Dear Sir/Madam, Jai Hind!! This is with reference to the matrix no 4.4.1, while going through the SSR we have observed that the percentage of total number of classrooms have been calculated 41.07, which is calculated incorrectly in SSR. We would like to mention that University is having total 264 classrooms, Seminar Halls and Demonstration rooms and out of which the 240 Classrooms, Seminar Hall, Demonstration Rooms are ICT enabled, which is about 90.9%. The same data has been filled in DVV of 4.4.1 and the total classrooms details are in 4.1.1 in supporting documents. Looking forward for your kind support. Thanks and Regards
