SDG 1.1.1 — PAPERS CO-AUTHORED WITH UNIVERSITIES BASED IN LOW- OR LOWER-MIDDLE-INCOME COUNTRIES

Introduction

Swami Vivekanand Subharti University, Meerut, encourages research collaboration with universities across national boundaries. These partnerships bring together researchers with diverse expertise and support the exchange of knowledge to address important societal and developmental challenges.

Based on the institutional publication records reviewed for the period 2021–2025, **12 qualifying research publications** have been identified involving SVSU-affiliated authors and co-authors from universities in Ethiopia, Egypt, Nepal, Pakistan and Uzbekistan.

The publications cover agriculture, healthcare, water quality, renewable energy and artificial intelligence. These collaborations reflect University's contribution to international academic cooperation and research addressing real-world challenges.

Research Contribution

These publications demonstrate collaboration across five qualifying countries and several research disciplines. The work addresses agricultural productivity, plant resilience, healthcare, disaster preparedness, drinking-water quality, clean-energy technologies and digital security.

By engaging with international research partners, University's contributes to shared scientific knowledge and strengthens opportunities for collaborative research and innovation.

SDG 1.1.2 — NO POVERTY: FIELD-WEIGHTED CITATION IMPACT (FWCI)

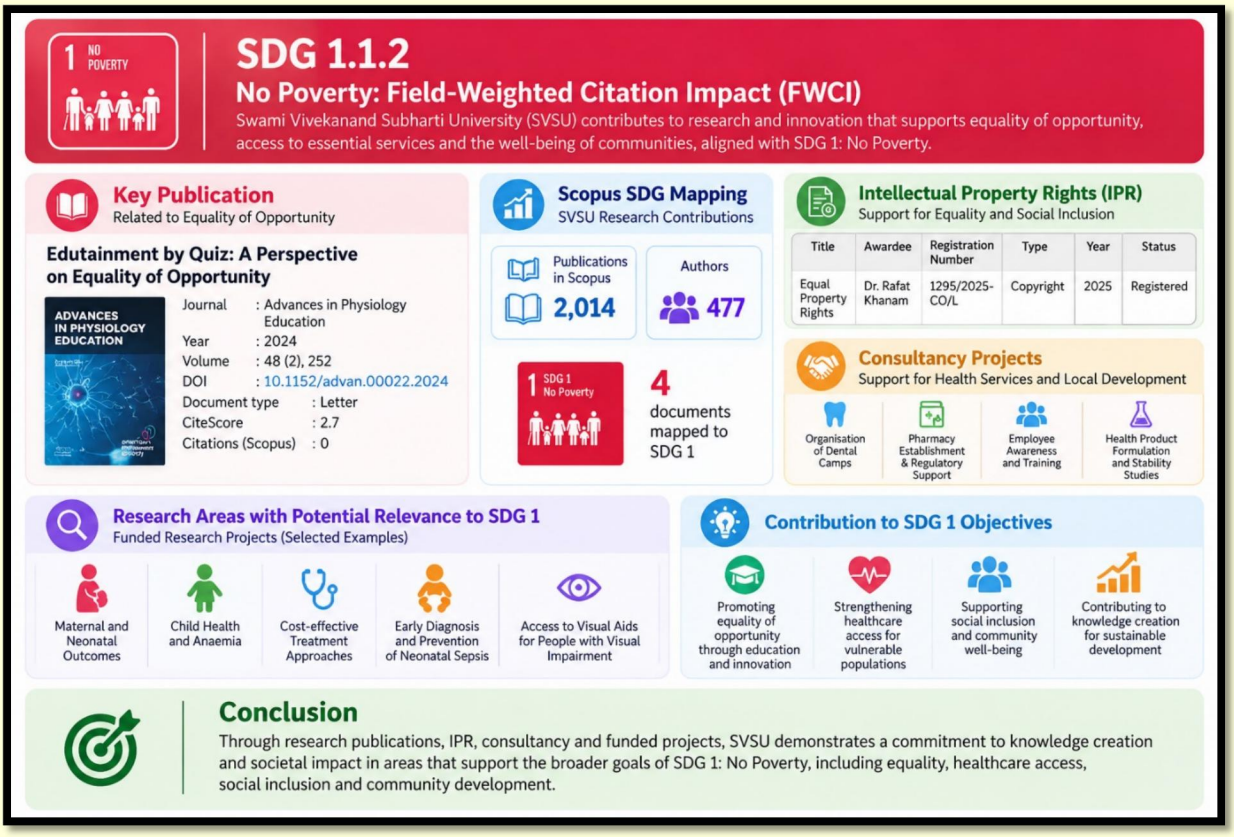

Introduction

Swami Vivekanand Subharti University, Meerut, contributes to research and innovation in areas connected with equality of opportunity, healthcare access, social inclusion and community well-being.

The available Scopus records identify a 2024 publication titled *"Edutainment by Quiz: A Perspective on Equality of Opportunity"*, authored by researchers affiliated with Subharti Medical College, Swami Vivekanand Subharti University. The article was published in *Advances in Physiology Education*, reflecting academic work related to educational approaches and equality of opportunity.

The university's wider research ecosystem also includes intellectual property, consultancy activities and funded research projects in maternal and child health, anaemia, cost-effective treatment, neonatal sepsis and visual assistance for people with visual impairment. These areas have potential relevance to reducing vulnerability and improving access to essential services.

Together, these activities demonstrate University's engagement in research and knowledge creation relevant to the broader objectives of SDG 1: No Poverty.

SDG 1.1.3 — NO POVERTY: PUBLICATION

Introduction

Swami Vivekanand Subharti University, Meerut, contributes to research addressing social challenges related to equality of opportunity, public health, access to healthcare and the welfare of vulnerable communities.

According to the university's Scopus organisational profile, **four publications have been mapped to SDG 1: No Poverty**. These publications cover topics such as reproductive health, access to maternal health schemes, equality of opportunity in education and the health challenges associated with child labour.

Through this research, the University contributes to academic understanding of issues that affect disadvantaged populations and supports the broader goals of social inclusion, improved well-being and sustainable development.

4	The Social and Occupational Health Problems of Child Labour: A Challenge the World Is Facing	Indian Journal of Community Health	2012

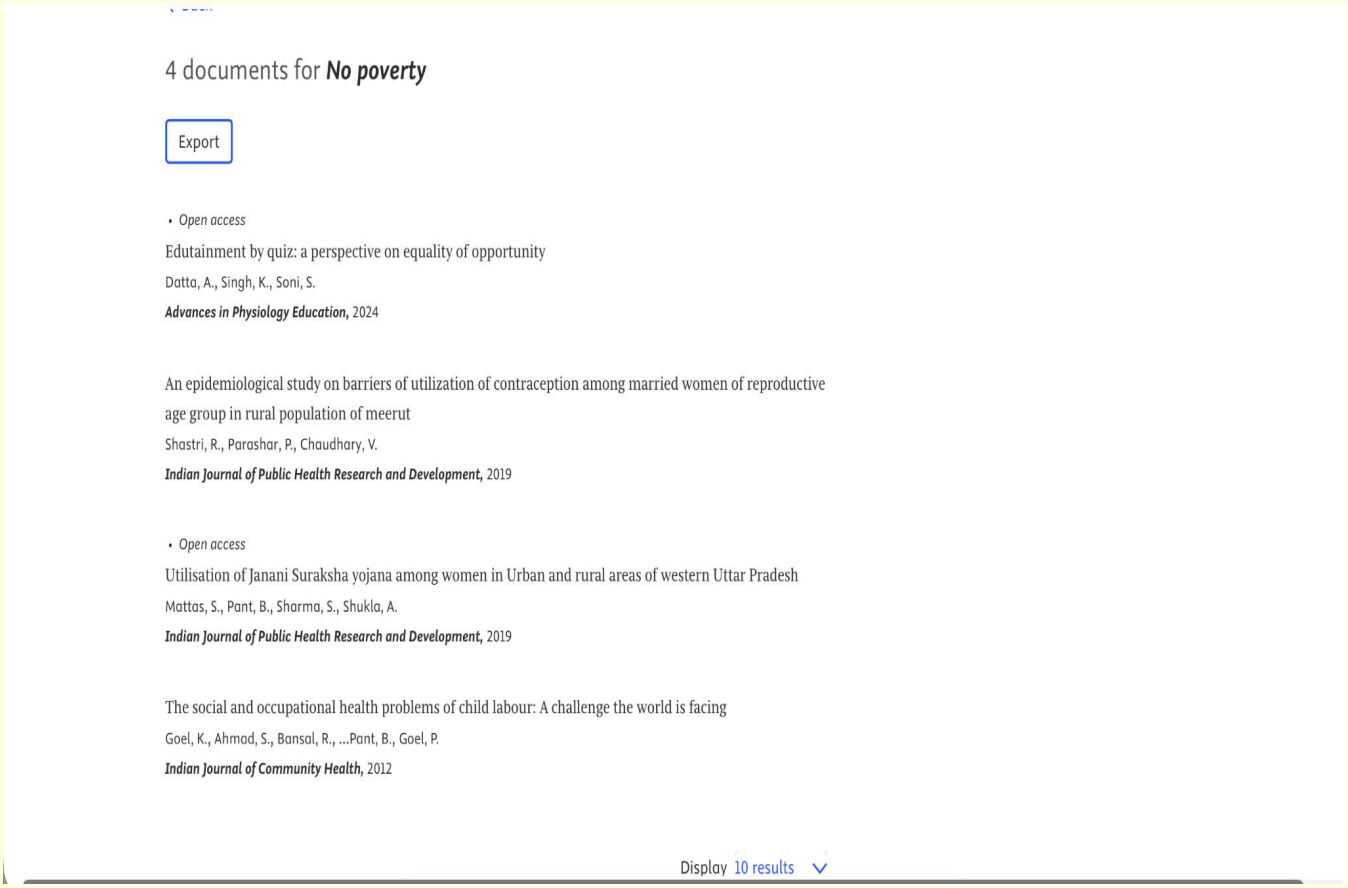

Research Contribution

The identified publications address important social and developmental concerns. Research on reproductive health and maternal health schemes examines access to essential healthcare services, while work on child labour highlights the health and social challenges faced by vulnerable children. The publication on equality of opportunity also reflects academic engagement with inclusive education.

Together, these studies demonstrate University's contribution to research that can inform awareness, public health practices and a better understanding of social inequalities.

1.3 UNIVERSITY ANTI-POVERTY PROGRAMMES

1.3.1 Indicator: Bottom Financial Quintile Admission Target

1.3.1 Does your university as a body have targets to admit students who fall into the bottom 20% of household income group (or a more tightly defined target) in the country?

Answer: **Yes,** Swami Vivekanand Subharti University, Meerut, is committed to making higher education more accessible to students facing financial difficulties. Through its **Poverty Reduction and Social Inclusion Policy**, the University promotes equitable admission opportunities and financial support for economically disadvantaged students.

The policy defines eligible students with reference to the bottom 20% of the household-income distribution, or an appropriately defined equivalent category. It also provides for institutional admission targets, financial assistance and periodic monitoring.

⇒ Institutional Initiatives

The University's policy establishes a framework to:

- Promote fair access to higher education for economically disadvantaged students.
- Establish and periodically review admission targets for eligible students.
- Facilitate access to government scholarships and institutional financial assistance.
- Reduce financial barriers to admission and continuation of studies.
- Maintain records of eligible applicants, admissions and financial support.

⇒ Financial Assistance Data – 2024-25

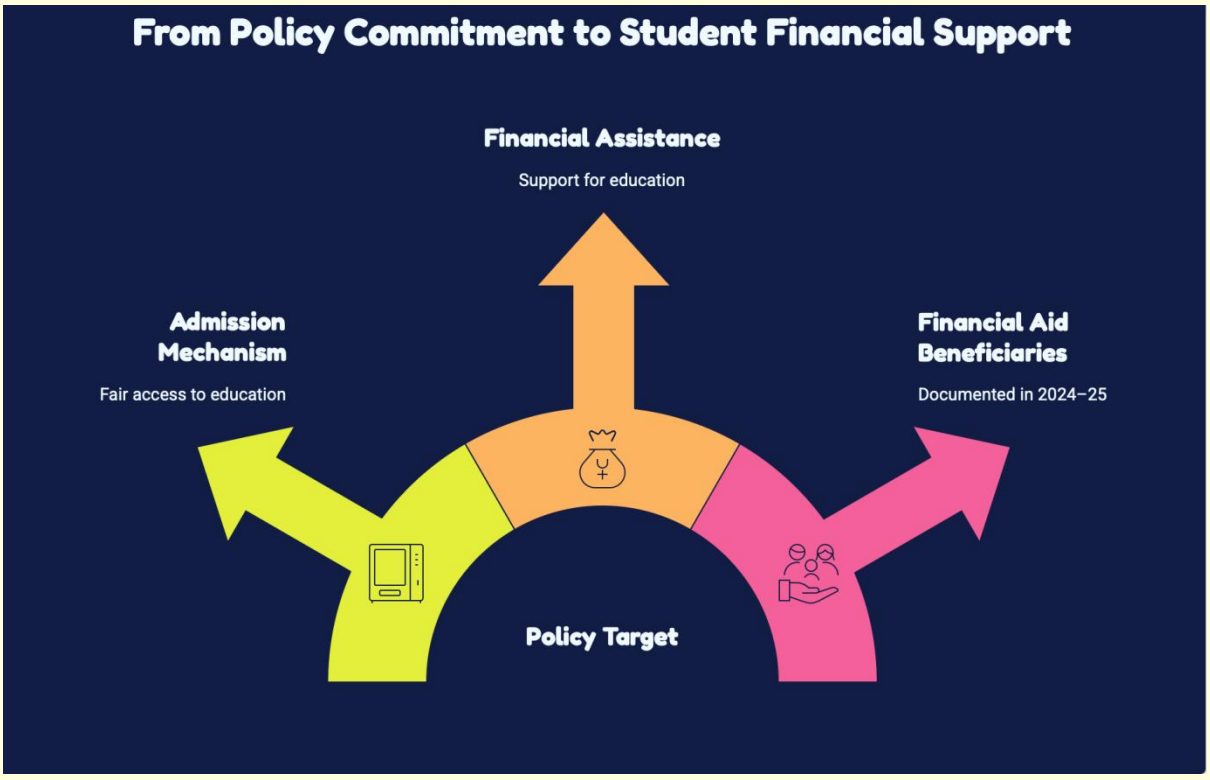

Particular	Reported Data
Total students/FTE reported	10,342
Students receiving financial assistance	1,849
Government-linked beneficiaries	1,188
Institutional scholarship beneficiaries	661
Proportion receiving financial assistance	17.87%

During 2024–25, **1,849 students received financial assistance** through government-linked schemes and institutional scholarships. These measures help address financial barriers and support students in accessing higher education.

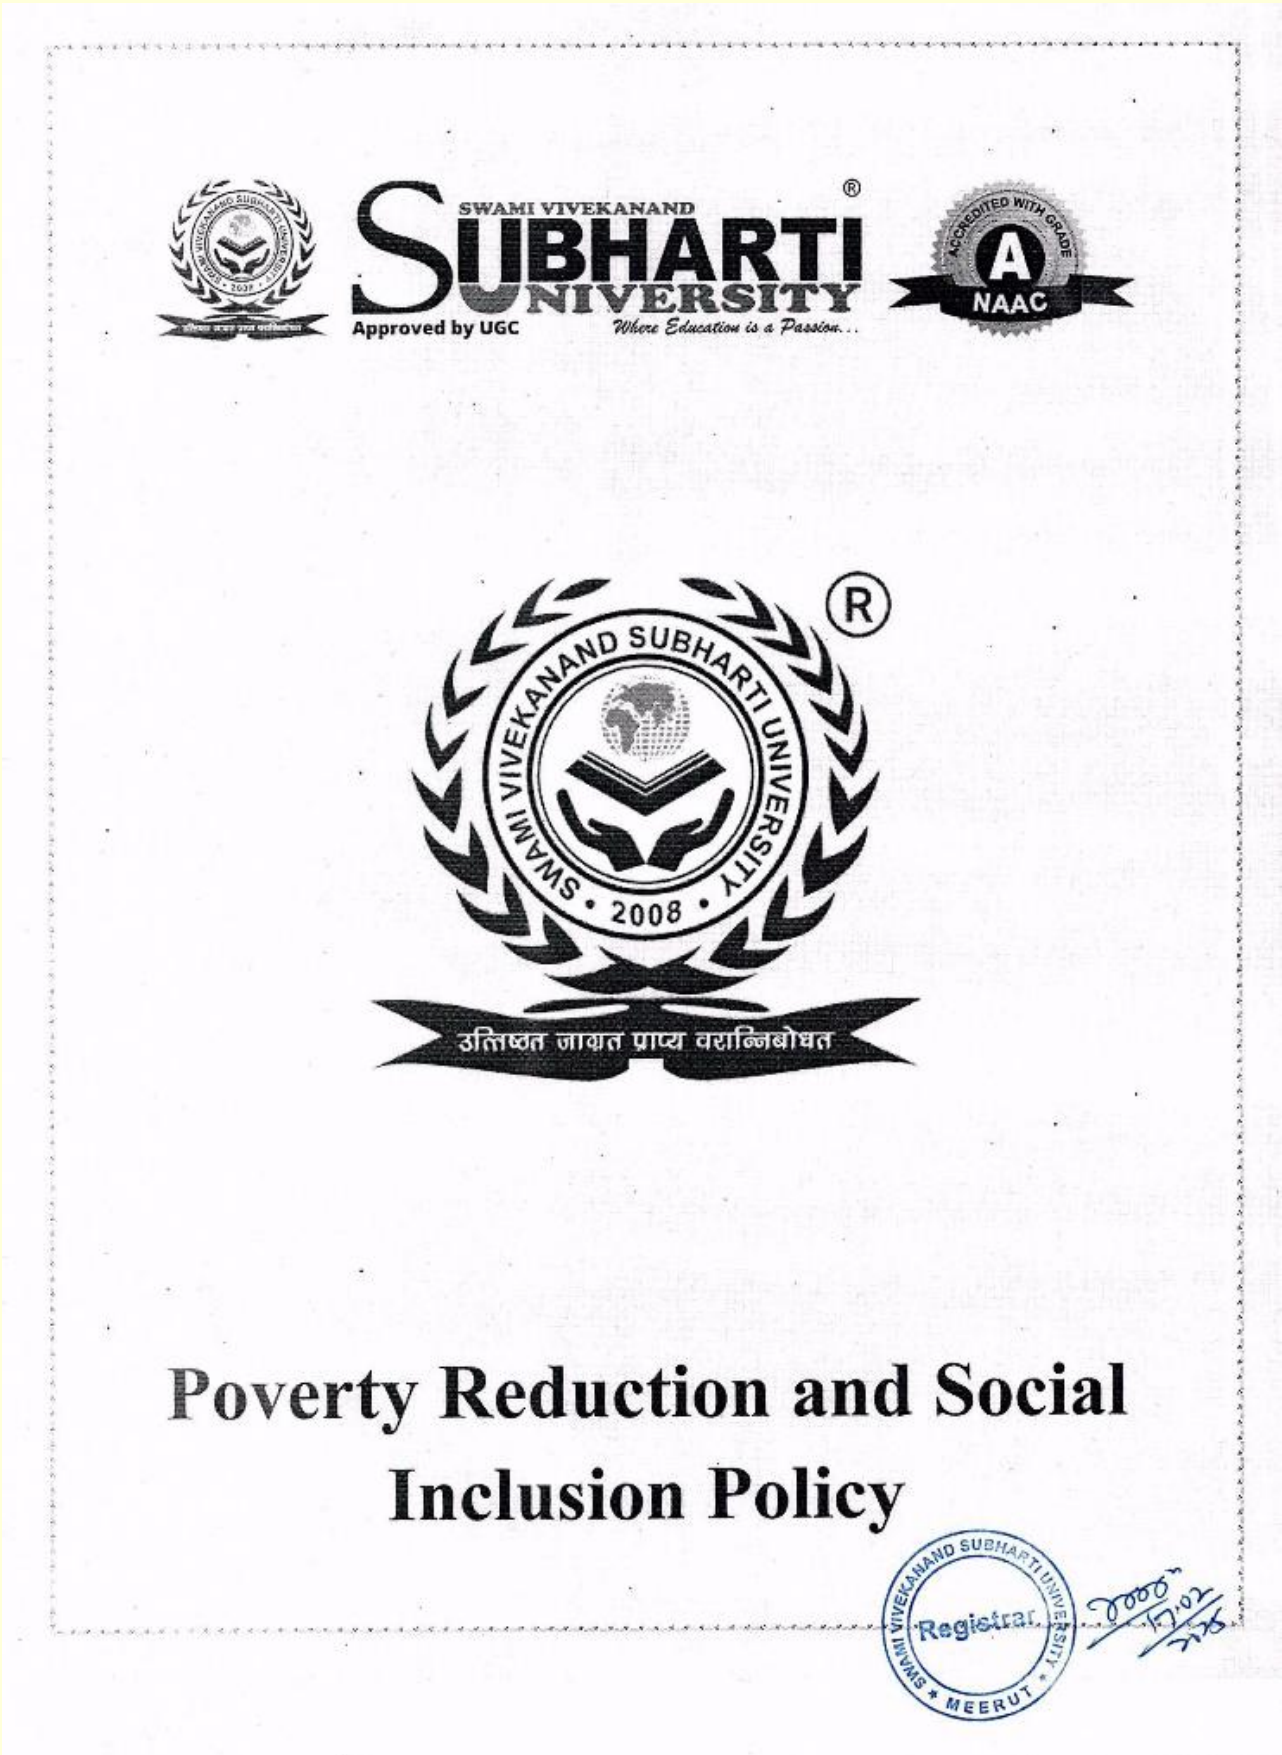

⇒ Conclusion

The University's Poverty Reduction and Social Inclusion Policy reflects its commitment to inclusive education and equal opportunity. The financial-aid records for 2024–25 demonstrate the scale of support provided to students. Together, the policy framework and documented assistance represent the University's efforts to make higher education more accessible and inclusive.

