The Subharti Krishna Kumar Bhatnagar Charitable Trust

The Trust was established in 1991 by **Smt. Rajwati Bhatnagar** in the memory of her educationist husband, the late Dr. K.K. Bhatnagar. The purpose of the Trust was to guide the energy of the youth of our country in the right direction. This aim could only be achieved by **educating the youth**. Thus the Trust ventured into the field of education by establishing educational institutions from the primary level to higher education. In addition to provide education, the aim of the Trust is **to instill principles of service, nationalism and brotherhood into the young Indian minds**. The Trust has also been carrying out various other social, national and charitable activities.

**(Late) Dr. K.K. Bhatnagar
(16-8-1926 to 29-1-1991)**

**Smt. Rajwati Bhatnagar
The Creator of the Trust**

Swami Vivekanand Subharti University is a University under the section 2(f) of the University Grants Commission Act, 1956, set up under the Swami Vivekananda Subharti Vishwavidyalay Uttar Pradesh Adhiniyam, 2008 (U.P. Act No. 29 of 2008) as passed by the Uttar Pradesh Legislature and assented to by the Honorable Governor of Uttar Pradesh in September 2008.

The University has been established under the aegis of Subharti K.K.B. Charitable Trust, Meerut, which has acquired a commendable record of service in the field of Education, Health care and Social Welfare.

The main campus of the University is in the National Capital Region, strategically situated on National Highway 58, Delhi –Haridwar bypass road, Meerut, The campus aptly called 'Subhartipuram', is spread over a sprawling area of about 250 acres of land comprising magnificent buildings, lush green lawns and vibrant surroundings with over 5000 people, determined to make this a 'Jewel in the Crown' of the nation.

The University has several constituent colleges which provide higher education in almost all the disciplines like Medical, Dental, Nursing, Physiotherapy, Paramedical, Pharmacy, Naturopathy, Yogic Sciences, Engineering, Management, Law, Journalism, Education, Library, Arts and Science, Hotel Management, Life Skills etc. thus engaged in creating academically and technically proficient professionals.

The University boasts of highly qualified, dedicated and competent faculty from all walks of life, world class infrastructure, fully equipped Laboratories with latest state-of-the-art equipments and a huge library with recent knowledge resources including e-resources.

The Uniqueness of Subharti University lies in providing an environment fully conducive to the overall development of students, thus maintaining a balance between academic excellence and moral perfection.

The University has also started a number of courses through Distance Education, approved by joint committee of UGC, AICTE, and DEC.

The University has been awarded the membership of Association of Indian Universities in 2013.

THE VISIONARY

The boy who set out to make his dream a success was none other than Dr. Atul Krishna, who was still in his sophomore year at LLRM Medical College, Meerut at that time. Armed with a post graduate degree in General Surgery, Dr. Krishna soon set out to realize his dream which had already taken shape in his mind.

The dream was to establish such institutions of education and training that would produce highly skilled graduates and masters of academic excellence in every field and all aspects of life.

Graced with fore vision, versatility, a genius mind and gifted with a vibrant and vivacious personality, Dr. Atul Krishna is not only a reputed surgeon of Northern India but is also a great philanthropist, a learned thinker, visionary and a committed, staunch social reformer, dedicated to the upliftment of the downtrodden and weaker sections of society. Dr. Atul Krishna is the founder of SUBHARTI, a duly registered body, engaged in social service and various other activities. He has also established several primary, secondary level schools and rural hospitals in the remotest villages.

Dr. Atul Krishna

M.B.B.S., M.S.

Dr. Krishna is not only an ardent follower of Indian culture but is also a diehard patriot. He is a guiding force in bringing people together by removing hatred arising out of casteism and communalism, spreading love and harmony, building up of moral and national character along with service of mankind so as to make his dream of

“VASUDHAIVA KUTUMBAKAM”

come true.

MESSAGE

Subharti, meaning “सुभातीय” is not just a name but a movement. A movement of converting our youth into “सु” meaning “Good”, “भारतीय” meaning ‘an Indian’, “a good Indian”.

Education is the first step towards making our people responsible. We started this University with the dream of making our young Indians not only professionally sound but also motivated nationals, who are inclined towards not just building their career but also making their parents proud and also fulfill their social and national duties.

“शिक्षा सेवा संस्कार”-our motto, is based on the values and ethics with which the University was established.

Today, after the long struggle and overcoming many hurdles, I am proud that the Swami Vivekanand Subharti University is not only one of the most reputed Universities of Northern India, but has also established itself in the top ranking Universities of India.

I am confident that soon, we will be on the international map and be known for our unique combination of values and academics.

Till date, we have left no stone unturned towards achieving excellence and will keep working towards perfection.

Jai Subharti! Jai Hind!

Dr. Atul Krishna

THE FOUNDER

Dr. Mukti Bhatnagar, a dynamic, versatile, charismatic and multidimensional personality is a Professor of Medicine and a teacher of high acclaim and repute. She was born in the holy city of Allahabad, Uttar Pradesh, India, in a prestigious family of educationists, doctors and civil servants, which somewhat predestined her future and purpose as a Medical professional.

She completed her graduation (MBBS) and post graduation (MD in General Medicine) from M.L.N. College, Allahabad.

Presently, she is Professor of Medicine at Subharti Medical College and a popular teacher, extensively upheld for her professional competence, calibre and knowledge.

She has added to her professional qualifications by attaining specializations such as Post Graduate Diploma in Maternal and Child Health, and in Geriatric Medicine from Indira Gandhi National Open University, New Delhi.

Being a multitalented student, she excels in extra-curricular activities, which include debates, declamations, dramatics, Indian classical vocal and instrumental music, dancing, fine arts, athletics etc. She did a course in Imaging Techniques at Blackpool, Preston and at Southampton Royal Hospital in United Kingdom and has had the honour of being invited by the National Institute of Social Defence as a Resource Person, to lecture students of six months and one year Diploma Course on Integrated Geriatric Care.

She has had the most coveted distinction of presenting lectures on "Physical Disability in the Elderly" and on "Physical Rehabilitation: Disabilities in Old Age" before an august gathering of 'SAARC' member countries in 2008 and 2009 respectively. She is also a Director in Lokpriya Hospital, a 150 bedded super speciality hospital and has been Senior Medical Superintendent of 1050 bedded Chhatrapati Shivaji Subharti Hospital, Meerut. In recognition of her dedicated services in the field of education, health and social service, she was conferred with the 'U.P. Ratna' in 2008 by all India Conference of Intellectuals. She received 'The Mahila Gaurav Samman' on International Women's Day, from U.P. Films Photo Journalist Welfare Association (Regd.) on 8th March 2009 for her commitment to the cause of Women upliftment and empowerment.

She has been decorated with the "Rajiv Gandhi Shiromani Award" by The National Integration and Economic Council, New Delhi on 9th August 2009 for her unstinted contribution towards the spread of peace and harmony in the community.

She was honoured by Hon'ble Vice Chancellor Prof. N.K. Taneja for 'Services towards the Women Welfare' on International Women's Day by Department of History, C.C.S. University Meerut, on 10th March 2011. She has also been felicitated by the Consortium of Competence in Education for her Excellence in this field on 4th March 2012.

On a national medical platform, she has presented a guest lecture on "HIPPOCRATIC OATH- Revisiting in the Present Medical Scenario" on 1st February 2013 at the 68th APICON 2013 (National Conference) at Coimbatore, India and authored in much acclaimed API medical update Vol. 23, 123: Chapter 149, Titled: Hippocratic Oath: Revisiting in the Present Medical Scenario.

Dr. Mukti Bhatnagar

MBBS, MD, PGDMCH

MESSAGE

"A journey of a thousand miles must begin with a single step"

(Lao Tzu)

In the pursuit of overcoming the void of insufficiency in the field of medical education, Subharti KKB Charitable Trust took its first baby step, in this long journey, with the establishment of Subharti Dental College in 1996, which has acquired a commendable record of service in the field of education, healthcare and social welfare.

The University today, (established in 2008 AD) is an exceptional and exquisite learning education hub, offering variety of value-based, career oriented disciplines of technical and professional education, thus engaged in creating highly qualified, academically and technically proficient professionals, who are responsive to the emerging needs of the nation.

We at Subharti believe in collectively embarking on the great voyage of the life through experiences of trial and toil, which will lead to strengthening of the soul, clearing of vision, inspiring the ambition and achieving the success. The process of education here, is concerned with the overall personality development and sharpening of the inherent capabilities of an individual, by providing an environment, fully conducive to overall development of students, thus maintaining a balance between academic excellence and moral perfection.

I pray that Subharti University goes a long way in inspiring and stirring the young minds and souls for bringing out the best within them, which would ultimately turn them out to be "Better than the best".

I gladly welcome and invite you to become the integral part of the 'Subharti Family' so that together, we can shape the destiny of our nation.

Dr. Mukti Bhatnagar

THE PRESIDENT

A leader needs to foresee to make things better, have the vision, the skill, and the wherewithal to revolutionize the system; and mobilize the energy of others to organize and act in ways to achieve that vision.

Dr. Shalya Raj, did her graduation from SDM College of Dental Sciences, Dharwad and completed her masters in Conservative Dentistry & Endodontics from Subharti Dental College. She is presently working as an Assistant Professor in Subharti Dental College.

Innovation has always been her forte and foray into the unknown has been her strongpoint. She combined the benefits of engineering and dentistry for the benefit of patients and did her doctoral thesis on the novel concept of computational fluid dynamics. Her keen interest in academics is reflected in the fact that she has published numerous research papers, and articles.

She is a lady who has her mind set and plans made. She is independently looking after the directorate of distance education in the capacity of the director. Realizing her sense of purpose and a sense of direction, the board of trustees has nominated her as the president of the trust.

She is a popular teacher, academician, good clinician and above all a dedicated human being. These qualities make her an integral part of all cultural and social events of the University.

She is a trained Kathak dancer and Hindi classical singer, and her efforts have won her various accolades in the field of painting, craft and drama.

