8th Annual Art Exhibition

"Art Fragrance"

23-25 October 2019

"Art Fragrance" is the eighth Annual Art Exhibition of Fine Arts Department, NBSCFF, focusing on works of art done by Faculties and students of Fine Arts Department, NBSCFF, Swami Vivekanand Subharti University Meerut. The Exhibition comprises spectacular works on photography, sculptures and paintings.

Art is about connecting with people's emotions. It's a human urge to express emotion through the medium of mark-making. We all carry with us memories of our past experiences. An artist has the ability to 'feel strongly' to be 'sensitive' to things and express this in the paint, gesture, or color. The artist 'absorbs' the atmosphere of a place or the memory of a feeling. Sometimes, it's a burden for the artist to carry all this emotion – to be so sensitive.

Every artist plays a different and necessary part in contributing to the overall health, development, and well-being of our society. The role an artist plays in society is largely dependent on the personality of the artist and on that artist's chosen subject matter. An artist can lead, follow, uplift or provoke with their work. Art is often a reflection or extension of personality. Art is so versatile that the artist can take whatever role they wish, given the right art for a given set of social circumstances. The artist provides society with emotions, color, and texture. Scientists think up of ways to make life easier, builders and technicians turn those scientific ideas into tangible objects. These things help us - they blend our foods, put roofs over our heads, and make mowing the lawn easier - but they never add real emotion. Artists come in to play on our emotions and subconscious thoughts. Amazingly, artists know how to elicit these strong feelings by creating images on canvas and clay. For example Art Fragrance's photography, sculptures and paintings are full of life, different moods and stories related to our society. NBSCFF is committed to providing an ethical point of sale for Art Fragrance and to supporting the career development of Budding Artist's from across the Nation.