Poverty Reduction and Social Inclusion Policy

1. Preamble

The University recognises that poverty may limit access to education, essential services, livelihood opportunities and participation in society. This policy establishes a concise institutional framework to support economically disadvantaged students and communities through inclusive education, appropriate assistance, capacity building, community programmes and documented policy engagement.

2. Objectives

1. To improve admission opportunities and student success rates, particularly for students from financially disadvantaged backgrounds.
2. To provide financial assistance and support to students from low-income and lower-middle-income families.
3. To support local start-ups through financial assistance, technical guidance and capacity-building initiatives.
4. To organise programmes that improve access to essential services and educational opportunities for disadvantaged communities.
5. To participate in local, regional, national and global policymaking initiatives aimed at reducing poverty in all its forms.
6. To implement programmes and policies that promote social inclusion, economic empowerment and poverty alleviation.

3. Policy Principles

- **Equity and inclusion:** Prioritise fair access and reduce barriers faced by economically disadvantaged and underserved groups.
- **Non-discrimination and dignity:** Deliver support respectfully and in accordance with university rules and eligibility criteria.
- **Accessibility:** Promote access to education, financial assistance and essential services.
- **Collaboration:** Work with relevant stakeholders and review initiatives to improve their effectiveness

4. Policy Implementation

- **Admission and student success:** The University shall implement its ***Admission Policy*** to promote equitable admission opportunities for students from all backgrounds, including financially disadvantaged and underserved groups, and support their retention, progression and successful completion of studies.
- **Financial and student support:** The University shall implement its ***Scholarship Policy*** to facilitate scholarships, fee concessions and other eligible financial assistance for students from low-income and lower-middle-income families. Additional support may include access to food, accommodation, transportation, legal services and other essential services, as available.
- **Local start-up assistance:** The University shall promote entrepreneurship and local enterprise development through its ***Entrepreneurship Cell*** and relevant ***Start-up Policy,*** facilitating financial assistance, mentoring, technical guidance, training, capacity building and access to university facilities or expertise, wherever applicable.
- **Programmes for services access:** The University shall organise or support outreach, awareness, training and community engagement programmes to improve access to essential services and educational opportunities for disadvantaged communities.
- **Policy action and partnerships:** Use institutional experience, research and stakeholder consultation to contribute to poverty-reduction policy initiatives at local, regional, national and global levels, as appropriate.
- **Social inclusion and empowerment:** Promote initiatives that strengthen participation, skills, employability, self-reliance and economic empowerment among disadvantaged groups.

5. Monitoring and Reporting

Relevant units shall maintain records, as applicable, of admission targets and outcomes, student completion, financial assistance, support services, start-up assistance, community programmes, beneficiaries, partnerships, policy participation and outcomes. Evidence shall be compiled for periodic institutional review and SDG reporting. Where gaps are identified, appropriate corrective action shall be considered.

6. Review of the Policy

The policy shall be reviewed periodically as and when required.

1.3.2 Indicator: Bottom Financial Quintile Student Success

1.3.2 Does your university as a body have graduation/completion targets for students who fall into the bottom 20% of household income group (or a more tightly defined target) in the country? (domestic)

Answer: **Yes,** Swami Vivekanand Subharti University, Meerut, is committed to ensuring that financial difficulties do not prevent students from completing their higher education. Through its **Poverty Reduction and Social Inclusion Policy**, the University provides a framework for supporting economically disadvantaged students throughout their academic journey.

The policy establishes a commitment to setting and periodically reviewing graduation and completion targets for students belonging to the bottom 20% of the household-income group, supported by academic guidance, mentoring, counselling, financial assistance and student-welfare measures.

⇒ Institutional Support Framework

The University's policy provides for several measures to help students continue and successfully complete their programmes:

- Faculty mentoring, remedial teaching and additional academic guidance.
- Academic and personal counselling.
- Attendance and academic-progression monitoring.
- Scholarships, fee concessions and other financial assistance.
- Student-welfare, career-guidance and employability support.
- Periodic review of student progression and completion outcomes.

These measures aim to reduce financial and academic barriers and create a supportive learning environment.

⇒ Student Financial-Aid and Retention Data (2024–25)

Particular	Number of Students

2024–25 beneficiaries also identified in at least one earlier year (2019–20 to 2023–24)	862

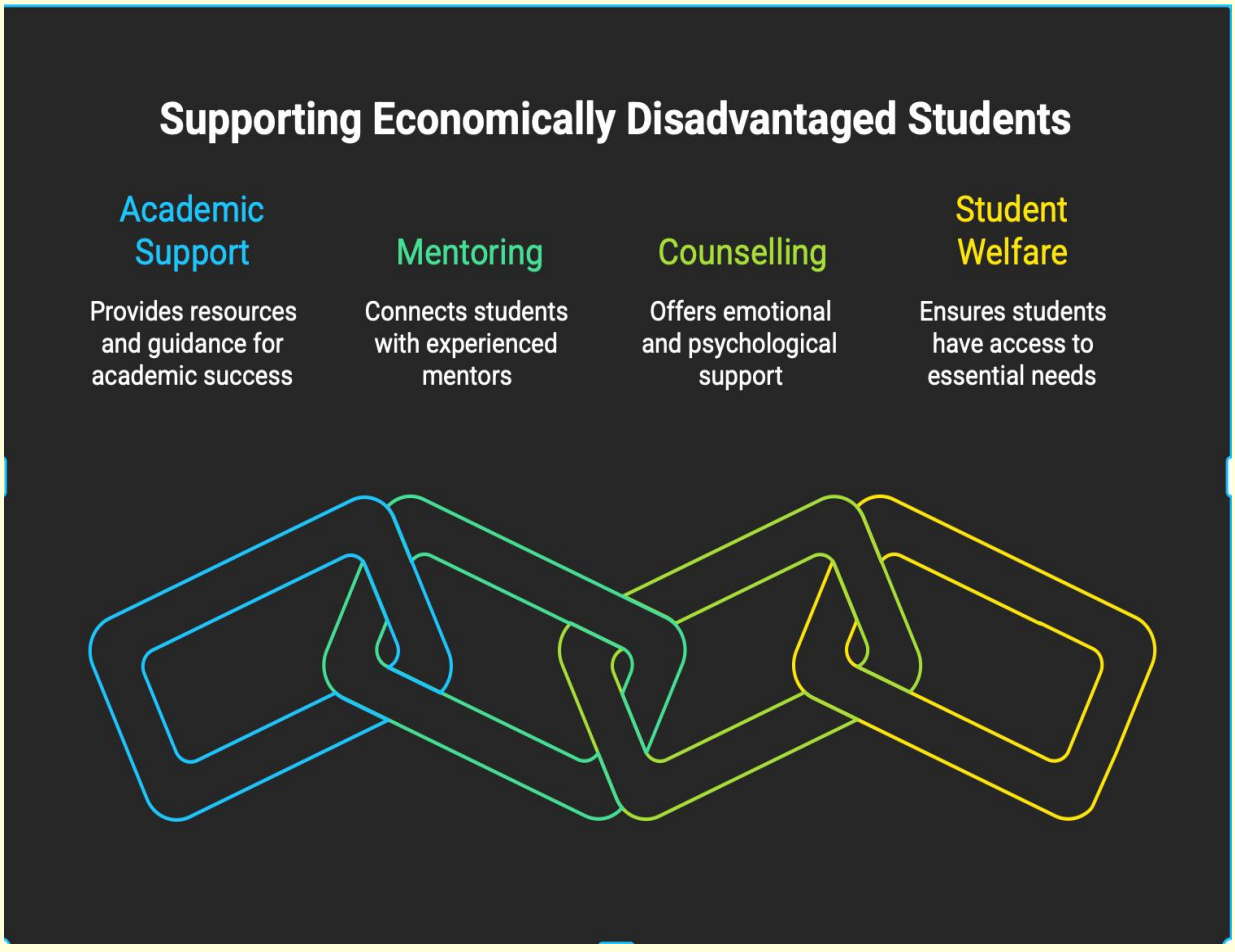

The institutional records show that **728 students received financial assistance in both 2023–24 and 2024–25**. A wider comparison also identified 862 students from the 2024–25 beneficiary records who appeared in at least one earlier year's financial-aid records.

These findings provide supporting evidence of continuity in financial assistance and continued institutional engagement with beneficiaries.

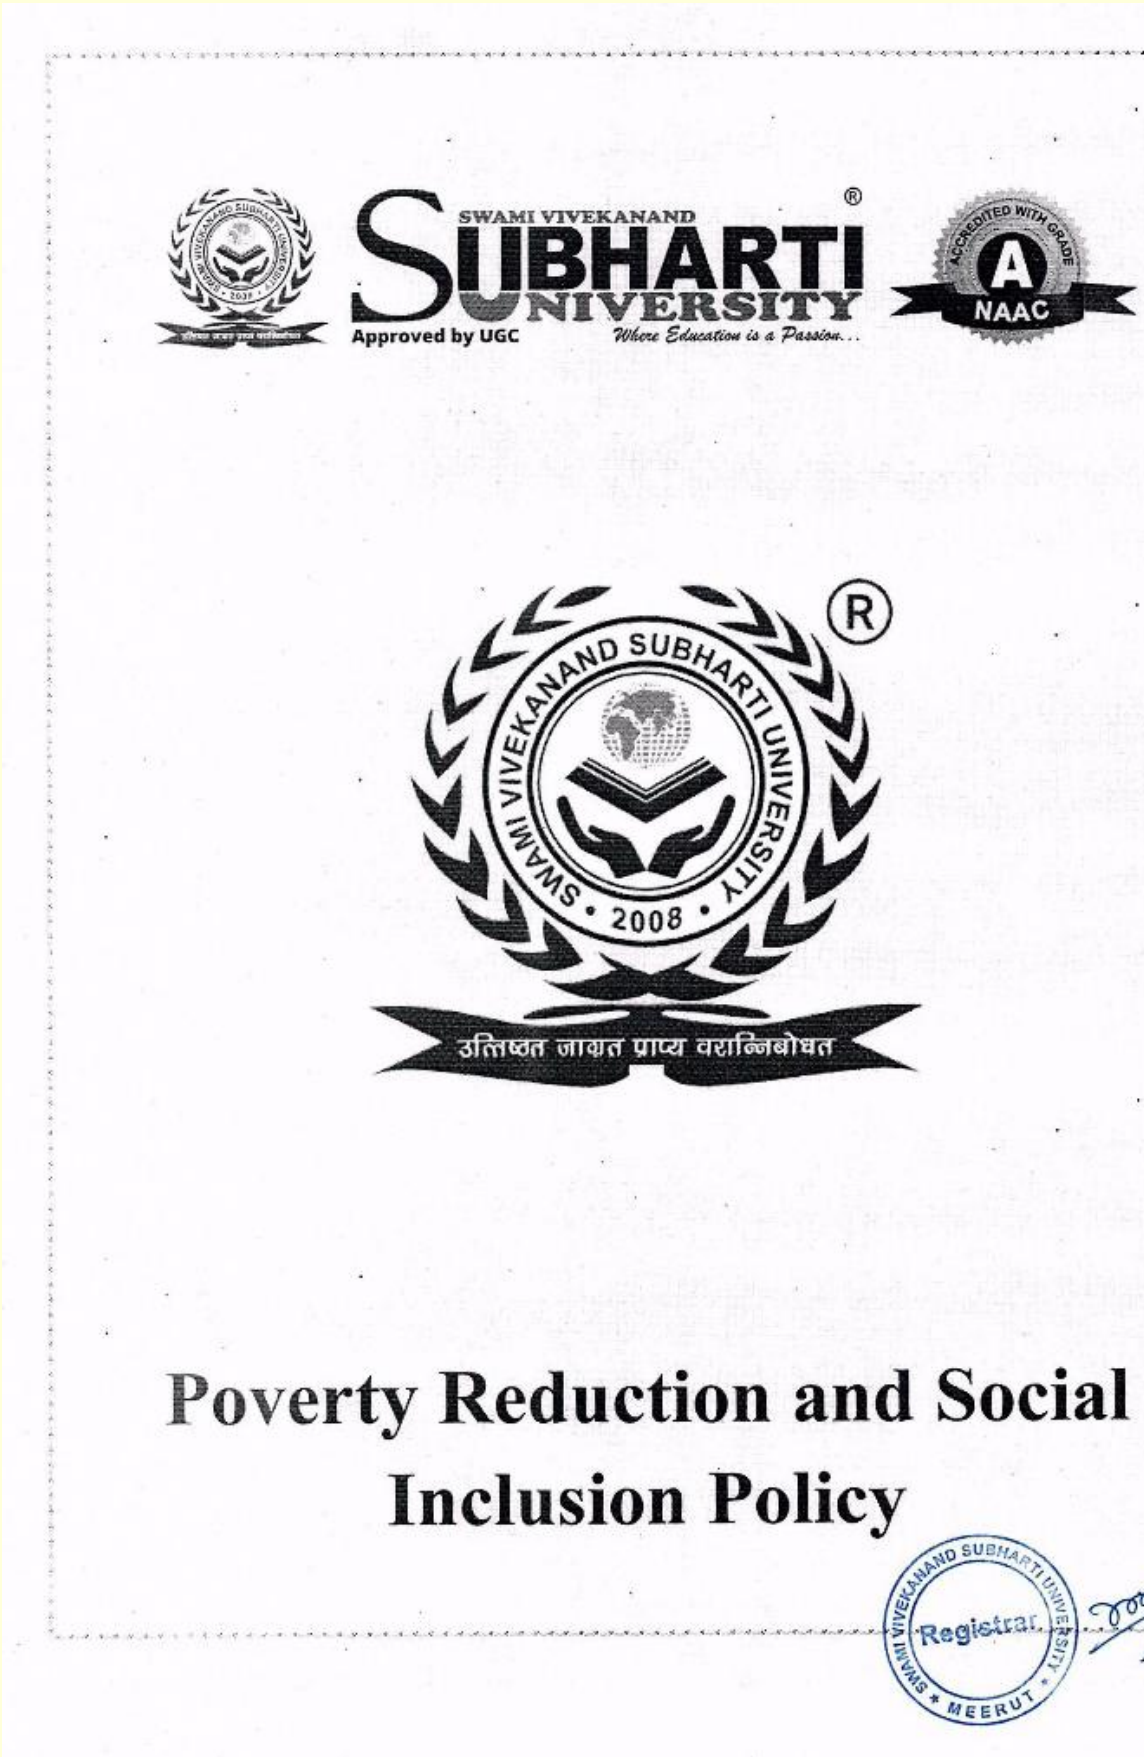

⇒ **Conclusion**

The University's policy framework, financial-aid records and longitudinal beneficiary analysis demonstrates its efforts to support economically disadvantaged students throughout their education. By combining financial assistance with mentoring, counselling and academic support, the University seeks to help students progress towards successful programme completion.

2. Longitudinal Financial-Aid Continuity Analysis

Evidence of Continued Enrolment/Retention of Financially Supported Students

A student-level comparison of the University's institutional financial-aid records was undertaken to examine continuity of financial support across academic years.

Indicator	Result
2024–25 Financial-aid Records	**1,849**
Students recorded as financial-aid beneficiaries in **2023–24 and 2024–25**	**728**
Unique 2024–25 beneficiaries also identified in at least one earlier year (**2019–20 to 2023–24**)	**862**

Key Finding

728 students recorded as financial-aid beneficiaries in **2023–24** also appear in the **2024–25 financial-aid records**. This year-to-year recurrence provides supporting evidence of **continued enrolment/retention and continuity of financial support** among financially supported students.

Across the wider **2019–20 to 2023–24** period, **862 unique students** appearing in the 2024–25 records were also identified in at least one earlier year's financial-aid records.

Methodology

Student names in the 2024–25 AQAR financial-aid records were cross-matched with student names in the University's earlier institutional financial-aid records. Minor differences in name formatting were standardised before matching.

Relevance to SDG 1.3.2

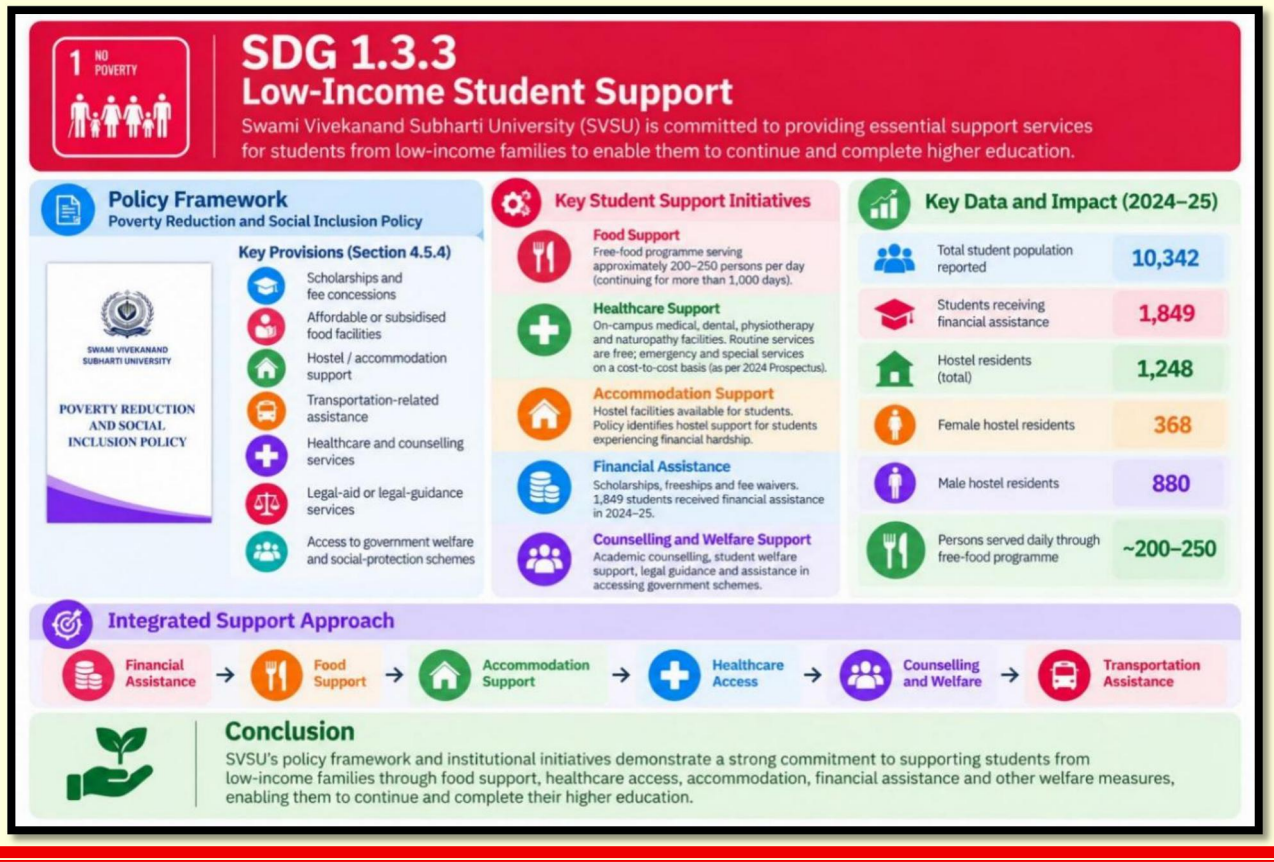

The longitudinal recurrence of financially supported students provides **supporting evidence of continued enrolment/retention and continuity of financial assistance**, complementing the University's institutional graduation/completion-target framework and student-success support mechanisms.

