The following points were discussed during the meeting:

SDG 6 – Clean Water and Sanitation: During the discussion for SDG-6, Dr. Sweta Bhardwaj, Coordinator, SDG 6, stated that she will discuss the requirements of this SDG and will collect relevant details from Dr. Ruhela.

SDG 7 – Affordable and Clean Energy:

SDG Indicator 7.2.4:

- To fulfil the requirements of this indicator, the following initiatives were suggested to include:
 - **Energy Audit:** Energy Audit reports and recommendations.
 - **Energy-Efficient Lighting:** Use of LED lighting and sensor-based lighting systems.
 - **Solar Energy:** Solar energy generation and utilisation data.
- The relevant PowerPoint presentation will be provided by Dr. Ruhela regarding Solar generation and utilisation details, with graphical representation to support this indicator.
- **BEE Rating:** BEE ratings of applicable equipment/appliances.

SDG 12 – Responsible Consumption and Production:

SDG Indicator 12.2.3, 12.2.4:

- To fulfil the requirement for this indicator, a draft of the relevant policies was presented by the concerned coordinator. As there were many suggestions by the Head, Environmental Engineering and Management, it was decided that the concerned coordinator would visit his office for finalisation of these documents. It was also discussed that the Waste Management Policy may be differentiated based on the type of waste, namely: Solid Waste Management and Liquid Waste Management.

SDG Indicator 12.2.6:

- The need for a policy addressing minimisation of plastic use and disposable items was discussed.
- Documentary evidence demonstrating implementation of the policy is available.
- Translation of relevant policies, documents and circulars into English was discussed as per the requirements of THE Impact Rankings by IQAC.
- It was also discussed to include Waste generated from Plastic and disposable items in the policy prepared for Solid Waste Management.
- It was also decided that the concerned coordinator would visit the office of the Head, Environmental Engineering and Management after finalisation of these documents for review by him.

SDG Indicator 12.3.1:

- The requirement for systematic tracking of waste generated, recycled/recovered and disposed of was discussed.
- The available data indicating approximately the **waste generated** and **recycled** was noted for verification.
- It was advised that the data should be reconciled with the data submitted for the Green, Environment and Energy Audit by the IQAC.
- It was also decided that once this data is finalised by the IQAC, it will be forwarded to the Head, Environmental Engineering and Management for his review.

SDG 13 – Climate Action:

SDG Indicator 13.3.3:

- To fulfil the requirements of this indicator, the following initiatives were suggested to include:
 - **Use/Promotion of E-Vehicles:** Initiatives related to electric vehicles/e-mobility on campus.
 - **ERP and Digitalisation:** Use of ERP/digital systems for reducing paper consumption and supporting sustainable practices.
 - **Environmental Science/Environment-Related Activities:** Relevant activities undertaken through the Environmental Science/related departments.
 - **Energy-Conscious AC Usage:** The practice of maintaining appropriate air-conditioning temperature settings, including the **22°C setting**.
 - **Climate Change Conferences/Workshops:** Certificates, participation records, photographs, programmes and reports of conferences/workshops related to climate change should be compiled as supporting evidence in consultation with Dr. Ruhela.

SDG Indicator 13.3.4:

- To fulfil the requirements of this indicator, the following initiatives were suggested to include:
 - **Tree Plantation / “Ek Ped Maa Ke Naam”:** Activities undertaken under “**Ek Ped Maa Ke Naam**” and other tree plantation initiatives.
 - **UBA and NSS Activities:** Relevant environment and climate-related activities conducted through **Unnat Bharat Abhiyan (UBA)** and **NSS**.

SDG Indicator 13.3.5:

- To fulfil the requirements of this indicator, Dr. Mukesh Ruhela informed that he will provide the details of MoUs with NGO. The concerned SDG coordinator was advised to meet Dr. Ruhela in this regard and collect the relevant information.

SDG 14 – Life Below Water and SDG 15 – Life on Land: The Coordinators of SDG 14 and SDG 15 could not attend the meeting. Therefore, it was decided that the concerned coordinator will discuss the requirements of their SDGs and will collect relevant details from Dr. Ruhela.

All related points were discussed, and it was decided that the concerned SDG coordinators have to visit the office of the Head, Environmental Engineering and Management, for his guidance and collection of relevant details.
