MURIEL BLUSH

The theme “Muriel Blush” is inspired from the glittering water of beach, when the moon rays reflects from the sea shore, the water shine likes diamond and attract us. That shining water inspires us to use pearls that are found in the ocean and the organza fabric is used to describe the waves of the ocean and the reflection.

“MORPHED” – TO FLY

Morphed is the Greek word which means 'change' something, from one thing to another. It involves a series of physical and structural changes. We have taken our inspiration from a caterpillar metamorphosing into a butterfly and evolving to beautiful and vibrant colours. Our collection justifies the theme by colourful, elaborate and voluminous garments for the fashion conscious youth and transforming them into chic and structural garments. Our collection incorporates ruffling, pleating, surface ornamentation and vibrant hues from beige, off-white to wine and maroon with luxurious touch of gold.