1.3.3 INDICATOR: LOW-INCOME STUDENT SUPPORT

1.3.3 Does your university as a body provide support (e.g. food, housing, transportation, legal services) for students from low-income families to enable them to complete university?

Answer: **Yes,** Swami Vivekanand Subharti University, Meerut, is committed to ensuring that financial difficulties do not prevent students from accessing and completing higher education. Through its **Poverty Reduction and Social Inclusion Policy**, the University provides a framework for supporting students from economically disadvantaged backgrounds with essential services and welfare measures.

The policy covers financial assistance, affordable food, accommodation, healthcare, counselling, transportation-related assistance and access to relevant government welfare schemes. These provisions aim to reduce the everyday challenges that can affect students' ability to continue their studies.

⇒ Institutional Support Initiatives

The University approach combines several forms of student support:

- **Food Support:** A free-food distribution programme serves approximately 200–250 persons per day and has been documented as continuing for more than 1,000 days.
- **Healthcare:** On-campus medical, dental, physiotherapy and naturopathy facilities are available. According to the University's 2024 Prospectus, routine services are free, while emergency and special services are charged on a cost-to-cost basis.
- **Accommodation:** The University provides hostel facilities to students, with the policy identifying accommodation support as a mechanism for assisting students experiencing financial hardship.
- **Financial Assistance:** During 2024–25, 1,849 students received financial assistance through scholarships, freeships or fee waivers.
- **Counselling and Welfare:** The policy provides for counselling, legal guidance where available, and assistance in accessing government welfare and social-protection schemes.

⇒ **Legal Guidance:** Sardar Patel Subharti Institute of Law, Swami Vivekanand Subharti University, operates a Free Legal Aid Clinic to promote access to legal guidance and justice. Institutional records report **769 beneficiaries** receiving legal advice. This service provides an avenue for individuals who may face financial barriers to obtaining legal guidance and complements the University's broader framework of student-welfare and hardship support.

⇒ Supporting Data – 2024–25

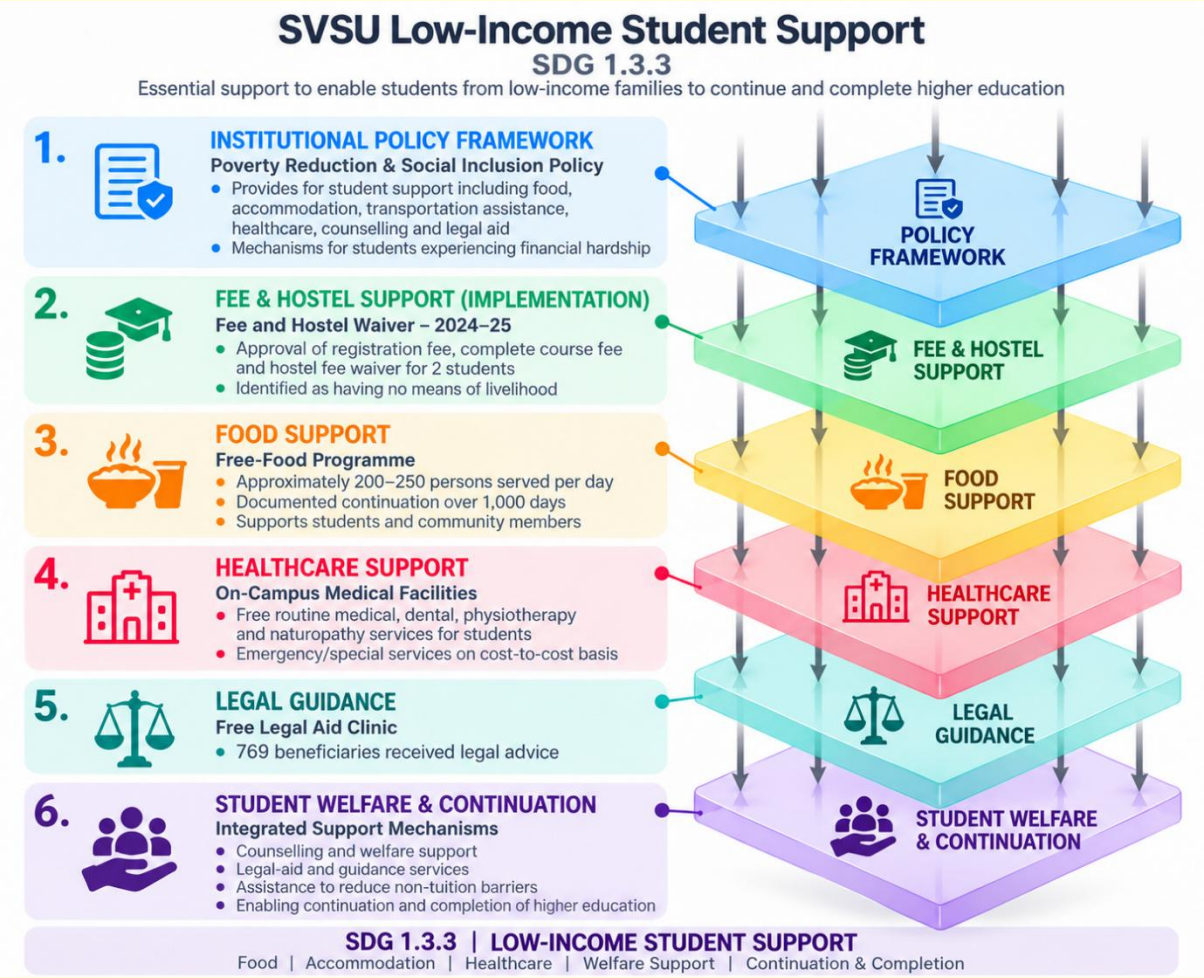

Particular	Reported Data
Students receiving financial assistance	1,849
Total student population reported	10,342
Hostel residents	1,248
Female hostel residents	368
Male hostel residents	880
Persons served daily through the free-food programme	Approximately 200–250
Legal Guidance Received	769

These figures demonstrate the scale of the University's financial-aid, residential and food-support arrangements. The policy framework further identifies healthcare and other welfare services as important measures for reducing barriers to higher education.

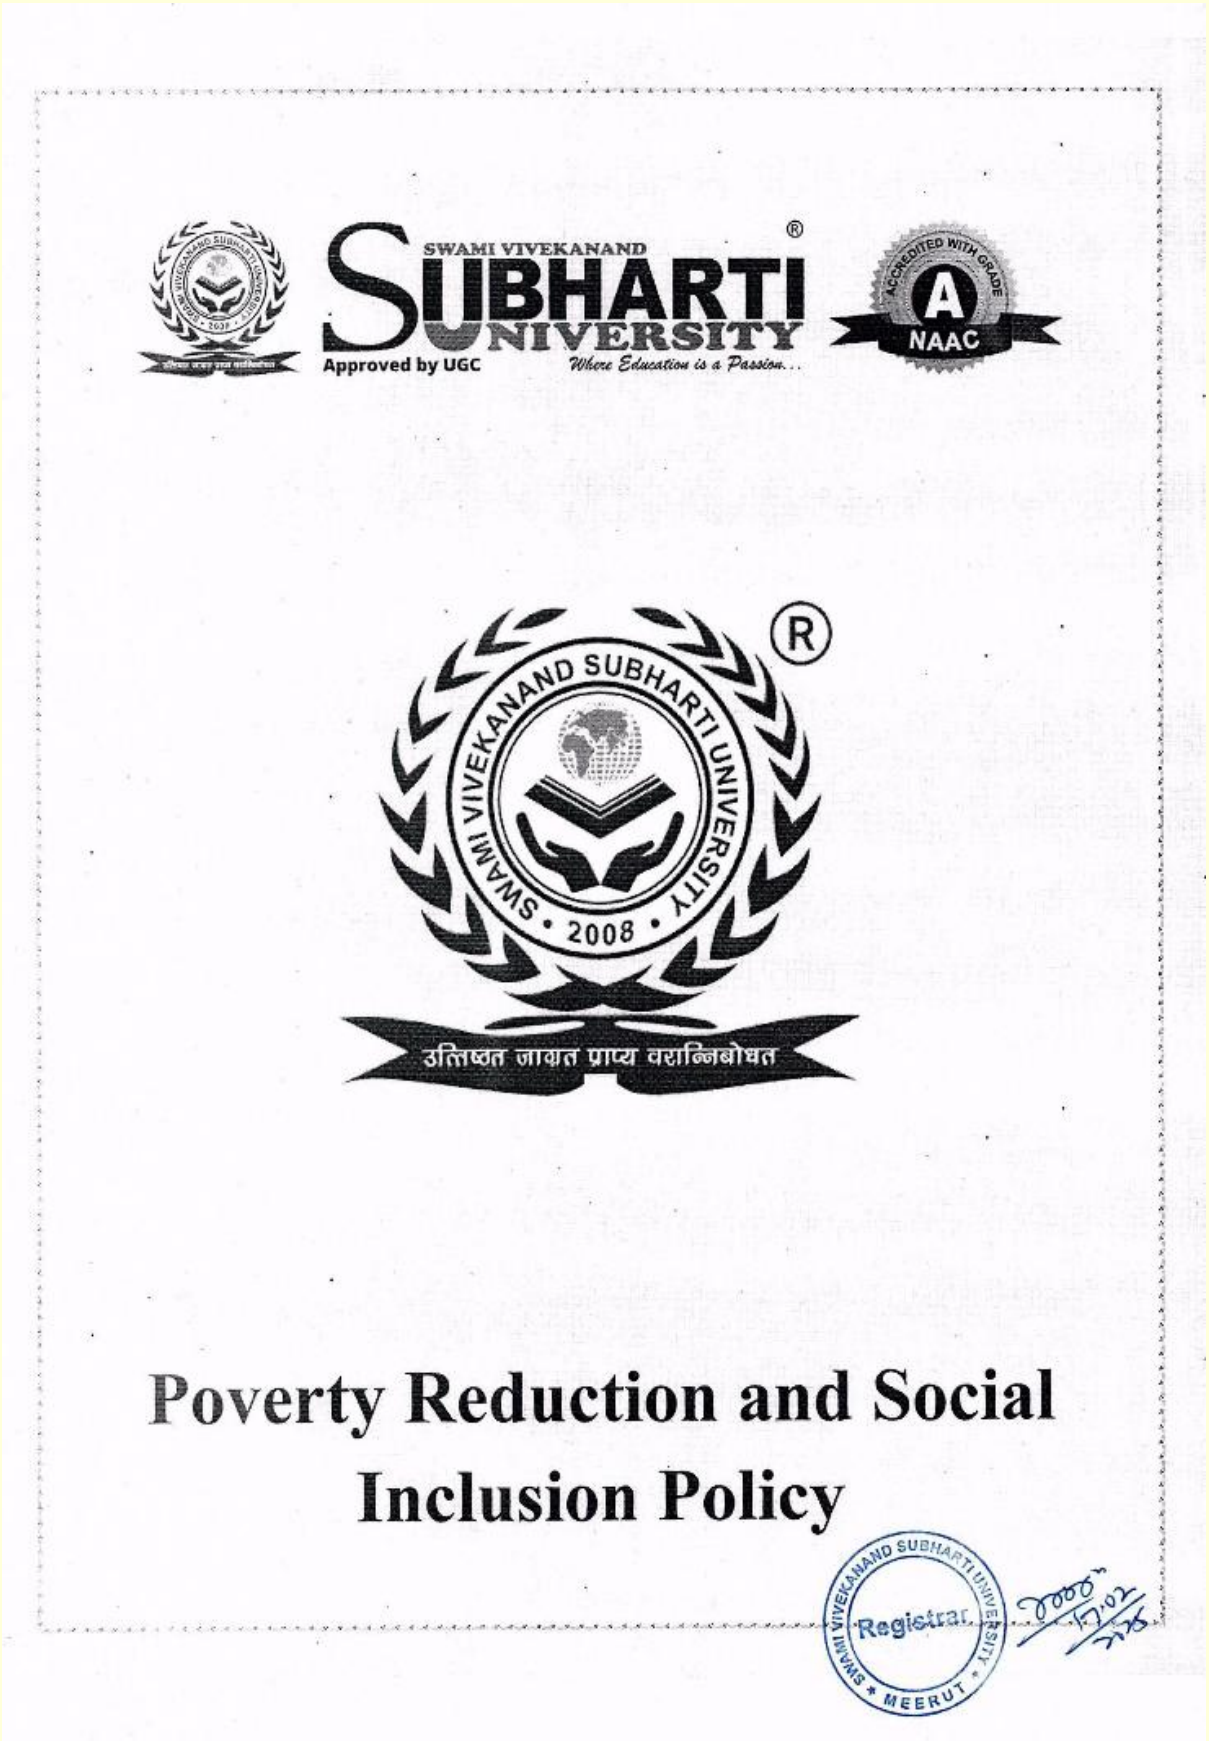

⇒ Conclusion

The University's initiatives reflect a commitment to supporting students beyond the classroom. By combining financial assistance with food distribution, healthcare access, accommodation, legal and student-welfare provisions, the University seeks to create a more supportive and inclusive learning environment.

Poverty Reduction and Social Inclusion Policy

1. Preamble

The University recognises that poverty may limit access to education, essential services, livelihood opportunities and participation in society. This policy establishes a concise institutional framework to support economically disadvantaged students and communities through inclusive education, appropriate assistance, capacity building, community programmes and documented policy engagement.

2. Objectives

1. To improve admission opportunities and student success rates, particularly for students from financially disadvantaged backgrounds.
2. To provide financial assistance and support to students from low-income and lower-middle-income families.
3. To support local start-ups through financial assistance, technical guidance and capacity-building initiatives.
4. To organise programmes that improve access to essential services and educational opportunities for disadvantaged communities.
5. To participate in local, regional, national and global policymaking initiatives aimed at reducing poverty in all its forms.
6. To implement programmes and policies that promote social inclusion, economic empowerment and poverty alleviation.

3. Policy Principles

- **Equity and inclusion:** Prioritise fair access and reduce barriers faced by economically disadvantaged and underserved groups.
- **Non-discrimination and dignity:** Deliver support respectfully and in accordance with university rules and eligibility criteria.
- **Accessibility:** Promote access to education, financial assistance and essential services.
- **Collaboration:** Work with relevant stakeholders and review initiatives to improve their effectiveness

4. Policy Implementation

- **Admission and student success:** The University shall implement its ***Admission Policy*** to promote equitable admission opportunities for students from all backgrounds, including financially disadvantaged and underserved groups, and support their retention, progression and successful completion of studies.
- **Financial and student support:** The University shall implement its ***Scholarship Policy*** to facilitate scholarships, fee concessions and other eligible financial assistance for students from low-income and lower-middle-income families. Additional support may include access to food, accommodation, transportation, legal services and other essential services, as available.
- **Local start-up assistance:** The University shall promote entrepreneurship and local enterprise development through its ***Entrepreneurship Cell*** and relevant ***Start-up Policy,*** facilitating financial assistance, mentoring, technical guidance, training, capacity building and access to university facilities or expertise, wherever applicable.
- **Programmes for services access:** The University shall organise or support outreach, awareness, training and community engagement programmes to improve access to essential services and educational opportunities for disadvantaged communities.
- **Policy action and partnerships:** Use institutional experience, research and stakeholder consultation to contribute to poverty-reduction policy initiatives at local, regional, national and global levels, as appropriate.
- **Social inclusion and empowerment:** Promote initiatives that strengthen participation, skills, employability, self-reliance and economic empowerment among disadvantaged groups.

5. Monitoring and Reporting

Relevant units shall maintain records, as applicable, of admission targets and outcomes, student completion, financial assistance, support services, start-up assistance, community programmes, beneficiaries, partnerships, policy participation and outcomes. Evidence shall be compiled for periodic institutional review and SDG reporting. Where gaps are identified, appropriate corrective action shall be considered.

6. Review of the Policy

The policy shall be reviewed periodically as and when required.

Swami Vivekanand Subharti University conducts a free-food distribution programme to support individuals in need, including members of the surrounding community. Institutional records document the initiative over approximately 1,000 days, with an estimated 200–250 people served per day. This initiative supports access to food and contributes to the University's broader commitment to social welfare and poverty alleviation.

Swami Vivekanand Subharti University is committed to addressing poverty and supporting economically disadvantaged individuals through various welfare initiatives, including financial assistance to students from low-income families, daily free food distribution for needy individuals, community outreach, and skill development programmes. These initiatives aim to reduce socio-economic barriers, improve access to essential resources, and promote the well-being of vulnerable communities. Through these sustained efforts, the University seeks to contribute to poverty alleviation and inclusive social development, in alignment with Sustainable Development Goal 1 (No Poverty).

1.3.4 INDICATOR: BOTTOM FINANCIAL QUINTILE STUDENT SUPPORT

1.3.4 Does your university as a body have programmes or initiatives to assist students who fall into the bottom 20% of household income group (or a more tightly defined target) in the country to successfully complete their studies?

Answer: **Yes** Swami Vivekanand Subharti University, Meerut, believes that financial difficulties should not prevent students from pursuing and completing higher education. Through its **Poverty Reduction and Social Inclusion Policy**, the University has established a framework to support economically disadvantaged students and help them progress successfully in their academic journey.

For the 2024–25 reporting year, the University's approach combines financial-support provisions with mentoring, remedial teaching, counselling and continuous monitoring of academic progress.

⇒ Institutional Support Initiatives

The University has adopted several measures to support students who need additional academic and personal guidance:

- **Student Mentoring:** Regular interaction between mentors and students to address academic, personal and social concerns.
- **Remedial Teaching:** Additional classes, tutorials and revision sessions for students requiring academic support.
- **Academic Counselling:** Individual guidance to identify learning difficulties and improve performance.
- **Progress Monitoring:** Review of attendance, academic performance and student progression.
- **Student Welfare:** Counselling, career guidance and assistance in accessing eligible scholarships and financial-support schemes.
- **Continuous Improvement:** Assessment of learning outcomes and follow-up interventions to help students improve.

The Student Mentoring System SOP was approved by the Academic Council on 9 September 2022, while the University's *Methodology and Criteria for Assessment of Learning Levels (2024–25)* documents structured academic interventions.

⇒ Integrated Student-Support Framework

The University approach connects three important elements:

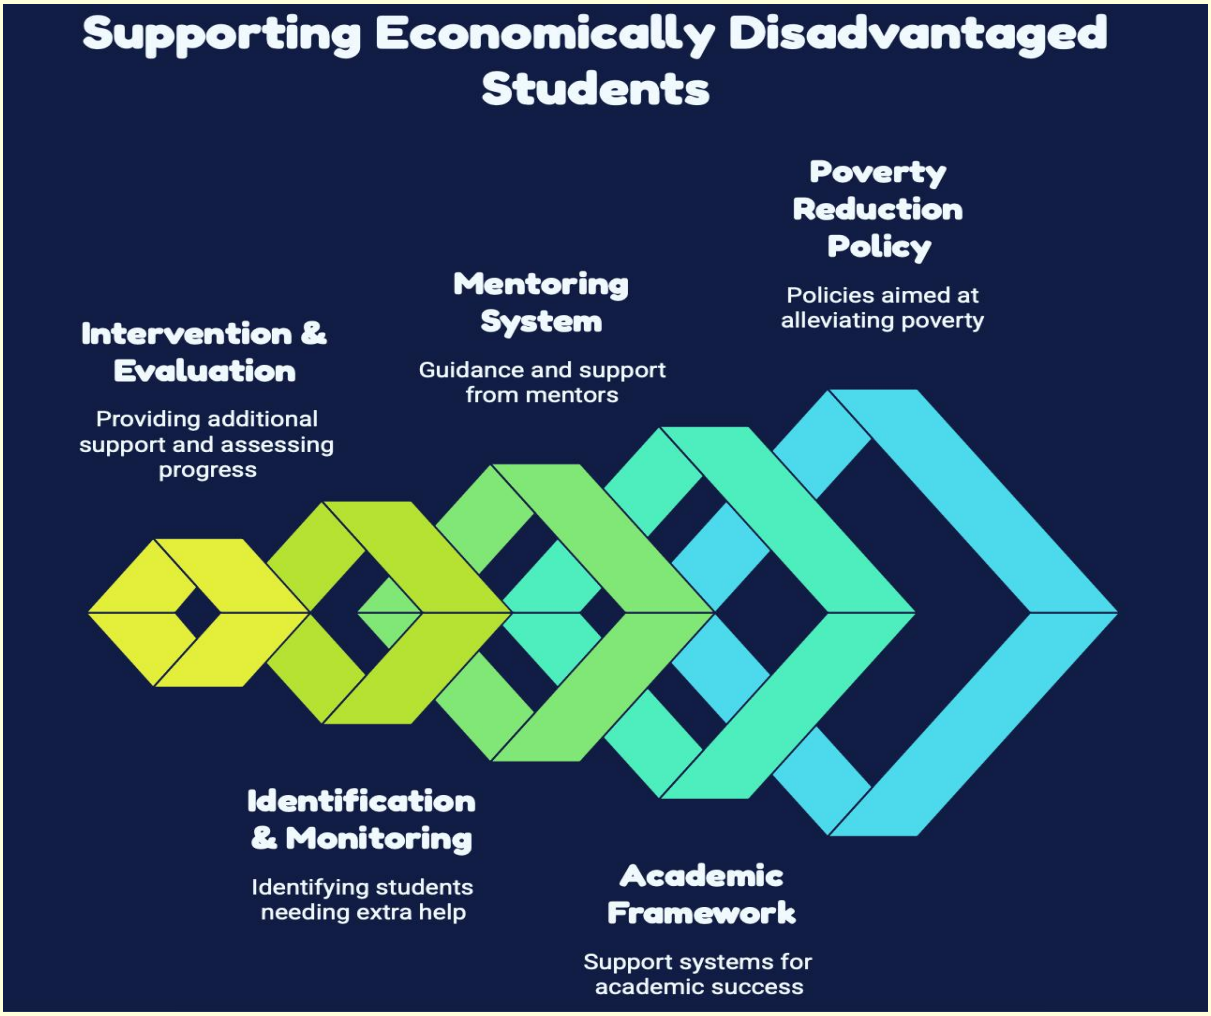

Support Mechanism	Purpose
Poverty Reduction and Social Inclusion Policy	Defines the target group and establishes the institutional support framework
Student Mentoring System	Provides regular academic, personal and social guidance
Remedial Teaching and Progress Monitoring	Identifies learning difficulties, provides additional support and reviews improvement

Together, these mechanisms aim to reduce barriers to education and create a supportive environment in which students can continue and complete their studies.

