Report on Value Added Course

A value added course on “**Business Skills for Chemists**” was conducted in Chemistry department for **First** year students, Two hour per week. The course starts on **18-08-2016**. The session was handled by **Dr S. Upaddhayay** Chemistry on the need for **Business Skills for Chemists**. On that session students learnt how to use their business skill in the chemistry such as start small scale business and how to expand it. Students felt that this value added session on **Business Skills for Chemists** was very much useful for them and they got the basic idea for starting their Business. It is planned to extend this value added training in the next semester with having more expert lecture on business innovation and advanced lecture for their development.
