ACCREDITED WITH GRADE A NAAC

SUSTAINABLE DEVELOPMENT GOALS

Annual Report-2025

Swami Vivekanand Subharti University, Meerut

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

11.1 Research on Sustainable Cities and Communities:

Yes, Swami Vivekanand Subharti University is contributing to SDG 11 - Sustainable Cities and Communities through research, publications and innovation focused on important challenges related to sustainable development.

The University's research covers key areas such as water and wastewater management, air quality, plastic and solid waste management, urban sustainability, sustainable construction, traffic and transportation, sustainable mobility, energy efficiency, disaster management, and smart technologies. These areas directly support efforts towards cleaner, safer, more efficient and sustainable cities and communities.

The research work also includes the use of Artificial Intelligence (AI), Internet of Things (IoT) and other emerging technologies for addressing challenges related to waste management, transportation, energy systems, disaster management and urban infrastructure.

In addition to research publications, the University has developed and registered patents, designs and copyrights related to sustainable construction materials, electric mobility, smart waste management, public transport, vehicle emission monitoring, traffic management, disaster management and energy-efficient systems.

The following data presents SVSU's contribution to SDG 11 through research impact (Cite Score and FWCI), Scopus-indexed publications, patents, designs and copyrights related to Sustainable Cities and Communities.

11.1.1 Sustainable Cities and Communities: Cite Score

Sr. No	Title	Scopus Source Title	Cite Score
1.	Assessment of Bacterial Community Structure, Associated Functional Role, and Water Health in Full-Scale Municipal Wastewater Treatment Plants	Toxics	7.8
2.	Assessment of ambient air quality at the selected locations along the under-construction Danapur–Bihta elevated road, Patna, Bihar	Environment Conservation Journal	0.7
3.	Enhancing Urban Sustainability with AI-Driven Environmental Stewardship	International Journal of Advancement in Life Sciences Research	0.9
4.	Integration of internet of things (IoT) with passive optical networks (PON): a framework for next-generation connectivity	Journal of Optical Communications	6.3
5.	Urban Land Cover Classification of Multispectral Satellite Images Using Artificial Neural Networks	Lecture Notes in Networks and Systems	1.2
6.	Air quality evaluation of Meerut city, Uttar Pradesh, India: A comparative analysis	Environment Conservation Journal	0.7
7.	Impact of Maternal Road Traffic Noise Exposure on Hippocampal Spatial Memory and Neurogenesis of Sprague Dawley Offspring: Therapeutic Effects of Edaravone, Melatonin, and Enriched Environments	Central Nervous System Agents in Medicinal Chemistry	2.6

11.1.2 Sustainable Cities and Communities: FWCI

Sr. No	Title	Scopus Source Title	Field Weighted Citation Impact (FWCI)
1.	Addressing complex challenges in water quality management: emerging technologies and sustainable strategies	Computational Automation for Water Security: Enhancing Water Quality Management	4.8
2.	Global impact of plastic pollution and its management for sustainable development	Quality of Life and Climate Change: Impacts, Sustainable Adaptation, and Social-Ecological Resilience	9.88
3.	Assessment of Bacterial Community Structure, Associated Functional Role, and Water Health in Full-Scale Municipal Wastewater Treatment Plants	Toxics	2.26
4.	Integration of internet of things (IoT) with passive optical networks (PON): a framework for next-generation connectivity	Journal of Optical Communications	0.26
5.	Teacher professional development in the digital age	Smart Education and Sustainable Learning Environments in Smart Cities	4.93
6.	Limnological Characterization of River Ramganga in Western Uttar Pradesh, India	Research on Engineering Applications in Multidisciplinary Sectors (Part 2)	2.06
7.	Air quality evaluation of Meerut city, Uttar Pradesh, India: A comparative analysis	Environment Conservation Journal	0.63
8.	Innovative approaches to solid waste management in rural communities:	Solid Waste Management for Rural	2.61

	Challenges and solutions	Regions	
9.	A Review of Computational Intelligence Approaches for Fault-Tolerant IoT Federated Learning Systems	Proceedings - 2025 2nd International Conference on Networks and Soft Computing, ICNSoC 2025	6.23

11.1.3 Sustainable Cities and Communities: Publications

Sr. No	Title	Scopus Source Title
1.	Addressing complex challenges in water quality management: emerging technologies and sustainable strategies	Computational Automation for Water Security: Enhancing Water Quality Management
2.	The Development of Sustainable Products through Creative Up-Cycling of Fabric Waste from Boutiques and Tailor Shops	Research on Engineering Applications in Multidisciplinary Sectors (Part 2)
3.	Global impact of plastic pollution and its management for sustainable development	Quality of Life and Climate Change: Impacts, Sustainable Adaptation, and Social-Ecological Resilience
4.	Enhancing User Experiences through HumanCentered Design: Integrating Psychology and Sociology in Engineering	Research on Engineering Applications in Multidisciplinary Sectors (Part 2)
5.	Pioneering zero waste technologies within the framework of sustainable progress	AI Technologies for Enhancing Recycling Processes

11.2.1 Does your university as a body provide public access to buildings, monuments or natural heritage landscapes of cultural significance?

Answer: Swami Vivekanand Subharti University, Meerut, provides access to a range of buildings and facilities that serve the needs of students, staff and visitors. The University campus includes important cultural and historical places such as the **Shaheed Smarak**, the **Netaji Subhas Chandra Bose Museum,** the **Bodhi Upwan** and the **Art Gallery**. These places offer opportunities to learn about India's history, remember the contributions of national heroes, appreciate art and connect with cultural and spiritual traditions.

Along with these heritage and cultural spaces, the campus has facilities such as banks, ATMs, canteens and shops that provide essential services for daily use. These facilities support access to banking, food and other basic requirements, making the campus useful not only for academic activities but also for the everyday needs of people who visit and use its facilities.

The availability of these buildings, cultural spaces and public-use facilities reflects the different ways in which the University serves its community and visitors. The heritage sites contribute to historical and cultural awareness, while the service facilities provide practical support for daily needs. The photographs presented below highlight these places and facilities within the University campus.

B. Ancient Texts and Heritage Collection

The University preserves a collection of ancient and rare books, including Vedic and religious texts, that tell the story of India's history, culture and traditions. The collection is kept as part of the Tathagat Buddha Chair – Kuru Museum. Weblink- https://mail.subharti.org/museums-subharti-university-india.php.

D. Netaji Subhash Chandra Bose Museum

1. Swami Vivekanand Subharti University established the Netaji Subhash Chandra Bose Museum in the Department of Journalism and Mass Communication, Faculty of Arts and Social Sciences, to preserve his legacy and promote awareness of India's freedom struggle.

   The uniqueness of the Museum:

1. Unique photographs of Netaji Subhash Chandra Bose
2. Old coin of the Azad Hind Fauj
3. Rare books related to Netaji

The Museum was inaugurated by Mr. Chandra Kumar Bose, grandson of Netaji Subhash Chandra Bose, on 21 October 2021, during the *Independence Day of United India* celebration. It promotes historical awareness, learning and appreciation of India's national heritage.

11.2.2 Does your university as body provide public access to libraries including books and publications?

Answer: Swami Vivekanand Subharti University (SVSU) is committed to providing **free public access to libraries, books and publications**, supporting inclusive access to knowledge, education and lifelong learning. The University's library system includes central, college and departmental libraries with extensive collections of **books, textbooks, reference books, journals, periodicals, e-books, e-journals and other academic publications**. Members of the public, researchers and other eligible users can access library resources through the prescribed **consultant/library membership facility**, subject to applicable library guidelines. The libraries also provide **Online Public Access Catalogue (OPAC)** and digital resources to facilitate easy discovery and use of academic materials. Through these facilities, SVSU promotes **free and accessible use of library resources, books and publications** for learning, research and knowledge dissemination, thereby contributing to equitable access to information and supporting the objectives of **UN SDG 11.2.2 – Free Public Access to Libraries**.

Swami Vivekanand Subharti University (SVSU), Meerut, promotes inclusive and equitable access to knowledge and learning resources as part of its commitment to community engagement, lifelong learning and social development. The University has established the "Policy on Free Access of Educational Resources for those not studying at the University" (Policy No. U-07/SVSU/2024/2087), effective from 12 January 2024 and approved by the Hon'ble Vice-Chancellor. The policy provides a formal institutional mechanism through which eligible members of the wider community, including persons who are not enrolled as university students, can access designated educational and library resources.

Library Rules for External/Consultant Members

- Any person from outside the University who wishes to consult library resources may become a Consultant Member for a specified period, subject to written permission from the Vice-Chancellor.
- Consultant members may use library resources within the library premises only.
- Books/materials are not permitted to be taken outside the library.
- Consultant members must handle all library books and resources carefully.
- In case of loss or damage, the member will be required to replace the book with a new copy of the same title and latest edition.
- If a consultant member misuses library property or violates library rules, their membership may be suspended or terminated.

Image 1 - Gen. G. S. Dhillon Central Library

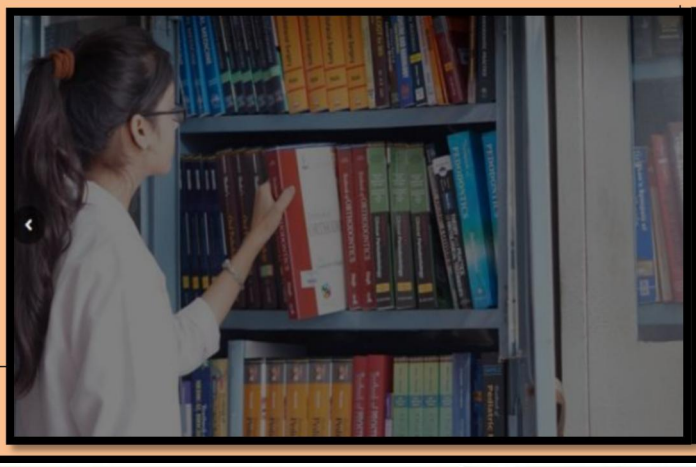

Image 2 - Central Library Medical Sciences

Image 3 - Screenshots from the official SVSU Library website

(The University's library may accessed through the following weblin: https://library.subharti.org/)

IQAC policy page: https://subharti.org/iqac-policy.php

The policy is particularly relevant to SDG 11 – Sustainable Cities and Communities, as it contributes to creating an inclusive learning environment in which educational infrastructure and knowledge resources can benefit the surrounding community rather than being restricted exclusively to enrolled students.

Policy on Free Access of Educational Resources for those not studying at the University

Policy on Free Access of Educational Resources for those not studying at the University

S. No.	Particulars	Description
1	Policy Number	U-07/SVSU/2024/2087
2	Policy Structure	The University encourages the advancement of knowledge and community learning by allowing free access to designated educational resources. Access will be based on identity verification, adherence to rules, and use of University designated facilities during approved hours.
3	Scope of the Policy	This policy applies to: • Access to designated university library reading spaces, computers, digital learning zones, and use of open learning materials during notified hours, subject to University norms and campus discipline guidelines. • Attendance in specified open lectures, seminars, and academic talks for external participation will be subject to adherence to classroom etiquette and the University's codes of conduct. • Access to University academic support services designated for external learners, as permitted by University authorities and within available capacity. • Entry to campus and learning spaces is subject to identity verification and security protocols, including visitor registration, access-card / gate-pass issuance, and compliance with security checks. This policy does not apply to: • Examination-related materials, internal academic content, or restricted databases. • Borrowing of physical library books without formal membership. • Paid certificate programs, professional training programs, and research labs require academic affiliation.
4	Policy Status	Original
5	Originated By	University's Library
6	Reviewed By	Registrar
7	Effective Date of Policy	12.01.2024
8	Approving Authority	Hon'ble Vice Chancellor
9	Policy Review Date	16.08.2024

1. Purpose

This policy aims to promote equitable learning opportunities and community academic development by offering free access to specified educational resources of the University to individuals who are not enrolled as University students. This initiative supports lifelong learning, academic collaboration, and aligns with national education priorities and global educational development goals (SDG-4).

2. Objectives:

The objectives of this policy are to:

A. **Promote Equitable Access** – Ensure that specified educational resources are accessible to all learners, regardless of location, institutional affiliation, or economic background.

B. **Encourage Lifelong Learning** – Support continuous education and skill development for students, professionals, and the general public.

C. **Maximize Utilization of Institutional Knowledge** – Make full use of resources produced by the university for the benefit of society.

3. Eligible Beneficiaries

Access will be granted to the following categories:

- Identified school students and teachers from the local region
- University aspirants and competitive exam learners
- Researchers, educators, and community learners
- Senior citizens and lifelong learning enthusiast
- Visitors from outside the defined community or organized groups may access resources upon prior approval from the University.

4. Guidelines for Use

To ensure effective and responsible use, the following rules shall apply:

- Entry shall require prior registration and valid ID proof.
- Access will be available on working days during announced hours, without affecting regular academic schedules.
- Users shall bring their own stationery and devices, where required.
- Users must maintain discipline, dress appropriately, and follow campus conduct rules.
- Online access/lectures will be view-only; download/sharing without permission is not allowed.
- Academic spaces must be used only for learning purposes; misuse or disturbance will lead to access withdrawal.
- Commercial training, coaching, or group activities require prior University approval.
- The University retains the authority to revise access hours, suspend access temporarily, or withdraw permissions in case of misconduct or institutional requirement.

5. University Support, Roles and Responsibilities

The University's Library Department shall:

- Provide supervised access to designated study and digital facilities.
- Offer orientation or guidance for external learners when required.
- Facilitate awareness about available academic resources.
- Manage access permissions, supervise user activity, and maintain resources.
- Maintain user registration records, attendance logs, and feedback.

The University's IT Department shall:

- Ensures secure digital access, maintain systems, and protect academic content

6. Review

- Policy will be reviewed as and when required by the University to enhance learning access and security

SWAMI VIVEKANAND SUBHARTI UNIVERSITY
Registrar
16.08.2024

Image 4 - Screenshot of Library Policy

Access for the Wider Community

Under the policy, eligible external users may access designated University educational and library facilities, including library reading spaces, computers, digital learning zones and open learning materials, during notified hours and subject to university norms, security requirements and campus discipline.