Dr. Shalya Raj
BDS, MDS

MESSAGE

Dr. Atul Krishna, the Founder and Visionary of Subharti K.K.B. Charitable Trust, along with his equally versatile, dynamic and multifaceted wife, Dr. Mukti Bhatnagar, laid the sound foundation of Swami Vivekanand Subharti University with the simple mission to educate the youth not only with academic and technical excellence but to create dedicated sons of the soil of whom the nation is proud of.

As their daughter, I inherit this rich legacy with immense pride and feel strongly committed to carry it forward and give newer dimensions to their vision and aspirations.

My key priority today is to make education a 'must have' opportunity and a 'life changing' experience, focusing totally on promoting 'excellence in academics' through 'proficiency in performance', redefining the meaning of education for the Indian youth, by making it viable both nationally and internationally.

We have already received an overwhelming response from countries like Zambia, Bhutan and several other nations for whom SVSU has been a preferred choice. I shall constantly look forward to your whole hearted support and patronage and you too, may also confidently look forward to favourable and progressive changes in the near future. It will be my endeavour to create newer landmarks in the education system and become a benchmark in imparting quality education at the University level, bringing accolades at the national and international level.

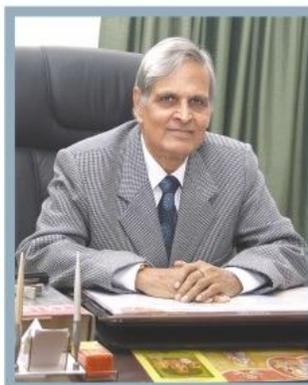

Dr. Shalya Raj

THE CHANCELLOR

Dr. G.C. Srivastava is a retired IAS officer with a wide and diverse experience, having held important posts and assignments like Chief Secretary, Govt. of Goa, Member Secretary, Twelfth Finance Commission in the Ministry of Finance, Govt. of India, Chairman, Tariff Commission, Vice Chairman, Central Administrative Tribunal and Secretary, Indian Council of Agricultural Research.

Netaji Subhash Chandra Bose Subharti Medical College (Faculty of Medical Sciences)

The College is located in a majestic building within the vast sprawling campus, furnished with the latest and best available audio-visual teaching aids such as OHP, LCD, visualizer, electronic teaching board etc. provided in all the lecture theatres, departments and teaching points. The lectures are corroborated with practical exercise, in each department having its own individual laboratory.

All departments are attached to a computer lab with CDs, internet facilities for the students for self-learning and surfing. Department libraries are stocked with the latest editions of books, publications, and International and National journals, on the subjects, in addition to the Central Library, where more than 50,000 books on different specialties are available.

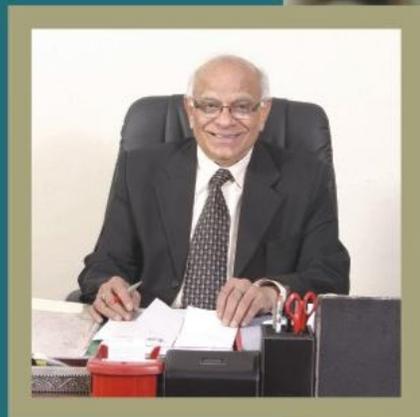

Subharti Medical College has a committed and distinguished faculty, which is a matter of immense pride for the College. The faculty members of the College, apart from teaching undergraduate and postgraduate students, are actively involved in research activities and have presented research papers at various National & International conferences in their respective specialties. They have a number of publications to their credit in National and International journals. Many of them have even authored books on their subjects. Various guest lectures, CMEs, Symposia and Seminars are being organized at regular intervals for faculty members to continuously upgrade their knowledge. The Medical education unit of the institute regularly holds workshops to upgrade the teaching skills of the faculty members.

PRINCIPAL'S MESSAGE

On behalf of the entire campus community of the Subharti Medical College, Meerut, it gives me immense pleasure in welcoming the new entrants to this historic Institution. The Institute has a standing of 13 years out of which 5 years as Constituent Unit of Swami Vivekanand Subharti University, Meerut. It has its roots in the Subharti K.K.B. Charitable Trust. The College has laid the foundation of modern Medical education in Western U.P. The infrastructure in the form of an ultramodern tertiary care hospital complete with ICUs, ICCU, Operation Theatres, laboratories equipped with latest equipments and a blood bank having component services forms backbone of the best quality medical education and training being imparted at Subharti Medical College.

I welcome the newly admitted students to the portals of this great educational institution and wish them a memorable, meaningful and rewarding tenure and emerge as world-class medical students. I also welcome parents of the students and every one visiting this institution to go around the beautiful and sprawling campus at SUBHARTI. With Best Wishes.

SALIENT FEATURES

Chhatrapati Shivaji Subharti Hospital – a premier 1050 bedded tertiary-care teaching hospital of Northern India, provides immense training opportunities and platform for the students of medical and allied fields. The Hospital provides round the clock Accident and Trauma care. It also provides quality general, specialist and super-specialty medical care at highly subsidized rates to one and all. Attached to this Hospital is a 150 bedded modern and popular super specialty hospital in the heart of Meerut city- The Lokpriya Hospital.

Chhatrapati Shivaji Subharti Hospital has 25 spacious wards, 12 major and 7 minor state-of-the-art Operation Suites, a well equipped Premature Nursery Ward for babies, besides 7 distinct ICUs for critically ill : (Surgical, Burn, Medical, Cardiac, Pulmonary, Pediatric and Neonatal patients), besides a 25 bed Accident & Trauma Unit. The ICUs are equipped with all modern, life saving, therapeutic and monitoring equipments like Ventilators, Bi-PAP, NIBP, Multi-parameter, Infusion Pumps, Phototherapy and Radiant Warmer units, Defibrillators etc., besides central gas and suction facility with specially trained and qualified paramedical staff on duty round the clock. The Hospital has modern diagnostic and therapeutic facilities such as MRI-1.5 TESLA, DSA, Spiral CT – 128 Slice, PCR, Mammography, Modified ECT, EEG, Sleep Study, NCV, EMG, PUVA, PTA,

Chhatrapati Shivaji Subharti Hospital

BERA, FESS, Colour Doppler, TMT, Holter Counter, ECHO, Endoscopy, Paediatric Endoscopy + Cardiography, Co2 Laser, Endo-bronchial USG, PFT, Video-Bronchoscopy, Endoscopic Bronchial USG, Glaucoma and Retina services, Green Laser, Angiography, OCT, Harmonic knife, Bac-T Alert, Vi-Tek, Hemo- & Peritoneal Dialysis, Blood Bank, Blood Components service, ICTC, etc.

Subharti Medical College extends free curative, preventive and promotive health care to the community through 3 Rural and 1 Urban Health Centers, which are located in the peripheral areas of Meerut district. Each centre caters to health and medical needs of a large section of population. Medical students are imparted training in rural health at these Health Centers under the Department of Community Medicine.

Subharti Hospital provides OPD and IPD services in General Medicine, Surgery, Orthopedic Surgery, ENT, Obstetrics & Gynecology, Paediatrics, Dermatology & Venereology, Psychiatry, Ophthalmology, Rehabilitative Medicine and Respiratory Medicine, besides super speciality clinics in Plastic Surgery, Endocrinology, Cardiology, Neurology, Paediatric Neurology, Hematology, Immunology, Rheumatology, Nephrology, etc. The Hospital fulfills its social responsibility by serving the community through implementation of various National Health Control programs like Blindness Control, NRHM, Blood Safety, AIDS Control, Mental Health Programme and others besides conducting out-reach Health and Blood donation Camps.

PRINCIPAL'S MESSAGE

Founded in 1996 with a foresighted vision of Dr. Atul Krishna & Dr. Mukti Bhatnagar, the founders, Subharti Dental College has long been acknowledged as a national & even global leader in the field of dental education and oral health care & cure. We believe that dentistry must be firmly grounded in the foundation of basic & applied science and we support this approach through wide ranging research in evidence based dentistry and other disciplines.

Subharti Dental College has produced more than 1350 Dental Surgeons till date & delivered care to millions of patients. While our primary mission is to produce outstanding oral health professionals, we also value and promote diversity among our students, staff, family & patients. We encourage free exchange of ideas, promote personal development, professionalism and high ethical standards. Our greater goal is to improve the health & well being of all our citizens and to reflect best values of our University & our nation.

I welcome and invite you to Subharti Dental College for receiving excellent dental education and enriching clinical experience in a caring, ethical & professional manner.

Dr. Nikhil Srivastava
BDS, MDS, FICD

Guru Gobind Singh Subharti Dental College and Hospital (Faculty of Dental Sciences)

College Profile

Subharti Dental College was established in 1996. With a prestigious history, ambitious current endeavours, an eye to advancing technology and a sprawling campus, SDC is pioneer in dental education and patient care. The mission of Subharti Dental College is to educate predoctoral and graduate dental students in the highest quality of clinical and research environment. Today's challenges to oral health care include the growing concern about the consequences of oral diseases, limited access to oral health care, demand for professional dental services and economic pressures that affect dental care. To attend to these challenges, SDC seeks to create exceptional oral health care professionals, contribute to the scientific basis of treatments for diseases of the orofacial complex, and deliver comprehensive dental care that will help to maintain and improve the overall health of the people within the community and have a National and International impact too.

Ranked among the top 20 Dental Colleges of India, SDC is committed to being a national leader in advancing oral health through the integration of patient care, research, education and community services. The college has created and maintained a large infrastructure with a multistoried building occupying more than 2 lac square feet of space with 4 large, AC lecture theatre-cum-presentation halls with modern audio-visual facilities. It is equipped with state-of-the-art facilities for diagnosis and treatment of dental and orofacial diseases. Eight specialty departments encompass numerous laboratories and dedicated research areas. Each department has separate undergraduate and postgraduate clinics as well as a well equipped departmental library along with a central library having more than 50,000 books, to promote and enrich learning.

The true worth of SDC is not in the monetary value of the bricks and mortar, but in the values of the institution which are inculcated into the foundation of a student's transformation into a successful orofacial specialist, committed to patient care and cure.