⇒ **Conclusion**

Universiy's policy-backed initiatives reflect its commitment to inclusive education and student success. By combining mentoring, remedial teaching, counselling and academic monitoring with provisions for financial assistance, the University seeks to ensure that economic disadvantage does not become a barrier to higher education.

Poverty Reduction and Social Inclusion Policy

1. Preamble

The University recognises that poverty may limit access to education, essential services, livelihood opportunities and participation in society. This policy establishes a concise institutional framework to support economically disadvantaged students and communities through inclusive education, appropriate assistance, capacity building, community programmes and documented policy engagement.

2. Objectives

1. To improve admission opportunities and student success rates, particularly for students from financially disadvantaged backgrounds.
2. To provide financial assistance and support to students from low-income and lower-middle-income families.
3. To support local start-ups through financial assistance, technical guidance and capacity-building initiatives.
4. To organise programmes that improve access to essential services and educational opportunities for disadvantaged communities.
5. To participate in local, regional, national and global policymaking initiatives aimed at reducing poverty in all its forms.
6. To implement programmes and policies that promote social inclusion, economic empowerment and poverty alleviation.

3. Policy Principles

- **Equity and inclusion:** Prioritise fair access and reduce barriers faced by economically disadvantaged and underserved groups.
- **Non-discrimination and dignity:** Deliver support respectfully and in accordance with university rules and eligibility criteria.
- **Accessibility:** Promote access to education, financial assistance and essential services.
- **Collaboration:** Work with relevant stakeholders and review initiatives to improve their effectiveness

SWAMI VIVEKANAND SUBHARTI UNIVERSITY * MEERUT * Registrar

4. Policy Implementation

- **Admission and student success:** The University shall implement its ***Admission Policy*** to promote equitable admission opportunities for students from all backgrounds, including financially disadvantaged and underserved groups, and support their retention, progression and successful completion of studies.
- **Financial and student support:** The University shall implement its ***Scholarship Policy*** to facilitate scholarships, fee concessions and other eligible financial assistance for students from low-income and lower-middle-income families. Additional support may include access to food, accommodation, transportation, legal services and other essential services, as available.
- **Local start-up assistance:** The University shall promote entrepreneurship and local enterprise development through its ***Entrepreneurship Cell*** and relevant ***Start-up Policy,*** facilitating financial assistance, mentoring, technical guidance, training, capacity building and access to university facilities or expertise, wherever applicable.
- **Programmes for services access:** The University shall organise or support outreach, awareness, training and community engagement programmes to improve access to essential services and educational opportunities for disadvantaged communities.
- **Policy action and partnerships:** Use institutional experience, research and stakeholder consultation to contribute to poverty-reduction policy initiatives at local, regional, national and global levels, as appropriate.
- **Social inclusion and empowerment:** Promote initiatives that strengthen participation, skills, employability, self-reliance and economic empowerment among disadvantaged groups.

5. Monitoring and Reporting

Relevant units shall maintain records, as applicable, of admission targets and outcomes, student completion, financial assistance, support services, start-up assistance, community programmes, beneficiaries, partnerships, policy participation and outcomes. Evidence shall be compiled for periodic institutional review and SDG reporting. Where gaps are identified, appropriate corrective action shall be considered.

6. Review of the Policy

The policy shall be reviewed periodically as and when required.

OVERVIEW:

Mentoring System is an essential part of any institution for the effective redressal of problems and challenges faced by students. In this regard, the UGC circular no D.O.No.F.1-11/2014(CPP-II) Dated 27 January 2016 about the guidelines on "safety of students" in on and off campuses of HEI, University has decided to follow the circular while framing the modalities for the mentoring system.

Mentoring is a unique, interactive and target-oriented system, involving students, teachers and parents to address common student concerns ranging from anxiety, stress, fear of change and failure to homesickness and a slew of other academic worries. It acts as a bridge for formal as well as communicative gaps between the students at large. Mentors act as the guardians of students at each faculty/college/departmental level and should remain in close touch with the students allotted to them throughout the year. This relationship will cater to the emotional and intellectual needs of the students and also guide them to move up in their career at regular interval of time.

Swami Vivekanand Subharti University is a student-centric multidisciplinary university, is highly committed to the well-being of its students. Knowing the fact that the students enter in their respective Faculty/College/Department at a foundational and creative age, a structured and dedicated Mentoring Process has been developed by the University.

All the Faculties/Colleges/Departments have a robust mentoring system with an adequate ratio to achieve a better interaction and co-operation among students and teachers and encourage holistic education. This system ensures that the inclusive need of students like learning, social, professionalism and at personal levels, are adequately addressed.

Besides playing the role of Mentor in academic progress, mentors also counsel the mentee pertaining to the social, personal, language barriers, ragging, emotional

well-being and behaviour patterns for prompt pre-emptive or corrective action, if any, at an individual level. Mentor can coordinate with wardens of hostels. Mentors play an essential role in identifying slow performers and advanced learners which helps to develop the special programmes accordingly to improve their performance throughout the course of study.

The Mentoring system is an advantage to international students who come from varied backgrounds and cultures. This Mentoring system programme provides academic, personal and psychological support to the students by addressing their issues during their stay at the University. Mentors guide them through various phases of academic and personal development. This also helps them to have a smooth amalgamation into a new culture and environment of the University.

DEFINITION OF MENTOR & MENTEE:

Mentor: A mentor is a teacher one who leads through guidance. Mentoring is a process by which teachers counsel, guide, instruct and facilitate the intellectual and/or career development of the students.

Mentee: "A mentee is who wants to learn and seeks valuable advice from someone who can guide him/her in order to grow professionally and/or personally."

MENTOR – MENTEE RELATION

1. A Mentor will be allotted to a particular Mentee for his/ her entire stay at the University. The pair will be subsequently transferred for next year without change, unless otherwise. This will help to maintain a stronger bonding between the two in a longer way. This may also help to compiling the record of higher education/ placement etc. of the students required for many purposes.
2. The Mentors should also collect their personal contact details, family details (Phone /Mobile No. and e-mail ID) so If needed, Mentors can also coordinate with parents/ guardians and exchange their concerns or feedback about any observation in the behaviour patterns of the Mentee for prompt pre-emptive or timely corrective action.

RESPONSIBILITIES OF MENTOR AND MENTEE:

a. Responsibilities of Mentors (Teacher)

- To form a group (on phone as well as a separate e-mail) of allocated Mentees separately for all the batches
- To interact with the mentee at least once in a week.
- To monitor the attendance of Mentees.
- To monitor the class-test/sessional/semester marks and other academic performance based progress of the mentee.
- To liaise with the parents (***via personal/telephonic/e-mail***) in academic performance/attendance/personal matters at least once in 1 Month.
- To respond to message/e-mail of the mentee.
- To maintain the updated record of all mentor-mentee activities and sessions

b. Responsibilities of Mentees (Students)

- To be courteous and respectful of their mentors.
- To maintain contact with their mentors and benefit from their mentors' knowledge and experience.
- To attend the meetings as per schedule.
- To complete the mentoring feedback survey at the end of each month.

IMPLEMENTATION OF THE MENTORSHIP PROCESS:

1. In all UG, PG, Ph.D., PG Diploma, Diploma programmes, the allotment of Mentor to group of students referred as Mentee, in their first Year of the Programme is to be done. To ensure the smooth implementation of the mentoring system the following structure would be established:

2. Dean/HOI/HOD will issue a circular on the allotment of Mentors and respective allotted Mentee in an Academic Year with details of contact number and email IDs.

3. Every Assistant Mentor should make an individual What Sapp group (or any other social media group with a bulk message facility) for students along with email and also include the Associate Mentor and Chief Mentor in the group. This will ensure uniform circulation of any information at the same time and will make the process more vigilant.
4. With an aim to have heterogeneous group, the students from each of the years would be divided more or less equally among all the Mentors of the Faculty/College/Department. The ratio between mentor & Mentee should be preferably 1:10 (***in limited cases during paucity of mentors, a ratio of up to 1:20 can be employed***). For the distribution of the Mentees, a roll no. wise list of the enrolled students is to be taken.
5. An allocation letter is to be given to each Mentor regarding their allotted Mentees mentioned with the link of SOP on Counselling and Mentoring System.
6. In the Faculties/Colleges where allotted Mentors are changed based on the rotation from one Department to the Other Departments. Mentors allotted in the first year remain Mentors for the complete academic tenure of Mentee. In case, a Mentor leaves/takes break during the session, he/she will inform the Dean/HOI/HOD about the same therefore the notification of new allotment would be circulated accordingly.
7. The Mentor in such cases should handover all the Mentor-Mentee logbook records, Meeting records and mentee response analysis to the concerned Dean/HOI/HOD before leaving.
8. The University/Faculty/College/Department should include the mentor-mentee record handover as a part of the No Dues norms.
9. Mentors should call a meeting by proper electronic notification. The Mentor has to provide the details to Dean/HOI/HOD/IQAC/Registrar as and when asked for any official purpose.
10. Besides the regular meeting between Mentors and Mentee, Dean/HOI/HOD will conduct monthly meetings with Mentors to ensure the smooth functioning and desired outcome from the mentorship activities.
11. An open ended mentoring feedback survey (***Annexure 1***) would take place quarterly and would be analysed by the Academic Coordinator. On the basis of responses, Dean/HOI/HOD will formulate the strategy to strengthen the mentoring system.

12. A Mentorship Log Book is maintained by each Mentor that has details on the Name of Mentor, Name of Mentee, Roll Number, Photographs, and contact details including information on parents and guardians.
13. In the Log Book, along with Mentor and Mentees details, structured format on the Meeting/counselling details such as date, time, signatures, and remarks by Mentors would be checked by the Dean/HOI/HOD during the monthly meeting to monitor and facilitate the mentorship activities.
14. At the end of the Academic Year/duration of a program, a Mentorship Log Book is submitted to the Dean/HOI/HOD for a record purpose and maintained as per the laid rules/guidelines of the University.

MENTOR- MENTEE MEETINGS:

1. Mentoring is round the clock task, still all Mentors are required to conduct a formal meeting online or offline with the assigned Mentee, minimum once every week to submit the record of mentee performance. The minutes of the meeting should be recorded and be made available to the Dean/HOI/HOD/IQAC/Registrar, if desired so at any moment of time.
2. A record of the mentee attendance for the meeting needs to be maintained in a file/register for the record and after each academic year, a duly signed comprehensive attendance record would be submitted to the Dean/HOI/HOD of the respective Faculty/College/Department.
3. The issues addressed in the meeting related to common student concerns, ranging from anxiety, stress, fear of change and failure to homesickness and a slew of other academic worries, emotional and intellectual would also be confined in meeting record without disclosing the identity of the respective Mentee.
4. It is desired that the Mentees be given confidence to raise an issue to respective Mentor. All Mentor are required to listen to the query and put some personal efforts to try and solve it as far as possible. The efforts should also be informed to the concerned Mentee.
5. In case, if there is any issue addressed by mentee is beyond the scope of a Mentor, then the same issue should be referred to the Dean Student Welfare by the Dean/HOI/HOD of the respective Faculty/College/Department. Mentors must also contact the Dean Student Welfare to know about the progress of the mentee's issue addressed to him/her.

6. In case of no issue raised by any Mentee during the interaction, the Mentor should make them aware about future prospects and prevailing issues to the Faculty/College/Department through informal interaction.

ACTION TAKEN REPORT OF MENTOR-MENTEE MEETINGS:

1. Monthly Reports required to be submitted by the mentor to the Dean/HOI/HOD at the end of every Month.
2. The monthly report should have a sequence of Notice, Attendance, Minutes of the Meeting and Action Taken Report (ATR).
3. Action Taken Report (ATR) should only include the personal efforts of mentor to resolve the issue of any Mentee in a brief and summarised manner. Once an issue is resolved, it should be reported as closed in ATR.

VERIFICATION AND GAP ANALYSIS:

1. On queerly basis, the Chief Mentor (Dean/HOI) will ensure the submission of Mentor Mentee Meeting Record File along with Action taken Report to Dean Student Welfare (DSW).
2. Dean Student Welfare (DSW) will record his/her comment and then place the same to Director, IQAC to ensure the proper adherence of SOP in terms of quality assurance in each process with expected outcomes.
3. Dean Student Welfare (DSW) will also send the mentor-mentee meeting and ATR reports to Registrar office for their record.
4. IQAC, Director will submit faculty wise initiatives and gap analysis report with recommendations to Chairman IQAC/Vice Chancellor for consideration and necessary action.
5. The improvement guidelines would be released to all the respective Faculties/Colleges by Dean Student Welfare Office for further implementation.

1.3.5 INDICATOR: LOW OR LOWER-MIDDLE INCOME COUNTRIES STUDENT SUPPORT

1.3.5 Does your university as a body have schemes to support poor students from low or lower-middle income countries (e.g. offering free education, grants)?

Answer: **Yes,** Swami Vivekanand Subharti University, Meerut, promotes inclusive access to higher education for international students from low- and lower-middle-income countries. Through its **Poverty Reduction and Social Inclusion Policy**, the University has established a specific framework to support eligible students through scholarships, fee concessions, financial assistance, accommodation support, healthcare, counselling and academic mentoring.

The University's international student records for 2024–25 demonstrate its engagement with students from countries facing different economic circumstances.

⇒ International Student Representation

According to the University's 2024–25 international student records:

Particular	Number
Total international students	87
Countries represented	17
Students from low- or lower-middle-income countries	85

These figures demonstrate University's international reach and the presence of students from countries classified in the relevant income groups.

⇒ Financial Support and Institutional Initiatives

The University's Poverty Reduction and Social Inclusion Policy, under **Section 4.5.6**, specifically addresses support for students from low- and lower-middle-income countries.

The policy provides for:

- Scholarships and financial assistance.
- Tuition-fee concessions or waivers.
- Accommodation-related assistance, where applicable.
- Student welfare and healthcare services.
- Counselling and academic mentoring.
- Assistance in accessing appropriate institutional services.

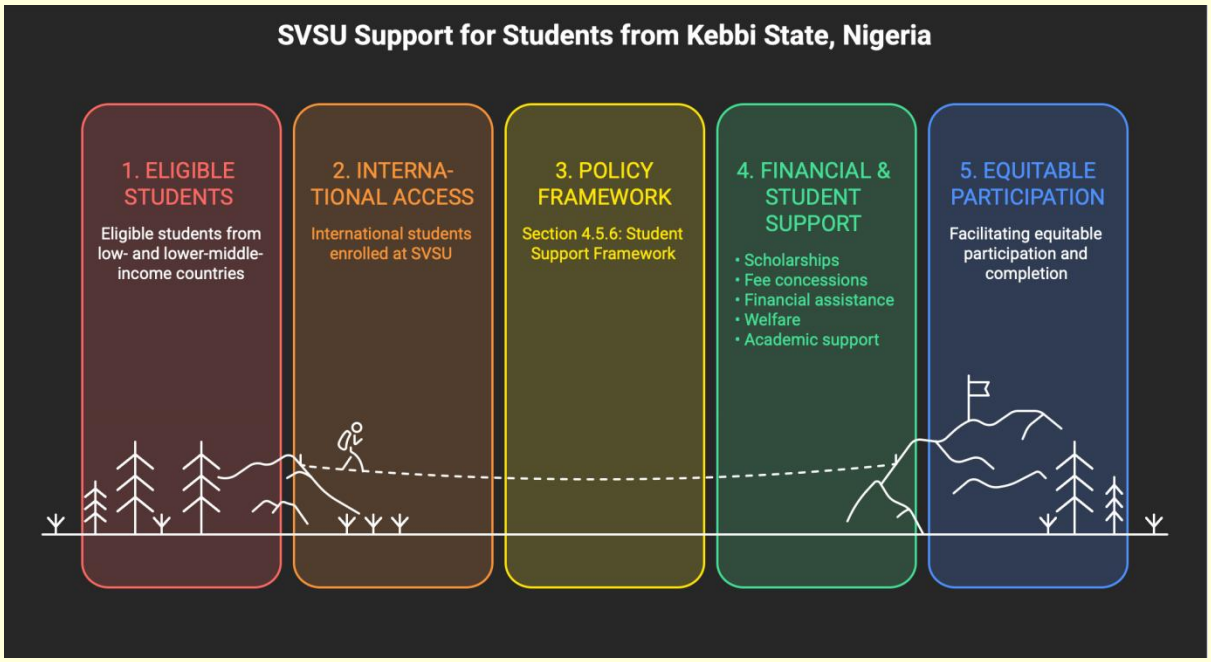

As a documented example of financial support, the University's 2024–25 scholarship records list **18 beneficiaries under the Kebbi State Scholarship Board, Nigeria**. This provides a specific example of scholarship support associated with students from a lower-middle-income country.