The intended beneficiaries include:

- School students and teachers from the local region
- University and higher-education aspirants
- Competitive examination learners
- Researchers and educators
- Community learners
- Senior citizens
- Lifelong-learning enthusiasts
- Other eligible members of the wider community

Organised groups and visitors outside the defined beneficiary categories may also be permitted to use designated resources subject to prior approval from the University.

Access is facilitated through prior registration, identity verification and applicable visitor/campus-security procedures. The Library Department provides supervised access to designated facilities and maintains appropriate records relating to users and resources.

Library Infrastructure Supporting Public Access

SVSU has developed an extensive library network consisting of two central libraries, seven college libraries and departmental libraries serving different academic disciplines. The official Central Library website reports that the University library system has a seating capacity of more than 2,000 patrons at a time. The two central libraries provide access to textbooks, reference books, journals, periodicals and electronic learning resources. The University's library internet centres have 100 computers, providing an important digital-learning facility for accessing electronic resources and online scholarly information. The libraries also provide an Online Public Access Catalogue (OPAC) and internet connectivity.

The current library system also provides access to a substantial physical collection. The University's library collection page reports a total of 189,547 books across its listed libraries and collections.

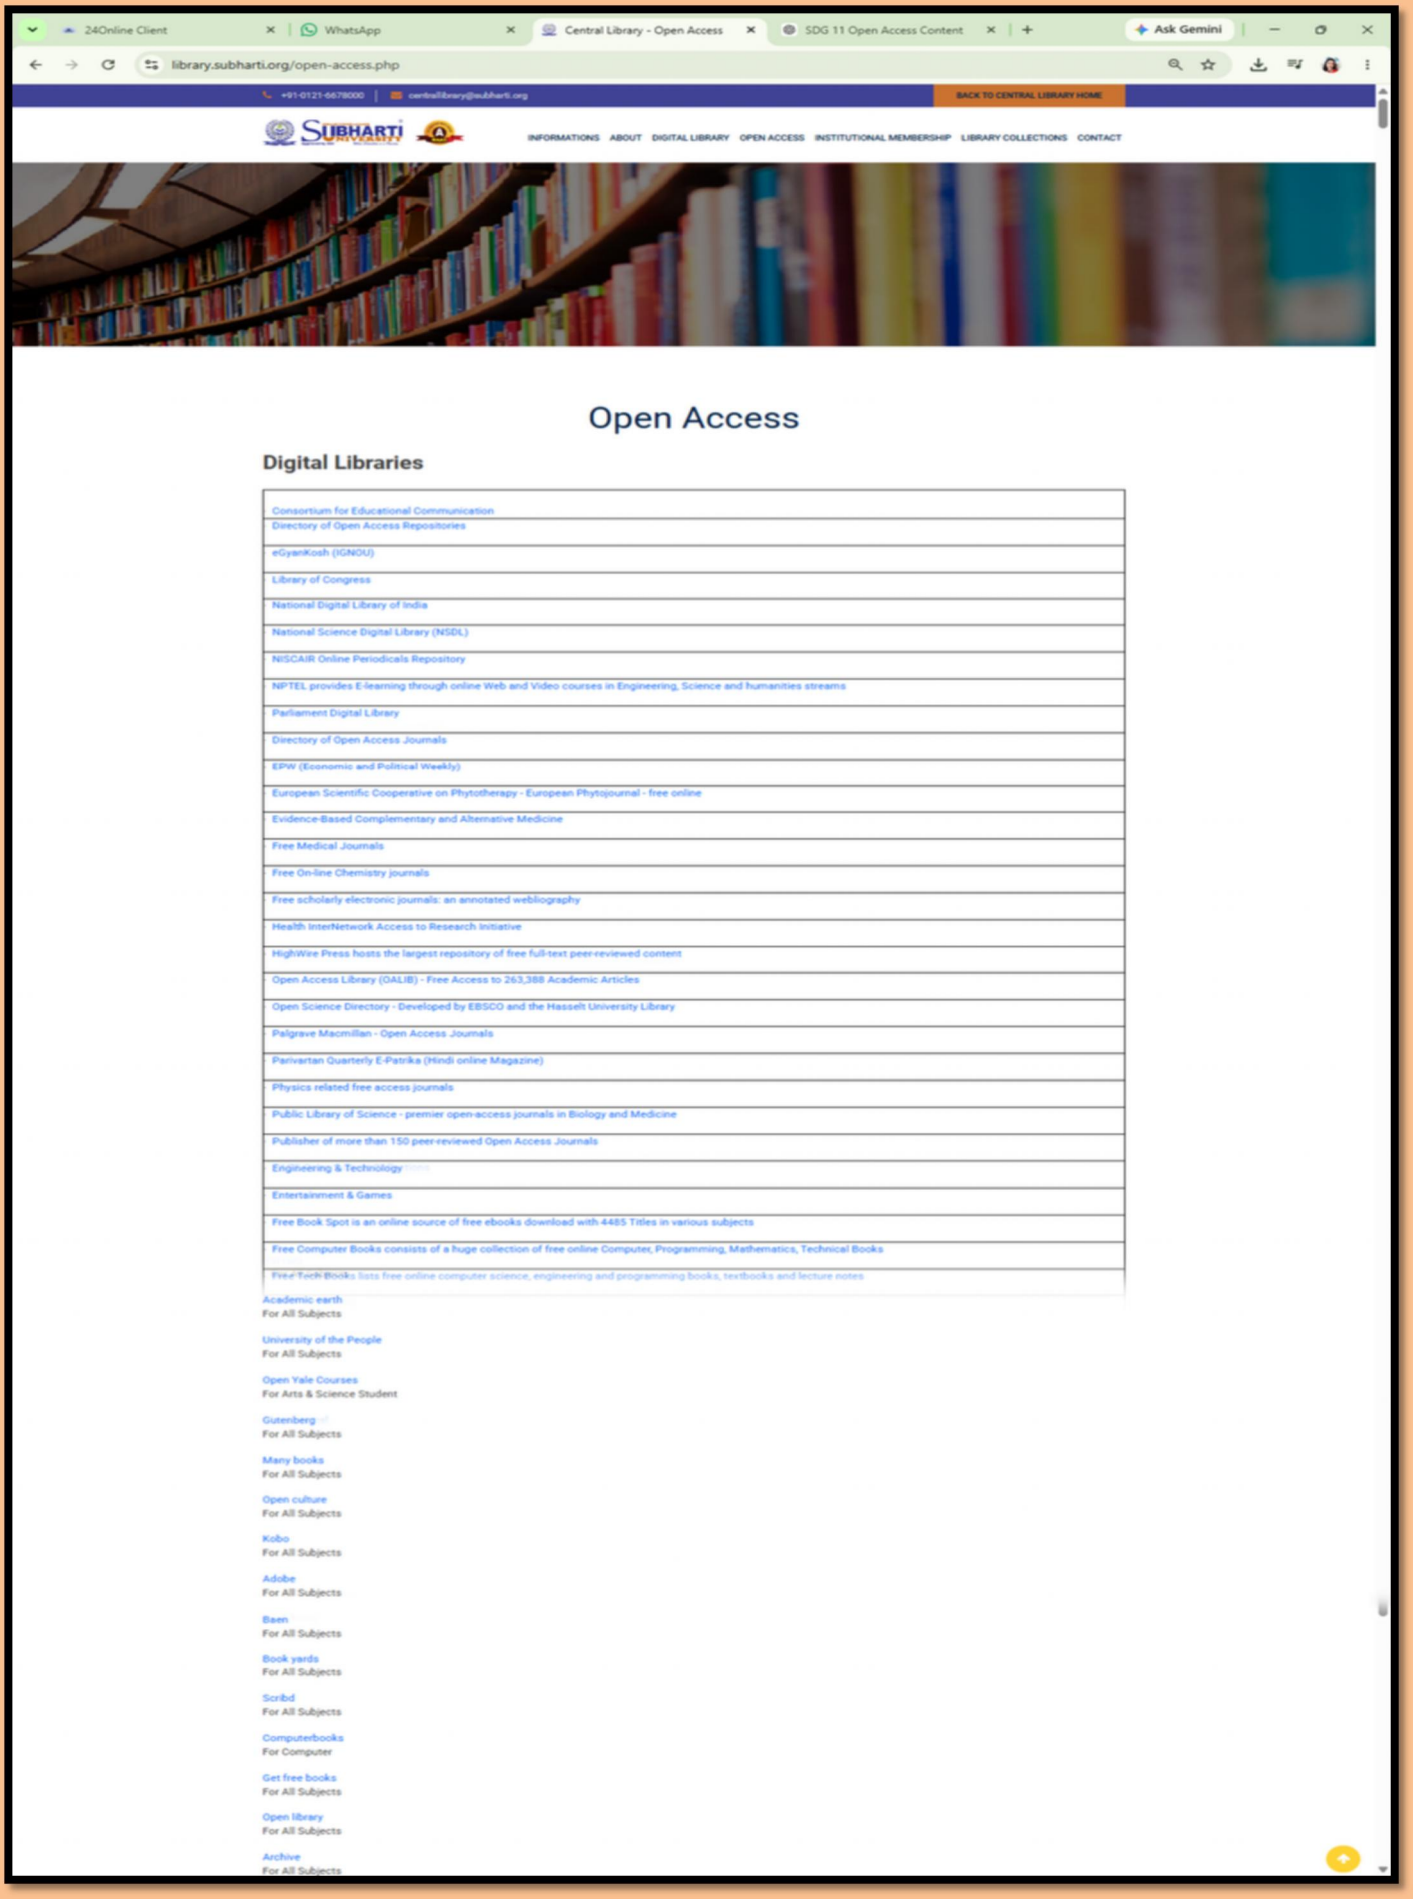

Image 5 - Screenshot from the official SVSU Library website (library.subharti.org)

Consultant Membership for Members of the Public

In addition to the specific free-access policy, SVSU's official library rules provide a formal Consultant Membership mechanism. A person wishing to consult library material may become a consultant member for a specified duration after obtaining written permission from the Vice-Chancellor.

Consultant members may consult library materials within the reading room; however, they are not permitted to take books outside the library premises. This mechanism provides an additional controlled pathway through which external researchers and members of the public can consult University library collections.

Image 6 - Library Stock Section

Consultant membership details: https://library.subharti.org/membership.php

Electronic Journals and Digital Resources

SVSU's libraries provide access to a large collection of electronic scholarly resources. According to the University's published library data, the library collection included 60,054 electronic journals/electronic-journal and conference-proceedings resources and 10,861 e-books. The same institutional data records access to multiple electronic databases and learning resources.

The University's documented electronic-resource facilities include resources such as EBSCO, DELNET, J-Gate, Sage Database, India E-Library, Scopus and SCC Online, together with Shodhganga and e-ShodhSindhu. The University also has an open-access section through its Central Library website, which provides links to freely accessible resources such as the National Digital Library of India, e-GyanKosh, UNESCO Library, World Digital Library, NPTEL, Library of Congress and other open educational/research repositories.

Shodhganga - Open Access to Indian Theses

https://library.subharti.org/open-access.php

An important component of the University's research-access framework is Shodhganga, the digital repository operated by the INFLIBNET Centre. SVSU's institutional records confirm that the University has membership/access to Shodhganga and has participated in the repository. Earlier NAAC documentation also confirms that SVSU participates in Shodhganga by depositing Ph.D. theses for electronic dissemination through open access.

Shodhganga is particularly relevant to the free public-access component of this report because INFLIBNET describes it as a repository that makes Indian Ph.D. theses available to the scholarly community through open access.

Importantly, Shodhganga should not be presented as a paid subscription resource of SVSU. It is an INFLIBNET open-access repository in which participating universities deposit theses. SVSU's institutional documentation establishes its participation, while the repository itself provides public access to eligible full-text theses.

e-ShodhSindhu

SVSU's institutional records also confirm membership/subscription to e-ShodhSindhu, the national consortium for higher-education electronic resources. The University's NAAC/AQAR documentation specifically records “Yes” for e-ShodhSindhu and Shodhganga, along with e-journal/e-book consortia and other electronic databases.

