Subharti Dental College

Research Methodology "Re-search research"

Report

Name of the Course: Research Methodology "Re-search Research"

Objective of the Course: At the end of the course students should be able to understand basic concepts of research and its methodologies and identify appropriate research topics. Also to equip participants with the knowledge and skills to conduct research and apply the principles of research.

Activity:

The Department of Pediatric & Preventive Dentistry, Subharti Dental College conducted value added course on Research Methodology - "Re-search Research" from 20th – 23th May 2019. The 4 day long highly interactive and knowledgeable session was managed under the able guidance of Dr. Nikhil Srivastava, Professor and Head Dept. of Pediatric and Preventive dentistry. The guest speaker to conduct the workshop was very well renowned, Dr. Sharath Asokan.

Dr Sharath Asokan is the Professor and Head at KSR Institute of Dental Sciences & Research, Tiruchengode, Tamil Nadu. He pursued his BDS from Rajah Muthiah Dental College & Hospital and MDS in Pediatric & Preventive Dentistry from Meenakshi Ammal Dental College & Hospital, Chennai.

The workshop saw an enthusiastic participation of more than 100 plus participants including Post graduates, along with faculty members from all fields who actively participated on a topic which is of great important in academics. Immensely informative lecture sessions, were followed by a Multiple-Choice questionnaire regarding the topic discussed, which was filled by all the participants.

Number of student participants: 252