⇒ Conclusion

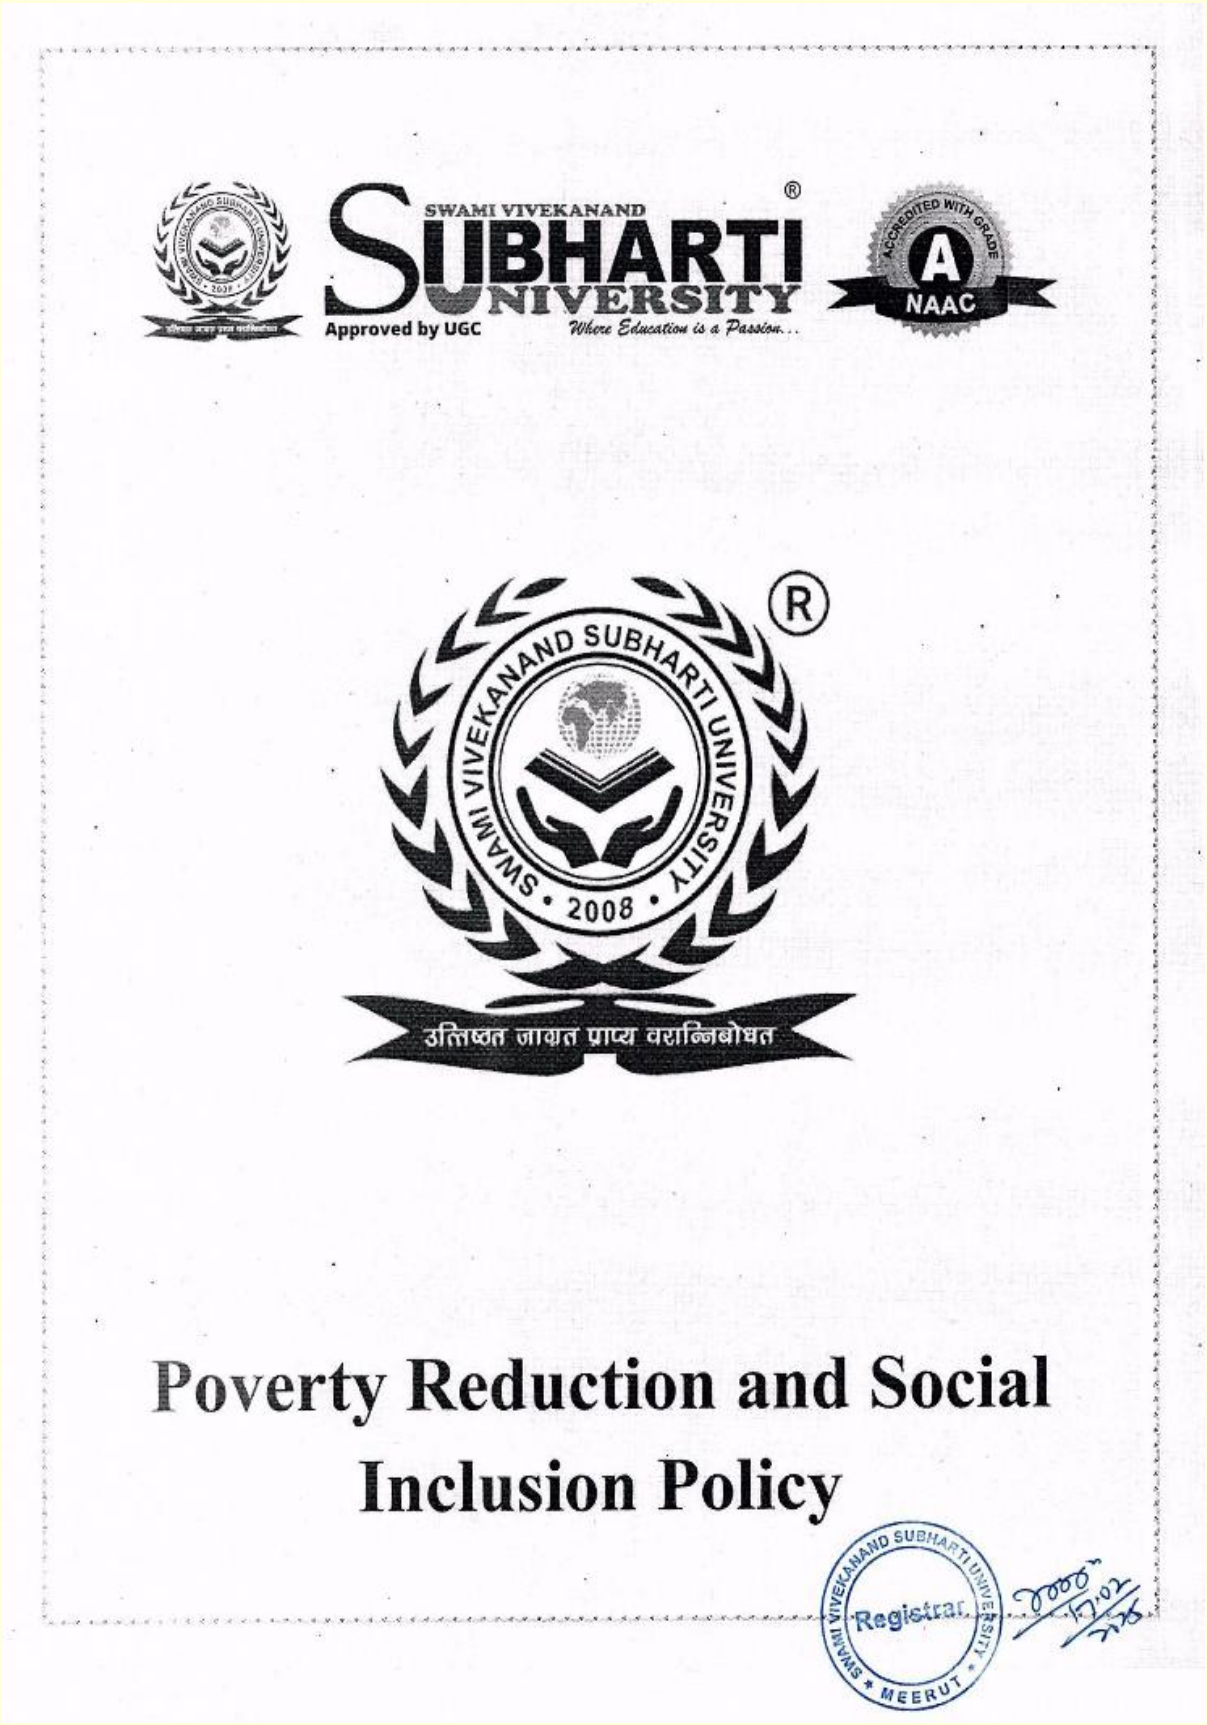

University's dedicated policy framework, international student enrolment and documented scholarship support reflect its commitment to making higher education more accessible to students from low- and lower-middle-income countries. Through financial assistance and

academic and welfare support, the University seeks to encourage equitable participation and successful completion of higher education.

Poverty Reduction and Social Inclusion Policy

1. Preamble

The University recognises that poverty may limit access to education, essential services, livelihood opportunities and participation in society. This policy establishes a concise institutional framework to support economically disadvantaged students and communities through inclusive education, appropriate assistance, capacity building, community programmes and documented policy engagement.

2. Objectives

1. To improve admission opportunities and student success rates, particularly for students from financially disadvantaged backgrounds.
2. To provide financial assistance and support to students from low-income and lower-middle-income families.
3. To support local start-ups through financial assistance, technical guidance and capacity-building initiatives.
4. To organise programmes that improve access to essential services and educational opportunities for disadvantaged communities.
5. To participate in local, regional, national and global policymaking initiatives aimed at reducing poverty in all its forms.
6. To implement programmes and policies that promote social inclusion, economic empowerment and poverty alleviation.

3. Policy Principles

- **Equity and inclusion:** Prioritise fair access and reduce barriers faced by economically disadvantaged and underserved groups.
- **Non-discrimination and dignity:** Deliver support respectfully and in accordance with university rules and eligibility criteria.
- **Accessibility:** Promote access to education, financial assistance and essential services.
- **Collaboration:** Work with relevant stakeholders and review initiatives to improve their effectiveness

1.4 COMMUNITY ANTI-POVERTY PROGRAMMES

1.4.1 INDICATOR: LOCAL START-UP ASSISTANCE

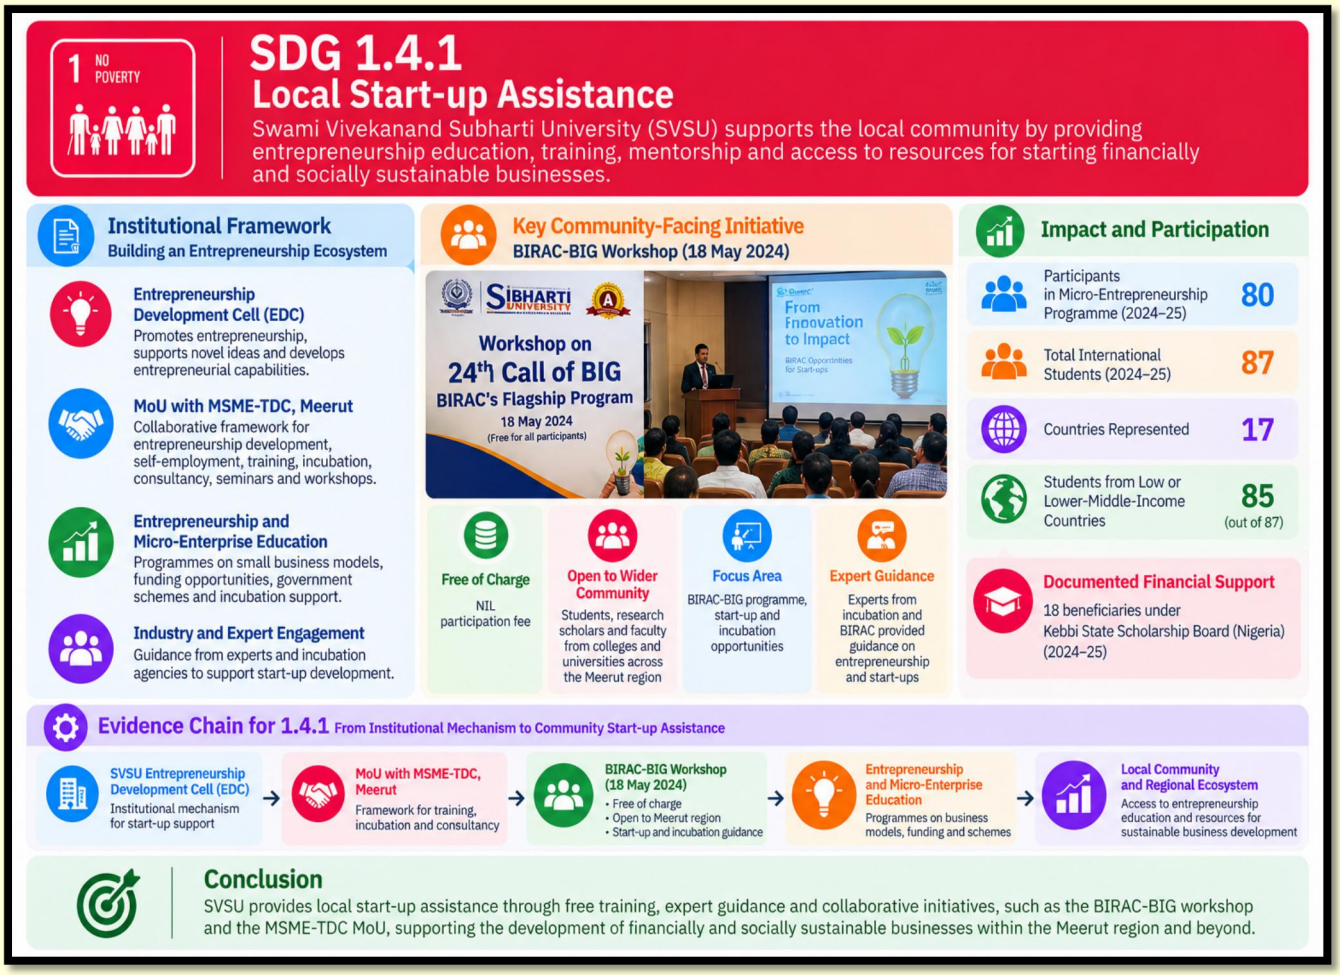

1.4.1 - Does your university as a body provide assistance in the local community supporting the start-up of financially and socially sustainable businesses through relevant education or resources? (e.g. mentorship programmes, training workshops, access to university facilities)?

Answer: **Yes,** Swami Vivekanand Subharti University (SVSU), Meerut, promotes entrepreneurship and self-employment by providing opportunities to learn about business development, incubation and start-up support. Through its **Entrepreneurship Development Cell (EDC)** and collaboration with the MSME Technology Development Centre (TDC), Meerut, the University supports the development of entrepreneurial skills and business ideas.

During 2024, the University extended its entrepreneurship-related initiatives beyond its own campus by organising a free workshop for the wider Meerut region.

⇒ Key Initiative: BIRAC-BIG Workshop

On **18 May 2024**, the University organised a workshop on the *24th Call of BIG, BIRAC's Flagship Programme*, focusing on early-stage start-ups working in areas affecting life sciences.

The workshop:

- Was conducted free of charge.
- Was open to students, research scholars and faculty members from colleges and universities across the Meerut region.
- Introduced participants to start-up and incubation opportunities under the BIRAC-BIG programme.
- Provided access to expert guidance on entrepreneurship and start-up development.

This initiative created an opportunity for participants from outside SVSU to learn about resources that could help them explore and develop their business ideas.

⇒ Institutional Support Framework

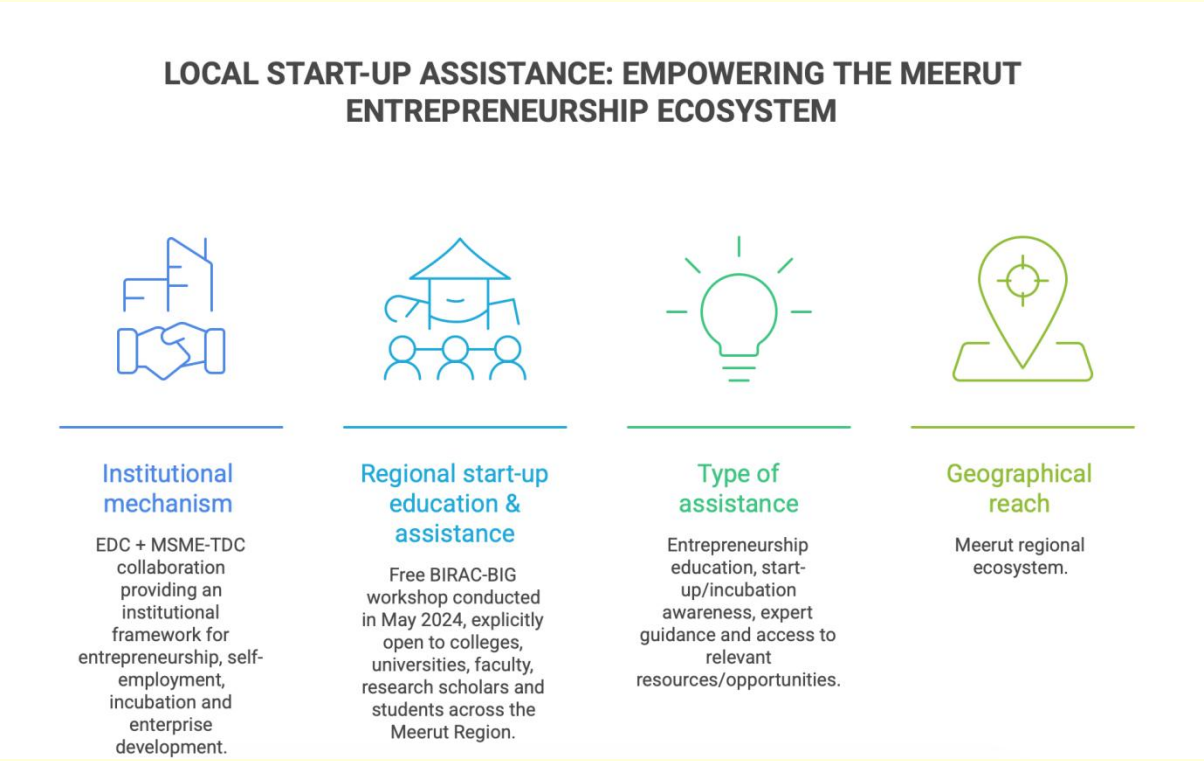

Initiative	Contribution
Entrepreneurship Development Cell (EDC)	Encourages innovative ideas and develops entrepreneurial capabilities.
MoU with MSME Technology Development Centre, Meerut	Establishes a collaborative framework for entrepreneurship, self-employment, training and incubation.
Micro-entrepreneurship programme	Introduced participants to small-business models, funding opportunities, government schemes and incubation support.

The EDC's 2024–25 activity report also documents the programme *Rise of Micro-Entrepreneurs in Hospitality Industry*, which had **80 participants** and explored opportunities such as bakeries, catering and home-based food services.

⇒ Conclusion

The Uuniversity's initiatives demonstrate how a university can support entrepreneurship beyond its campus. Through free start-up guidance, regional participation and collaboration with MSME-TDC, the University helps create awareness of opportunities for self-employment and sustainable business development.

1.4.2 INDICATOR: LOCAL START-UP FINANCIAL ASSISTANCE

1.4.2 - Does your university as a body provide financial assistance to the local community assisting the start-up of financially and socially sustainable businesses?

Answer: Yes, Swami Vivekanand Subharti University (SVSU), Meerut, promotes entrepreneurship by providing a framework for financial assistance to individuals and organisations seeking to develop innovative business ideas. Through its **Start-Up Policy, 2020**, the University supports the evaluation, incubation and development of entrepreneurial ventures with the potential to create sustainable economic and social value.

During 2024, SVSU organised a **University Startup Idea Pitching Competition**, providing students and faculty members an opportunity to present business ideas and seek financial support for their development.

⇒ Key Initiative: University Startup Idea Pitching Competition – 2024

The competition invited students and faculty members to submit original start-up ideas supported by a business plan, pitch deck and budget.

- **Financial assistance:** Up to ₹20,000 for selected start-up ideas, subject to the stated conditions.
- **Evaluation:** Business proposals are assessed for technical and financial feasibility.
- **Selection:** Eligible ideas are considered through the University's start-up support mechanism.
- **Mentoring and incubation:** The institutional framework provides access to faculty advisers, mentors and relevant infrastructure.

The submitted evidence also documents a **₹20,000 seed-money award** associated with the 2024 competition, demonstrating implementation of the financial-support initiative. University complies with the Unnat Bharat Abhiyan guidelines given by the University Grants Commission.

⇒ Institutional Financial-Support Framework

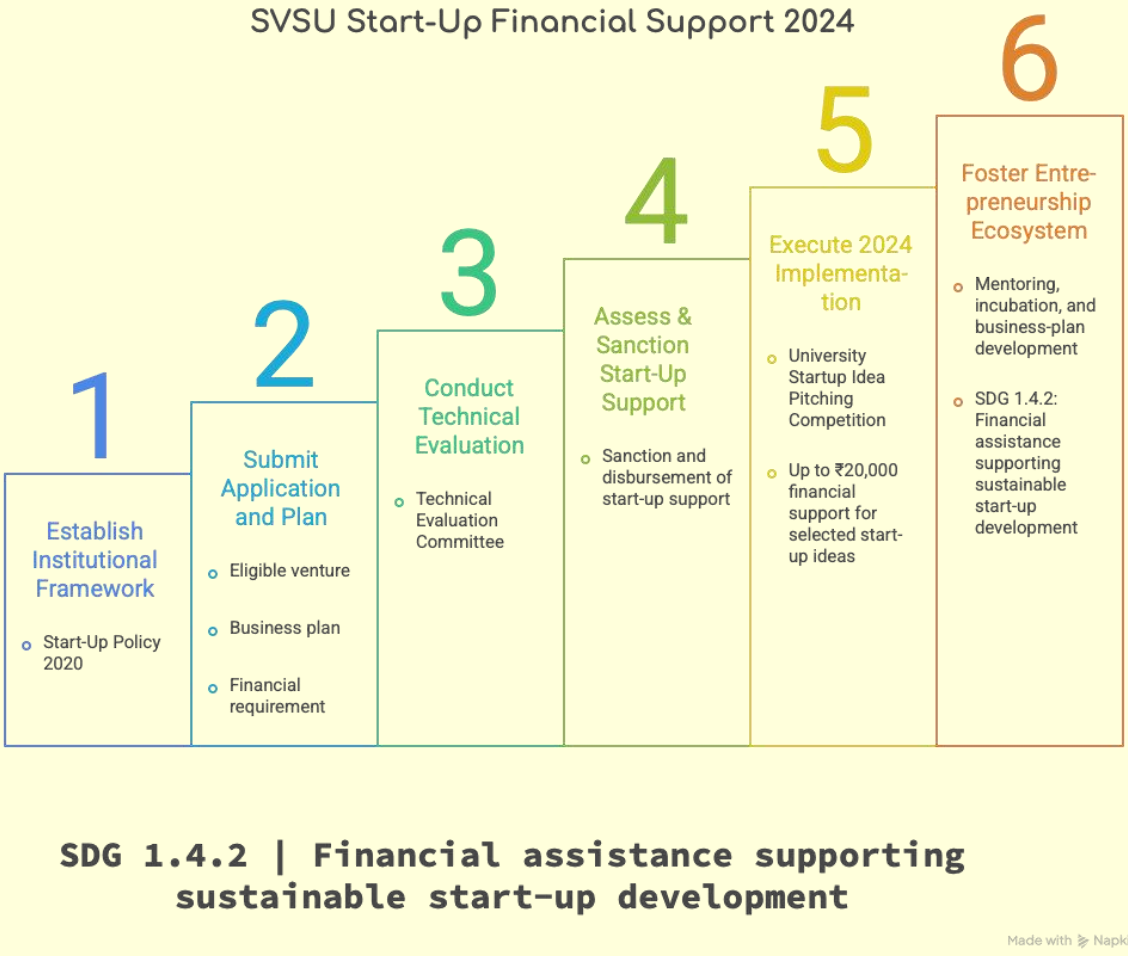

Initiative	Contribution
Start-Up Policy, 2020	Establishes the institutional framework for start-up support.
Funding Through Start-Up Support	Provides a mechanism for applications, feasibility assessment and possible financial assistance.
Start-Up Support Agreement	Defines the formal arrangements governing the sanction and disbursement of support.
Entrepreneurship Development Cell	Encourages idea generation, validation and entrepreneurial learning.

The policy also provides for business-plan evaluation, access to institutional facilities and guidance from faculty advisers and mentors. This approach combines financial assistance with the support needed to develop viable business ideas.

⇒ Conclusion

Swami Vivekanand Subharti University's Start-Up Policy and the 2024 Startup Idea Pitching Competition demonstrate the University's efforts to encourage entrepreneurship through financial assistance and institutional guidance. University also complies with the Unnat Bharat Abhiyan guidelines given by the University Grants Commission. By connecting promising ideas with seed funding, feasibility assessment, mentoring and incubation, the University supports the development of financially and socially sustainable start-ups.