PRINCIPAL'S MESSAGE

EDUCATION and HEALTH is not a privilege but a right of all the people. Nursing, as a profession, is based on value of caring and aims at identifying health needs of the people, planning and providing quality care in collaboration with other health professionals. Our distinctive nursing programs are rich in expert nursing resources. Our faculty is part of a community of scholars and clinicians who refine the curricula annually to reflect changes in practice, advancing technology and input from our students' experiences. The student body is comprised of students located across Uttar Pradesh and many other States found providing care at a patient's bedside working effectively with multidisciplinary team directing challenges related to health. To conclude, Nursing is a vocation embodied with Care, Compassion, Competence, Communication, Courage and Commitment towards client and groups. We are justly proud of all our students' accomplishments and assure to practice new horizons of development and bliss for our country.

Ms. (Capt.) Geeta Parwanda
M.Sc. Nursing, PGDHHM

Panna Dhai Maa Subharti Nursing College (Faculty of Nursing)

COLLEGE PROFILE

Panna Dhai Maa Subharti Nursing College, Meerut is constituent College of SVSU and is a pioneer nursing institute in western Uttar Pradesh which had its origin as School of Nursing attached to Chatrapati Shivaji Subharti Hospital, Meerut in the year 2000. Kharvel Subharti College of Pharmacy

PRINCIPAL'S MESSAGE

Learning is a never-ending process. It requires absolute involvement and complete commitment from both - the teacher & the learner. It is an intellectual cum moral exercise where 'the giver and the receiver' ought to vibrate on identical wave-lengths.

Here at KSCP, we are morally bound to equip the students with appropriate skills by rendering knowledge spontaneous, interesting and fun-filled. I feel that the youth are the most vibrant & socially sensitive resource of a country. I have great hope from this techno-savvy and modern dot com generation. I believe that this emerging youth power if guided properly can work wonders with its fire brand ideas. In addition, we unearth their potential by involving them in academic, career-building & creative activities. Dear youngsters, we look forward to have you as a part of our system and hope that you will shine in the galaxy of our winners, performers and achievers in professional field.

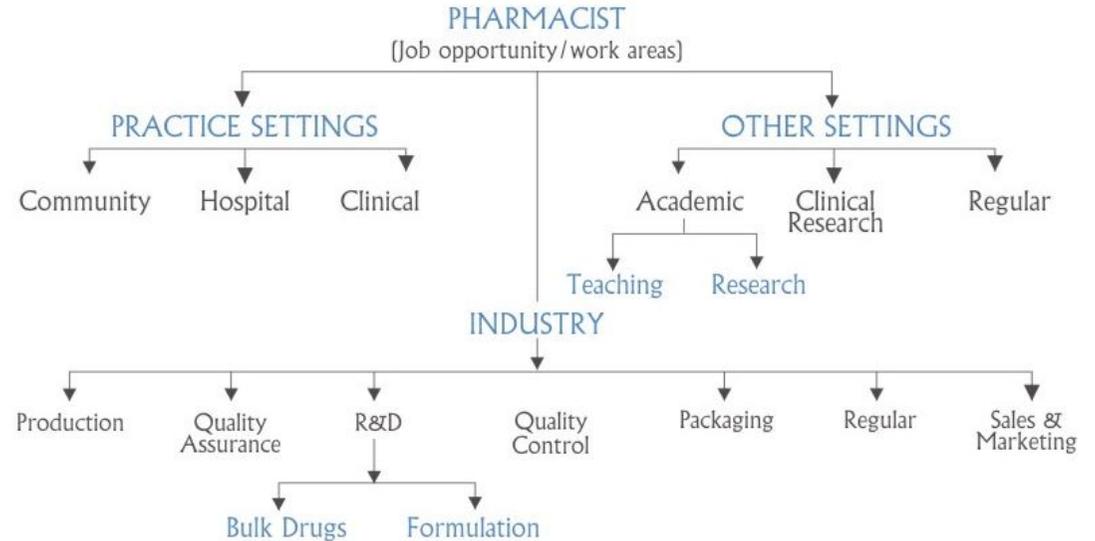

Dr. U.K. Singh
M.Pharm, Ph.D.

