10th Annual Art Exhibition - 2022 **"Art & Expression"**

"Art Fragrance" is the Tenth Annual Art Exhibition of Fine Arts Department, NBSCFF, focusing on work of art done by Faculties and students of Fine Arts Department NBSCFF, Swami Vivekanand Subharti University Meerut. The Exhibition comprises spectacular work of photography, sculptures, digital and paintings.

Every year Department of Fine Arts organizes its Annual Art Exhibition, in which we display paintings, photography, digital works and sculpture made by the students throughout the year. Theme of the Exhibition is "Art & Expression". Art in any form is an expression or application of human creativity, skill and imagination. Many of the arts are experienced visually but can also be audible or enjoyed through sensory touch. Art is held to reflect the inner state of the artist. This, at least, seems to be implicit in the core meaning of expression the outer manifestation of an inner state.

Art is the communication of feelings from artist to viewer through certain external signs. Artists are people inspired by emotional experiences. Use their skill with words, paint, music, movement, etc. to embody their emotions in a work or art, with a view to stimulating the same emotion in an audience.

Art forms give humans a higher satisfaction in emotional release than simply managing emotions or their own. Art allow people to have a cathartic release of pent-up emotions either by creating work or by witnessing and pseudo-experiencing what they see in front of them.

NBSCFF is committed in providing an ethical point of sale of Art Fragrance and to supporting the career development of Budding Artists from across the Nation.