Objective of the Activity: To make the students participate and learn to compete in the competitions.

Description: (Subharti University once again organized a festival in North East Fest at Talkatora Stadium hoisted the flag again. A dance competition was organized in the North East Fest organized by the organization of My Home India at Talkatora Stadium, Delhi under the aegis of the Ministry of Culture, India. Students from the Northeast in most universities across the country participated in this competition. Students from the Northeast studying in all departments of Subharti University also participated in this dance competition and got the first place. They presented various folk dances of India on the organized theme of "Ek Bharat Shreshtha Bharat". The students were honored by the Ministry of Culture, India by giving eleven thousand rupees, medal and certificate for getting the first place in the competition. In this competition, students from the Northeast studying in all the faculties of the university, Siddharth, Damyanti Majudar, Career Potam, Katap, Ongdi, Yumlam Nori, Kipa Nyanya, Sewag Rai, Sonam Nebam etc. gave performances. The theme of this dance competition was the same as the re-address of the Hon'ble Prime Minister in 2015, "Ek Bharat Shreshtha Bharat". Therefore, the theme of this North East Fest dance competition was kept as "Ek Bharat Shreshtha Bharat". The choreography of this dance was prepared by Shweta Singh and Akshay Sharma, Associate Professor of Stage Arts Department of Subharti University.

On this success of the students of the university, Honorable Vice Chancellor Dr. G.K. Sub: Regarding information to not to participate in 62nd national Music And Dance Competition.

Respected Sir,

This is for your kind information that National Reputed organization Prayag Sangeet Samiti Allahabad is organizing this year's 62nd National Music and Dance competition. It is a matter of pride for the university that from the last 5 years, our students of Performing Arts have been participating in the competitions and receiving awards on top position, due to which there has been a positive discussion about the course being run in this field by Subharti University in other universities and other institutions.. This is helping for the admission growth of Performing Arts department also.

As per the rules of the cultural Committee of the university, only **42.3% (20,700 rupees)** of the demanded fees **(48,850 Rupees)** have been approved, with which it is not possible to participate in this competition and only 48 hours are left for the registration of the competition, hence it is informed with great regret that the students of the University will not be able to participate in this competition this year.

Thank You

With regards

Description: - UP Sangeet Natak Academy Music & Dance Competition (Kishor & Yuva Varg – State Level) 2024

The Uttar Pradesh Sangeet Natak Academy successfully organized the State-Level Music and Dance Competition 2024 under the *Kishor & Yuva Varg* category, celebrating the immense talent and dedication of young artists from across the state. The event showcased remarkable performances in both classical and light music, as well as traditional dance forms, reflecting the rich cultural heritage of Uttar Pradesh. In the Music category, Ms. Alima Khan emerged as a double winner, securing the First Position in both *Thumri/Dadra* and *Ghazal (Light Vocal Music)* categories. Her soulful renditions and command over classical nuances earned her high praise from the judges and audience alike. Mr. Nachiketa Sharma achieved the Second Position in the *Thumri/Dadra* category, displaying commendable depth and expression in his performance. In the Dance category, Ms. Khushi Malhotra was awarded the Second Position for her graceful *Kathak* performance, captivating the audience with her rhythm, expressions, and intricate footwork. The competition served as an inspiring platform for budding artists to showcase their artistry and dedication towards Indian classical music and dance. The UP Sangeet Natak Academy continues to play a pivotal role in nurturing and promoting cultural excellence among the youth of the state.

Respected Sir/Madam,

This is to inform you that approval is hereby granted for **Mr. Krishan Kumar (Assistant Professor, Fine Arts Department)** along with two students, **Mr. Dipul Kumar** and **Mr. Vikram Singh** of the Fine Arts Department, to give a **Demonstration** at **Jain Kanya Pathshala P.G. College, Muzaffarnagar** on **04/04/2025**.

This activity will be considered under the **Outreach Activities** of the department, so that our students gain valuable experience of engaging with learners at other institutions. Through such initiatives, they get exposure to teaching methods, interaction with students from different environments, and an opportunity to enhance their own academic and practical skills.

Their participation in this event is highly appreciated as it reflects both academic commitment and practical exposure. Kindly ensure that all necessary protocols and responsibilities are duly followed.

Wishing them success in this endeavor.

Thanking you,

Sincerely,
Krishan Kumar

Objective of the Activity

The objective of the **Demonstration Activity** was to provide students of **Jain Kanya Pathshala P.G. College, Muzaffarnagar** an opportunity to gain practical exposure to Fine Arts techniques and methods through a live session. By engaging learners in direct observation of creative processes, the event aimed to encourage artistic awareness, skill development, and interaction between faculty and students of both institutions.

Through this outreach initiative, the Fine Arts Club sought to promote creativity, knowledge sharing, and academic collaboration, while cultivating a spirit of innovation and experiential lear

Description

The Fine Arts Club of **Nandlal Bose Subharti College of Fine Arts & Fashion Design (NBSCFF)** organized a **Demonstration Session** at **Jain Kanya Pathshala P.G. College, Muzaffarnagar** on **04th April 2025 (Monday).**

The session was conducted by **Mr. Krishan Kumar (Assistant Professor, Fine Arts Department)** along with two students, **Mr. Dipul Kumar** and **Mr. Vikram Singh.** The demonstration introduced participants to practical aspects of Fine Arts and encouraged interactive engagement with learners of the host institution.

The activity highlighted the value of sharing knowledge across institutions, providing students with confidence, communication skills, and hands-on teaching experience. The participants from Jain Kanya Pathshala P.G. College expressed keen interest, and the event was well-received by both students and faculty.

The session was coordinated by **Mr. Krishan Kumar, Coordinator, Fine Arts Club**, under the department's **Outreach Activities**, successfully combining creative practice with academic exchange.

Outcome of the Activity

The Demonstration conducted by **Mr. Krishan Kumar (Assistant Professor, Fine Arts Department)** along with two students, **Mr. Dipul Kumar** and **Mr. Vikram Singh**, at **Jain Kanya Pathshala P.G. College, Muzaffarnagar** on **04/04/2025** was successfully carried out under the Outreach Activities of the department.

The activity provided an opportunity for our students to share their creative knowledge and practical skills with learners from another institution. It helped in building confidence, communication skills, and teaching ability among the participating students. The session also enhanced awareness of Fine Arts practices and fostered academic collaboration between the two institutions.

Overall, the demonstration not only highlighted the importance of practical learning but also contributed towards strengthening community engagement and academic exchange

Analysis of Participant's Feedback

The feedback received from the students and faculty of **Jain Kanya Pathshala P.G. College, Muzaffarnagar** was highly positive. Participants appreciated the opportunity to observe and learn from the live demonstration, which clarified many practical aspects of Fine Arts in an engaging manner.

Many noted that the event increased their interest in creative practices and motivated them to explore Fine Arts with greater enthusiasm. A few suggested conducting similar demonstrations and workshops in the future to deepen knowledge and provide more interactive experiences.

Overall, the activity was well-received and proved to be a valuable learning and outreach initiative, inspiring both the demonstrators and the host students alike.

OBJECTIVE OF THE ACTIVITY

The primary objective of organizing the **Fine Arts Demonstration** during the *Kala Evam Sanskritik Utsav 2025* at **Jawahar Kala Kendra (JKK), Jaipur)** on **2nd May 2025** was to extend the learning of Fine Arts beyond the classroom and provide students with practical exposure in a professional and cultural environment. This initiative aimed at enriching both the demonstrators and the audience by creating an interactive platform for knowledge sharing and artistic engagement.

Specific Objectives:

- To promote **awareness and appreciation of Fine Arts** among a wider audience.
- To provide participating students with **hands-on experience** in conducting live demonstrations.
- To enhance **teaching, presentation, and communication skills** of the students.
- To encourage **interaction and cultural exchange** with learners from diverse backgrounds.

Description of the Activity

The **Fine Arts Demonstration** was conducted on **2nd May 2025** as part of the *Kala Evam Sanskritik Utsav 2025* at **Jawahar Kala Kendra (JKK), Jaipur)**. The program was organized in collaboration with **Artexpress, Rajasthan Secretariat Employees' Union, Jaipur, and Namaste India**, providing a prestigious platform for the Fine Arts Department of Subharti University to present its talent and expertise.

The demonstration was led by **Mr. Krishna Kumar (Faculty Coordinator, Fine Arts Club)**, accompanied by two students, **Mr. Vikram Singh** and **Mr. Sumit Kumar**. The focus of the activity was to spread awareness of Fine Arts, engage participants in live demonstrations, and showcase different techniques of creative expression. The session encouraged interaction between the demonstrators and the audience, allowing participants to understand not only the theoretical aspects but also the practical applications of Fine Arts in today's cultural context.

This initiative was taken under the **Outreach Activities** of the department, aligning with the objective of extending classroom learning to wider communities. Students involved in the demonstration benefited significantly by gaining practical teaching experience, improving their communication skills, and building confidence in handling live audiences. The activity also emphasized the importance of art as a medium of cultural exchange, creativity, and social awareness.

Overall, the demonstration was well-received and served as a meaningful effort in bridging institutional learning with community engagement, thereby fulfilling the academic, cultural, and social responsibilities of the department.

OUTCOME OF THE ACTIVITY

The **Fine Arts Demonstration** conducted at Kala Evam Sanskritik Utsav 2025 (Jawahar Kala Kendra, Jaipur) on **2nd May 2025**, by **Mr. Krishna Kumar (Faculty Coordinator, Fine Arts Club)** with students **Mr. Vikram Singh** and **Mr. Sumit Kumar**, proved to be highly impactful.

The activity, organized in collaboration with **Artexpress, Rajasthan Secretariat Employees' Union, Jaipur, and Namaste India**, successfully met the objectives of the Outreach Program.

Key Outcomes:

- Students gained **first-hand experience** in conducting live demonstrations outside their institution.
- The initiative enhanced their **teaching, communication, and presentation skills.**
- It provided a platform for **interaction with diverse learners**, strengthening their confidence.
- Awareness about **Fine Arts practices and cultural relevance** was effectively spread to a larger audience.

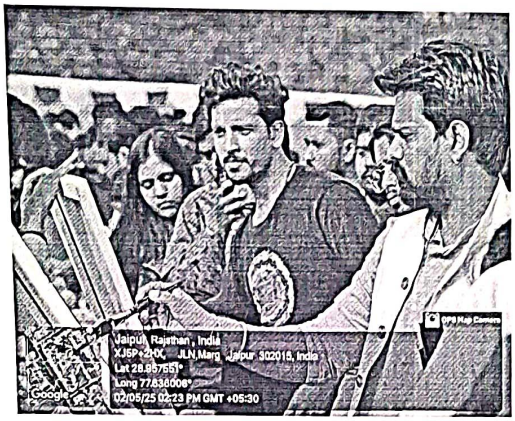

This Outreach Activity not only benefited the students academically but also contributed to the department's vision of community engagement and cultural exchange.

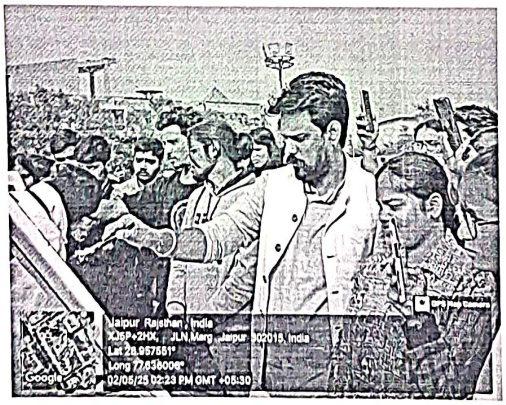

Analysis of Participants' Feedback

The feedback from participants of the Fine Arts Demonstration at *Kala Evam Sanskritik Utsav 2025* was highly positive. Attendees appreciated the **interactive approach, practical techniques, and clarity of presentation**. They reported that the session enhanced their **awareness of Fine Arts** and inspired them to explore creativity further. The professionalism and confidence of the faculty and students were especially noted, confirming that the activity effectively achieved its objectives.

Report on the World Environment Day Campaign Organized by Bhikaji Cama Subharti College of Hotel Management, SVSU

Introduction:

On 5th June 2024, Bhikaji Cama Subharti College of Hotel Management, SVSU, successfully organized a World Environment Day campaign, dedicated to raising awareness about environmental conservation and promoting tree plantation. The event, held at Kalanjari Village, Jani Khurg, Meerut, aimed to engage students and villagers in activities that underscore the importance of protecting our environment and preserving natural resources for future generations.

Objective:

The primary objectives of the World Environment Day campaign were:

1. **To Raise Environmental Awareness:**
   - Educate school students, villagers, and participants about the significance of environmental conservation and the role each individual plays in maintaining ecological balance.
2. **To Promote Tree Plantation:**
   - Encourage active participation in tree planting activities to combat deforestation, reduce carbon footprints, and enhance green cover in the local area.
3. **To Foster Community Involvement:**
   - Engage the local community, including students and villagers, in collective efforts to protect the environment, thereby fostering a sense of responsibility and stewardship.

Activities Conducted:

The campaign included a variety of activities designed to educate, engage, and inspire participants:

1. **Awareness Sessions:**
   - Faculty members and student volunteers from Bhikaji Cama Subharti College of Hotel Management conducted interactive sessions with the villagers and school students. These sessions highlighted the importance of environmental conservation, the impact of deforestation, and the benefits of planting trees. Visual aids, such as posters and charts, were used to enhance understanding.
2. **Tree Plantation Drive:**
   - The central activity of the campaign was the tree plantation drive. Students, faculty members, and villagers enthusiastically participated in planting saplings in designated areas of Kalanjari Village. The saplings included a mix of fruit-bearing and shade-providing trees, chosen for their adaptability to the local climate and soil conditions.
   - **Species Planted:**

Subhartipuram, Delhi-Haridwar Meerut Bypass Road, NH-58, Meerut - 250 005
E-mail: subharti@subharti.org, Website: www.subharti.org

- Saplings of mango, neem, and banyan trees were planted during the drive. These species were selected due to their environmental benefits, such as air purification, providing shade, and enhancing soil fertility.

- **Process:**
  - Before the planting began, participants were given a brief demonstration on the proper techniques for planting and caring for young trees. This ensured that the saplings would have the best chance of survival and growth.

3. **Pledge Ceremony:**
   - At the conclusion of the event, all participants took a pledge to continue protecting the environment in their daily lives. They committed to reducing waste, conserving water, planting more trees, and spreading awareness about environmental issues within their communities.

Participation:

The campaign saw active participation from various groups:

1. **Students:**
   - Students from the Bachelor of Hotel Management and Catering Technology (BHMCT), Master of Hotel Management and Catering Technology (MHMCT), and B.Voc. H&T programs participated enthusiastically. Their involvement in both the awareness sessions and the tree plantation drive demonstrated their commitment to environmental conservation.
2. **Faculty Members:**
   - Faculty members from Bhikaji Cama Subharti College of Hotel Management guided the activities and provided valuable insights during the awareness sessions. Their leadership ensured that the campaign was educational and impactful.
3. **Villagers and School Students:**
   - The local community, including school students and villagers from Kalanjari Village, participated actively in the event. Their involvement was crucial in spreading the message of environmental conservation beyond the immediate academic environment.

Outcomes:

The World Environment Day campaign yielded several positive outcomes:

1. **Increased Environmental Awareness:**
   - Participants gained a deeper understanding of the importance of environmental conservation and the practical steps they can take to protect the environment. The awareness sessions helped instill a sense of responsibility towards nature among the villagers and students.
2. **Contribution to Local Ecology:**
   - The tree plantation drive resulted in the planting of over 100 saplings, contributing to the greening of Kalanjari Village. These trees will help improve air quality, provide habitat for wildlife, and contribute to the ecological balance of the area.
3. **Community Engagement:**

- The campaign successfully engaged the local community, fostering a sense of unity and collective responsibility. The active participation of villagers and students demonstrated the campaign's success in building a community committed to environmental stewardship.

4. **Long-Term Impact:**
   - The event not only had an immediate impact on the participants but also laid the groundwork for ongoing environmental efforts in the community. The pledge taken by participants is expected to lead to further initiatives aimed at conserving the environment.

Challenges and Solutions:

While the campaign was largely successful, a few challenges were encountered:

1. **Logistical Coordination:**
   - Coordinating the transport of saplings and participants to the remote location of Kalanjari Village required careful planning. To address this, the college arranged for transportation and collaborated with local authorities to ensure smooth logistics.
2. **Ensuring Sapling Survival:**
   - Ensuring the survival of the planted saplings was a concern. To mitigate this, participants were provided with guidance on post-planting care, and local villagers were encouraged to take responsibility for watering and protecting the young trees.

The World Environment Day campaign organized by Bhikaji Cama Subharti College of Hotel Management was a resounding success, achieving its objectives of raising awareness about environmental conservation and promoting tree plantation. The active participation of students, faculty members, and the local community ensured that the event was both educational and impactful. As the planted saplings grow, they will serve as a lasting reminder of the collective effort made to protect and preserve the environment. The college remains committed to continuing such initiatives, fostering a culture of environmental responsibility among its students and the broader community.

Objective of the activity: The objective of a leadership and adventure camp is typically to help participants develop essential leadership skills, foster teamwork, build confidence, and encourage personal growth through engaging outdoor and adventure-based activities. Key goals often include:

1. **Leadership Development**: Teaching participants how to take initiative, make decisions, and inspire others. They learn how to lead by example and manage challenges effectively.
2. **Teamwork and Collaboration**: Encouraging participants to work together to solve problems, overcome obstacles, and achieve common goals which enhances their communication and cooperative skills.

3. **Building Confidence**: Through activities that push individuals out of their comfort zones, participants gain self-assurance, improve their resilience, and learn to face adversity with a positive mindset.
4. **Personal Growth and Self-Discovery**: Giving participants a chance to reflect on their strengths and weaknesses, explore new interests, and develop a sense of self-reliance and independence.
5. **Adventure and Problem-Solving**: Engaging in outdoor activities like hiking, rock climbing, or obstacle courses, which not only test physical endurance but also promote creative thinking and strategic planning.
6. **Building Lifelong Skills**: Equipping participants with practical skills such as effective communication, conflict resolution, decision-making, and goal setting.

Overall, the camp aims to create a holistic experience that blends adventure with personal and leadership development, preparing participants for future challenges both in their personal and professional lives.

Description: To join the adventure and leadership camp at Nag Tibba (Uttarakhand) from 20 Jan. To 24 January 2025. All the 104 students, 09 faculty members of departments of physical education S.V.S.U Meerut went to Nag Tibba,Uttarkhand by bus. All members reached at camp site 07:30 p.m. on 20/01/2025 and return to the university from camp site on 24/01/2025 at 9:30 p.m. The Wanderin Man Adventure Camp,Nag Tibba, Uttarakhand is an annual event organized for students to help them to develop their leadership skills and physical abilities. The camp is aimed at enhancing their ideology to nature socialization, team-building, and problem-solving skills while engaging in outdoor activities. This report highlights the events of the camp and its all over benefits of the students.

The leadership and adventure camp took place at natural reserve at Nag Tibba Hill. The students were housed in tents and assigned duties to specific groups where they worked jointly throughout the event. The camp lasted for the five days, and various activities such as tracking, obstacle training, horse riding, shooting, archery, rafting, survival training, rock climbing, Rampling and high ripe activities were also carried out. On the first day, students did the tracking. On the second day,students went for a morning walk at Sun Rise Hills for the view of sunrise.The students were engaged in team-building activities where they were required to work together in groups to tackle obstacles.After lunch, students started Rock Climbing and Rappling and went tracking to Handi-Kho. This activity helped the students to develop concept of cooperation and brotherhood of each other. The third day consisted of tracking to B-Fall, which involved the students navigating the woods while carrying a backpack filled with necessary supplies. The hiking experience helped the students to gain physical fitness and improved their survival skills. Horse riding, shooting and archery were the activities done during the evening time. The third day consisted of intense hiking to Nag Tibba Hills of about 07 kms. Lunch was served at half way while returning to camp. The last day involved high rope activities followed by boating which allowed the students to release their energy and relax.

The camp had a significant impact on the students as it helped them to develop essential life skills. They learned leadership, team-building, problem-solving, and survival skills essential in dealing with everyday life. The active lifestyles they lived during the camp

improved their physical fitness and mental well-being. It also improved their teamwork and collaboration.

The leadership and adventure camp program is a vital aspect of developing a student's social and physical well-being. The universities should consider organizing the program annually to ensure that students have access to such an adventurous experience. They should also consider tailoring the activities to cater to different age groups' ensuring that every student benefits optimally from the program.

Wanderin Man Adventure Camp,Nag Tibba, Uttarakhand had a significant impact on the students, and it is highly recommended that similar programs should be organized in future. The program helps students to develop essential life skills &improve their physical and mental well-being, and gain new friends circle.