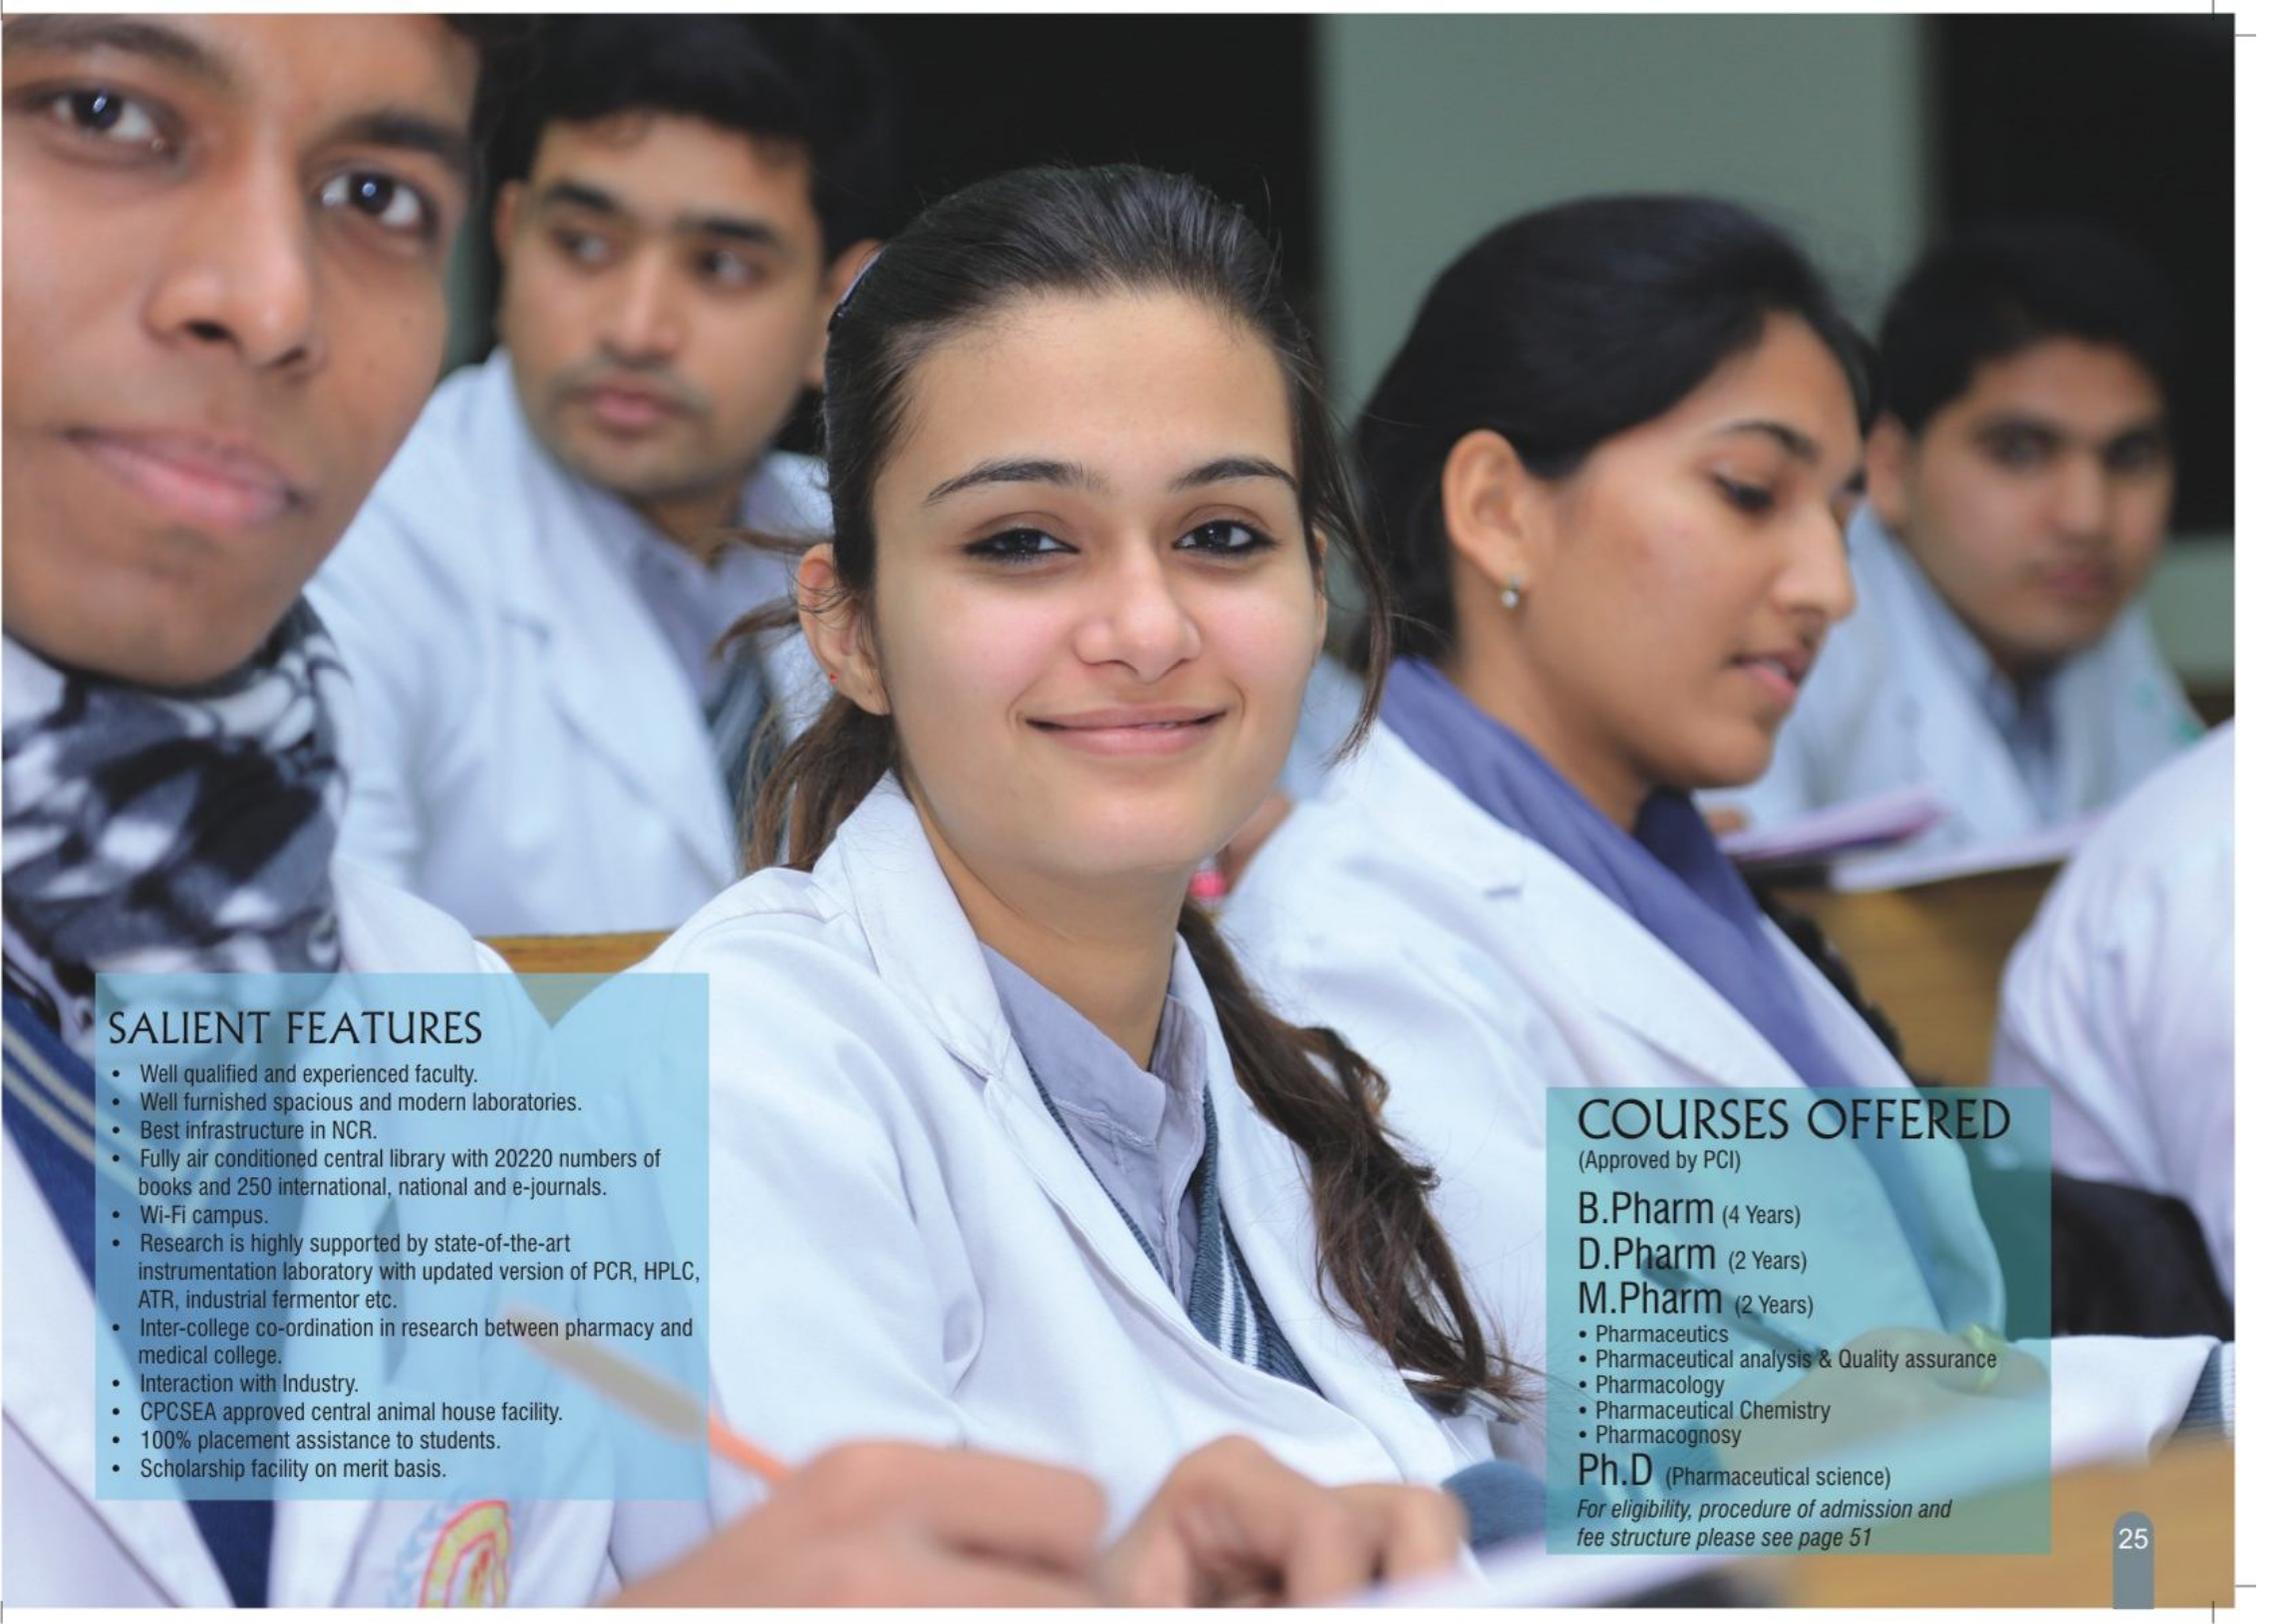

COLLEGE PROFILE

Kharvel Subharti College of Pharmacy is a constituent college of Swami Vivekanand Subharti University, Meerut. The College provides excellent infrastructure in terms of laboratories, classrooms and library. DIRECTOR'S MESSAGE

Welcome to SIMC, where education means the process by which character is formed, strength of mind is increased, and intellect is sharpened, as a result of which one can stand on one's own feet.

Since 2008 SIMC has been preparing leaders for business and public service, advancing knowledge across disciplines and industries, and promoting economic progress. This is our mission: to create knowledge with enduring impact; and to influence and educate current and future leaders

At SIMC we focus on values that will shape the future leadership in business. We develop in our students communication skills, team work, interpersonal skills and other life management skills and stress that great ideas are accomplished through concerted action and collaborative efforts with others. We strive to offer an educational program which is of highest standards, demanding the greater degree of application, dedication, initiative, hard work, and strength of purpose from our students which will eventually help them to meet the expectations of the corporate world.

I welcome you to visit our SIMC and join in our ongoing and future endeavors.

Prof. P.K. Bhatnagar
MBA (Fin), M.A. (Pol. Sc.),
DMM(IMM)

Subharti Institute of Management & Commerce

(Faculty of Management & Commerce)

College Profile

Subharti Institute of Management & Commerce (SIMC), a constituent college of Swami Vivekananda Subharti University, Meerut has already established its credibility in Northern India within a span of six years. SIMC is not merely a business school imparting management education but an educational hub that would be known globally for the quality of its teaching, research and supportive environment. The vast experience and knowledge of the faculty, shared with the students in both formal and informal settings, combined with the swapping of personal experiences amongst the students themselves, contribute to a rich learning environment.

The Institute aspires to become an important link in the chain of leading centres of professional and creative management education in the country & abroad also, and is committed towards creating, sharing and transferring knowledge that enables, innovates and inspires budding managers and creates new generation entrepreneurs.

Our Goal : To be a world-class business school recognized for excellence in management education through teaching, research and consultancy.

DIRECTOR'S MESSAGE

"The future is given shape by our faith. The pre condition for all future growth is faith in the creative process, in the values and purpose that transcend past achievements and past forms. Including this fundamental and all important faith in the students and inspiring them to strive for excellence constitutes the key commitment of Chhatrapati Shahuji Subharti Institute of Technology & Engineering (SITE). It is a value to which all our resources are aligned and all our efforts are geared."

Prof. (Dr.) Jayant Shekhar
Ph.D.

Chhatrapati Shahuji Subharti Institute of Technology & Engineering (Faculty of Engineering & Technology)

College Profile

Chhatrapati Shahuji Subharti Institute of Technology and Engineering (SITE), Meerut is a premier institution, providing quality education in the field of Engineering and Technology for the past 08 years. The Institute offers UG courses in six disciplines. Besides these, M.Tech, BCA, MCA and Diploma courses are also offered through other Departments in the Technical Campus. In its quest for excellence, SITE has taken a number of important initiatives as a result of which, today we are associated with high profile companies like IBM, Networxx Technology, Total Nurture Technology etc., for quality education.

The teaching learning environment of the Institute is simply superb. The Institute has DIGI CLASS software and teaching resources from the world class Pearson Group and the support of NPTEL resources prepared by expert Professors of the seven oldest IITs in India renowned for their excellence. Our Institute can modestly claim to be one of the best Institutes not only in NCR but also in the UP State and perhaps the whole India. SITE has gone a long way to win laurels through its strong research base and phenomenal expansion at the Post Graduate, Undergraduate and Diploma levels. Today, we strive not only to provide world class engineering education but also to groom students in their career through the Placement Cell which is essentially the core of our strength. Our alumni are world class professionals in their designated fields with potential to hold coveted positions in the Government as well as MNC Organizations. Our alumni have proved their worth far and wide.

A Futuristic Delivery Framework

Having a modern, state-of-the-art course curriculum is only the first part of our strategy. Knowledge is also to be delivered in a manner that makes the learning productive. Following elements of course delivery which we strive to implement make us unique as a teaching learning enterprise:

- Student centered learning
- Project based learning
- Team formation among students and faculties to accelerate the pace of learning
- Vibrant concurrency of courseware
- Discussion forums moderated by industry experts
- Consolidated industry news dissemination
- Industry mentorship
- Complete Project execution Workflow
- Conferences on specialized topics
- Student monitoring and tracking

Vision

To become a renowned leader in imparting Technical Education with creativity & innovations for betterment & social well being of the people at large.