Open Access to E-Journals and Scholarly Resources

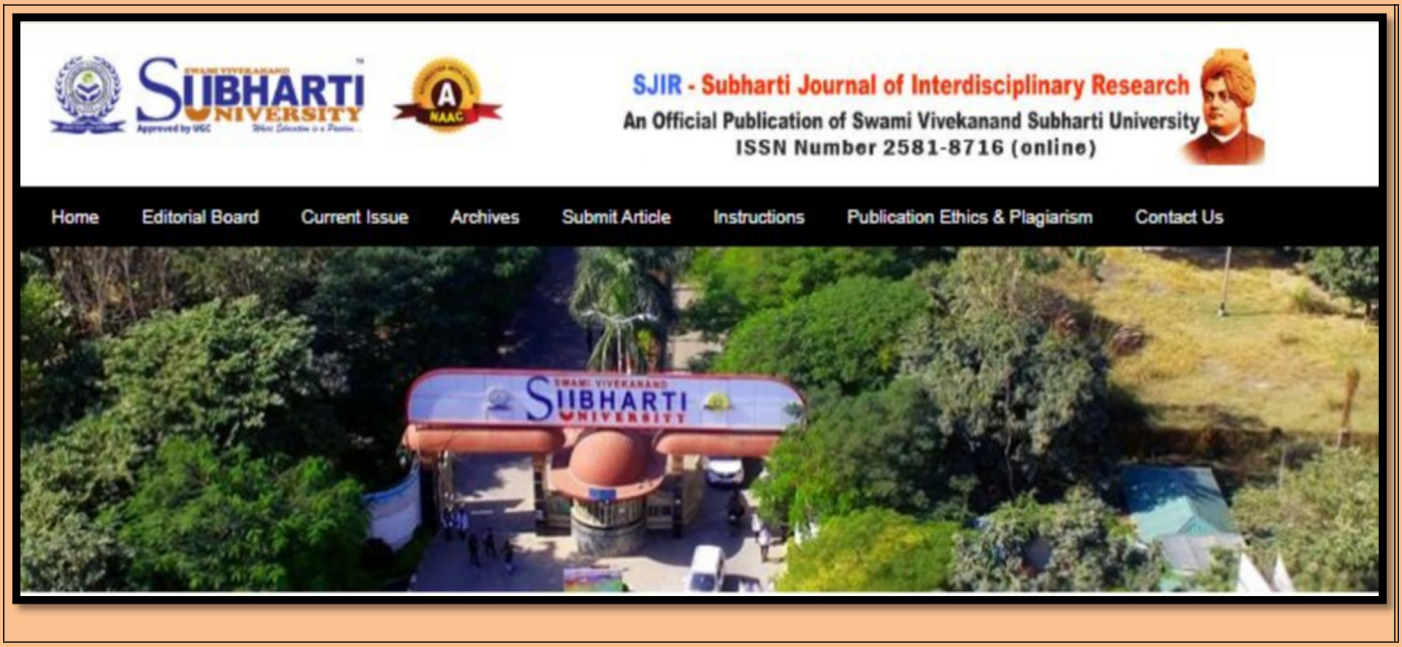

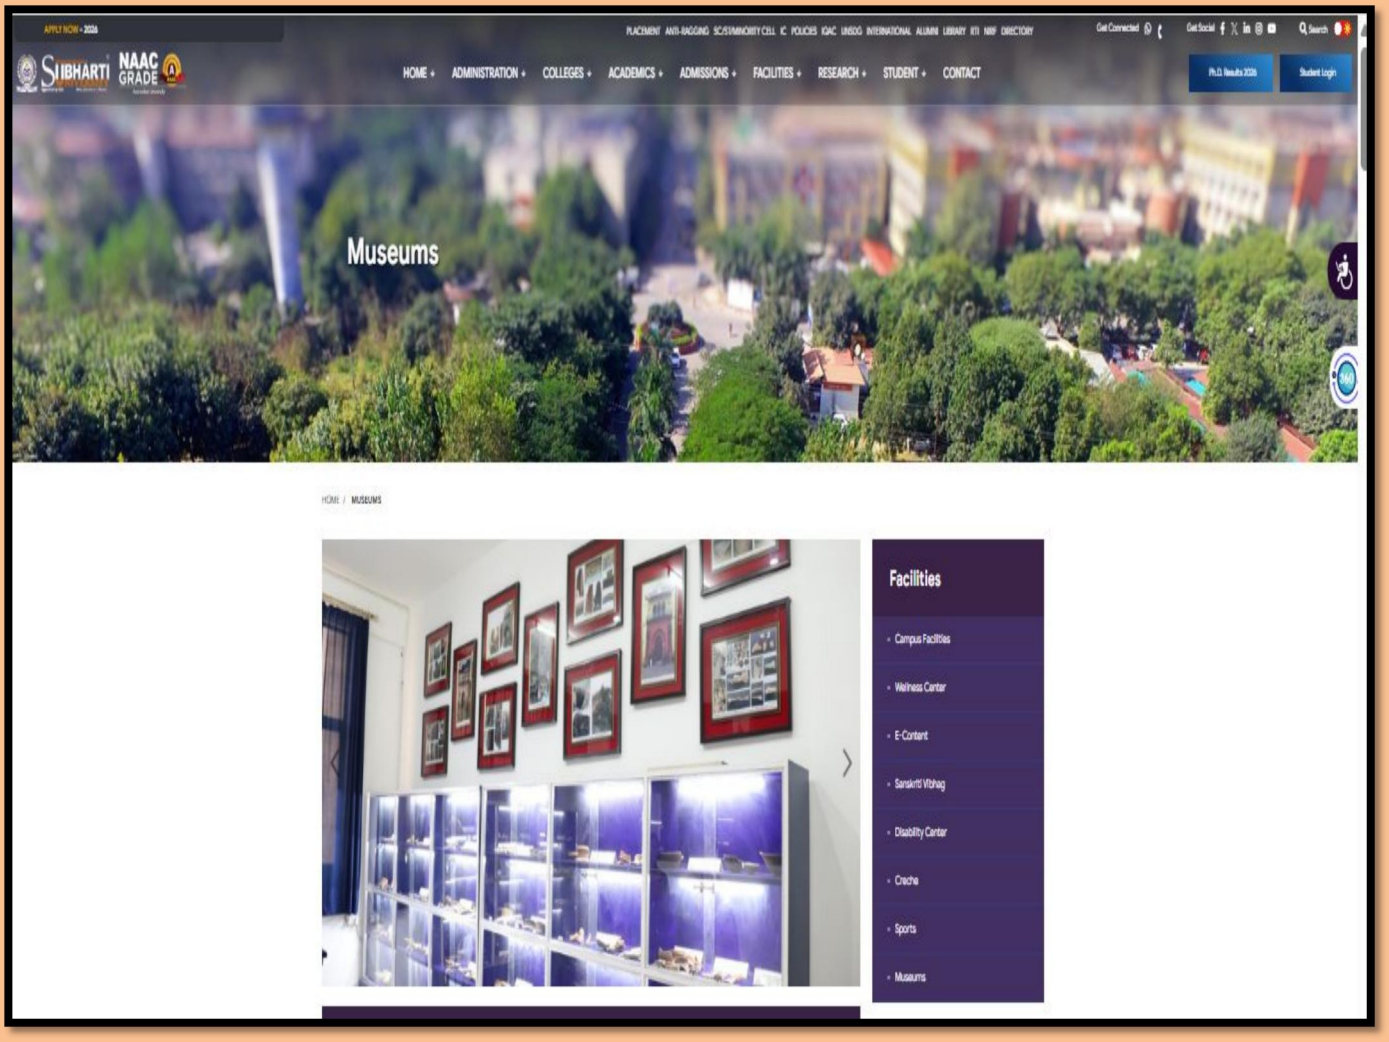

Image 10 - Subharti Journal of Interdisciplinary Research (SJIR) – an open-access institutional publication

Through its formal free-access policy, Consultant Membership route, extensive physical and digital library infrastructure, and participation in national open-access and subscription platforms such as Shodhganga and e-ShodhSindhu, SVSU provides structured and verifiable public access to library and scholarly resources. These measures collectively support SDG 11.2.2 by extending the benefits of the University's educational infrastructure to the wider community beyond its enrolled student body.

11.2.3 Does your university as a body provide public access to museums, exhibition spaces / galleries and/or works of art and artifacts?

Answer: Yes, Swami Vivekanand Subharti University provides public access to its museums, art gallery and collections of historical and cultural artefacts for educational and cultural awareness purposes. The University has established several museums, including the **Kuru Museum**, which showcases the history and archaeological heritage of the Kuru Mahajanapada, and the **Netaji Subhash Chandra Bose Museum**, which displays rare photographs, historical coins and books related to Netaji and the Indian freedom struggle. The University also has the **Gyanodaya Museum** in the Department of Library and Information Science and the **Raja Ravi Varma Art Gallery** at Nandlal Bose Subharti College of Fine Arts and Fashion Design, where artworks are displayed through exhibitions. These facilities help students, visitors and members of the wider community learn about India's history, cultural heritage and artistic traditions.

11.2.4 Does your university as a body provide free public access to open spaces and green spaces?

Answer: Yes, Swami Vivekanand Subharti University (SVSU), Meerut, has a large green campus spread over approximately 250 acres, with lush green lawns, gardens, playgrounds, open areas and recreational spaces. The campus includes General Mohan Singh Subharti Play Ground, Gyani Pritam Singh Subharti Play Ground, Kargil Shaheed Smriti Upvan, Bodhi Upwan, Akshayavat Nursery and the Children's Park. Green lawns in front of the colleges and tree-covered areas around academic buildings further add to the greenery of the campus.

The University develops and maintains these spaces through plantation, gardening and environmental activities. The playgrounds support sports and outdoor activities, while the lawns, gardens and upwans provide green surroundings for recreation and interaction with nature.

The aerial photograph below shows the extensive tree cover and green areas around the academic buildings. The photographs and supporting evidence presented in this section highlight the University's green spaces, open areas and their use for recreational, sports and environmental activities.

https://subharti.org/about-subharti-university-india.php

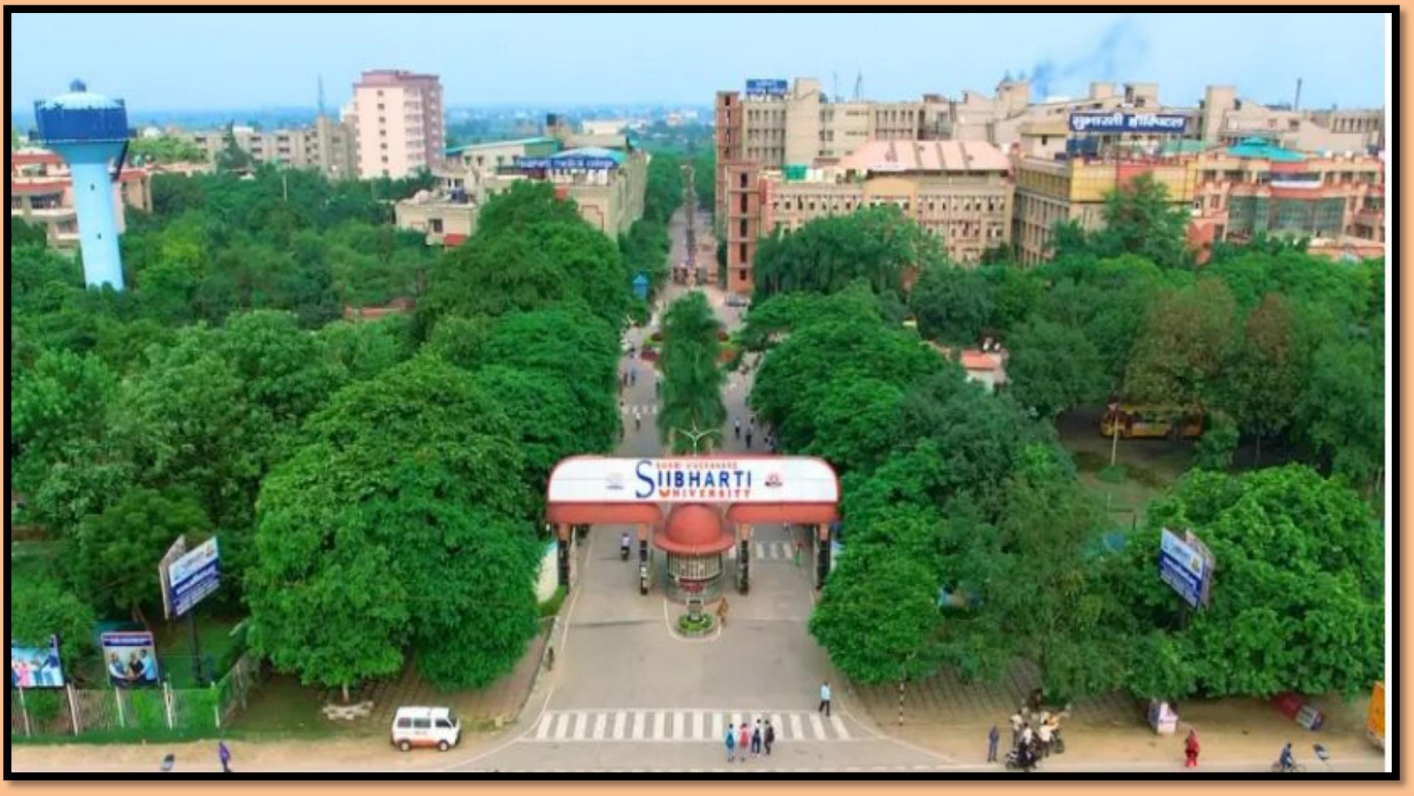

Fig. 1: Aerial view of Swami Vivekanand Subharti University campus, Meerut.

1. The photographs below show the landscaped green and open areas inside the campus, including a maintained lawn with a pathway and a paved walkway bordered by hedges and plantation. These spaces are maintained by the University for walking, recreation and outdoor use.

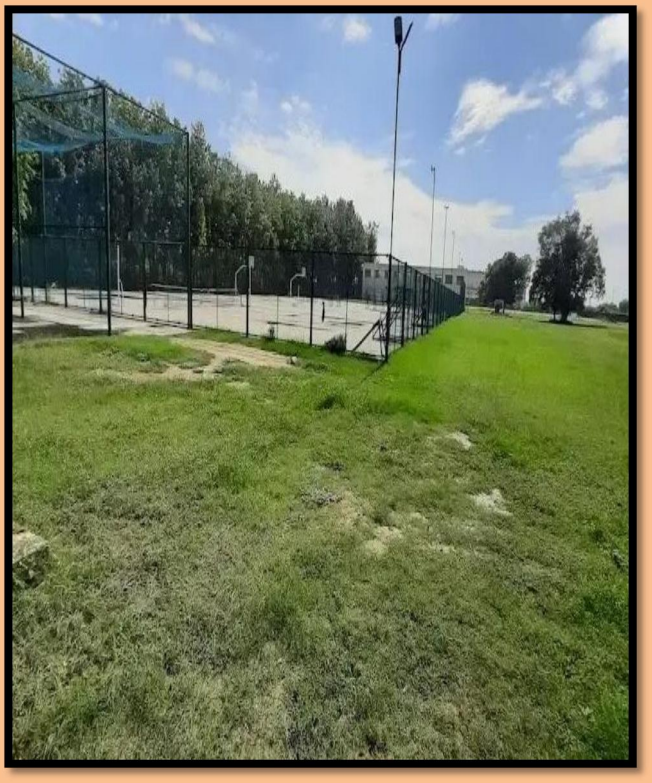

Fig. 2, 3, 4: Green and open spaces at Swami Vivekanand Subharti University, Meerut.

2. The Capt. Yamanochi Subharti Play Ground provides young children with a cheerful space to play, relax and enjoy happy moments away from their busy routines. It also encourages physical development, social interaction and overall well-being through outdoor play and fun activities.

Fig. 5, 6, 7 and 8: Capt. Yamanochi Subharti Play Ground for Young Children

3. The following photographs show that the University continuously develops and expands its green spaces through plantation drives organised by the University Environment Committee, so that the open and green areas of the campus are regularly maintained and improved.

https://news.subharti.org/plantation-drive-by-university-environment-committee

Fig. 9: Plantation activity conducted at SVSU campus on 28 August 2024.

