1. Mr. Ashish Kumar Sain, Trainee Clerk, IQAC
2. Ms. Shivangi Sangal, Coordinator SDG4, Assistant Professor, Faculty of Pharmacy
3. Dr. Gaurav Kumar Sharma, Coordinator SDG8, Associate Professor, Faculty of Management & Commerce

The following Agenda Items were discussed during the meeting:

1. Orientation regarding THE Sustainable Impact Ratings 2026.
2. Understanding the data collection methodology for all 17 Sustainable Development Goals (SDGs).
3. Finalization of timelines for data compilation and verification.
4. Allocation of responsibilities among SDG Coordinators.
5. Discussion on documentary evidence and portal submission process.

The Director, IQAC, welcomed all the Faculty SDG Coordinators and explained the strategic importance of participation in the Times Higher Education (THE) Sustainability Impact Rankings 2026 for enhancing the University's global visibility and international reputation. The meeting focused on understanding the complete methodology of THE Sustainability Impact Ratings 2026 and the roadmap for systematic data collection.

The following points were discussed and finalized under the above-mentioned Agenda Items:

1. Coverage of SDGs

- The University shall submit data for all 17 Sustainable Development Goals (SDGs).
- Every SDG will have a dedicated Faculty SDG Coordinator responsible for data compilation.
- Coordinators shall work in consultation with their respective departments and administrative units.

2. Selection of SDGs for Ranking: It was explained that:

- Besides SDG 17, the three best-performing SDGs of the University shall be considered for the overall ranking.

- However, the University shall prepare complete documentation for all 17 SDGs to maximize ranking opportunities.

3. Study of THE Methodology:

The coordinators were requested to:

- Thoroughly study the available THE Sustainability Impact Ratings Manual.
- Review sample submissions available from internationally ranked universities.
- Understand the indicators, scoring methodology and documentary requirements before initiating data compilation.

4. Research Publications:

It was decided that:

- Research publications related to each SDG shall be identified by the R&D Cell.
- Publication details including:
 - Number of publications
 - Citation count
 - Research impact

Shall be provided to coordinators by IQAC in coordination with R&D Cell of the University.

- It was informed that a list of SDG-specific keywords had already been circulated to all Faculties, Colleges, and Departments of the University with a request to encourage faculty members to incorporate the relevant SDG keywords in their research publications, wherever applicable. During the meeting, the Director, IQAC, also presented the same list of SDG keywords and emphasized the importance of their appropriate use in research publications to strengthen the University's contribution towards the Sustainable Development Goals.

5. Consideration of Year

- For THE-2027, data of Academic Year 2024-25 will be required for submission.

6. Language

It was decided that:

- All reports, documentary evidence, policies and supporting documents shall be prepared in **English**.
- Uniform formatting shall be maintained throughout.

7. Timeline

The following schedule was finalized:

Activity	Timeline
Orientation Meeting	06 July 2026
Initial Study, Drafting of emails for Data Collection by the Faculty SDG Coordinators	06–17 July 2026
Review and verification-I	27–31 July 2026
Review and verification-II	17–22 August 2026
Final check in the IQAC Conference Hall	15–20 September 2026
Final submission on THE Portal	As per THE Schedule

8. Weightage

The Director IQAC explained the broad evaluation pattern of THE Sustainability Impact Ras and emphasized that:

- SDG 17 carries mandatory significance with a weightage of 22%.
- Three selected SDGs will carry a weightage of 26% each.
- Performance across selected SDGs contributes to the University's overall ranking and rating.

9. Ranking/ Rating

- Universities securing a position within the Top 100 in the global rankings will be assigned a numerical rank.
- Universities placed beyond the Top 100 will be assigned a band (ranking range) instead of an exact numerical rank.

Conclusion:

The Director, IQAC, emphasized that achieving a higher position in the **Times Higher Education (THE) Sustainability Impact Ratings 2027** requires coordinated efforts from all faculties and administrative units. All SDG Coordinators were requested to adhere to the timelines and ensure the authenticity, completeness, and quality of the data submitted. The meeting concluded with a vote of thanks to the Chair.
