## Report on Value Added Course

A value added course on “Advanced Clinical Biochemistry” was conducted in Chemistry department for all students, one hour per day for 16 days. The course starts on 12-04-2021 and completed on 29/04/2021. The session was handled by Ms. Prachi Singhal, Chemistry on the need for “Business Skills for Chemists”. On that session students learnt how to use their business skill in the chemistry such as start small scale business and how to expand it. Students felt that this value added session on Business Skills for Chemists was very much useful for them and they got the basic idea for starting their Business. It is planned to extend this value added training in the next semester with having more expert lecture on business innovation and advanced lecture for their development.