4. The following photographs show that the University uses its green campus for environmental awareness programmes, such as World Environment Day 2024, which shows that its open and green spaces are actively used and cared for by the University community.

https://news.subharti.org/world-environment-day-2024

Fig. 10, 11, 12, 13: Environmental awareness activity conducted on the green campus of SVSU on World Environment Day 2024.

5. SVSU has undertaken various initiatives to maintain and promote a green and environmentally sustainable campus. These include plantation activities, environmental awareness programmes, green-waste composting, recycling and other campus-based environmental initiatives.

https://blog.subharti.org/greenzone-campus/

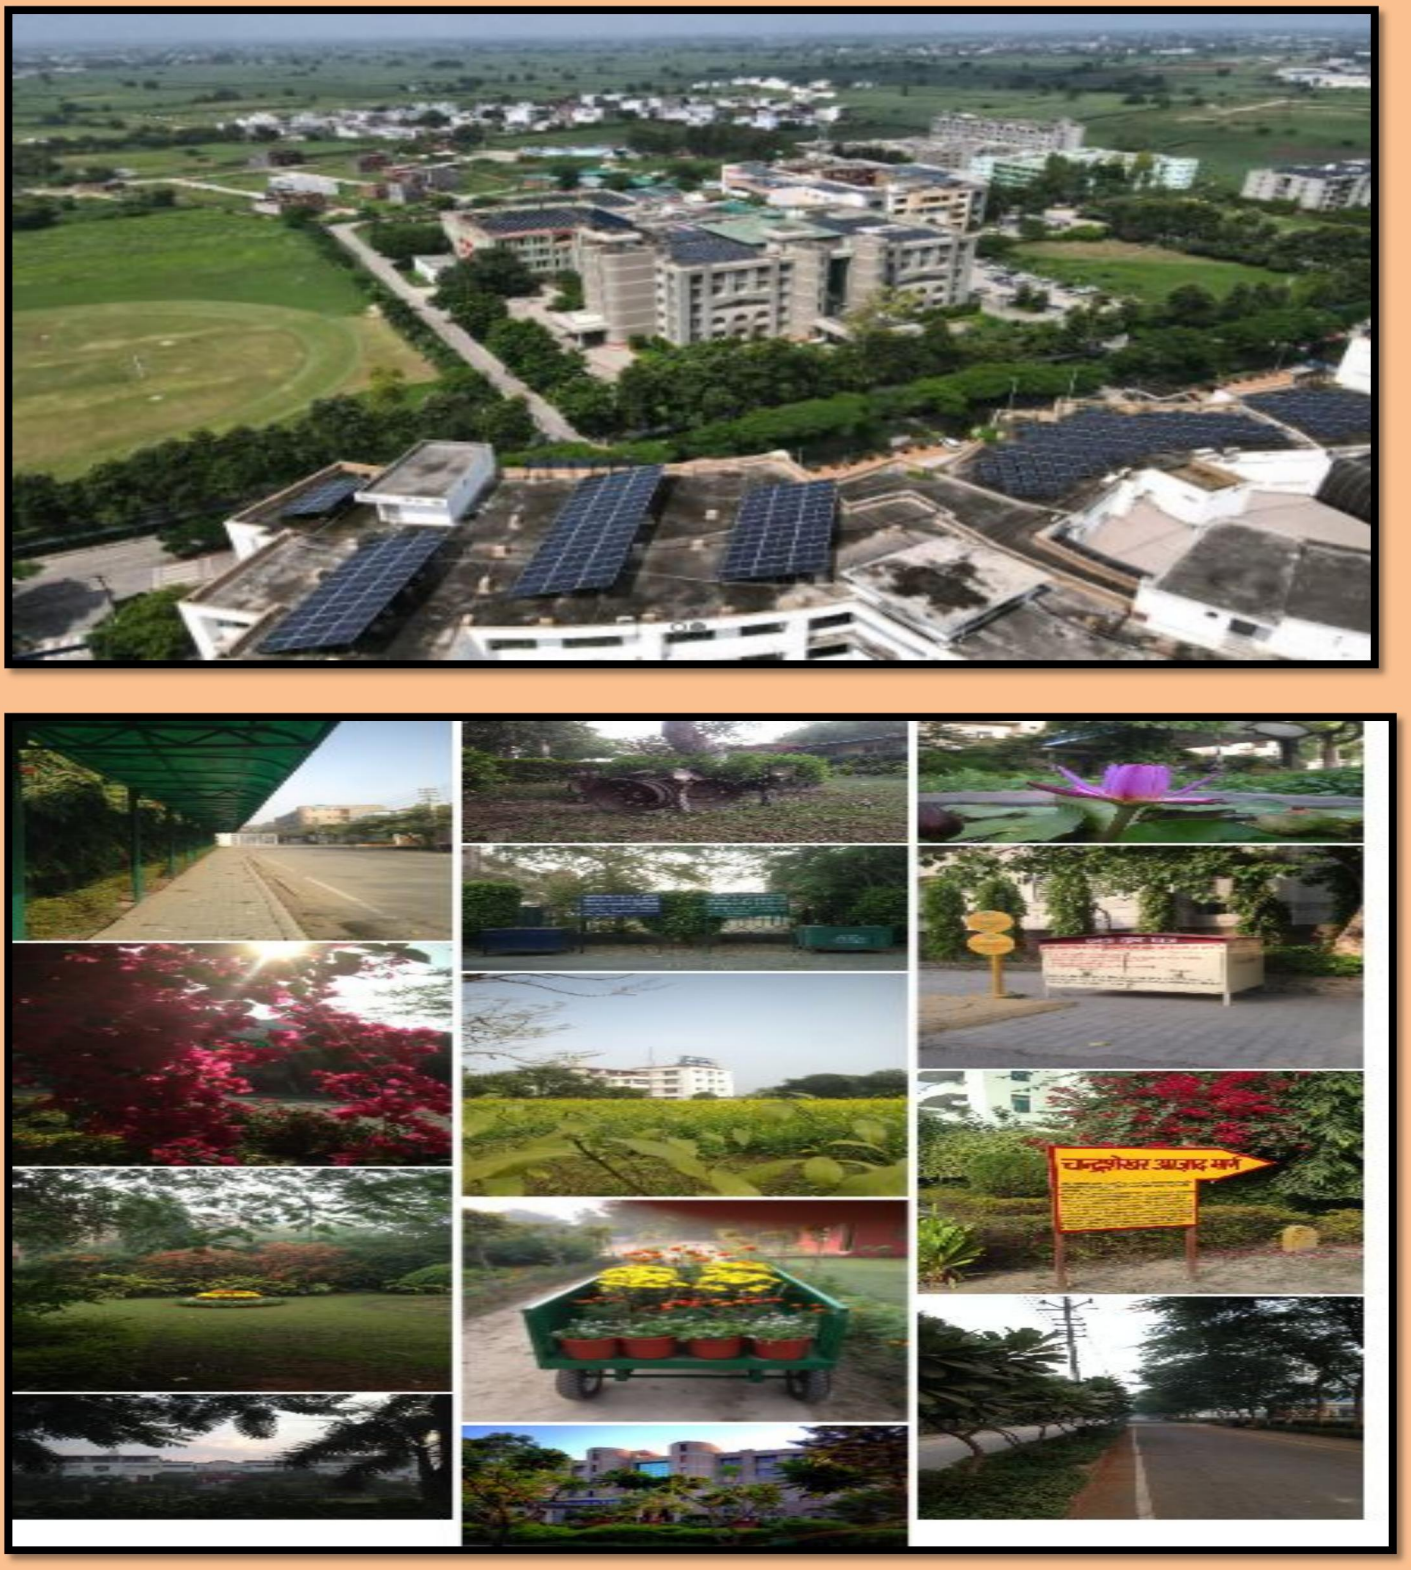

Fig. 14, 15: Green initiatives and environmentally sustainable practices at Swami Vivekanand Subharti University.

6. Use of Open and Recreational Spaces: SVSU's open recreational spaces and playgrounds are actively used for sports and outdoor activities by students. During AIKYAM Sports Event 2025, held from 5 to 8 April 2025, students participated in various sports activities at Gyani Pritam Singh Playground and General Mohan Singh Playground. The event witnessed participation of more than 300 students.

The use of the University's playgrounds for organised sports activities is also documented through the Annual Sports Fest "VIHANG" 2024, which was conducted at General Mohan Singh Playground and Gyani Pritam Singh Playground from 26 to 28 February 2024, with approximately 400 students participating.

8. Bodhi Upwan, located on the campus of Swami Vivekanand Subharti University (SVSU), Meerut, is a peaceful green space where people can sit quietly and remember Lord Buddha. The calm surroundings and greenery provide an atmosphere of peace and reflection, helping to bring calmness to the mind and peace to the soul. Bodhi Upwan also reflects the University's respect for Buddhist teachings, mindfulness and spiritual well-being. Web link (https://news.subharti.org/16-01-22/)

Free Public Access to Outdoor Sports Grounds and Green Spaces

Swami Vivekanand Subharti University provides free public access to its open spaces and green spaces across the campus. The University's gardens, green areas, lawns, open grounds and outdoor recreational spaces are accessible to visitors and members of the local community without any entry fee. These spaces provide opportunities for walking, relaxation, recreation and spending time in a natural green environment. In addition, the University has a *Policy on Free Access to Sports Facilities for Local Community*, which allows eligible local community members, including residents of adopted villages, senior citizens, women and differently-abled individuals, to use designated sports facilities free of cost. Through these facilities and open spaces, the University promotes public access to green areas, outdoor recreation and community well-being.

Policy on Free Access to Sports Facilities for the Local Community

S. No.	Particulars	Description
1	Policy Number	U-07/SVSU/2024/2740
2	Policy Structure	Promote community health by granting free access to local community for designated University sports facilities in support of SDG-3.
3	Scope of the Policy	— This policy applies to designated sports grounds, athletics tracks, open fitness areas, and selected indoor courts of the University. — Gymnasium equipment and specialized facilities may be made available separately as per university rules.
4	Policy Status	Original
5	Originated By	The Department of Physical Education of the University
6	Reviewed By	Registrar
7	Effective Date of Policy	22.06.2024
8	Approving Authority	Hon'ble Vice Chancellor
9	Policy Review Date	08.03.2025

2. Policy Statement

The University supports community engagement and social responsibility by allowing local community residents to access designated sports facilities free of cost, fostering a healthy and active environment around the campus.

3. Eligible Beneficiaries

Free access is extended to:

- Residents from the local community/villages adopted by the University.
- Selected school students of private/government schools approaching for the said facilities of the University.
- Senior citizens, women, and differently-abled individuals are encouraged to participate.
- Visitors from outside the defined locality, clubs, or commercial groups require prior approval from the University.
- Other than the designated facilities if asked for will be given with prior approval from the University.

11.2.5 Does your university as a body contribute to local arts, in terms of number of annual public performances of university choirs / theatre groups / orchestras etc?

Answer: Yes, Swami Vivekanand Subharti University (SVSU), Meerut, provides platforms for students to participate in music, dance, theatre, literary and other cultural performances. Documented university activities include the annual cultural programme Spandan, participation in the AIU Central Zone Youth Festival, cultural festivals and competitions, and recent programmes involving music, dance and theatrical performances. These activities create recurring opportunities for students to practise, present and celebrate artistic expression and contribute to a vibrant campus cultural environment.

Detailed Institutional Contribution

Annual Cultural Programming

SVSU's cultural programming includes recurring annual and periodic events rather than isolated activities. The official report for Spandan 2024–25 describes a three-day annual cultural programme organised by the University's Cultural Committee. Such programmes provide a structured institutional platform for artistic presentation, participation and cultural interaction.

Music, Dance and Theatre

The university's documented activities cover multiple performing-art forms. The AIU Central Zone Youth Festival report records participation in classical dance, folk dance, solo classical singing, light vocal, Indian group song, percussion/tabla, folk orchestra and cultural procession. More recent SVSU programmes also document dance, music and theatrical performances, demonstrating continuity of performance opportunities.

Cultural Diversity and Student Participation

SVSU uses cultural events as platforms for students from different academic areas to present artistic skills. Programmes such as International Mother Language Day combine language, music, dance and drama, while annual cultural fests provide multiple competitive and non-competitive categories.

Sample of Photographs Supporting Celebration of Above Activities and Contribution to Local Arts

- Republic day Celebration at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Values.

- Independence day of United India at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Values.

- Bharteeya Bhasha Utsava- 2024 celebration at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Values.

- Swami Vivekanand Subharti University promotes international cultural heritage through La Fête24 – French Culture Tradition Celebration, organized by the Department of Languages on 16 December 2024. The event introduced students to French traditions, language, cuisine, monuments and cultural practices through presentations and interactive games, encouraging appreciation of cultural diversity and heritage.

- Korean through Games Celebration at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Values.

- Hanguel Celebration at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Values.

❖ Holi Mela and Holi Milan celebration at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Value

❖ Diwali Mela at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Values.

- Janmashtami Celebration at Swami Vivekanand Subharti University: Celebrating Indian Cultural Heritage and Traditional Values.

- Basant Utsav was celebrated at Swami Vivekanand Subharti University on 14 February 2025, showcasing Indian cultural traditions through music, dance and artistic performances. The celebration provided a platform for students to express their creativity and appreciate India's rich cultural heritage through live cultural performances.

- Applied Art Exhibition: Promoting art and heritage through students' creative works, showcasing artistic skills, cultural expression and appreciation of India's rich artistic traditions at Swami Vivekanand Subharti University.

- 13th Annual Art Exhibition: Celebrating art and heritage through a diverse display of artworks, highlighting students' artistic talent, cultural values and the continuity of artistic traditions.

