF guidelines, are hereby considered for implementation across all Faculties/Colleges/Departments. <i>Action By: IQAC and NIRF Coordinators</i>
Agenda: 5	To discuss supporting documents required under NIRF parameters.
Discussion	The Director-IQAC initiated the discussion by emphasizing that the credibility of the University's NIRF submission depends not only on the accuracy of the data but also on the availability of authentic and verifiable supporting documents. He informed the members that every data point submitted under the NIRF must be supported by documentary evidence as prescribed in the NIRF guidelines. The House deliberated in detail on the documentary requirements under various NIRF parameters and decided that the following records shall be maintained by the respective Faculties/Colleges/Departments: Student Strength and Admission Records: Sanctioned intake, enrolment records, category-wise student data, number of students from other states and country admission notifications, fee records, and student database, etc.

	• Faculty Information: Appointment letters, joining reports, qualification certificates, experience certificates, promotion letters, etc. • Research and Professional Practice: Publications indexed in Scopus/Web of Science, citations, h-index, patents (filed and granted), funded research projects, consultancy projects and IPRs, duly authenticated by the R&D Cell of the University. • Financial Documents: Audited financial statements, annual financial reports, expenditure on academic and research activities, salary expenditure, capital expenditure, library expenditure, and utilization certificates, certified by the Finance Department of the University. • Graduation Outcomes: Examination results, pass percentage, placement records, higher education progression, verified by the Controller of Examinations and T & P Cell of the University. • Outreach and Inclusivity: Records relating to regional diversity, gender diversity, scholarships and facilities for differently-abled students. • Sustainable Institution and Innovation: Documents related to environmental sustainability initiatives, green campus practices, energy conservation, waste management, water conservation, SDG initiatives, incubation activities, startups, and innovation ecosystem, maintained by the Environment Department and Innovation Cell of the University.																
Resolution	After detailed deliberations, the House unanimously resolved that: • All Faculties/Colleges/Departments shall maintain complete, authentic, and verifiable documentary evidence for every parameter of NIRF in accordance with the latest NIRF guidelines. <i>Action By - IQAC, Faculty/Colleges/ Departments, and NIRF Coordinators</i>																
Agenda: 6	To discuss the timeline for data collection and verification.																
Discussion	The Director-IQAC initiated the discussion by emphasizing the importance of adhering to a well-defined timeline for the systematic collection, verification, and submission of institutional data for NIRF 2027. He informed the House that timely completion of each activity is essential to ensure adequate time for internal verification, gap analysis, rectification of discrepancies, and final approval before the NIRF submission. The following timelines for different activities with responsibilities were discussed: <table><tr><th>S. No.</th><th>Activity</th><th>Responsibility</th><th>Timeline</th></tr><tr><td>1.</td><td>Circulation of NIRF Data Collection Templates</td><td>IQAC</td><td>By 5th August 2026</td></tr><tr><td>2.</td><td>Constitution/Confirmation of Faculty NIRF Teams</td><td>Faculty/College/Department</td><td>By 5th August 2026</td></tr><tr><td>3.</td><td>Completion of collection and compilation according to the data templates provided for the first review</td><td>NIRF Coordinators</td><td>By 31st August 2026</td></tr></table> 	S. 9.	Final verification	IQAC and ROP Enterprises & Competent Authority	December 2026
10.	Final consolidation and submission of institutional data	IQAC and ROP Enterprises	As per NIRF timeline

Further, it was informed that review meetings shall be conducted as per the above-mentioned schedule to ensure the timely monitoring and assessment of the progress of NIRF 27 data collection, compilation, verification, validation, and documentation across all Faculties/Colleges/ concerned Departments.

During each review meeting, the Faculty NIRF Coordinators shall present the parameter-wise status of data collection, compilation, verification, and availability of supporting documents. The meetings shall also facilitate the identification of gaps, resolution of issues, and formulation of necessary action points to ensure the timely and accurate submission of NIRF 27 data.

Resolution

After detailed deliberations, the House unanimously resolved that:

- The proposed timeline for the collection, verification, validation, and submission of NIRF 27 data is hereby considered.

Action By: IQAC, Faculty/College/Department NIRF Coordinators

Agenda: 7

To assign the roles and responsibilities for NIRF 2027.

Discussion

The Director, IQAC, informed the members that the successful participation of the University in **NIRF 2027** requires a coordinated and collaborative approach involving all academic and administrative units of the University.

The Director IQAC explained that while the IQAC shall function as the central coordinating office for the entire NIRF exercise, every Faculty/College/Department shall be accountable for collecting, verifying, authenticating, and submitting data related to their respective category. The importance of maintaining accuracy, transparency, and documentary evidence at every stage of the process was highlighted. The House discussed the role of each stakeholder in detail and unanimously agreed upon the following responsibilities:

Faculty/College/Dept.	Assigned Responsibilities
IQAC	IQAC shall function as the nodal coordinating office for NIRF 2027 and shall be responsible for planning, coordination, preparation of

		data collection formats, dissemination of guidelines, monitoring progress, conducting fortnightly review meetings, verification and validation of institutional data, gap analysis, consolidation of data received from various Faculties and Departments, and final submission of the University's NIRF application. IQAC shall also provide necessary guidance, resolve queries, and ensure compliance with the latest NIRF guidelines.
	R&D Cell	The R&D Cell shall verify and authenticate all research-related information, including research publications, citations, books, book chapters, patents (filed and granted), funded research projects, consultancy activities, technology transfers, research collaborations, and other research performance indicators required under the Research & Professional Practice (RP) and Research & Innovation categories.
	IIC and Startup Cell	These cells shall verify the innovation and startup-related data.
	Environment Department	The Environment Department shall coordinate the preparation of data related to the "Sustainable Institution" category.
	NIRF Coordinators	All NIRF Coordinators shall serve as the primary point of contact between IQAC and the respective Faculty/College. They shall collect and compile parameter-wise data, verify the authenticity of the information, ensure availability of supporting documents, maintain records, submit data within the prescribed timelines, present the progress during fortnightly review meetings, and implement the observations communicated by IQAC.
Resolution	After detailed deliberations, the House unanimously resolved that: The roles and responsibilities assigned to all concerned are hereby considered for the preparation of NIRF 2027. <i>Action By - IQAC and all concerned</i>	
Agenda: 8	Any other agenda items with the permission of the Chair.	
Resolution	As there was no other item for discussion, the meeting concluded with a vote of thanks to the Chair.
