Course Completion Report

A Value-Added course entitled "*Evaluation & Screening for Glaucoma patients*" was conducted in Clinical Ophthalmology from 26th – 31st July 2021 in the department of Ophthalmology, Subharti Medical College.

Various aspects of the Glaucoma screening treatment were discussed by expert faculty members of the department. The students learnt about:

1. The anatomical changes and basic pathogenesis of glaucoma in different age groups.
2. They also learnt the skill of visualizing the angle in anterior chamber of eye through gonioscopy.
3. They had hands-on practical experience of measuring Intra-ocular pressure by tonometry in glaucoma patients under supervision of faculty members.
4. They also learned about methods of evaluation of optic nerve head as well as analysis and assessment of visual field in such patients.

On the last day, interpretation of all the investigations was done and the session ended after resolving the queries of the participants.

A total of 22 participants attended and completed the course and certificates were distributed to them during the closing ceremony.