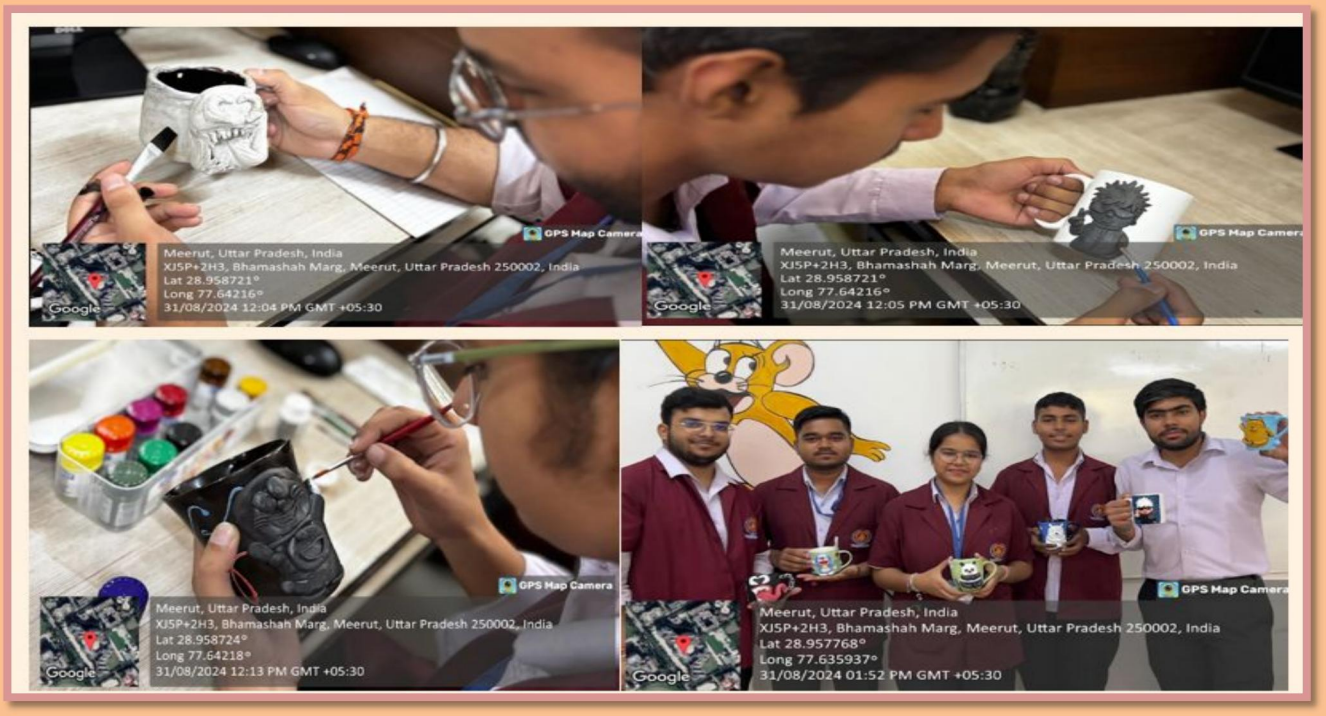

- World Earth Day 2025 Art Competition: Promoting art and heritage through creative expression, encouraging students to communicate environmental awareness and the importance of protecting nature through their artistic works.

- Mandala Art Competition: Promoting art and heritage through traditional mandala designs, encouraging students to explore cultural patterns, artistic creativity and the preservation of traditional art forms.

- Workshop on Applied 3D Clay Design in Animation: Swami Vivekanand Subharti University promotes art and heritage through hands-on learning in 3D clay modelling and animation, encouraging students to explore creative techniques and connect traditional art forms with contemporary visual expression.

- Sangwadini Swar Vaadh Event: Swami Vivekanand Subharti University promotes art and heritage through traditional Indian musical performances, highlighting the cultural significance of the Samvadini instrument and contributing to the preservation of India's rich musical traditions.

- Swami Vivekanand Subharti University celebrated International Day of Yoga on 21 June 2024, promoting traditional Indian cultural practices through yoga demonstrations and group participation. The activity encouraged awareness and appreciation of India's cultural heritage and supported its preservation through community participation.

- Swami Vivekanand Subharti University observed International Mother Language Day 2024 to promote linguistic diversity and preserve regional languages. The activity encouraged appreciation of mother tongues and cultural identity, contributing to the documentation and preservation of linguistic heritage.

- Swami Vivekanand Subharti University hosted the 37th AIU Central Zone Youth Festival, providing a platform for students to showcase traditional folk music through Folk Orchestra performances. The event promoted India's musical heritage, encouraged cultural exchange and supported the preservation of traditional performing arts.

- Students of Swami Vivekanand Subharti University participated in the 62nd Major Ranjit Singh All India Classical Music and Classical Dance Competition, organised by Prayag Sangeet Samiti, Prayagraj. Through their performances, students contributed to the promotion and preservation of India's traditional classical music and dance heritage, showcasing the richness of Indian performing arts at a national-level cultural platform. The University secured 4 First Prizes and 2 Second Prizes in the competition.

- Swami Vivekanand Subharti University promotes and supports art and heritage through creative activities such as Subharti Animation Fest 2024. The University provides students with opportunities to showcase their artistic work through animation and visual storytelling, encouraging the appreciation of traditional and contemporary art forms. Such activities help nurture creativity, preserve artistic expression and promote cultural heritage among students.

- Swami Vivekanand Subharti University promotes art and cultural heritage through Udyamam 2025, providing students with opportunities to participate in traditional and creative activities such as Rangoli, Mehndi, Painting, Dance, Singing and Street Play. These activities encourage artistic expression and appreciation of India's diverse cultural traditions.

- Swami Vivekanand Subharti University celebrates Buddha Purnima Utsav to promote and preserve Buddhist art, culture and heritage. The event provides a platform for students to engage with Buddhist traditions, cultural practices and artistic expressions, contributing to the preservation and promotion of India's rich cultural heritage.

- Swami Vivekanand Subharti University promotes art and cultural heritage through Bahirang 2025 by providing students with a platform to showcase their creative talents through various cultural performances and artistic activities. The festival encourages artistic expression, participation in performing arts and appreciation of cultural traditions, contributing to the promotion of art and heritage among students.

- Swami Vivekanand Subharti University promotes performing arts and cultural heritage through its students' participation in the Myanmar New Year Water Day celebration at the Myanmar Embassy, New Delhi. Students presented Bollywood medley dance, Punjabi Giddha and Bollywood mashup singing, showcasing Indian dance and music traditions on an international platform and promoting cultural exchange.

- Swami Vivekanand Subharti University promotes art and cultural heritage through Spandan 2024, its three-day annual cultural festival held in October 2024. The festival featured solo and group singing, solo and group dance, drama, painting, face painting, Mehndi, Rangoli, collage and fashion show competitions. The Indian Heritage Painting Competition and other artistic performances encouraged students to express their creativity and appreciate India's rich artistic and cultural traditions.

11.2.6 Does your university as a body deliver projects to record and/or preserve intangible cultural heritage such as local folklore, traditions, language, and knowledge? This can include the heritage of displaced communities?

Answer: Yes**,** Swami Vivekanand Subharti University contributes to the preservation and transmission of cultural heritage through its museum collections, Buddhist heritage initiatives and promotion of Indian languages and cultural traditions.

The Kuru Museum preserves the archaeological and cultural heritage of the Kuru region, including Meerut, Hapur, Ghaziabad and Baghpat. Its collections include pottery, coins, terracotta objects, toys, Buddhist antiquities and other archaeological remains, providing a preserved record of the region's heritage for education, research and future generations. https://subharti.org/museums-subharti-university-india.php

The Tathagat Buddha Chair and Samrat Ashok Subharti School of Buddhist Studies support the preservation and transmission of Buddhist literary and knowledge heritage through Pāḷi language, Buddhist texts, research and translation of rare Buddhist texts. The School also promotes cultural preservation through its academic programmes and scholarly activities.

https://news.subharti.org/two-day-national-conference-on-pa%E1%B8%B7i-as-the-classical-language-of-india

The Department of Languages contributes to the preservation and transmission of Indian linguistic and cultural heritage by promoting Indian languages, literature and cultural expressions. Its Bhartiya Bhasha Utsav 2024 brought together Indian languages and dialects through lectures, poetry, dance and music, highlighting their role as carriers of India's rich culture. https://news.subharti.org/bhartiya-bhasha-utsav-2024

Overall, SVSU preserves both tangible heritage through archaeological collections and intangible heritage through languages, literature, Buddhist knowledge and cultural traditions, making these resources available for learning, research and future generations.

- Students presenting Kajri folk singing and dance, preserving the traditional folk heritage of North India, at the “Srijan” workshop organized by the Department of Languages with the UP Institute of Folk and Tribal Culture, Lucknow.

- Students of the Department of Fine Arts learning traditional crafts, Amer Mirror Craft, Lippan Art and Tapestry Craft, under an expert trainer at the “Method and Material” workshop.

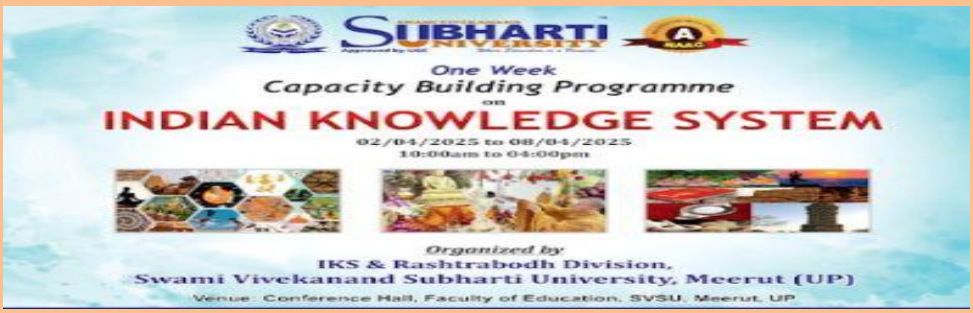

- Sanskrit Divas, 20 August 2024, organized by the Department of Languages, Swami Vivekanand Subharti University: Promoting Sanskrit Language, Literature and India's Rich Cultural Heritage.

- One-Week Capacity Building Programme on Indian Knowledge System (2–8 April 2025), organized by the Faculty of Education and Faculty of Liberal Arts & Humanities, Swami Vivekanand Subharti University: Promoting Traditional Indian Knowledge, Cultural Heritage and Indigenous Wisdom.

- National Conference on Indian Knowledge System in the Context of SDGs (20–21 November 2024), organized by UFDC, Swami Vivekanand Subharti University: Exploring Traditional Indian Knowledge, Sustainable Development and the Preservation of India's Rich Cultural Heritage.

- Hindi Divas, 14 September 2024, organized in collaboration with the Departments of Languages and Buddhist Studies, Swami Vivekanand Subharti University: Promoting the Hindi Language, Celebrating Linguistic Diversity and Preserving India's Rich Literary and Cultural Heritage.

- Culinary Heritage Documentation: Preserving the Culinary Traditions of Awadh, Braj, and Other Regions of Uttar Pradesh. The supporting document highlights the documentation and preservation of traditional culinary practices and regional food heritage of Uttar Pradesh. Relevant evidence is available on Page 6, Point No. 10, and Pages 99–102.

World Poetry Day: Celebrating Literary Heritage, Promoting Poetic Expression and Appreciating the Role of Poetry in Preserving Cultural Identity and Enriching India's Literary Traditions.

- **Rahul Sankrityayan Jayanti Celebration:** Commemorating the Life and Contributions of Rahul Sankrityayan, Promoting Awareness of India's Literary and Historical Legacy, and Preserving the Nation's Rich Intellectual and Cultural Heritage.

- **Homemade Delights – Papadam Crafting Session:** Promoting Traditional Food Preparation Techniques, Preserving Indigenous Culinary Knowledge and Celebrating the Rich Regional Food Traditions and Intangible Cultural Heritage of India.

- **Khadi Raag Fashion Show:** Showcasing India's Traditional Khadi Textiles, Promoting Indigenous Weaving and Craftsmanship, and Celebrating the Nation's Rich Textile Heritage and Traditional Art Forms.

- **Khadi Exhibition:** Showcasing Traditional Khadi Products, Promoting Indigenous Textile Craftsmanship and Supporting the Preservation of India's Traditional Handloom Heritage and Cultural Practices.

- **Dharohar Club's Inter-University Event: Honoring Innovation, Earth, and Culture:** Celebrating India's Cultural Heritage, Encouraging Inter-University Cultural Engagement and Promoting Environmental Awareness, Traditional Values and Sustainable Practices.

- **National Seminar on "Netaji Ke Vicharon Ki Vartman Pariprekshya Mein Upadeyta," 29 April 2024:** Commemorating Netaji Subhas Chandra Bose's Ideals and Contributions, Promoting Historical Awareness and Preserving the Legacy of India's Freedom Struggle and National Heritage.

- Three-Day National Documentation Workshop on the Rare Tala "Brahma Tala": Preserving and documenting traditional Indian rhythmic heritage. The workshop supports the recognition and transmission of rare rhythmic traditions to future generations.

- Guest Lecture on Ragdari Music: Promoting awareness and understanding of India's classical music traditions. The lecture encourages appreciation of the knowledge, techniques and cultural significance of Ragdari music.

- Three-Day Workshop on Various Styles of the Gwalior Gharana: Documenting and preserving the rich vocal heritage of Indian classical music. The workshop highlights traditional singing techniques and the distinctive musical styles passed down through generations.

- Protection of Indian Classical Dance under Intellectual Property Rights (IPR): Promoting the protection and preservation of India's classical dance heritage. The programme highlights the importance of safeguarding traditional artistic expressions and recognising their cultural value.

- 7th North East Festival: Celebrating and promoting the cultural heritage, traditional arts and diversity of Northeast India. The festival provides a platform for showcasing regional traditions, artistic practices and cultural identities.

- 38th AIU Central Zone Youth Festival: Promoting traditional performing arts and cultural exchange among university students. The festival encourages young artists to participate in cultural activities and share diverse artistic traditions.

- Uttar Pradesh Sangeet Natak Akademi State-Level Competition: Promoting and preserving regional music, dance and traditional performing arts. The competition provides opportunities for artists to showcase their skills and contribute to the continuity of regional cultural traditions.

- 38th AIU National Youth Festival, Talkatora Stadium, New Delhi: Showcasing India's diverse cultural traditions through music, dance and performing arts. The festival encourages cultural interaction and helps students appreciate the richness of India's artistic heritage.

- Three-Day National Documentation Workshop on the Rare Tala "Brahma Tala" at Swami Vivekanand Subharti University: Documenting and preserving the traditional rhythmic heritage of Indian classical music. The workshop focused on the rare Brahma Tala, helping students and participants understand traditional rhythmic patterns and musical knowledge for their continued practice and transmission to future generations.

