Use of craft for expounding skills

Value added Course

For UG and Pg Students of Fine Arts total durations-

Paper Sculpture

- Minimum 24 hours

Class hours

- 9:00 am to 1:00 pm

Department

- Fine Arts, NBSCFF

Course Rational: In this course students will learn how to create paper, and create with paper. We will make paper, cut paper, and fold paper, stitch paper, tear paper and crumble paper, all in the pursuit of conceptualizing with paper. The course challenges the mind to move past the 2-dimensionality of paper and conceive of it in new and exciting ways.

Course Description: Paper is the latest medium to enter the contemporary art world- from handmade paper to larger paper installations. This class allows you to explore Paper as a medium of expression. This is not your papier-mâché days in grade school; this is a highly conceptual approach to using paper to express creativity in both illusionary and actual dimensional form.

Required Materials:

- Cardboard or Chipboard.
- Exactor knife or scissors.
- Cutting mat or cutting surface.
- Thin wire for details (recommended 22 gauge or higher)
- Thick wire for structure (recommended 16 – 22 gauge)
- Thin paper (newspaper, butcher block paper, craft paper, etc.)
- Thick paper (tag board, poster board, etc.)

Prerequisites: There are no prerequisites for this course. Students are asked to attend with an open mind towards transformation of thoughts and materials.

Who can be beneficial: Each student will come to an understanding of how they envision self expression. Students will come to value their unique style of creating. This course is designed with creative exercises that are great for engineers, biologists, artists and anyone seeking to evolve creatively. Learning how to direct your creative thoughts is an invaluable skill set applicable to all fields of study.

Value added Course

For UG and Pg Students of Fine Arts total durations-

Microsoft Power Point	- Minimum 20 hours
Class hours	- 9:00 am to 1:00 pm
Department	- Fine Arts, NBSCFF

Course Rational: The purpose of PowerPoint is to act as a visual aid as a presenter goes along presenting their option, ideas, sales pitch, etc. Make sure to not make your slides too wordy and concentrate on adding only basic bullet points.

Course Description: This Microsoft PowerPoint training course aims to provide new PowerPoint users with the essentials skills needed to create, edit and present professional looking presentations using text, tables, diagrams, charts and pictures as well as providing presentations tips.

Required Materials:-

1. Microsoft Office PowerPoint Instructional Materials.
2. Microsoft Office PowerPoint 2007 course Improvement.
3. Course PowerPoint creating and editing a presentation with clip art.
4. MS PowerPoint presentation Keyboard shortcuts PDF course.
5. Microsoft Office PowerPoint course to learn how to make an effective presentation.

Prerequisites: Students need to learn about PPT. It will be helpful for them to securing and maintaining data.

Who can be beneficial: Making your presentation more interesting through the use of multimedia can help to improve the audience's focus. PowerPoint allows you to use images, audio and video to have a greater visual impact. These visual and audio cues may also help a presenter be more improvisational and interactive with the audience.
