# 8th Annual Art Exhibition

## Art Fragrance - 2019

Every year Department of Fine Arts organizes its annual art Exhibition, in which we display yearly work of all the students of Fine Arts as paintings, photography, sculptures, counter display and campaigns. This year the theme of the Exhibition was "Artist vs. Society". It was three days annual art Exhibition "Art Fragrance" from 23rd October to 25th October 2019. It was 8th Annual Art Exhibition which was inaugurated by Dr. N.K.Ahuja, former V.C of SVSU, Meerut. The exhibition was curate by Dr. Pooja Gupta and her core team. This exhibition was the effort of both faculties and students of the Dept. who displayed their creativity and gain lot of praise from the visitors. Art is about connecting with people's emotions. It's a human urge to express emotion through the medium of mark-making. We all carry with us memories of our past experiences. An artist has the ability to 'feel strongly' to be 'sensitive' to things and express this in the paint, gesture, or colour. The artist 'absorbs' the atmosphere of a place or the memory of a feeling. Sometimes, it's a burden for the artist to carry all these emotion – to be so sensitive. Artists come in to play on our emotions and subconscious thoughts. Amazingly, artists know how to elicit these strong feelings by creating images on canvas and clay. For example Art Fragrance's photography, sculptures and paintings are full of life, different moods and stories related to our society. NBSCFF is committed to provide an ethical point of sale for Art Fragrance and to support the career development of Budding Artist's from across the Nation.