- Lokotsav: Literary Symposium and Cultural Programme at Swami Vivekanand Subharti University: Celebrating and preserving the folk and tribal cultural heritage of India through traditional music, dance and performing arts. The programme featured Algoza (traditional folk instrument), Sanskar Geet, Haryanvi folk dance, Ghoomar and traditional Nat performances, providing a platform for folk artists to showcase regional cultural traditions.

- Five-Day Value-Added Course on "Traditions of Indian Music and Dance" at Swami Vivekanand Subharti University: Promoting the preservation and transmission of Indian classical dance traditions through practical training in rare Kathak Bandishes and their traditional execution. Students learned compositions based on different rhythmic cycles (Taals) under the guidance of renowned Kathak exponent Guru Rajashree Shirke and presented their learning at the concluding session.

- One-Day Exhibition on “Indian Knowledge System (IKS): At a Glance 2025” at Swami Vivekanand Subharti University: Showcasing India's traditional knowledge, philosophy, literature and indigenous wisdom through educational exhibits. The exhibition presented themes including the Vedas, Yoga, Mahabharata, Bhagavad Gita and Puranas, highlighting the importance of preserving and integrating traditional Indian knowledge into contemporary education.

- International Mother Language Day Celebration at Swami Vivekanand Subharti University: Promoting linguistic diversity and creating awareness about the importance of preserving mother tongues, regional languages and cultural identities. The programme encouraged appreciation of India's multilingual heritage and highlighted the role of languages in transmitting literature, traditions and cultural knowledge across generations.

- Krishna Janmashtami Utsav at Swami Vivekanand Subharti University: Celebrating India's spiritual and cultural heritage through traditional dance, acting performances, mantra chanting and festival-related activities. The programme provided students with an opportunity to participate in traditional cultural expressions and develop an appreciation of India's religious, literary and performing arts traditions.

- Dhwani – Bhakti Unplugged: Makar Sankranti Celebration at Swami Vivekanand Subharti University: Promoting India's devotional and spiritual musical traditions through bhajans, kirtans, group singing and dance performances. The programme provided students with an opportunity to experience and participate in traditional devotional music and cultural practices, encouraging the transmission of India's spiritual heritage to younger generations.

11.3.1 - University expenditure?

11.3.2 - University expenditure on arts and heritage?

Yes, Swami Vivekanand Subharti University (SVSU), Meerut, recognizes the importance of arts, culture and heritage in promoting inclusive, vibrant and sustainable communities. The University considers the promotion of artistic expression, preservation of traditional art forms, cultural participation and creative learning as important components of holistic education and social development.

The University supports artistic and cultural activities through its Fine Arts and Performing Arts Departments, along with various cultural initiatives undertaken across the campus. These activities provide students with opportunities to explore creativity, develop artistic skills, appreciate India's cultural diversity and participate in traditional and contemporary forms of art.

The University allocates financial resources towards supporting arts and heritage-related activities, including the procurement of art and craft materials, musical instruments, cultural resources, repair and maintenance of musical equipment and materials required for theatrical performances, folk dance and other artistic activities**.**

Institutional Initiatives for Promotion of Arts and Heritage

The University promotes arts and cultural development through its academic departments and cultural activities. These initiatives encourage students to develop creative abilities, appreciate cultural diversity and engage in artistic and performing activities.

Fine Arts and Creative Activities

The Fine Arts Department facilitates artistic learning and creative expression through practical activities involving drawing, painting, craftwork, decorative art and other visual art forms.
The University provides financial support for the procurement of materials required for these activities, including drawing and painting materials, art papers, chart papers, coloured sheets, mount boards, sun boards, decorative materials, adhesives, craft supplies and other consumables.

These resources facilitate practical learning, creative projects, artistic presentations and the development of students' visual and creative skills.

Performing Arts and Musical Activities

The Performing Arts Department promotes musical learning, traditional performances, folk music, dance and theatrical activities. The University supports these initiatives by providing resources required for musical training, cultural performances and practical engagement in performing arts.

The expenditure includes the procurement, repair and maintenance of musical instruments such as Tabla, Harmonium, folk orchestra instruments and other musical equipment. Supporting materials and accessories required for performances and musical activities are also included.

These initiatives help students engage with traditional Indian music and cultural expressions while developing their artistic and performance abilities.

Theatre, Mime and Cultural Activities

The University supports theatrical performances, mime presentations, folk dance and other cultural activities through the provision of necessary materials and resources.

Expenditure includes theatrical accessories, face paints, costumes and supporting materials, decorative items and other resources required for cultural presentations.

These activities encourage students to develop confidence, communication skills, creativity and appreciation of diverse cultural traditions.

Financial Support towards Arts and Heritage

The University allocates financial resources to facilitate the functioning of its Fine Arts and Performing Arts Departments and to support various artistic and cultural activities.

The expenditure incurred towards arts and heritage includes the following broad categories:

S. No.	Expenditure Category	Nature of Expenditure
1	Fine Arts Materials	Procurement of drawing, painting, colouring, craft and decorative materials.
2	Art and Creative Supplies	Purchase of papers, mount boards, chart papers, sunboards, adhesives and other creative resources.
3	Musical Instruments	Procurement of traditional and contemporary musical instruments.
4	Repair and Maintenance	Repair, servicing and maintenance of musical instruments and related equipment.
5	Performing Arts Resources	Procurement of materials required for music, dance and stage performances.
6	Theatre and Mime Activities	Purchase of theatrical accessories, face paints and other performance-related materials.
7	Folk and Cultural Activities	Resources required for folk dance, folk music and other cultural presentations.
8	Other Arts-Related Resources	Consumables and supporting materials directly associated with arts and heritage activities.

For Indicator 11.3.1, the University collects and consolidates financial information relating to total institutional expenditure and expenditure specifically allocated towards arts and heritage.

The financial information is compiled with the support of the Finance Department and concerned academic departments. The following two parameters are considered:

S. No.	Particulars	Amount in Rupees
1	Total University Expenditure	3,18,06,60,077.79
2	University Expenditure on Arts and Heritage	30,51,143.55

The expenditure on arts and heritage is identified from departmental financial records, purchase invoices, payment vouchers and other supporting documents.

Contribution towards Preservation and Promotion of Cultural Heritage

The University's financial support for arts and heritage contributes to the promotion of cultural awareness and the continuation of traditional artistic practices.

The procurement and maintenance of traditional musical instruments facilitate engagement with Indian musical traditions. Similarly, support for folk dance, theatre, mime and other cultural activities provides opportunities for students to understand and appreciate diverse cultural expressions. Through its Fine Arts and Performing Arts Departments, the University encourages students to participate in creative and cultural activities, thereby strengthening their understanding of artistic traditions and contemporary forms of expression.

The University's approach recognises that arts and culture are important for preserving cultural identity, encouraging social interaction and fostering inclusive communities.

Conclusion

Swami Vivekanand Subharti University demonstrates its commitment to the promotion of arts, culture and heritage through financial support and institutional initiatives undertaken by its Fine Arts and Performing Arts Departments.

The University's expenditure towards artistic materials, creative resources, musical instruments, instrument maintenance, theatrical activities and cultural programmes supports the development of students' creative abilities and encourages participation in diverse forms of artistic expression.

Through these initiatives, university contributes to the promotion of traditional and contemporary art forms, cultural awareness and creative engagement. The University's efforts reflect its commitment to recognising arts and culture as important elements of sustainable community development.

By supporting artistic activities and providing the necessary resources for cultural engagement, the University contributes to the broader objectives of Sustainable Development Goal 11, particularly the promotion and safeguarding of cultural heritage and the development of inclusive and sustainable communitie

11.4.1 Does your university as a body measure and set targets for more sustainable commuting (walking, cycling or other non-motorized transport, vanpools, carpools, shuttlebus or public transportation, motorcycle, scooter or moped, or electric vehicles)?

Answer: Yes, Swami Vivekanand Subharti University promotes sustainable commuting by encouraging different modes of transportation that help reduce dependence on individual motor vehicles and support environment-friendly campus mobility. The University's Sustainable Commuting and Green Mobility Action Plan (2024–2029) focuses on the following areas:

1. **Walking and Cycling**

- Maintaining and gradually expanding pedestrian-priority areas.
- Encouraging walking and cycling for short-distance travel.
- Improving pedestrian pathways and identifying suitable bicycle parking spaces.

2. Shared and Public Transportation

- Promoting University buses, mini-metros and shared transport facilities.
- Encouraging carpooling and vanpooling among students and employees.
- Encouraging the use of public transportation for daily commuting.

3. Motorcycles, Scooters and Mopeds

- Including two-wheelers in commuting surveys and transport records.
- Encouraging the use of electric two-wheelers as a cleaner travel option.

4. Electric Mobility

- Maintaining records of electric vehicles in the University fleet.
- Promoting electric cars, scooters and other suitable electric vehicles.
- Gradually increasing the use of electric vehicles wherever feasible.

Measurement and Future Targets (2024–2029)

The University plans to conduct annual Sustainable Commuting Surveys to measure the transport modes used by students, faculty and staff. Vehicle inventories, pedestrian-area measurements and transport utilization records will also be used to review progress.

The University's targets are to increase pedestrian-priority areas, promote walking and cycling, strengthen shared and public transportation, encourage carpooling and gradually increase the use of electric vehicles. Progress will be reviewed periodically to identify further opportunities for improving sustainable commuting across the campus.

1. University Bus Service (Shared Transport)

The University operates its own buses as shared transport for the campus community, reducing the number of individual vehicles on the road.

Figure 1: *University buses at the campus transport bay (view 1 of 3).*

2. Electric vehicles

Electric Vehicles for on-campus movement Battery-operated vehicles – an electric passenger shuttle, e-rickshaws and electric carts – are used for movement within the campus in place of petrol and diesel vehicles.

Figure 2,3 : *Electric passenger shuttle & E-rickshaw operating on the campus road.*

Figure 4, 5 : *E-rickshaws and scooters & Electric carts and electric shuttle vehicles at the campus vehicle bay.*

Figure – 6 Traffic Safety Measures: Stop, No Horn and 20 km/h Speed Limit Signage on Campus

3. Electric cycle sharing

PlusX electric e-cycles are available at a cycle station on the campus. Users start and stop a ride through the PlusX app and a QR code, as the instructions displayed at the station explain.

Figure 7, 8: *PlusX electric e-cycle station at the Subharti campus, with ride start/stop instructions displayed on the board.*

4. Covered walkways

Covered, tree-lined walkways run alongside the campus road, so that students, faculty members and staff can move on foot safely and comfortably in sun and rain.

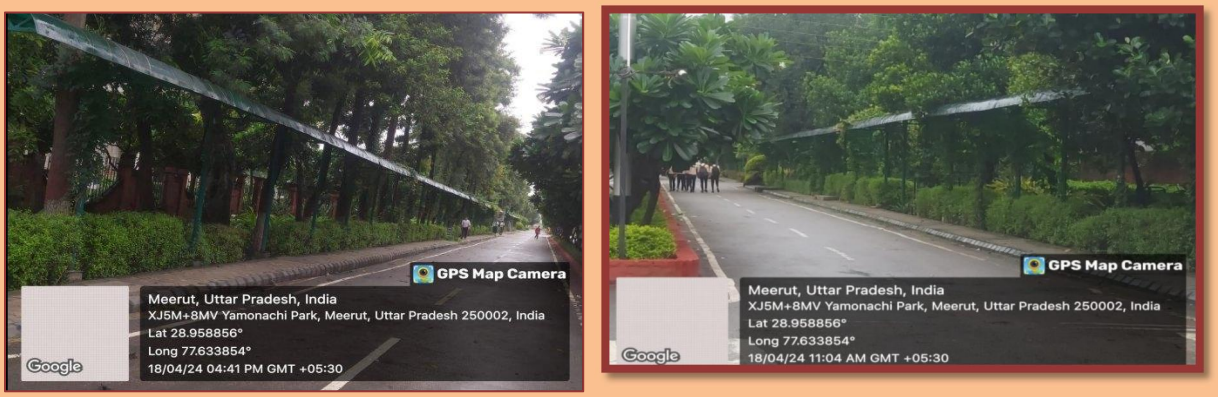

Figure 9,10 : *Covered walkway alongside the campus road, Subharti campus, Meerut.*

5. Awareness and participation

The University promotes cycling and car-free commuting through campaigns. The Fit India Sundays on Cycle campaign was organised by the University Sports Committee and the Department of Physical Education, in collaboration with the NCC Unit, SVSU, on 24 May 2026 at 7:00 AM. A Car Free Day initiative also encourages the community to leave private cars at home.

Figure 11,12: *Poster of the Fit India Sundays on Cycle campaign.*

Figure 13: Participants with bicycles at the Fit India Sundays on Cycle campaign,

Figure 14, 15: Cycle campaign participants gathered on the campus road.

Swami Vivekanand Subharti University promotes Car-Free Day to reduce fuel use and pollution. Through this initiative, the University encourages students and staff to walk, cycle and use environment-friendly transport. The poster and news article show the University's efforts to raise awareness and promote sustainable commuting.

Figure 16: Car Free Day poster issued by Subharti University, encouraging the community to leave cars at home and travel by cycle or on foot.

11.4.2 - Does your university as a body undertake actions to promote the % of more sustainable commuting (e.g. provision of free or subsidised buses or shared transport schemes, provision of bicycle parking & storage facilities, provision of cycle tracks, a bicycle and pedestrian plan or policy, bicycle sharing programme, free or reduced price transit passes, car/van pool or ride sharing programme, reduced parking fees or preferential parking for carpool or vanpool users, car sharing programme, provision of electric vehicle recharging stations, preferred parking for fuel-efficient vehicles)?

Yes, Swami Vivekanand Subharti University has implemented measures to promote sustainable commuting and reduce dependence on individual motor vehicles. The University provides shared transportation through its bus service and uses electric shuttles, e-rickshaws and electric carts for campus movement. Shared electric cycles support short-distance travel, while covered and tree-lined walkways encourage walking as an active mode of transport. Regulated vehicle entry and designated parking help manage private vehicle use.