Mission

We transform the youth into finest technocrats to lead the world to greater all round prosperity upholding highest standards in personal, social, ethical, moral & family values with a sensitivity to the environment & the world around. Our commitment to the society shall be totally without fear, favour or prejudice.

- M.Tech in Mechanical Engineering (Production)
- M.Tech in Cyber Security
- M.Tech in Construction Management in Civil Engineering.

Post Graduate Diploma in Industrial Hygiene and Safety- A

collaborative programme with the University of Cincinnati, United States.

MBA in Project & Construction Management

Ph.D. (Computer Science & Engineering, Electronics & Communication Engineering and Environmental Engineering)

Computer Application:

- BCA, MCA, PGDCA

Working Professionals:

Diploma (ME, CE) and M.Tech (Cyber Security, Production) Programmes are also available in Second Shift.

For eligibility, procedure of admission and fee structure please see page 52 & 53

Department Profile

SITE integrates six Departments with each Department managing teaching in a group of specialized areas of technology, the course, content of which keeps on changing as per the changing needs of the industry.

Mechanical Engineering (ME): The well equipped, modern workshop of SITE with heavy machines grinds and nurtures the mindset of would-be mechanical engineers to enable them to perform in the projects at the global level.

Civil Engineering (CE): A real world technical training is imparted in this Department to the upcoming engineers to enable them cater to the fast growing infrastructural needs of the nation.

Computer Science & Engineering (CSE): This is an ever growing field with sky as the limit in terms of learning, job prospects and growth for the future.

Information Technology (IT): Like Computer Engineering, this Department is the soul of the technological Development as it trains young minds in software development in every field which provides them unlimited job opportunities.

Electrical & Electronics Engineering (EEE): Globalization of economy and privatization of the energy sector have given a new dimension to energy demand and multiplied employment opportunities for the engineers and skilled manpower in this line. Opportunities exist for trained EEE manpower in India and abroad alike.

Electronics and Communication Engineering (ECE): This branch is in great demand and has a large employment potential for engineers with the requisite expertise and skills. Indian electronic engineers are in great demand all over the world due to their high level of expertise and acumen for hard work.

Computer Application (CA): This Department works to advance and enhance commercial and visual application development and to build interest in students for specialized areas such as .net and cloud computing which helps them to brighten their career and get lucrative placement.

Applied Sciences & Humanities (ASH): This is the service Department giving basic preparation to engineers in the making which gives them the capacity and skill to face real life challenges in the engineering profession.

Research & Development: The quest for knowledge does not end at the graduation and post-graduation level. SITE offers research programs in several branches of engineering and technology to groom experts and higher level researchers in diverse fields of engineering and technology.

Placement Activities

The Placement Cell serves as an interface between the students and the Corporate. Apart from bringing a varied list of Recruiters to the campus, the Placement Cell organizes talks and seminars to create awareness of internship opportunities available to the students. A full fledged Placement Cell is available to arrange placement for qualified students.

The aim of the cell is to find "Right Job for the Right candidate".

We continue to progress in the placements by stepping up our following activities:

- Personality Development.
- Group Discussion.
- Aptitude Test.
- Mock Interviews.

We perform these activities both in-house and through outsourcing by professional organizations such as SMART TRAINING RESOURCES, RIPE etc. so that our students can face challenging interviews without difficulty.

B Tech in Computer Science with Specialization in Telecom Informatics

With rapid advancements in mobile, landline and WAN technologies, the world of Telecom is witnessing tremendous growth. Existing large Telecom players (such as Bharti, Reliance, Vodafone, Tata Telecom etc.) are continuing to expand their networks rapidly, while newer Telecom companies and value-added-services companies are coming up quickly to provide innovative offerings to the consumer.

On the mobile device side newer solutions and Apps for smart phones and Tablet devices are taking the markets by storm. Apple, Android, BlackBerry, and other several manufacturers are making rapid strides. Innovation is the key here. In this very interesting market, a good programmer and marketer can earn handsome rewards.

Career Options

- Application development and maintenance of Telecom applications such as Business Support Systems and Operations Support Systems
- Telecom Switch software specialists
- Apps designers, programmers, testers, and marketers
- Data Warehousing and Business Intelligence/Analysis specialists
- Sales and Marketing specialist
- Telecom planning and expansion specialist.

B Tech in Computer Science with Specialization in Business Analytics

Business analytics (BA) refers to the skills, technologies, applications and practices for continuous iterative exploration and investigation of past business performance to gain insight and drive business planning. Analytics may be used as input for human decisions or may drive fully automated decisions. Analytics have been used in business since the time management exercises were initiated in the late 19th century. IBM Business Analytics software helps your organization to better understand, anticipate and shape business outcomes.

Career Options

- Business Analytic Specialist
- Business Analytic Modeler
- Data Mining Jobs
- Cognos Jobs
- SPSS Jobs
- Business Intelligence Jobs
- Data Specialist Jobs

Joint SVSU-IBM B.Tech Computer Science Courses (The First Institution in NCR to Offer)

B Tech in Computer Science with Specialization in Cloud Computing & Virtualization

The next wave of computing is in the Cloud! Increasingly businesses want to get out of the complexity of managing data centers and instead focus on their core competencies. This means that more and more businesses will adopt cloud computing as a means to handle their IT requirements which gives them the freedom from day-to-day management of IT infrastructure.

This B.Tech program with the specialization in Cloud Computing & Virtualization will help students understand Cloud Computing and Virtualization technologies. Cloud Computing is in great demand at this point of time and so while the course comprehensively covers the basic technologies involved, the history of the cloud and its roots in Service Oriented Architecture and Utility Computing, it has ample scope to take in the fast changing models that are thrown out by cloud computing. Students of this program will also benefit from the several practical credits that provide hands-on capabilities on the various aspects of cloud.

Career Options

- Cloud Solution Architects
- Cloud System Administrator
- Cloud Security Specialist
- Cloud Application Development/Maintenance/ Testing Migration and Modernization Specialists
- Cloud Project Management

B Tech in Computer Science with Specialization in Mainframe Technology

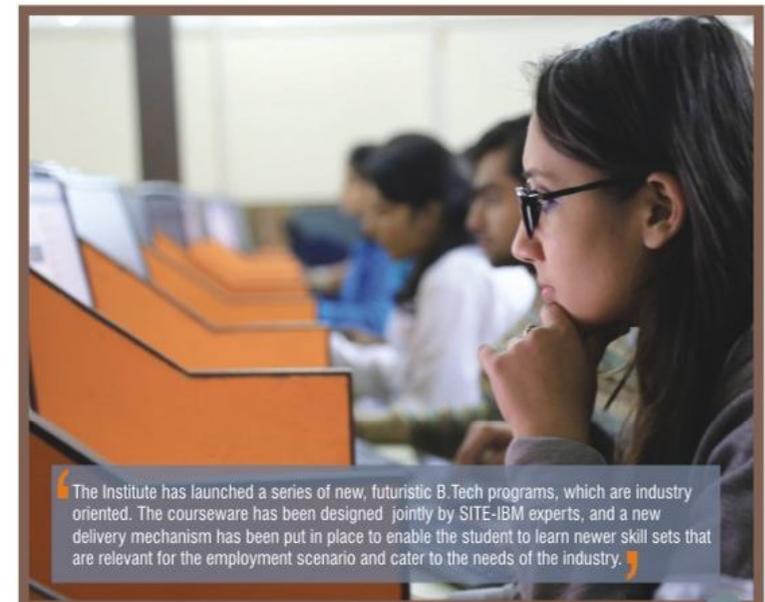

Mainframe is the industry term used for a large computer, which supports thousands of users across the globe. IBM Mainframes have dominated the IT server market for running the mission critical workloads. Ever since the first mainframe was launched in April 1964, IBM mainframes have been known for their reliability, availability, scalability & security. The IBM mainframe is the only platform which is EAL5 (highest security certification) certified, which has never been hacked. It is the chosen server for process hungry mission critical I/O applications. Top 490 of the

Fortune 500 enterprises use IBM mainframes. Approximately 70 per cent of the world's data still resides on mainframes.

This B.Tech degree program prepares the students on mainframe technologies and increases the employability of the student. This course starts with the history and basics of the mainframe, mainframe hardware, Mainframe networking, Virtualisation, z/OS, Parallel Sysplex. The course also covers the application development modules and open source technologies.

Career Options

- Application Development/ Maintenance/ Testing
- Project Management
- Solution Architects
- Administration and Security Specialists
- Migration and Legacy Modernization Specialists

The Institute has launched a series of new, futuristic B.Tech programs, which are industry oriented. The courseware has been designed jointly by SITE-IBM experts, and a new delivery mechanism has been put in place to enable the student to learn newer skill sets that are relevant for the employment scenario and cater to the needs of the industry.

PRINCIPAL'S MESSAGE

Legal Education presently is no longer restricted to the four walls of the classroom but has transcended beyond these traditional boundaries. It is one profession that enables a person to cater to the welfare of humanity directly or indirectly cutting across socio-economic and even political considerations. Legal empowerment is also an effective tool for social and gender empowerment in multifarious ways such as disseminating information and creation of awareness of the legal rights and providing an effective mechanism to realize them.

The endeavor at Sardar Patel Subharti Institute of Law, Swami Vivekanand Subharti University, Meerut is to provide excellence in Legal education without compromising on the overall development of budding and dynamic students. With its extremely accomplished faculty imparting quality teaching, students are given extensive opportunities to participate in Moot Courts and exposure at regular intervals for exchange of ideas on existing and emerging issues by legal scholars from India and abroad to enable them to realize their specific goals and secure an imperative direction. The primary mission of the college is to achieve global standards of legal education and create lawyers who will be professionally competent, technically sound and socially relevant and will not only enter the Bar and the Bench but also be equipped to address the imperatives of the new millennium.

We hope that you will find your time in the college rich and rewarding.

Dr. Vaibhav Goel Bhartiya
PGD (Mass Comm.) LL.M., LL.D.