Outcome of the Activity: The outcome of an Adventure and Leadership Camp can vary depending on the specific goals and activities involved. However, in general, participants often experience a range of positive effects, both in terms of personal development and group dynamics. Here are some common outcomes:

1. Improved Leadership Skills

- Participants typically develop stronger leadership qualities, including decision-making, communication, and team-building skills. They learn how to guide others, handle challenges, and motivate peers.

2. Enhanced Teamwork

- These camps often involve group activities that require collaboration. As a result, participants learn how to work more effectively as part of a team, improving their ability to contribute to group success.

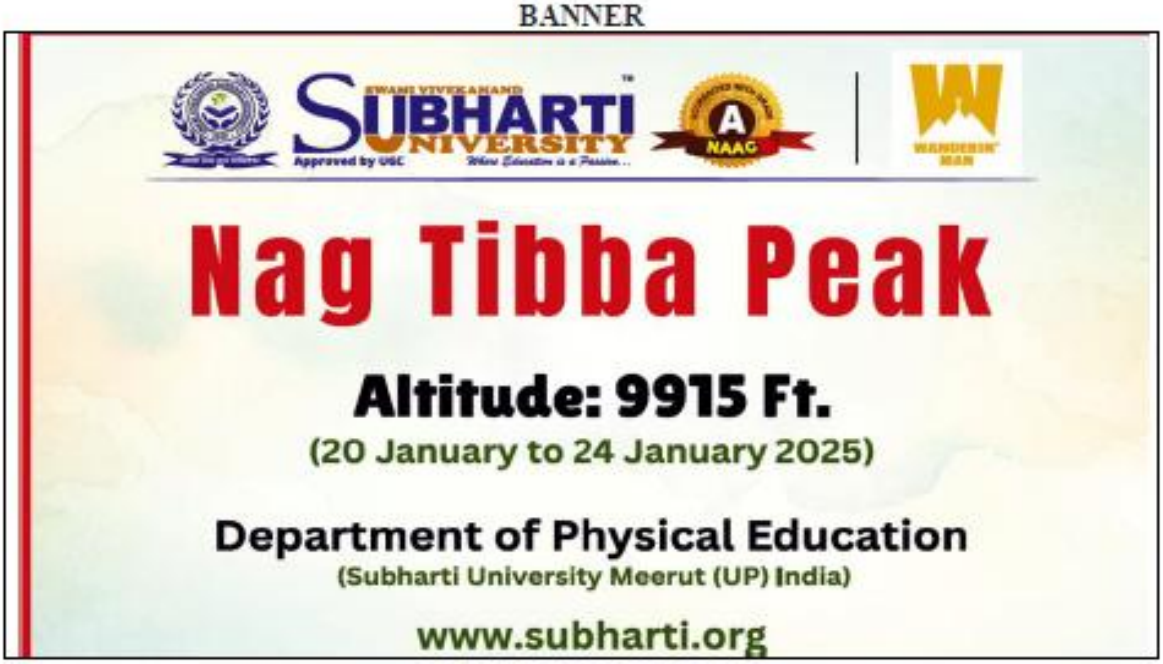

3. Increased Self-Confidence

- By overcoming physical and mental challenges, participants often gain a greater sense of self-belief and resilience. Successfully completing tasks like rock climbing, ziplining, or group problem-solving activities can be a significant confidence booster. These camps generally provide a holistic approach to developing key life skills that can benefit participants in both their personal and professional lives.

Analysis of Participant's Feedback: Analyzing participant feedback from an Adventure and Leadership Camp is crucial to understanding the effectiveness of the program, identifying areas of improvement, and recognizing the aspects that participants found most beneficial. Here's how such feedback might be analyzed, including possible categories of responses and what each one could reveal about the camp experience.

By systematically analyzing feedback, camp organizers can ensure that future Adventure and Leadership Camps remain dynamic, engaging, and effective in developing participants' leadership potential and personal growth.

Objectives

- To assess the oral health status of the community
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

The Department of Oral Medicine & Radiology and Department of Public Health Dentistry, Subharti Dental College and Hospital, organized a dental outreach camp on 30/08/2024 with the objective of improving oral health awareness and providing essential preventive and curative services to the rural population. The camp facilitated access to key dental treatments, including ultrasonic scaling and caries restoration, along with comprehensive oral healthcare services. Public awareness lecture series on Tobacco and its Ill-effects" and" Tooth Brushing Techniques 30/08/2024 MIET, Meerut

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. This contributed to the adoption of improved oral health behaviors among patients.

A significant outcome of the initiative was the enhancement of awareness regarding oral hygiene practices among the beneficiaries. The camp also contributed to early diagnosis and timely intervention for various dental conditions. Furthermore, the activity established a positive

Objectives

- To assess the oral health status in the school going children
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

The school dental camp organized by the Department of Public Health Dentistry,SDC&H served as an effective extension and outreach activity aimed at promoting oral health among school children. The initiative enabled early screening and identification of common dental conditions such as dental caries, gingival diseases, and malocclusion, thereby facilitating timely preventive and interceptive care.

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. - **Organized by:** Department of Public Health Dentistry, SDC&H
- Total no. of students:4

Total no. of Faculty: 1
Total No. of Non-Teaching: 1
Total no. of Beneficiaries:294

Objectives

- To assess the oral health status in the school going children
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

The school dental camp organized by the Department of Public Health Dentistry SDC&H served as an effective extension and outreach activity aimed at promoting oral health among school children. The initiative enabled early screening and identification of common dental conditions such as dental caries, gingival diseases, and malocclusion, thereby facilitating timely preventive and interceptive care.

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. It contributed to the adoption of improved oral health practices & behaviors among students(patients) which further provides the overall health and care to the society.

A main outcome of the camp was to privide necessary facilities and services to the patints through the referral of patients to our dental hospital for further evaluation and management, resulting in increased patient inflow for comprehensive treatment across various specialties. - **Organized by:** Department of Public Health Dentistry, SDC&H
- Total no. of students:4

Total no. of Faculty :1
Total No. of Non-Teaching:1
Total no. of Beneficiaries:48

Objectives

- To assess the oral health status in the school going children
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

Department of Public Health Dentistry of Subharti Dental College and Hospital has successfully conducted camp on 16\10\2024.We have provided preventive care like ultrasonic scaling and caries restoration and all the facilities of oral care to the rural patients.We have also given oral hygiene instructions to the patients.

A key outcome of the camp was the referral of identified cases to the institutional dental hospital for further evaluation and management, resulting in increased patient inflow for comprehensive treatment across various specialties. The activity also encouraged participation and awareness among teachers and parents, thereby extending its benefits to the wider community.

A significant outcome of the initiative was the enhancement of awareness regarding oral hygiene practices among the beneficiaries. The camp also contributed to early diagnosis and timely intervention for various dental conditions. Furthermore, the activity established a positive linkage between the community and the institution, as evidenced by an increased number of patients subsequently visiting the Dental Hospital for advanced care across all nine specialties.

Overall, the camp reflects the institution's commitment to community engagement, preventive healthcare, and sustainable oral health promotion

- **Date:** 20/3\2025
- **Location:** Murti Devi High School MULTAN NAGAR
- **Organized by:** Department of Public Health Dentistry, SDC&H
- Total no. of students:4

Total no. of Faculty: 1
Total No. of Non-Teaching: 1
Total no. of Beneficiaries:52

Objectives

- To assess the oral health status in the school going children
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

The dental camp organized by the Department of Public Health Dentistry SDC&H served as an effective extension and outreach activity aimed at promoting oral health among school children. The initiative enabled early screening and identification of common dental conditions such as dental caries, gingival diseases, and malocclusion, thereby facilitating timely preventive and interceptive care.

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. It contributed to the adoption of improved oral health practices & behaviors among students(patients) which further provides the overall health and care to the society.

A main outcome of the camp was to privide necessary facilities and services to the patints through the referral of patients to our dental hospital for further evaluation and management, resulting in increased patient inflow for comprehensive treatment across various specialties. The activity also encouraged participation and awareness among teachers and parents, and all stakeholders thereby extending its full benefits to the wider community

Objective of the Activity: To raise awareness about environmental conservation and encourage active participation in tree plantation among students, NSS volunteers, and local residents under the 'Pollution par Vaar' campaign.

Description:

An awareness programme for tree plantation and environment conservation was organized under the 'Pollution par vaar' campaign and outreach programme under the joint aegis of Ganesh Shankar Vidyarthi Subharti Department of Journalism and Mass Communication's Community Connect Club (CCC), National Service Scheme (NSS) Cell, Swami Vivekanand Subharti University, Meerut and Environment Club, Meerut. This programme was held at Shiv Mandir Park located in B Block of Sector-1, Vedvyaspuri. This programme was organised to commemorate the birth anniversary of Ganesh Shankar Vidyarthi a martyred Journalist and freedom fighter.

Addressing the NSS volunteers and students of Journalism and Mass Communication Department, NSS Programme Coordinator and Head of Journalism Department, Prof. (Dr.) Subhash Chandra Thaledi said that this programme is being organised under the patronage of Swami Vivekanand Subharti University Vice Chancellor Major General (Dr.) G.K. Thapliyal and Chief Executive Officer Prof. (Dr.) Shalya Raj. This tree plantation program has the special support of Environment Club, Meerut of young nature conservationist and social worker Sawan Kannojia of Meerut. During this, Dr. Thaledi said that today's program will not only spread awareness about environmental conservation among students and volunteers, but it will also be a true tribute to the pioneer of journalism and freedom fighter Ganesh Shankar Vidyarthi on his birth anniversary.

During this program, Prashant Kasana, Councilor of Ward No. 6 Meerut Municipal Corporation was present as the chief guest. In his address, he emphasized the importance of tree plantation and appreciated the efforts to spread awareness about environmental conservation. He said that Swami Vivekanand Subharti University has always been working for the city of Meerut and its residents and today's effort is also a proof of the fact that the Journalism Department of the University and the NSS Cell are making an excellent effort in collaboration with local organizations to spread awareness about environmental conservation among the people of the society and to conserve trees.

Speaking at the program, Sawan Kanaujia, founder of Environment Club, Meerut, said that today in this tree plantation program, various plants like fruit, shade and medicinal plants are being planted here. The purpose of this event is to promote environmental protection and to spread the 'War on Pollution' campaign to the people. Through this initiative, we are trying to make students, teachers and local people aware of their responsibilities towards the environment and also connect them with this campaign.

The program was organized by Assistant Professor Shelly Sharma and Shikeb Majeed of the Journalism Department. Program Officer of NSS Unit-1 and Assistant Professor of Journalism Department Ram Prakash Tiwari hosted the program. During this time, Dr. Vishal Kumar,Program Officer NSS unit-4, Jagbir Singh, Rajendra Singh, Karambir, Ranveer, Environment Club members Manoj, Vasu, Yogesh, Monu, Anand, Rahul, Amit, Prajjwal, Kapil, Sanjay Pal, Bijendra, Kuldeep etc. along with dozens of NSS volunteers and students and local residents were present.

leadership of Dean Faculty of law and under the direction of Director Subharti Institute of Law organized a free legal aid camp in the village of Arnawli, Block Rohta with the help of Mr. Rahul Sirohi. The primary objective of the camp was to raise awareness about the availability of free legal services, various government schemes, and new criminal laws among the villagers.The camp began with an awareness session led by the convener Law Club Dr. Sarika Tyagi with the team of students, who explained the role of the Subharti Free Legal aid clinic of Subharti Law College in facilitating access to justice for those unable to afford legal representation. Mr. Himanshu Panwar, LL.M.-First Year student detailed how various government schemes could be accessed and availed by the local community. The team provided detailed information on various social welfare schemes initiated by the government, including those related to health, education, and financial assistance. Villagers were guided on how to apply for these schemes through platforms like my Scheme and the National Portal of India. The camp included a session on the new criminal laws, namely the Bharatiya Nyaya Sanhita, Bharatiya Nagarik Suraksha Sanhita, and Bharatiya Sakshya Adhiniyam, which replaced the colonial-era Indian Penal Code, Code of Criminal Procedure, and Indian Evidence Act. Key highlights of the new laws were discussed, including the introduction of community service as punishment for petty offences, the definition of terrorism, an interactive session was held where villagers could ask questions and seek clarifications on legal matters, government schemes, and the new criminal laws. The legal aid camp was a significant step towards empowering the villagers with knowledge of their rights and access to justice. The event successfully raised awareness about the availability of free legal services, various government schemes, and the new criminal laws. The villagers were encouraged to take full advantage of the benefits provided by the government. This program was organized with the help of Mr. Rahul Sirohi and Sh. Dharmendar Sharma.

The Outcome of the Activity:-

- Villagers became aware about their legal rights and the availability of free legal services.
- Villagers became aware about various government welfare schemes.
- Villagers became aware about information on the new criminal laws recently enacted by the government

Description:-

Sardar Patel Subharti Institute of Law organizes the Legal Aid Camp and Awareness Program on the topic Government welfare schemes and new criminal laws. The Law club/Free Legal Aid Cell of Subharti Law College, University (SVSU), Meerut on the direction of DLSA, under the leadership of Dean Faculty of law and under the direction of Director Subharti Institute of Law organized a free legal aid camp in the village Pepla idrishpur, Block Rohta with the help of Mr. Rahul Sirohi. The primary objective of the camp was to raise awareness about the availability of free legal services, various government schemes, and new criminal laws among the villagers.The camp began with an awareness session led by the convener Law Club Dr. Sarika Tyagi with the team of students, who explained the role of the Subharti Free Legal aid clinic of Subharti Law College in facilitating access to justice for those unable to afford legal representation. Mr. Himanshu Panwar detailed how various government schemes could be accessed and availed by the local community. Mr. Gautam Aanand told about the schemes for senior citizens and Mohd Uvais told about health schemes of the government and Ms. Anamika Bishnoi told about the social security schemes for women and the whole team provided detailed information on various social welfare schemes initiated by the government, including those related to health, education, and financial assistance. Villagers were guided on how to apply for these schemes through platforms like my Scheme and the National Portal of India. The camp included a session on the new criminal laws, namely the Bharatiya Nyaya Sanhita, Bharatiya Nagarik Suraksha Sanhita, and Bharatiya Sakshya Adhiniyam, which replaced the Indian Penal Code, Code of Criminal Procedure, and Indian Evidence Act. The new laws were discussed, including the introduction of community service as punishment for petty offences, the definition of terrorism etc. The legal aid camp was a significant step towards empowering the villagers with knowledge of their rights and access to justice. The event successfully raised awareness about the availability of free legal services, various government schemes, and the new criminal laws. The villagers were encouraged to take full advantage of the benefits provided by the government.

The Outcome of the Activity:-

- Villagers became aware about their legal rights and the availability of free legal services.
- Villagers became aware about various government welfare schemes.
- Villagers became aware about information on the new criminal laws recently enacted by the government

Description:-

Sardar Patel Subharti Institute of Law organized a Legal Literacy and Awareness Program on 20/11/24 to spread the awareness in Village Jhitakri, Tehsil Sardhna, on the occasion of Legal Literacy and awareness week under the guidance Prof. (Dr.) Vaibhav Goel Bhartiya, Dean & Principal, Faculty of Law Meerut.A team of 30 students reached with the help of Prof. (Dr.) Reena Bishnoi, Coordinator of Legal Literacy ad Awareness Week to the village and sensitized the villagers on various issues. The team of students was welcome by Mr. Rinku Singh, Village Pradhan and felt grateful to Subharti University for organizing the legal awareness program First speaker of the program Dr. Sarika Tyagi told them about the free legal aid services provided by the Subharti Institute of Law and how they can take advice free of cost. She also told about the Good Samaritan law and it is your duty that if you see any accidents victim then take the accident victim to the nearest hospital or helps the victim by informing police or medical emergency, and you will not be liable for any civil or criminal liability. So today we make a pleadge that we will not leave any accidents victim as unattended. After that Ms. Ankita Singh, B.A.LL.B.V Year told villagers to keep working on safe environment and said that we should work together for the development of maintaining safe environment. After that Ms. Suchita Tripathi, B.A.LL.B.-V Year bride about that Gender equality is a fundamental human right, but women and girls around the world do not fully experience equal rights. Unconscious biases and implicit associations can help achieve gender equality. Gender equality requires equal enjoyment by women and men of socially-valued goods, opportunities, resources and rewards. Where gender inequality exists, it is generally women who are excluded or disadvantaged in relation to decision-making and access to economic and social resources. Mr. Anushresth Pratap Singh, B.A.LL.B.-Vth Year told about the new criminal laws India's new criminal laws, which came into effect on July 1, 2024, include several changes, such as: Faster justice Judgments must be delivered within 45 days of the trial's end, and charges must be framed within 60 days of the first hearing. Digital processes

Online registration of police complaints and electronic serving of summonses are permitted. Incidents can now be reported via electronic communication. Forensic investigation Forensic experts are required to visit crime scenes for serious offenses and collect evidence. Protection of women and children the new code introduces stringent measures to combat crimes such as human trafficking, sexual exploitation, and domestic violence. Definition of gender the definition of "gender" now includes transgender people. Organized Crime the new penal code recognizes organized crime such as kidnapping, extortion, contract killings etc. as a member of a criminal syndicate. Mr. Ayush Anand, B.A.LL.B.-IV Year told about the Right to Education Act and requested all villagers to provide education to all children in their village. Ms. Aarti Goyal, B.A.LL.B.-IV Year told about the Access to basic needs of Senior citizens should have access to food, water, shelter, clothing, and healthcare. Senior citizens should have access to income-generating opportunities, such as work or other income sources. Senior citizens should have access to educational and training programs. Senior citizens should be able to live in safe environments that are adaptable to their changing capacities. Senior citizens should be free from mental and physical abuse and exploitation. Senior citizens have legal protections under the Constitution, personal laws, and the Code of Criminal Procedure. Under the Maintenance and Welfare of Parents and Senior Citizens Act, 2007, children or heirs are legally obligated to maintain their senior citizens. At the end of the program, the formal vote of thank was delivered by Mr. Rinku Singh, Pradhan of the village and said that he is very grateful to the Dean, Faculty

Activity-2:- EDUCATIONAL VISIT TO THE HASTINAPUR FOREST RANGE"

Objectives of the Activity:-

The educational visit aimed to enhance awareness regarding forest conservation, biodiversity, and sustainable development. It focused on the legal, environmental, and scientific aspects of forest ecosystems, emphasizing the role of forests in maintaining ecological balance. The visit provided students with practical exposure to forest conservation techniques, laws protecting biodiversity, and environmental sustainability efforts.

Focused Area:-

The visit focused on three key areas:

- Interactive Session– A discussion with forest officials on environmental conservation, legal frame works, and sustainable development.
- Showcasing of Forest Equipment– A demonstration of tools and technology used in forest conservation, wildlife protection, and disaster management.
- Forest Trail & Turtle Conservation Center Visit–A guided nature walk to observe biodiversity, followed by an educational session on aquatic wildlife and conservation efforts.

Description:-

On the occasion of the International Day of Forests 2025, Sardar Patel Subharti Institute of Law, in association with Panna Dhai Maa Subharti Nursing College, organized an educational visit to the Hastinapur Forest Range to provide students with hands-on learning about forest ecosystems, biodiversity, and conservation efforts. The visit aimed to enhance their understanding of the flora and fauna in the region and the crucial role forests play in maintaining ecological balance. The visit was an interactive and engaging experience featuring three major activities.

1. Interactive Session with Experts

The visit began with an interactive session led by Ms. Khushboo Upadhyay (Regional Forest Officer), Naib Tehsildar Sachin Chaudhary, and Mr. Hari Mohan Meena (Project Manager, Vishwa Prakriti, Nidhi. Bharat). They addressed students on the significance of forest conservation, emphasizing:

- Forests as the "lungs of the Earth"–maintaining clean air, water balance, and biodiversity.
- Deforestation and its impact on climate change – leading to temperature rise, CO_2 increase, and habitat destruction.
- Environmental laws and policies – the Forest Conservation Act, Wildlife Protection Act, and Environmental Impact Assessment (EIA).
- The role of you thin conservation–promoting a forestation and sustainable practices.

The session was highly interactive, with students asking questions about legal aspects of forest conservation, penalties for deforestation, and wildlife protection measures.

2. ***Showcasing of Forest Equipment &Technology***

The Forest Department organized an exhibition showcasing various tools and technology used in forest conservation. The demonstration included:

- Fire fighting equipment used to control forest fires and protect wildlife.
- Tracking devices & surveillance tools for monitoring wildlife and preventing poaching.
- Tree plantation and soil conservation techniques to enhance forest growth and prevent soil erosion.
- Rescue and rehabilitation tools used for injured animals and conservation efforts.

Students got a close look at how these technologies contribute to forest protection, making the session informative and engaging.