As an institutional measure to reduce car dependency, the University has issued an Office Order (Ref. No. U-07/SVSU2025/522 dated 30.09.2025) declaring Car Free Days on every Tuesday, Wednesday and Thursday. The University has also issued an Office Order (Ref. No. U-07/SVSU/2026/3871) making helmet use mandatory for all two-wheeler users at the SVSU campus, supporting safer commuting.

These measures directly support SDG 11.4.2 by providing and promoting shared, electric and active modes of transport, while institutional measures encourage reduced use of individual motor vehicles and safer commuting practices.

OFFICE ORDER

Subject: Mandatory wearing of helmets for all two-wheeler at SVSU campus

It has been observed that a large number of persons driving two-wheelers inside the University campus are not wearing helmets. At times, such riders also exceed safe speed limits, creating a risk of accidents.

In light of the above and in the interest of the safety of all employees, students, residents and visitors, the competent authority has approved the following directions with immediate effect:

1. Every person driving or riding a two-wheeler (including passenger seating with the riders) inside the SVSU campus shall wear a properly fastened ISI-marked helmet.
2. All two-wheeler riders must maintain low, safe speeds inside the campus, particularly near academic buildings, hostels, pedestrian crossings, and parking zones.
3. These instructions apply to all faculty, non-teaching staff, contract workers, students, and any other personnel of all colleges, departments, and units functioning within SVSU.
4. Heads of all colleges, departments, Dy. Registrar Accommodations, Administrative Officers are requested to immediately communicate this order to all concerned and ensure the compliance.
5. Security personnel are authorized at all entry gates and inside the campus shall stop any two-wheeler rider found without a helmet and prevent them from entering or moving further. Repeat violations may attract fines, confiscation of vehicles, entry bans or any other for appropriate disciplinary action by director security.
6. This order comes into force with immediate effect.

All are requested to treat this as a mandatory safety imperative, not merely a regulatory directive and cooperation from every individual will help us to make campus a safer place for all.

This issues with the directions of the Competent Authority,

11.4.3 - Does your university as a body promote or allow telecommuting or remote working for employees as a matter of policy or standard practice, and/or offer a condensed working week to reduce employee commuting?

Yes, Swami Vivekanand Subharti University, Meerut, provides flexibility to its teaching and non-teaching employees to work from home or other suitable locations through telecommuting, wherever the nature of their duties permits. Employees may perform their official work remotely using digital communication tools and online systems, with the approval of the competent authority.

This facility helps employees manage their work without having to travel to the University campus every day when their physical presence is not required. Employees working remotely are expected to stay connected with their respective departments, remain available through official communication channels, maintain the confidentiality of university records and complete their assigned work on time.

By allowing remote working wherever possible, the University helps reduce unnecessary daily travel by employees. This can also reduce the use of personal vehicles, traffic on roads and fuel consumption. The arrangement supports a more flexible working environment while encouraging employees to use digital platforms for official communication and day-to-day work. During the reporting period, no employee applied to avail of the telecommuting facility. Therefore, although the University has provided for this facility through its official declaration, no employee availed of it during this period.

DECLARATION REGARDING TELECOMMUTING FACILITY

This is to declare that Swami Vivekanand Subharti University, Meerut, Uttar Pradesh, India, recognises telecommuting as a flexible working arrangement that enables employees to perform their official duties away from the University campus through digital communication technologies and online systems, wherever appropriate.

The University may permit telecommuting for teaching and non-teaching employees, depending on the nature of their work, employee needs, prevailing circumstances, and administrative requirements, subject to approval by the competent authority. Employees permitted to telecommute are expected to remain accessible through appropriate communication channels, coordinate effectively with their respective departments, maintain the confidentiality of official information, and complete assigned responsibilities within the stipulated timelines.

11.4.4 Does your university as a body provide affordable housing for employees?

Answer: Yes, Swami Vivekanand Subharti University, Meerut, is committed to providing affordable housing for employees through direct provision of residential accommodation, affordability measures and financial/in-kind support. The University provides 11 staff-quarter blocks comprising 532 rooms/flats, while its HR Manual provides rent-free campus accommodation to eligible employees. A formal Accommodation Policy and EMS/S-Touch application system ensure transparent access and allotment, supported by defined residential service charges and documented institutional evidence. Through these measures, SVSU demonstrates its commitment to evaluating affordability, providing housing directly, providing financial support, maintaining evidence, and making relevant evidence publicly accessible, in alignment with UN SDG 11.4.4 – Affordable Housing for Employees

Swami Vivekanand Subharti University (SVSU), Meerut, is committed to promoting employee welfare, social sustainability and a supportive work environment by providing affordable residential accommodation to eligible teaching and non-teaching employees.

The University has established a formal institutional framework for employee housing through its Policy for Accommodation Facility, Ref. No. SVSU/Accomm./2024/732 dated 01 September 2024. The policy provides a transparent and systematic mechanism for employees to apply for university accommodation through the EMS/S-Touch system, ensuring that access to residential facilities is governed by defined institutional procedures. Accommodation allotment is determined on the basis of established criteria, including post seniority, date of joining, date of application, and institutional and employee needs. The policy also provides a structured framework for the allotment, use, maintenance, shifting, vacation and handover of residential accommodation, thereby ensuring responsible and equitable management of university housing facilities. Through this policy, SVSU institutionalizes its commitment to accessible, affordable and well-regulated housing support for employees.

Policy for Accommodation Facility

1. Applying:

a. All applications should be through the EMS only.
b. Written applications will not be entertained.
c. New employees who apply for accommodation tentatively before their appointment may apply in written.

2. Allotment criteria:

While consideration of allotment the following aspects will be considered:

a. **Seniority of as per post**
b. **Seniority of as per date of joining**
c. **Seniority of as per date of applying**
d. **Institution's and Employee's need**

As per the criteria point 'd' if a commitment is made for accommodation facility at the time of appointment, the employee will be given preference.

1. 07 days' time period will be given for shifting to the allotted accommodation.
2. If the allottee does not shift even within 07 days from the allotment, it will be presumed that he/she is not interested to shift and the accommodation will be allotted to another person as per criteria.
3. In case the allottee needs then he/she can request up to 07 days more time only.

3. Deduction of charges:

1. The service charges of the accommodation allotted will be initiated after 07 days of allotment or from the date of key handing/taking over of the accommodation, whichever will be earlier.
2. Employees who will be allotted accommodation before 15th date of the particular month will be consider for full month service charge.

3. Accommodation will be provided neat and clean with tube lights, ceiling fans, regulators, switches/sockets and all the sanitary fittings in working condition.

1

4. No rent is charged for the accommodation by the University; however 10% of the salary will be considered as perquisite for the calculation of Income Tax to be deducted from salary.
5. Charges will include service charges another specific service charges defined below
6. Basic Service charge:
    a. If the family has only one employee, Basic service charges as prescribed will be charged as per the policy.
    b. If the family has more than one employee working in the University then also the same policy will be applicable however, they will be given preference for allotment of accommodation.
7. In case service of one of the family members is terminated then the University may :
    1. ask the employee to vacate the accommodation.
    2. ask the employee to shift to an accommodation as per the revised allotment. Criteria as per the remaining employee in the family member.
    3. increase the service charge of the existing allotment.
8. **Security Charges:**
    a. One month's amount equal to the service charge of the allotted flat will be deducted as interest free security charges which will be deducted along with the first deduction of service charge from the salary.
    b. In case of change of residence, the difference amount between the service charge of the old and new residence will be deducted.
    c. This amount will be refunded/adjusted at the time of 'No-Dues' of service. Recovery for any loss incurred in allotted residence will be made from this amount only.
    a. The University may waive off these charges in case some other sort of security fund is available with the University.
9. Electricity charges as per the meter reading and Gail gas will be chargeable as per actual.
10. Other services availed will be charged over the above as per actual.

4. <u>One Family-One House</u> :

- Only one house will be allotted to a family as per the SVSU rules.
- If an employee wants to get another house allotted along with his present house due to any personal reason, he can apply for it with due justification.
- The application may be accepted or rejected after the Management's consideration.
- In case of acceptance, the house is allotted; charges will be levied considering it to be a fresh case.
- Sub-letting is strictly prohibited. Those involved may be subjected to disciplinary action including termination of services.

5. Domestic Servant :

- In case of keeping a domestic servant or maid in the allotted house, the resident will be fully responsible for proper investigation of the servant i.e. Legal action, Police verification etc.
- After prescribed investigation, it will be mandatory to obtain an identity card by submitting all the documents to the security department as per the rules of the institution.

6. Change of Accommodation:

1. Employees may apply for change of accommodation as per their need.
2. Their applications will be considered under the rules listed above.
3. In case another accommodation is allotted then the employee will get 48 working hours to accept or reject the offer.
4. In case the accommodation is accepted they will get a 07 day period to vacate the previous accommodation.
5. In case an extension is needed a 07 day extension may be granted if requested.
6. If additional time is taken then charges of both the accommodation will be levied where the new accommodation will be charged without the applicable discount.

7. Pet Animals:

1. If a resident is having any pet animal like Dog, Cat, Rabbit etc.; he/she will have to inform the Management in written.
2. It will be mandatory to deposit all the relevant documents regarding pet's vaccination in the Accommodation Department.
3. Certain dangerous breeds of animals are not permitted in campus e.g. Pit-bull etc.
4. Pets must be kept on a leash in common areas.
5. Pet waste in common areas must be cleaned immediately.

8. Grievance:

1. All grievance relating to accommodation should be made on ERP.
2. All complaints will be monitored for the time taken to address the problem and time taken to finally resolve the complaint.
3. In case matter is not being sorted on the ERP even after 2 times then a written application may be submitted to the office of the Hon'ble VC.
4. **Disputes:**
   a. Residents are encouraged to resolve conflicts amicably.
   b. If necessary, a mediator will be nominated by the Community Manager on behalf of the aggrieved parties.
   c. in case decision the Mediator is not acceptable then the matter will be referred to the Hon'ble VC for a final decision.

9. Guests:

a. Guests are allowed but must be respectful of other residents.
b. They may live for a maximum of 2 days or for duration of a holiday period.
c. In case they are expected to stay for a longer period then intimation along with ID Proof is required to be submitted on EMS.
d. Employees will be liable for disciplinary action even incase their Guests are found involved in policy violation.

10. General rules:

1. General Rules released from time to time will be applicable which may superseded those mentioned above.
2. Residents must respect each other's privacy and property. Discriminatory or abusive behavior will not be tolerated.

3. **Cleanliness and Hygiene:**
   a. **Shared Spaces:** Residents must clean up after themselves in shared spaces where applicable (kitchen, bathroom, living areas).
   b. **Waste Disposal:** Trash should be disposed of properly and recycling guidelines followed.
   c. **Personal Space:** Residents are responsible for keeping their own living areas clean and free of pests.

4. **Safety and Security:**
   1. **Locks and Keys:** Residents must ensure doors and windows are securely locked when leaving the premises.
   2. **CCTV:** residents are permitted to install CCTV systems
   3. Dangerous activity within their accommodation is not permitted is e.g. Experiments, machine improvisations etc.
   4. **Emergency Contact:** Residents must provide an emergency contact and be aware of the nearest emergency exits.
   5. Those who get accommodation on 1st floor and above will have maintain a safe balcony and ensure there is nothing placed that can fall down and injure someone.

   - Anti national activity will be met with service termination and police intimation.
   - All family members who are routine residents will have to be uploaded on EMS by the employee along with their ID proof.
   - Rules pertaining to noise (including Quiet Hours: 10:00PM to 07:00AM) and other sorts of pollution will be applicable.
   - No Construction will be permitted within the allotted accommodation.
   - Interior decoration not involving construction/ infrastructure changes is permitted.
   - Residents are encouraged to provide feedback on community life and suggest improvements.

11. Relieving:

1. **Notice:** Employees who want to vacate their accommodation will have to apply on the ERP portal
2. Employees who are relieved from the institute will automatically forfeit their accommodation.
3. **Move-Out Inspection:** A final inspection will be conducted, and any damages or cleaning issues will be noted.
4. All the fixed items provided at the time of allotment will be received back in working condition only, failing which the cost of the item will be paid by the resident.
5. All employees who have been provided accommodation will require to obtain a NO-DUES certificate (includes move-out inspection report) final closure of the accommodation account
   Allotted accommodation will be vacated and handed over within 07 days after relieving. Failing this the applicable rent will be charged.

Direct Provision of Employee Housing

Our University provides residential accommodation **directly on the University campus** for its employees. The University's institutional facilities records identify **11 staff-quarter blocks comprising 532 rooms/flats** for teaching and non-teaching staff. This substantial residential infrastructure enables eligible employees to access housing close to their workplace and reduces the practical and financial burden associated with obtaining accommodation outside the campus.

The provision of university-owned residential accommodation represents a direct institutional contribution towards **affordable housing for employees**. It also supports employee well-being by providing convenient access to the workplace and University facilities within a secure and regulated campus environment.

Campus Facilities at Swami Vivekanand Subharti University

Affordability and Financial Support - HR Manual

The Subharti **HR Manual** recognizes residential accommodation as an important **employee welfare benefit**. The **University provides rent-free accommodation inside the campus** to eligible employees, thereby eliminating the regular rental cost associated with university-provided housing. This rent-free provision constitutes an **in-kind financial benefit** and directly reduces the housing expenditure of eligible employees. By providing accommodation without university rent, SVSU supports the affordability of housing for its employees and strengthens its employee welfare framework.

