## **12th Annual Art Exhibition - 2024**

### **"Art & Culture"**

"Art Fragrance" is the 12th Annual Art Exhibition of Department of Fine Arts, NBSCFF, focusing on works of art done by faculties and students of Department of Fine Arts, NBSCFF, Swami Vivekanand Subharti University, Meerut. The Exhibition comprises spectacular works on Poster Design, Sculptures, Paintings, Digital Art and Photography. Every year Department of Fine Arts organizes its Annual Art Exhibition, in which we displayed Paintings, Sculptures, Poster Design and Photography made by the students throughout the year. This year theme of the Exhibition is "Art & Culture". Culture – set of shared attitudes, values, goals, and practices that define a group of people, such as the people of a particular region. Culture includes the elements that characterize a particular peoples' way of life. The arts – vast subdivision of culture, composed of many creative endeavors and disciplines.

Each culture has ideas and customs that they value. Artists are a product of the culture and society in which they grew; and as such, they are influenced by the customs and norms of their society. Often, their artwork reflects upon and upholds the objects, ideas, and customs that that society values. All societies have some form of art. Art is not just a way for individuals to express themselves—it is also a product of culture. Focusing on visual art, music, song, dance, and folktales, this module explores how and why art may vary, or be similar, across cultures

NBSCFF is committed in providing an ethical point of sale of Art Fragrance and to supporting the career development of Budding Artists from across the Nation.
