Report on Value Added Course

A value added course on “**Basic Analytical Chemistry**” was conducted in Chemistry department for **First** year students, Two hour per week. The course starts on **16-08-2017**. The session was handled by **Dr Shashi Bala**, Chemistry on the need for **Basic Analytical Chemistry**. On that session students learnt about the basic analytical techniques used in the chemistry such as chromatography. Students felt that this value added session on **Basic Analytical Chemistry** was very much useful for them and they got the basic idea for developing their knowledge about how to use various Analytical instruments in the chemistry. It is planned to extend this value added training in the next semester with having more refined and advanced tool for their development.