Sardar Vallabh Bhai Patel Subharti Institute of Law (Faculty of Law)

College Profile

Sardar Vallabh Bhai Patel Subharti Institute of Law (SARPA-SIL) was established in the year 2002 with the approval of the Bar Council of India under Advocates Act 1961 (vide its letter no. BCI: D: 1483/2012 (LE.Mtg. 7th July, 2012) dated 18/07/2012).

The College was established in the sacred memory of Sardar Vallabh Bhai Patel, after whom the college has been named, "the Iron Man of India and the country's first Home Minister and eminent lawyer. Sardar Patel Subharti Institute of Law is located in lush green surroundings, in a magnificent building with spacious and well-furnished lecture theatres, equipped with necessary and modern instructional aids. We take pride in possessing a rich Library, a vibrant campus and excellent faculty which makes it one of the best institutions for imparting legal education in India. The whole college is Wi-Fi enabled with 24x7 internet connection. The methods of teaching in the Sardar Patel Subharti Institute of Law include lectures discussions, case law analysis, moot court training, project assignments, free legal aid camps, internship programmes and placement opportunities. In addition, the college organizes seminars on contemporary socio-political-legal issues, conducts clinical courses and trains students in legal research and legal writing. The College has an impressive array of academic, sports and cultural facilities.

Courses offered

(Approved by BCI)

PRINCIPAL'S MESSAGE

"As the sun colors flowers, so does art color life" ~John Lubbock

The canvas of life is infused with various forms filled with hues, tints and shades from the color box of God. The students of art discover their higher potentials to express themselves through colors. The vision of the Subharti Institute of Fine Arts & Fashion Design is "To be a leading unit of the University that promotes academic achievement and excellence in teaching, training, research and consultancy in Fine Arts, Performing Arts, Fashion Design & Animation & to spread its fame world wide". Pursuant to this vision, the College constantly monitors developments in its environment and in the city at large. The awareness gained enables the College to respond to trends and changes by introducing new academic programs or modifying existing ones to meet the current demand. The welfare of students is a matter of priority in my college. The College is also making efforts to provide more and more facilities to ensure that every student is given an opportunity to explore his talent in the campus. I am overwhelmed at the phenomenal achievements of my students and their out of the box thinking and stupendous creativity. As the SIFF students bring out the magical colors, Picasso's words come alive-"Art washes from the soul the dust of everyday life."

Prof. Pintu Mishra
M.A. (Drawing & Painting)

Subharti Institute of Fine Arts & Fashion Design

(Faculty of Arts & Social Science)

College Profile

Established in 2009, Subharti Institute of Fine Arts & Fashion Design has a multi disciplinary approach which helps to bring out the creative talent in every student with strong technical knowledge. Students get individual guidance, attention, support and motivation in order to unfurl one's maximum potential constructively, by our highly qualified faculty.

In order to bring a medley of the theoretical knowledge and expertise to the classroom we also invite experts of our field for taking lectures & sharing their experiences with students. The well qualified academicians and professional stalwarts of the industry are the essential pillars of the institute, and provide valuable insights to the students through industry driven projects. The current trends and art scenario nationally and internationally are well acquainted to the students through special lectures, industrial visits, fashion shows, workshops, studio visits, and interactive sessions with well established reputed artists, fashion designers, illustrators, eminent sculptors, animators and other experts from the fields of Performing Arts, Animation, Fine Arts, Textile and Fashion.

Activities - Workshops, Seminars, Annual Art Exhibition, Educational Trips, Competitions, Fashion Show, Career oriented workshops and short term training programs.

Annual Art Exhibition - Every year in the month of November, Department of Fine Arts & Fashion Design organizes its Annual Art Exhibition "Strokes & Stitches" wherein a vast range of creations by the students of M.F.A and B.F.A. are put on display as- Paintings, handicrafts, Indo-western dresses, accessories, hand bags. We also publish our Art catalogue- "Art Fragrance" An Artist's Journey yearly.

DEAN'S MESSAGE

In the recent years, the Faculty of Science has made remarkable progress in both research and teaching. Our performance in the field of research is world competitive. In addition to traditional science subjects such as Physics, Chemistry, Mathematics and Zoology, we also offer programs in Biotechnology to meet the need of the modern society.

Our goal is to prepare a new generation of young scientists for the technical and social needs. In addition to class room and laboratory teaching, we arrange students' visit to reputed Scientific Laboratories and Institutions. Many of the current scientific and technological problems require training in multi-disciplinary subjects. Keeping this in view, we constantly upgrade the curriculum.

Dr. O.D. Sharma
Ph.D.

Faculty of Science

Departments:

Following Departments are running under the Faculty of Science:-

- Department of Biotechnology
- Department of Zoology
- Department of Physics
- Department of Chemistry
- Department of Mathematics

COURSES OFFERED:

- B.Sc. in Biotechnology
- B.Sc. in PCM/PSM/CBZ
- B.Sc. (Honors)
- M.Sc. in PCM/PSM/CBZ
- M.Phil in PCM/PSM/CBZ
- Ph.D.

- These trainers are also highly in demand in industries like IT, ITES, BPOs and other CORPORATE settings for dealing with human resources.
- The schools and institutes require professional Trainers who can provide Life Skills Education and Evaluation.
- Institutes providing professional courses require trainers for personality development for students.
- The corporate sector needs Life Skills Trainers for their fresh recruits (B.Tech/MBA/BCA).
- To enhance your employability .

HEAD OF THE DEPARTMENT

Senior Cambridge from CJM, Dehradun and Masters in English from Meerut University, Mrs. Renu Bhatnagar heads the Department of Languages in Subharti University. She joined the organization in 2011 as the head of the Department of Personality Development and Communication Skills.

She brings with her a wealth of experience and expertise of a career that spans well over 36 years, of which 30 long, prolific, distinguished years have been diligently spent imparting English skills and inculcating literary knowledge and sensitivity to ISC students of Sophia Girls School, Meerut as HOD.

Honoured and felicitated severally by various prestigious educational and philanthropic bodies for her selfless and unflinching service to the cause of Girl education and English creative skills, she remains an impassioned teacher at heart, whose continued commitment to English teaching and enhancement of learning abilities amongst the youth makes her a proud member of this organization.

Mrs. Renu Bhatnagar
MA, English

Department of Languages

About the Department

India, the Land of Cultures, Traditions, Diversity and Beauty. Keeping in view the versatility of students studying in the university from India and abroad a department of languages has been established where regional, national and international languages are taught. The department not only helps Indian students from various parts of the country to be able to communicate and enhance their personality with spoken and written English, it also helps the foreign students to be able to cope up with the difference of language they might have to face. Regular classes are held for the training of students in Indian and foreign languages.

Training & Placement Cell

PREPARING FOR THE FUTURE
(Development Plan with a Long-term View)

Training and Placement is the indispensable component of quality Professional Education. As mission statement of SVSU proclaims to produce highly skilled and productive citizens with its academic excellence programs, the university has established Training and Placement Cell. The cell continuously takes efforts to give basic as well advanced training to the deserving students and upgrade their essential skills, required to get quality placement in reputed institutions.

Various workshops/ seminars are organized to keep students in-touch with the ongoing developments & advancements in their respective fields.

This endeavor is further strengthened by organizing Industrial/Institutional visits for students to gain hands-on experience. At the same time, Placement

Cell SVSU ensures to inculcate qualities and the presentable personality that makes our students to stand at the top of world. A full fledged Personality Development Cell functions for this purpose with a long term view to the future prospects of students. Strong emphasis is laid on the grooming, personality development and finally placement of our students.

Subharti Institute of Technology & Engineering students have also been absorbed in the Indian Army & the Indian Air Force.

‘State-of-the-Art’ Infrastructure and Student Support Services

It is always a difficult choice, we as parents have to make for our children regarding their career. It is the utmost wish of every parent to choose the very best for their child. In the very competitive world of today, obviously the academics of the college/university is the first criteria of choice, but the fact is that the child also needs to be exposed to extra-curricular activities, in a secure environment. The appropriate support services cannot be ignored. SVSU not only makes it a point to excel in all academics but also aims to provide the child conducive environment for his / her overall development.

Hostel :

There are separate well furnished hostels with attached vegetarian mess for boys and girls. Hostels have round the clock hot water facility with 24 hours power back-up, and security personnel posted at all times. The hostels maintain strict timings of entry. All hostels have a resident warden and also a chief warden (Girls/Boys Separate) for the proper management & care of the students. There is provision of air conditioned & air cooled hostels which are allotted on demand.

Cafeteria :

There are several multi cuisine modernly fitted hygienic Cafeteria that serve healthy, wholesome and hygienically prepared eats, with one exclusively for girls. All types of hard drinks and drugs are strictly prohibited. Intake of any hard drink is a punishable crime as per university norms.

Uniform / laundry Services :

There is an in-campus laundry service to help the students follow the strict uniform code & dress smartly. There are students from all parts of the world & different corners of India studying together in the university. Amidst this co-existence of all cultures in the university we have adopted a distinct dress code with distinctive colors per course to instill a sense of uniformity in them & also with a view to inculcate Subhartian culture & sense values so inherent and imminent to the ideals, which have inspired its creation.

Medicare /Denticare :

We are very vigilant towards Medicare of our students. The campus has a Medical and a dental hospital with a 24 hours emergency and ambulance service. The students are examined for a basic check up as soon as they join the college, and later in case any need arises they are provided the best of services.

Both the hospitals are equipped with latest & most modern equipments required for best patient care.

Sports and Fitness Programmes:

In view of an all round development of the students, liberal arrangements have been made in the way of indoor, outdoor games and sports facilities for boys and girls so as to provide them with ample competitive and recreational opportunities. To facilitate this, two vast playgrounds have been developed for games like football, volleyball, hockey, cricket and the like. Inter-college and Inter University matches & competitions are a regular feature. Apart from this, there are two multipurpose, ultra modern gymnasiums and fitness centers.