3. Forest Trail & Turtle Conservation Center Visit

Students were taken on a guided forest trail walk, where they:

- Explored the rich biodiversity of the Hastinapur Forest Range.
- Identified native plant species and their ecological importance.
- Learned about the natural habitat of various wildlife species and conservation efforts.
- At the Turtle Conservation Center, students gained insights into:
- The threats faced by fresh water turtles, including habitat destruction and pollution.
- Conservation programs aimed at protecting end angered species.
- The role of forests in maintaining aquatic ecosystems.

The visit wasan eye-opening experience, allowing students to witness conservation efforts in action and understand the importance of protecting both terrestrial and aquatic life.

Student Participation

41 students actively engaged in discussions and learning activities from both departments. Notable participants from Faculty of Law included:

- AartiGoyal
- Prakarti
- Diya
- IshaTyagi

Outcome of the Activity

- Students gained practical insights in to forest conservation, biodiversity, and climate change.
- Law students learned about forest laws, wildlife protection acts, and environmental regulations.
- Students got hands-on experience with modern conservation equipment and tools.
- Nursing students explored the role of forests in healthcare and the importance of medicinal plants.
- Studentswereencouragedtoparticipateinafforestationprogramsandconservation initiatives.

Objective of the Activity

- Pharma Care Connect Club has organized an outreach activity on the occasion of **World Health Day 2025 "Healthy beginnings, hopeful futures"** on 07 April, 2025 to aware the rural people. 20 students have actively participated in the event.

1. **Promote Early Health Interventions**: Emphasize the importance of maternal, child, and adolescent health, recognizing that early health care and nutrition lay the foundation for a healthy life.
2. **Raise Awareness**: Educate communities about preventive healthcare, balanced nutrition, mental well-being, and regular health screenings, especially from an early age.
3. **Encourage Lifelong Healthy Habits**: Advocate for healthy lifestyle choices-physical activity, hygiene, mental wellness, and avoiding harmful substances-starting from childhood.
4. **Support Equity in Healthcare Access**: Highlight the need for affordable, accessible, and inclusive healthcare for all, particularly vulnerable and underserved populations.

5. **Empower Communities for Sustainable Health Futures**: Inspire families, schools, and local bodies to work together in building supportive environments that nurture the health of the next generation.
6. **Align with National and Global Health Goals**: Reinforce commitment to UN Sustainable Development Goals (SDG 3) - Good Health and Well-Being-and national health missions focused on preventive and promotive healthcare.

Description

World Health Day 2025, with the theme "**Healthy Beginnings, Hopeful Futures**" emphasizes the critical importance of investing in health from the earliest stages of life. The day serves as a reminder that the foundation for a healthy society begins with nurturing the well-being of mothers, children, and young people, ensuring they have the care, support, and environment necessary to thrive.

The theme reflects a commitment to:

- **Early intervention and preventive healthcare**, especially during pregnancy, infancy, and childhood.
- Encouraging **healthy habits and lifestyle choices** from a young age to prevent chronic diseases and promote lifelong well-being.
- Addressing **mental health, nutrition, sanitation, and access to basic healthcare services** for all, especially marginalized communities.
- Building a **health-literate and health-conscious society** through education, community involvement, and public awareness campaigns.

By focusing on "**Healthy Beginnings**" the goal is to give every child a strong start in life. And through "**Hopeful Futures**" the initiative aspires to create a generation that is physically, mentally, and socially healthy-paving the way for a stronger, more resilient nation.

World Health Day 2025 calls on individuals, communities, healthcare providers, and policymakers to come together and ensure that every life begins with health, dignity, and hope.

Activity was facilitated by **Ms. Dimple Singh Tomar**, Assistant Professor, Faculty of Pharmacy, Swami Vivekanand Subharti University, Meerut

Outcome of the Activity

World Health Day 2025 focused on ensuring that every child, mother, and family has access to the healthcare and support needed to start life healthy and strong. The campaign emphasized maternal and child health, early interventions, nutrition, mental well-being, and access to primary healthcare.

1. **Increased Awareness**
   - Over 100 countries participated in awareness campaigns, reaching more than 500 million people via social media, TV, radio, and community events.

- Educational materials and toolkits were distributed widely, emphasizing the importance of prenatal care, immunizations, and early nutrition.

2. **Health Screenings and Services**
   - Thousands of health camps were held globally, offering free checkups, vaccinations, and maternal health services.
   - Over 2 million women and children were screened for various health conditions during these events.
3. **Policy Advocacy and Government Action**
   - Multiple governments announced new or strengthened health policies focusing on maternal and child health.
   - Funding was pledged in several regions to improve neonatal care and rural healthcare access.
4. **Community Engagement**
   - Grassroots organizations led local events, including workshops, health fairs, and school programs, promoting healthy habits from early childhood.
   - Parent support groups and mental health awareness workshops were launched in 40+ countries.
5. **Partnerships and Collaborations**
   - Strengthened collaboration between health ministries, NGOs, and international agencies to implement sustainable health programs for families.
   - The private sector contributed with donations, technological innovations, and awareness campaigns.

Analysis of Participant's Feedback

Participants expressed overwhelming appreciation for the focus on early health interventions and community-based education. Many reported changes in their awareness, habits, and willingness to seek health services. The initiative successfully inspired action at the individual, family, and community levels—laying the foundation for healthier, more hopeful futures.

Objective of the Activity

The primary objective of the activity was to raise awareness among the villagers about health and the availability of affordable medicines under the Pradhan Mantri Jan AushadhiYojana. This initiative aimed to bridge the information gap and empower the community with knowledge about accessible healthcare solutions.

Description

The NSS Unit II of Swami VivekanandSubharti University conducted an outreach activity titled " **Health and drug awareness** "to educate the residents of SindhawaliGaun about the importance of health and affordable medicine. The event was led by **Mr.Nishant Gaurav** (Program Officer, NSS Unit II) and **Mr. Pankaj Kumar**, with active participation from 36 NSS volunteers.

Key activities included:

1. **Awareness Drive:**
   - Volunteers engaged with the villagers to provide information on health and affordable medicines through interactive sessions and the distribution of informative pamphlets.
2. **Community Interaction:**
   - The team addressed villagers' questions and concerns, ensuring clear understanding and participation.
3. **Acknowledgment:**
   - The **village head of SindhawaliGaun** warmly welcomed the NSS team, expressed gratitude, and provided certificates of appreciation as recognition for their efforts

Outcome of the Activity

- Enhanced awareness among the villagers regarding affordable healthcare options.
- Improved community relations between Swami VivekanandSubharti University and SindhawaliGaun.
- Empowered NSS volunteers through direct community service, fostering a deeper understanding of societal challenges.

Analysis of Participant's Feedback

Feedback from both villagers and volunteers highlighted the following:

- **Villagers:**
  - Expressed gratitude for the valuable information provided.
  - Requested more such initiatives focusing on healthcare and other social issues.
- **Volunteers:**
  - Found the activity enriching and educational, enhancing their communication and organizational skills.
  - Suggested incorporating additional healthcare professionals in future events for broader impact.

Objective of the Activity

- Pharma Care Connect Club has organized an outreach activity on the occasion of **World Health Day 2025 “Healthy beginnings, hopeful futures”** on 07 April, 2025 to aware the rural people. 20 students have actively participated in the event.

1. **Promote Early Health Interventions:** Emphasize the importance of maternal, child, and adolescent health, recognizing that early health care and nutrition lay the foundation for a healthy life.
2. **Raise Awareness:** Educate communities about preventive healthcare**,** balanced nutrition**,** mental well-being, and regular health screenings**,** especially from an early age.
3. **Encourage Lifelong Healthy Habits:** Advocate for healthy lifestyle choices-physical activity, hygiene, mental wellness, and avoiding harmful substances-starting from childhood.

4. **Support Equity in Healthcare Access:** Highlight the need for affordable, accessible, and inclusive healthcare for all, particularly vulnerable and underserved populations.
5. **Empower Communities for Sustainable Health Futures:** Inspire families, schools, and local bodies to work together in building supportive environments that nurture the health of the next generation.
6. **Align with National and Global Health Goals:** Reinforce commitment to UN Sustainable Development Goals and national health missions focused on preventive and promote healthcare.

Description

World Health Day 2025, with the theme **"Healthy Beginnings, Hopeful Futures"** emphasizes the critical importance of investing in health from the earliest stages of life. The day serves as a reminder that the foundation for a healthy society begins with nurturing the well-being of mothers, children, and young people, ensuring they have the care, support, and environment necessary to thrive.

The theme reflects a commitment to:

- **Early intervention and preventive healthcare**, especially during pregnancy, infancy, and childhood.
- Encouraging **healthy habits and lifestyle choices** from a young age to prevent chronic diseases and promote lifelong well-being.
- Addressing **mental health, nutrition, sanitation, and access to basic healthcare services** for all, especially marginalized communities.
- Building a **health-literate and health-conscious society** through education, community involvement, and public awareness campaigns.

By focusing on **"Healthy Beginnings"** the goal is to give every child a strong start in life. And through **"Hopeful Futures"** the initiative aspires to create a generation that is physically, mentally, and socially healthy-paving the way for a stronger, more resilient nation.

World Health Day 2025 calls on individuals, communities, healthcare providers, and policymakers to come together and ensure that every life begins with health, dignity, and hope.

Activity was facilitated by **Ms. Dimple Singh Tomar**, Assistant Professor, Faculty of Pharmacy, Swami Vivekanand Subharti University, Meerut

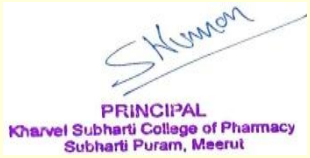

Outcome of the Activity

World Health Day 2025 focused on ensuring that every child, mother, and family has access to the healthcare and support needed to start life healthy and strong. The campaign emphasized maternal and child health, early interventions, nutrition, mental well-being, and access to primary healthcare.

Analysis of Participant's Feedback

Participants expressed overwhelming appreciation for the focus on early health interventions and community-based education. Many reported changes in their awareness, habits, and willingness to seek health services. The initiative successfully inspired action at the individual, family, and community levels—laying the foundation for healthier, more hopeful futures.

Sub: Regarding summer internship posting of B.Sc. Nursing Intern Students

Sir,

Greeting From Panna Dhai Maa Subharti Nursing College, Meerut

This is to kindly bring to your notice that, the Panna Dhai Maa Subharti Nursing College is a constituent college of Swami Viveknanad Subharti University. The college is offering graduate, Post graduate, Nurse Practitioner in nursing courses recognized by Indian Nursing Council and UP state Medical Faculty, Lucknow, Uttar Pradesh.

To fulfill the mandatory clinical requirements and internship hours as prescribed by the INC, we seek to provide our **B.Sc. Nursing Internship students** with exposure to the high standards of healthcare maintained at **Samarpan Foundation Trust**. We believe that your facility will provide the ideal environment for our students to refine their clinical skills and professional ethics.

We assure you that our students will strictly abide by the rules, regulations, and discipline of your organization. They will be under the supervision of our clinical instructors and will work in coordination with your staff.

We request you to kindly consider our letter sympathetically and grant permission for this internship. Your cooperation will greatly contribute to the professional development of these future healthcare providers.

We look forward to a positive response and a fruitful collaboration.

Thanking you

REPORT

Introduction

As part of the **Summer Internship Programme**, nursing students were posted at **Samarpan Foundation Trust, New Delhi**, to provide them with practical exposure to community-based care and to develop their skills in providing holistic care to vulnerable and underserved populations.

The internship provided students with an opportunity to interact directly with patients suffering from **leprosy and cancer** and to understand their physical, psychological, social, and health-related needs. During the posting, students actively participated in patient care, health camps, health education, and other community-oriented activities.

Activities Conducted During the Internship

During the internship posting, students participated in various activities under the guidance of the concerned staff and faculty members.

1. Care of Patients with Leprosy

Students provided basic nursing care and support to patients suffering from leprosy. They interacted with the patients and assessed their healthcare needs. Students were sensitized regarding the importance of:

- Personal hygiene and skin care
- Prevention of injuries and infections
- Proper medication compliance
- Early identification of complications
- Foot and hand care
- Nutritional care
- Psychological support and counselling
- Prevention of disability and further complications

Students also developed an understanding of the social and psychological challenges faced by individuals affected by leprosy and learned the importance of maintaining dignity and avoiding stigma and discrimination.

2. Care and Support for Cancer Patients

Students also provided care and supportive services to cancer patients. They interacted with patients and their caregivers and observed their physical and emotional needs.

The students provided support related to:

- Basic patient care
- Personal hygiene
- Nutritional advice
- Medication adherence
- Pain and symptom-related support
- Emotional support and active listening
- Counselling of patients and caregivers
- Maintaining a positive and supportive environment

The experience helped students understand the importance of compassionate care and communication while caring for patients with chronic and life-threatening illnesses.

3. Participation in Health Camps

The students actively participated in **health camps organized by Samarpan Foundation Trust**. During the health camps, students assisted in various activities and interacted with patients and community members.

Their participation included:

- Registration and basic patient assistance
- General health assessment and observation
- Assistance to healthcare professionals
- Patient guidance and counselling
- Health awareness activities
- Maintaining records and documentation
- Providing information regarding preventive healthcare

The health camps provided students with valuable exposure to community-based healthcare delivery and the importance of early detection and prevention of diseases.

4. Health Education

Health education was an important component of the internship. Students provided health education to patients and their caregivers according to their needs.

Major health education topics included:

- Personal hygiene
- Hand hygiene
- Balanced diet and adequate nutrition
- Medication compliance
- Prevention of infections
- Importance of regular health check-ups
- Cancer awareness and prevention
- Leprosy-related care and prevention of complications
- Skin and foot care
- Mental health and emotional well-being
- Importance of family and social support
- Healthy lifestyle practices

Students used simple language and interactive communication methods to ensure that patients could understand and follow the health advice provided.

Impact of the Internship

The internship was beneficial for both the students and the patients. Students gained practical knowledge beyond the classroom and developed greater confidence in providing patient-centred care. Their participation in health camps and health education activities helped them understand the importance of preventive healthcare and community participation.

The interaction with leprosy and cancer patients also helped students develop **compassion, empathy, communication skills, and a sense of social responsibility**.

1.4.4 INDICATOR: POLICY ADDRESSING POVERTY

1.4.4 - Does your university as a body participate in policy making at local, regional, national and/or global level to implement programmes and policies to end poverty in all its dimensions?

Answer: **Yes,** Swami Vivekanand Subharti University, Meerut, is committed to addressing poverty through social inclusion, community engagement, access to essential services and collaboration with public authorities. The University's **Poverty Reduction and Social Inclusion Policy** provides a structured framework for evidence-based action, stakeholder consultation and policy-oriented initiatives at local, regional, national and global levels.

During the 2024–25 reporting period, SVSU demonstrated its engagement with public institutions through community welfare activities, legal-awareness programmes and formal university–government advisory mechanisms.

⇒ Key Initiatives

Community Welfare and Government Collaboration: The University collaborated with the District Administration and Police Department on a Community Development and Welfare Programme for underprivileged communities. Activities included distribution of essential resources and awareness about financial literacy, hygiene and government welfare schemes.

Legal Awareness and Free Legal Aid: The University's Faculty of Law engaged with the District Legal Services Authority (DLSA), Meerut, to promote awareness of free legal aid, alternative dispute resolution and access to justice for economically disadvantaged and vulnerable communities.

University–Government Advisory Engagement: An official University Advisory Committee–NSS order documents representation from government authorities, including the Commissioner of the Administrative Division, Meerut, and the Regional Director, NSS Regional Directorate, Government of India.

Policy-Oriented Education and Research: SVSU integrates poverty-related themes into courses covering microfinance, rural development, community development, entrepreneurship, labour economics and public policy. These academic activities support awareness and understanding of poverty and social inclusion.

⇒ Institutional Policy Framework

The University's Poverty Reduction and Social Inclusion Policy establish mechanisms for:

- Assessing community needs and identifying barriers faced by vulnerable groups.
- Using research, institutional data and stakeholder consultation to inform policy action.
- Collaborating with government bodies, local authorities and community organisations.
- Promoting access to education, healthcare, financial inclusion and livelihood opportunities.

- Documenting initiatives and reviewing their effectiveness.

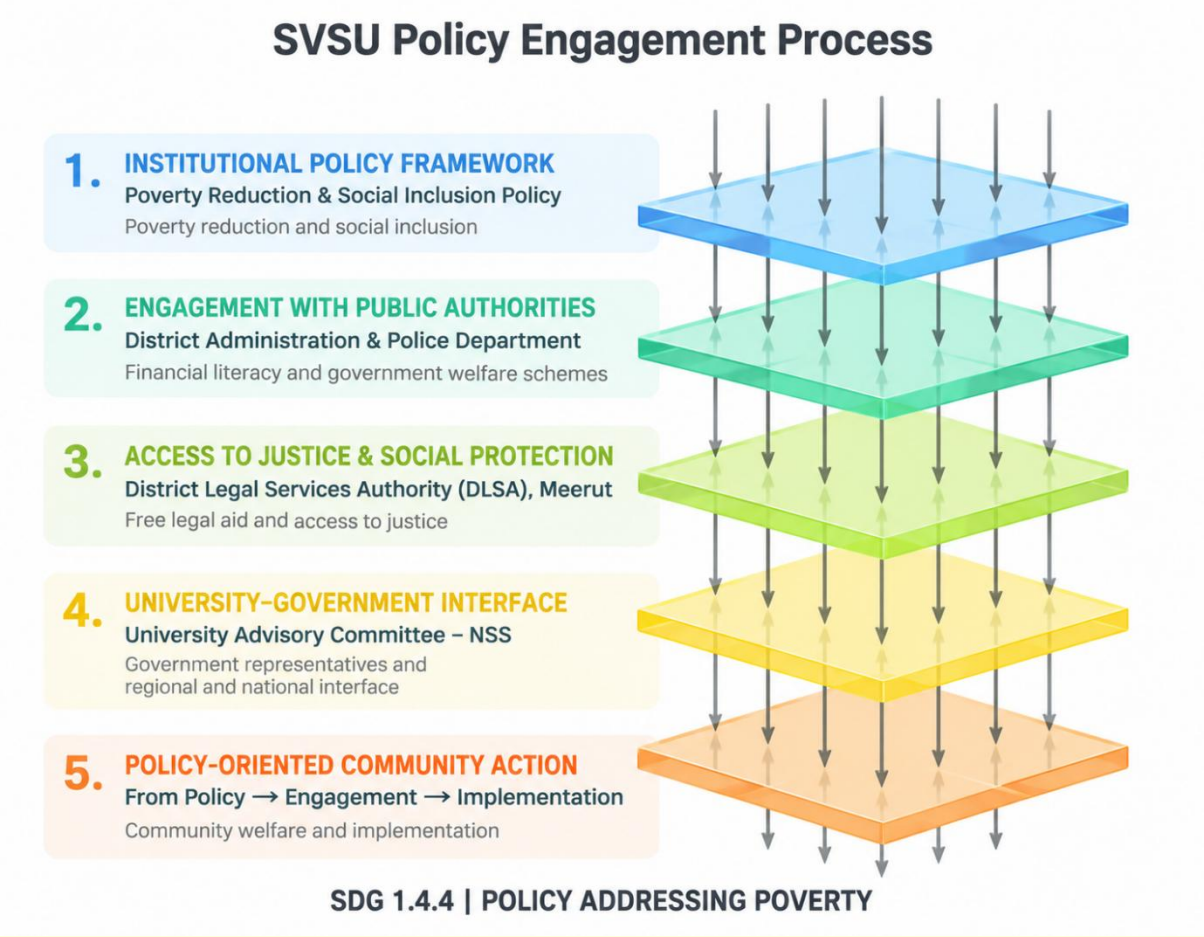

The framework connects institutional expertise with public-authority engagement and practical community-level interventions.

⇒ Conclusion

Swami Vivekanand Subharti University's initiatives demonstrate how a university can contribute to poverty reduction beyond its academic campus. Through collaboration with district authorities, legal-aid institutions and government representatives, the University supports community welfare, awareness of public schemes and access to justice for disadvantaged groups.

Together, these initiatives reflect University's commitment to **SDG 1: No Poverty** through institutional policy, stakeholder collaboration and community-oriented action.

Poverty Reduction and Social Inclusion Policy

1. Preamble

The University recognises that poverty may limit access to education, essential services, livelihood opportunities and participation in society. This policy establishes a concise institutional framework to support economically disadvantaged students and communities through inclusive education, appropriate assistance, capacity building, community programmes and documented policy engagement.

2. Objectives

1. To improve admission opportunities and student success rates, particularly for students from financially disadvantaged backgrounds.
2. To provide financial assistance and support to students from low-income and lower-middle-income families.
3. To support local start-ups through financial assistance, technical guidance and capacity-building initiatives.
4. To organise programmes that improve access to essential services and educational opportunities for disadvantaged communities.
5. To participate in local, regional, national and global policymaking initiatives aimed at reducing poverty in all its forms.
