

PROGRAM OUTCOME
B.Sc. Zoology

PSO1 – Knowledge & Understanding of Animal Diversity

PSO2 – Competence in Cell Biology & Genetics

PSO3 – Mastery of Biochemistry, Physiology & Metabolism

PSO4 – Ecological & Environmental Understanding

PSO5 – Understanding Developmental Biology

PSO6 – Evolutionary Thinking

PSO7 – Knowledge of Immunology

PSO8 – Proficiency in Cell & Molecular Biology

PSO9 – Skills in Animal Biotechnology

PSO10 – Behavioural and Comparative Anatomical Analysis

PSO11 – Communication, Data Interpretation & Scientific Reporting

PSO12 – Entrepreneurship & Skill Development