International tie- ups:

The University of Insubria, Italy. Chifley Business School, Australia. Tuft's University, Boston, USA. Florida University, Florida, USA. University of Cincinnati, Ohio, US

Cultural Activities :

Students are provided with vast opportunities to exhibit their talent and bring out the best in them. Each college organizes its cultural fest every year which have on & off stage events to boost the confidence & give each student's personality a new side. Also an inter college annual fest is organized every year in which the students of all colleges have a chance to present their talent. The university participates in several inter university fests.

The university also holds an annual "Subharti Mahotsav" in which the students can volunteer.

The SKKB Charitable trust, under which the university was established, runs many social programmes in which students can participate.

Counseling :

Students enter the university at a very tender age. Counseling for a better adjusted life is provided by expert counselors to solve problems arising out of academic and non academic challenges. Career counseling services assist students on a vast spectrum of subjects relating to career planning, employment prospects, career choices and job search. Counseling is also provided to help the students in maintaining a healthy and cordial relationship amongst themselves. Services of a trained and experienced clinical psychologist are made available to any student who needs guidance at any time.

Security Services:

University engages a 24X7 high-end security services for the safety & security of students. There is a special separate security force for girl students with a separate helpline Number. (The hostels have strict and fixed timings that are to be observed by the hostellers especially with regards to the reporting timing of students, for security and disciplinary purposes.)

Banking Services :

In order to facilitate Quick and easy financial transactions of National and International students, a branch of Oriental Bank of Commerce has been set within the premises of the University, which offers educational loans to students on easy terms, if desired. Moreover, two ATMS of nationalized banks are active within the Campus for the benefit of Students and Staff.

Telecom and Internet Facilities:

The campus is Wi-Fi Enabled. The students can use the cyber café situated within the campus, for wider connectivity and accessibility, for alerts on National & International fronts, apart from being provided ISD/STD/PCO facilities for easy and more convenient communication. A cyber café is also available in the central library where students can access the internet to broaden their perspective.

Auditorium :

We feel proud to announce the new "Mangalya Convention Centre" in our campus with a seating capacity of 3000 members & fitted with latest equipments. It is one of its kind in the whole of north India. Spread over an area of 50 acres, it has been built with international standards and norms.

The campus has two other auditoriums with a seating capacity of around 500, each air cooled and air conditioned respectively, besides possessing two multi- purpose halls which are used for diverse activities such as seminars, symposia, debates, cultural activities, movie shows / previews/etc. Also each college has an individual counseling room, seminar room & an auditorium for their individual events.

Library :

"Books are a man's best friend"; all colleges have well stocked libraries with international & national journals, equipped with audio visual aids.

The university has a central air conditioned library with more than 50000 books, 150 international, 250 national and 400 e-journals.

It also has other aids, internet facilities and subscription to various E-Journals. There is a huge projector room, a separate reading room and a seminar room for the learners. Learning CDs/DVDs and other audio –visual aids are also available for students. To energize the students a small coffee café is attached to the library which is in conjugation with the library.

Miscellaneous facilities :

To meet daily requisites of students and residents of our campus, there are in-campus departmental stores, grocery stores, and ticket booking counter, cobbler shop, Indian postal services, medical store, stationary shop, hair dresser and many more.

Scholarship :

The University has been established under the trust. The trust provides financial aid to students who are brilliant & are unable to continue their studies due to financial constraints.

Accommodation :

The University has in campus accommodation available for its faculty members, doctors & others. All residential blocks have round the clock electricity, water backup and security.

Special Committees

- **Academic Reform Committee:** To keep ourselves updated with the fast paced development across the world, this committee reviews all courses and their updates from time to time after the approval of the academic council.
- **Internal Quality Assurance Cell:** To maintain high standards of education and Subhartian culture, this cell has been devised.
- **Anti Ragging Cell:** To curb the menace of ragging which has assumed a nasty face today, we have separate anti-ragging cells for all colleges with special protection for the freshers.
- **Protection Against sexual Harassment of women Cell:** "Change is us" for the security & protection of women we have a cell working towards it. Constituted on the guidelines of UGC, it is headed by strong women. We also have separate security & helpline numbers for the girls.
- **Disabled Citizen Welfare Committee:** "In eastern civilization our elders are our books". To instill in our students, Indian values & Subhartian culture we have devised a separate plan for the well being of our elders and the disabled.
- **Anti Intoxicant Committee:** "The wrong path is often easy". To protect & sensitize our students against drug abuse & addiction we have instituted a committee which organizes separate counselling & teaching sessions for the students.
- **Career Counselling Cell:** "*Climbing to the top demands strength, whether it is to the top of Mount Everest or to the top of your career*".-Abdul Kalam.
- University has a panel of experts to provide career counselling at every stage of their career to our students to pursue a successful professional life.
- **Foreign student Cell :** For the benefit of foreign students and for solving their problems a separate foreign student cell has been made.

Evaluation Process

Our evaluation process is spontaneous and faculty guided in nature. This inspires the students to conceptualize content and develop their ability of innovative thinking and problem solving. Emphasis is given on training components which might help them immediately in their professional career. The performance of the student in both academic and CCA/ECA are evaluated and certified.

Student Support & Progression

The faculty has established students mentoring cell and Career counseling cell to provide assistance to students for better Career opportunities and available avenues for Higher Education. In order to develop leadership quality among the students, they are given opportunity as Members of Various committee such as Discipline committee, Library committee, Alumni committee, Placement committee, Sports and cultural committee etc. Communication skills, soft skills and ICT classes are regularly conducted.

Faculty Resources

The faculty members are the product of reputed universities and committed towards their profession. Their in-depth subject knowledge, impressive teaching methodologies and positive attitude motivate the learners to become a harbinger of joyful learning. They continuously upgrade their knowledge through cutting edge research studies in education. The university organizes multiple faculty development programs for keeping them abreast for lifelong education.

NOTE:

- (a) One Time Fee includes Enrolment Fee, Medical check-up and immunization fee, Medicare and Denticare, Book Bank, Identity Card, Personality Development Training, Project Fee to be paid only in the first year at the time of Admission.
(All items are not applicable in all courses).
(b) In some courses some items of one time fee are not taken into account. If these are added in future, additional one time charges are payable.
- Annual Miscellaneous Fee includes Development Fee, Laboratory Fee, Library Fee, Examination Fee, Sports Fee & Academic Fee, Cultural Fee, Computer Classes and English Language Class Fee to be paid annually.
(All items are not applicable in all courses)
- Examination Fee for Ph.D. courses will be communicated to the students at the time of submission of thesis and will have to be deposited at that time.
- Fee under any head may be changed by the University in view of any reason which may include government instruction / advice / Hon'ble Court's directive or any factor considered relevant by the Executing Council of the University .

Admission Procedure and Rules

1. Admissions to the courses offered by Swami Vivekanand Subharti University are done either through Entrance Examination [UPCAT-BDS, UPCAT- MDS, UPCMET- MBBS, UPPGMET-MD, MS, Subharti University Entrance Test (SUET)] or on the basis of merit in the qualifying examination, spot test and interview. Mode-wise and course-wise details are given on page no. 50 to 56.
2. If seats remain vacant after the Entrance Examination in any course and students are not available in the waiting list made on the basis of marks obtained in the Entrance Examination, admissions will be made from another list compiled considering the marks obtained in the qualifying examination, spot test and interview conducted by the University.

A notification will be issued in newspapers and will also be posted at the website of the University regarding the date of spot test and interview along with other relevant details related to the examination. The applicant will be required to go to the specified place on specified date along with all the original certificates and fee of the course, to be deposited then and there, if selected.

3. General Rules of Admission :

- Admissions are offered by Swami Vivekanand Subharti University to the following categories of students :

(a) General Category - Indian Nationals

(b) NRI / Foreign National Category - Foreign Nationals, NRIs and Indian Nationals sponsored by NRIs - as per policy of the Government.

- In all admissions, whether through any Entrance Test or on the basis of merit, reservation policy for students of SC/ST/OBC categories (as per law) of that time and other eligibility criteria fixed by the University will apply. A student is required to have attained 17 years of age by 31st Dec. of the year of admission in all graduation courses after 10+2.

- The form annexed to this brochure is for students, applying for merit based admissions or SUET. Students appearing in various other entrance exams will have to fill the form prescribed for them separately.

- Subharti University reserves the right to change the curriculum, course structure and the rules relating to admissions, examinations, fee structure and refunds, and Scholarships etc.

Updates, if any, will be notified on the University website and no individual communication will be sent to the candidates. All differences and disputes arising in the interpretation and implementation of any section in this Prospectus will be referred to the Vice Chancellor and his decision shall be final and binding.

- Any dispute arising out of or in connection with the University shall be referred to and finally resolved by the Allahabad High Court, Allahabad, U.P. only.

- Fee deposited for any course shall not be refunded. However, if the student gets a seat in some other course run by the University within the time schedule for admissions, full or a part of fee may be transferred to that course as per the policy of the University.

- Admissions are open for Indian/Foreign Nationals and NRIs. Students who have passed the qualifying examination from outside the country will have to produce the equivalence certificate from the Association of Indian Universities. Any other condition laid down by the Central Govt. shall also be followed.

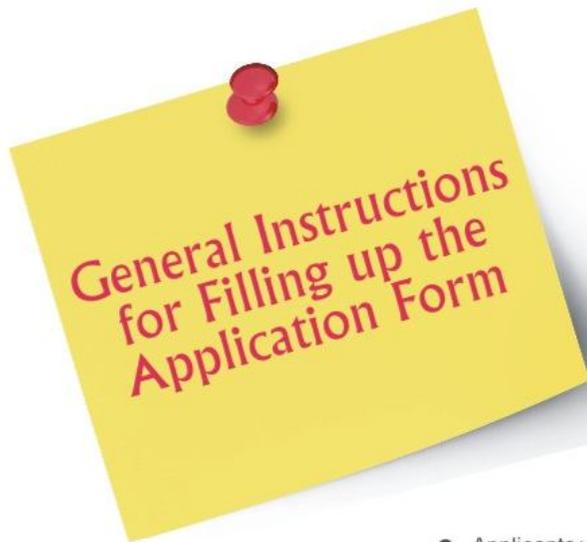

4. How to procure an application form :

The application forms for 'Merit Based Admissions' and SUET can be obtained by paying an application fee of a sum of Rs. 500/- cash or DD in favour of 'Swami Vivekanand Subharti University' payable at Meerut, from the office of the University or from the places advertised through the newspapers or shown on the University website (www.subharti.org). The application form can also be obtained by post by paying an additional amount of Rs. 50/- as postage. Information Brochure is supplied free along with the application form.

Entrance Examination Forms for various entrance tests along with prospectus will be available as per advertisements issued by agencies conducting them from time to time.

5. List of selected candidates will be put up on/displayed on the notice board of the University Central Office accordingly. The University is not responsible to inform the candidate personally / individually. For any query, anyone can contact 1800-3000-3154 (Toll Free).
6. The last date of admission for the different courses will be as per the relevant notification issued by the University.

- Please refer to the item-wise instructions before filling up the form.
- Forms must be filled in applicant's own handwriting.
- Use only BLACK or BLUE Hi-Tec point type pen to fill up the form.
- Applicants must paste their most recent colour self attested photograph (not older than 3 months) in the appropriate place. Do not pin or staple the photograph.
- Square boxes provided in the forms are only for writing the alphabets in capitals or numbers. The alphabet or number should be written in any one box. Wherever codes are given, fill the boxes in the application form with the appropriate codes.
- Overwriting, striking off or erasing in the form may lead to rejection of the form and should be avoided. Any discrepancy in the statement and / or submission of incomplete forms will lead to rejection of application/cancellation of admission.
- Keep a photocopy of the filled application for future reference. Application number must be quoted in all future correspondence.
- Applicants who are required to submit photocopies of mark sheets / certificates or any other document must ensure that:

-The photocopies are on A4 size paper only.

- The print is clear and legible .
- Both sides are photocopied if the original mark sheets are printed on both sides.
- Application number must be written at top corner of all the photocopies.
- Do not fold the form. Do not staple or clip the form with any other enclosures. Keep it loose. All marks cards and certificates, if any, must be stapled together.
- The duly filled application form can be submitted at the Central Admission Cell of the University along with a non-refundable registration fee of Rs. 1000/- in cash or by demand draft in favour of 'Swami Vivekanand Subharti University' payable at Meerut or can be sent by post to the Director - Admission/Registrar, Swami Vivekanand Subharti University, Subharti Puram, NH-58, Delhi-Haridwar Bypass Road, Meerut 250005.
- Registration of application does not mean that the student has been granted admission. The admission depends on several factors and the admission list will be declared separately.
- If you have downloaded the form from the website, you have to submit the filled form along with a demand draft of Rs. 1550/- (one thousand five hundred and fifty only) as application fee, registration fee and postal charges.
- Demand Draft must be kept loose. The name of the applicant along with the form number should be written at the back of the draft.
- Application forms which are incomplete or not accompanied by the required amount of fee, are likely to be rejected.

City of MEERUT

Meerut is an ancient city located at just 40 miles north-east of New Delhi in the state of Uttar Pradesh, India. It boasts of settlements dating back to the Indus Valley civilization having been found in and around the area. It is the third largest city in the National Capital Region of India, and as of 2011 the 33rd most populous urban agglomeration and the 26th most populous city in India. Meerut also has one of the major army garrisons/cantonments in this part of the country.

Global Recognition and Industrial Importance:

Meerut is the 63rd-fastest-growing urban area in the world. It is the 14th fastest developing city in India. A new report by U.S. financial services firm Morgan Stanley, "AlphaWise City Vibrancy Index: A Guide to India's Urbanization" gave Meerut the 5th spot on the "vibrancy" index, ahead of Delhi and Mumbai.

Meerut is a trade centre for agricultural products and has a considerable amount of industry, including manufacturing, smelting, handicrafts, and the milling of sugar, cotton, flour, and oilseeds.

The city is one of the largest producers of sports goods, and the largest producer of musical instruments in India. It is also the largest producer of bicycle and rickshaw in the world.

Connectivity and Transportation:

Meerut is very well connected by rail, road and is just 2 hour 30 minute drive from Indira Gandhi International Airport, New Delhi. The Delhi-Meerut expressway starting from Nizamuddin Bridge on Ring Road, New Delhi will enable commuters to reach Meerut in just 45 minutes. For internal transportation in the city, there are facilities of cab, auto-rickshaws and bus.

Infrastructure, Accommodation & Shopping Centers:

Meerut is a city where you can find traditional as well as modern markets. With many malls and shopping complexes with all types of branded showrooms all the shopping needs can be fulfilled without any difficulties. In and around the city, there are many 5 star and 4 star hotels facilitating easy accommodation for visitors. Also, the infrastructure segment of Meerut is currently going through a boom phase with many new projects coming up in and around the city. There are many new buildings, shopping complexes, malls, roads, flyovers and apartments coming up.

Banking Facilities:

Meerut ranked second on both the financial penetration index, which measures things like the presence of ATMs and bank branches, and on the consumption index, indicating the city's transformation into an urban town. The city has branches of most of the nationalized banks which facilitates easy transfer of money from any corner of the world.

Places to Visit:

Augarhnath Mandir (Also known as Kali Paltan), Meerut Cantonment (Monument of Indian Rebellion in 1857), Hastinapur (Capital and center spot of Pandava's Rule), The Church Basilica of The Lady of Graces, Sardhana are some of the places to visit. The city also has a 12th-century mausoleum and a number of old temples and mosques. Apart from the places of religious and traditional values the city has many theatres, parks, stadiums and playgrounds.

- Er. Vibhor Premi

With Best Compliments from :

DIRECTORATE OF DISTANCE EDUCATION (DDE)

Recognized by Distance Education Council

Students Speak

Kasabula Kabembe
BIMC 1st 2013-2014
from Zambia

I am indeed overwhelmed by intensely friendly atmosphere and truly cost effective education and training. The excellent courseware and learned faculty of VNSIJMC have helped me to acquire knowledge and develop necessary skills to work in the competitive show world.

Dharti Raj Shah
M.Tech (EC) from Nepal

"My experience with Subharti Institute of Technology & Engineering is possibly unique that often reminds me of some of my institutionalized learning. I have become accustomed to be surrounded with the academics familiar to me as my friends and those who are like me. I would definitely recommend SITE as the place for study because of the extent of knowledge one can gain during a study course and the pleasant experience of mixing with people from diverse places and cultures. The program has definitely expanded my horizon brought enormous career opportunities and offered flexibility to learn and specialize in several fields.

Dr. Danish Nauman
MPT-2011-13

'My views for Subharti college of physiotherapy are that it is the college which is well set with clinics, libraries and teaching facilities and they have highly qualified teaching faculty. I am proud to be a part of this college'.

Ms. Sarita
BNYS - Batch 2011

I felt very happy when I learnt that Subharti University is establishing a BNYS college, one of its kind in North India. It is an opportunity for all students to study these drugless systems not only to protect the health but also to prevent diseases before they take their own color.

S.I.M. Sagar Sagir
from Dhaka-BANGLADESH
BNYS-Batch 2012-13

It was great pleasure for me getting admission in such a prestigious course like BNYS in India especially in an institute which is named in honour of MAHARISHI AUROBINDO, one of the greatest sages in the contemporary world and grateful to the Subharti university for giving me such an opportunity which will provide me a great opportunity to serve the humanity through naturopathy- the holistic treatment modality.

Dr. Warda Ashraf
M.D. Forensic Medicine-2013
from Kingdom of Saudi Arabia

'The experience of studying in Subharti Medical College is exhilarating. My department of forensic medicine is well-equipped and with adequate teachers and professors. My head of department has changed the face of teaching faculties in this college and department. I thank everyone who suggested me to do this course and from this university. The campus is excellent and staying facilities are very good and comfortable with 24 hours light and water. I hope the future students applying for any courses here will prosper in their respective fields.'

Bhagat Singh
BHM-2009-2012

I chose SIHM as I believe it is one of the best hotel management institute in Meerut. The balance of practical experience & theory has made me a balanced professional.

Prati Sharma
B.Sc. Biotech. IIIrd year

"Biotechnology is the use of living systems and organisms to develop or make useful products or any technological application that uses biological systems." My experience as being a student in this department is really great. I have learnt lots of good things from my encouraging faculty. I got all the facilities here and the proper knowledge regarding the subject.

Dr. Ashish Shukla
(MD-2010)

My life is all about career growth and an overall personality development. With the encouragement of my mother, after coming to this college, I have undergone into complete transformation. Apart from a wonderful teaching experience, the college taught me about the life skills, responsibilities and adaptability.

Shabnam

Subharti Institution makes me feel like that white open sky which is full of brilliant stars. Me being one of them, as each person here is moulded to spread its brightness in the world.

Lalit Chauhan
M.Pharm (Pharmaceutics)

In our lives there are many choices that we face; how we make these choices determines which path we take and the experiences that we will have. I feel that my decision to join the KSCP was a very good decision to pursue my career. The College provides total support and direction to each student as per his/her interests. Students get total professional training and feel that their interests are taken care of. This is the most important reason that every student of the KSCP is on the "Path to Succeed".

Nitin Kumar
BHM-2010-2013
J.P. Palace (Agra)

SIHM had shown me route to success. It is where I enriched my skills, required in the Hospitality Industry. Today I am a proud alumnus of my Institute, working with J.P. Palace (Agra). At SIHM learning was always interesting & days were eventful. The training methodology taught me to shape my career.

Nonenge Kanyanya
Myula
BCA from Zambia

"The course in which I study is truly very comprehensive, covering a wide range of subjects. The faculties come from a wide variety of regional and family backgrounds coming from all over the world. The course content gave me the exposure to a lot of new ideas and styles. Our professors are undoubtedly superb. Not only my professors have taken active interest in my academic and professional success, but also each one of them have brought a genuine passion to the classroom that has inspired and motivated me as student."

Subhartipuram, NH-58, Delhi-Haridwar-Meerut Bypass Road, Meerut, U.P., INDIA