HR Manual: https://subharti.org/hr-manual-subharti-university-india.php (Point 6.4, Page No. 24)

6.4 Other Benefits (e.g., Housing, Transportation)

Employees are offered various additional benefits, such as:

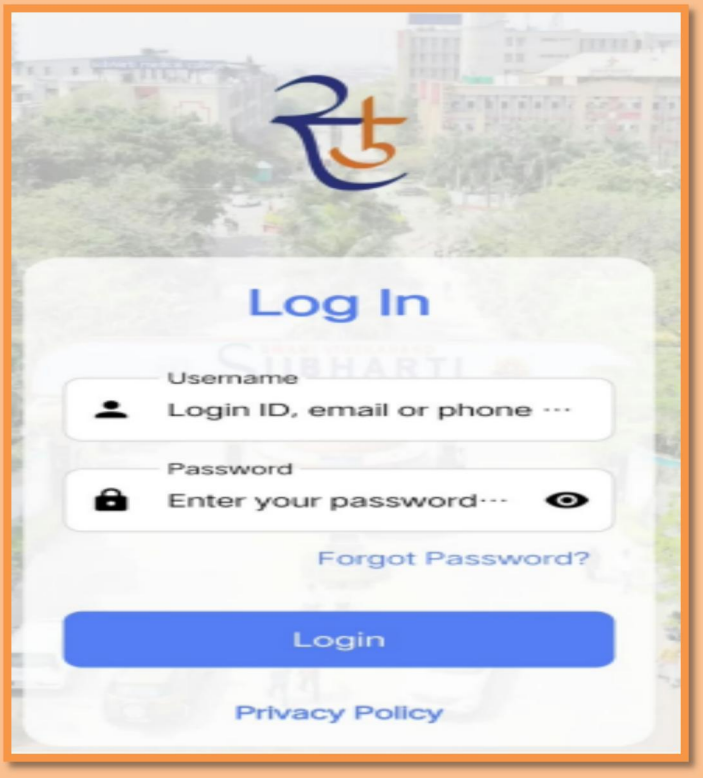

1. **Accommodation:**
   a. Support for employees by providing RENT FREE accommodation inside campus.
   b. Employee can apply for a Housing Facility on EMS/S-Touch.
   c. Details are as per Accommodation Policy.
2. **Transportation:**
   Subsidized transport facilities are provided at fixed routes
   a. Personalized Vehicles can also be availed for short periods, subject to availability.
3. **Crèche facility**
   University offers a dedicated crèche facility for the children of its female staff, providing a safe and nurturing environment.
4. **Wellness Programs:**
   Initiatives aimed at promoting a healthy lifestyle.
   a. Morning Yoga etc. are included

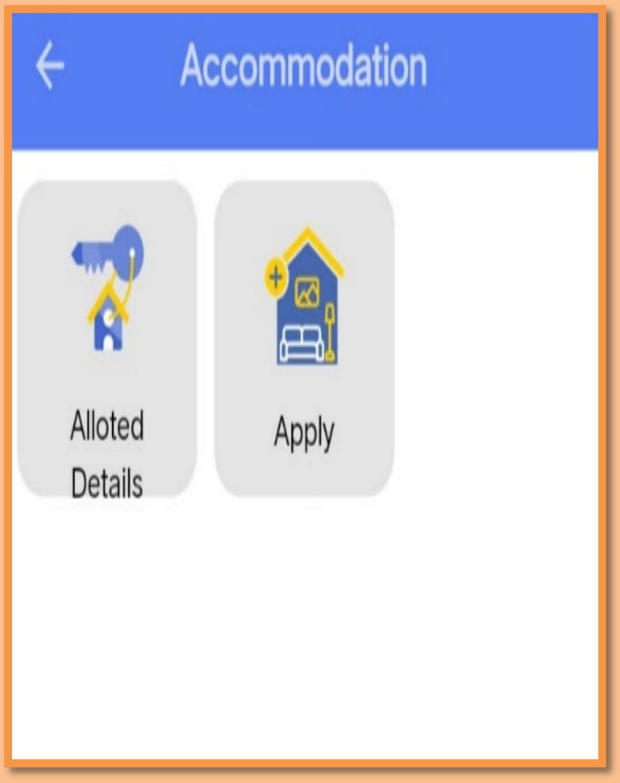

Screenshot of HR Manual

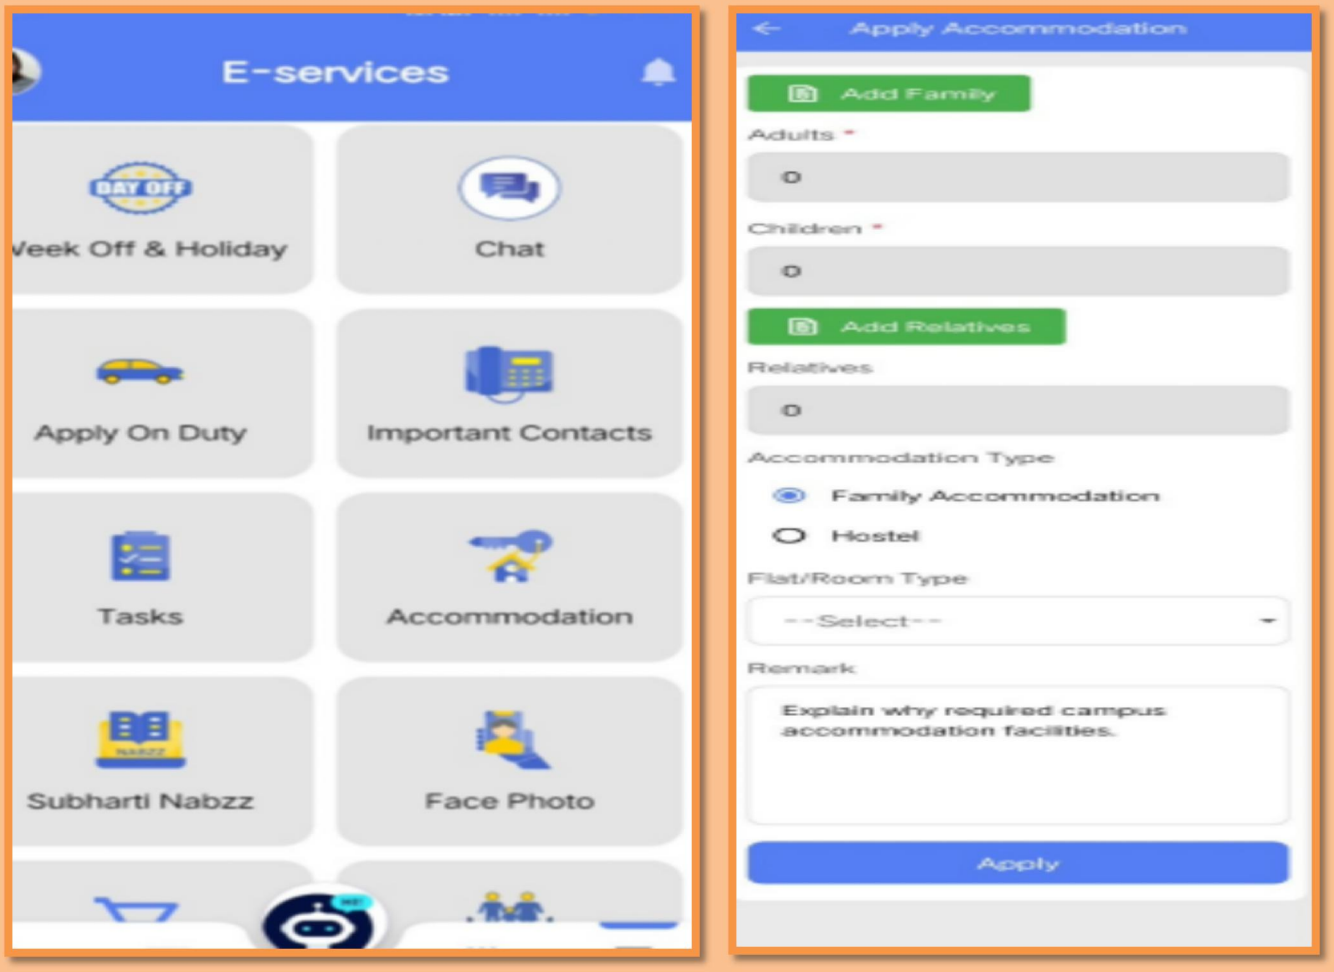

Employee Access and Application – EMS/S-Touch:

Our university provides an **online EMS/S-Touch system** through which employees can formally apply for university residential accommodation. The Accommodation Policy establishes a transparent and structured process for allotment, taking into consideration **post seniority, date of joining, date of application, and institutional and employee needs**. The EMS/S-Touch mechanism facilitates convenient access to the housing facility and ensures that employee applications are processed through a defined institutional procedure.

Subharti University-EMS

Screenshot of online EMS/S-Touch system

Residential Service Charges

In addition to the **rent-free accommodation** provided to eligible employees as documented in the HR Manual, Swami Vivekanand Subharti University (SVSU) follows a defined and transparent system of **residential service charges** for different categories of staff accommodation. The applicable service charges are determined according to the type and category of residential accommodation allotted to the employee. The University's institutional records specify accommodation-wise charges, thereby providing employees with clear information regarding the financial obligations associated with their allotted residential facility. The service-charge framework **promotes transparency, predictability and affordability** in the management of employee housing.

Transparent and Equitable Allotment

Our University follows defined procedures for allocation and management of employee accommodation. Applications are processed through the University's EMS/S-Touch system, while allotment takes into account **post seniority, date of joining, date of application, and institutional/employee needs**. The policy also regulates maintenance, shifting, vacation and handover arrangements.
The University's accommodation framework also incorporates provisions relating to **cleanliness, hygiene, safety, security, emergency arrangements, waste disposal, grievance redressal and community living**, supporting a safe and convenient residential environment for employees.

Employee Welfare and Sustainable Campus Living

By providing residential accommodation within the University campus, SVSU supports a **family-friendly, employee-oriented and sustainable campus environment**. Campus-based housing provides employees with convenient proximity to their workplace and University services while reducing the need to seek separate rental accommodation.
The initiative therefore contributes to employee welfare through three interconnected mechanisms:

1. **Affordability** – rent-free accommodation substantially reduces housing expenditure.
2. **Direct housing provision** – the University provides residential units within the campus.
3. **Employee financial/in-kind support** – accommodation is provided as an employee welfare benefit.

These measures demonstrate SVSU's institutional commitment to providing employees with access to housing support as part of its broader employee welfare framework.
Swami Vivekanand Subharti University has established a structured employee housing programme that combines **direct provision of residential accommodation, rent-free housing support, defined allocation procedures and an institutional policy framework**. With **11 staff-quarter blocks comprising 532 rooms/flats**, the University provides substantial residential infrastructure for its teaching and non-teaching employees. The HR Manual further establishes **rent-free campus accommodation as an employee benefit**, while the Accommodation Policy provides the framework for application, allotment, maintenance and management of residential facilities.
Through this comprehensive employee housing initiative, SVSU demonstrates its commitment to **affordable housing, employee welfare, financial support, inclusive workplace practices and sustainable campus living**, contributing directly to the objectives of **UN Sustainable Development.**

R-Enclave Residential Block

Narayan Guru Bhaw

11.4.5 Does your university as a body provide affordable housing for students?

Answer: Yes. Swami Vivekanand Subharti University provides hostel accommodation to its students at published, room-type-based charges. The University runs 16 hostels – 8 for girls (1,213 rooms) and 8 for boys (1,365 rooms) – which accommodated 4,071 students in 2024–25. Rooms are available in single, double, triple and four-seater categories, with AC/Non-AC and common/attached washroom options, so that students can choose accommodation that suits their budget. Hostel fee schedules for non-medical, medical and postgraduate programmes are issued by the Office of the Registrar and are available on the University website.

The University also supports students from economically weaker backgrounds and deserving students who need financial assistance. As per University rules, hostel accommodation is provided free of charge in eligible cases, such as children of martyrs and other deserving students. In 2024–25, six students (2 girls and 4 boys) were accommodated in University hostels free of cost, including students from a freedom fighter's family and children sponsored by a charitable foundation. One more student has been given a concession through a waiver of the ₹50,000 hostel security deposit.

Together, these measures – a wide range of room categories, published fee schedules and targeted fee support – help students from different economic backgrounds access University hostels and continue their education. Supporting documents (approvals, orders, fee circulars and hostel photographs) are enclosed below.

S. No.	Hostel Type	No. of Hostels	Total Rooms	Total Students Residing (2024–25)	Students Receiving Free Hostel Accommodation	Students Receiving Hostel Fee Concessions/Financial Assistance
1	Girls' Hostels	8	1213	1646	2	-
2	Boys' Hostels	8	1365	2425	4	1
	Total	16	2578	4071	6	1

पत्र सं०: 2024 / 173 दिनांक: 06.11.2024

सेवा में,

श्री नरेश कुमार,
चीफ वार्डन,
स्वामी विवेकानन्द सुभारती विश्वविद्यालय,
सुभारतीपुरम, मेरठ।

महोदय,

आपको अवगत कराना है पूर्व में संघमाता डॉ० मुक्ति ग्लोबल बुद्धिस्ट फाउंडेशन द्वारा दो बच्चे जिनके नाम क्रमशः वंश गौतम एवं यश गौतम पुत्रगण श्री सुरेश कुमार हैं, जोकि वर्तमान में निवेदिता महिला छात्रावास में रह रहे हैं, को प्रबन्धन के निर्देशानुसार मदन लाल ढींगरा पुरुष छात्रावास में स्थानान्तरित कराना है।

उपरोक्त के क्रम में संस्था द्वारा दो और बच्चे जिनके नाम क्रमशः रोहन एवं हर्ष पुत्रगण श्री प्रमोद कुमार निवासी शिव हरि मंदिर कालोनी, सादुल गोदाम, मेरठ हैं, को गोद लिया गया है एवं आपके अधीनस्थ कार्यरत श्री विपिन कुमार, वार्डन, मदन लाल ढींगरा पुरुष छात्रावास को दिनांक 04-11-2024 को सुपुर्द कर दिया गया है। इन दोनों बच्चों को मदन लाल ढींगरा पुरुष छात्रावास में वर्तमान में कमरा नं० 21 दिया गया है। इसी कमरे में उपरोक्त दोनों बच्चे वंश एवं यश गौतम भी रहेंगे।

चूंकि उपरोक्त बच्चों को संघमाता डॉ० मुक्ति ग्लोबल बुद्धिस्ट फाउंडेशन द्वारा गोद लिया गया है। अतः इन चारों बच्चों का हॉस्टल में रहने व खाने का व्यय संघमाता डॉ० मुक्ति ग्लोबल बुद्धिस्ट फाउंडेशन द्वारा वहन किया जाएगा।

कृपया अवगत होना चाहें कि संस्था द्वारा इनके परिवरिश के लिए गोद लिया गया है अतः इनकी परवरिश से सम्बन्धित समस्त दायित्व संस्था के आधार पर आपका रहेगा। जहाँ भी आवश्यकता हो कृपया अविलम्ब संस्था से शंका निवारण हेतु सम्पर्क करें।

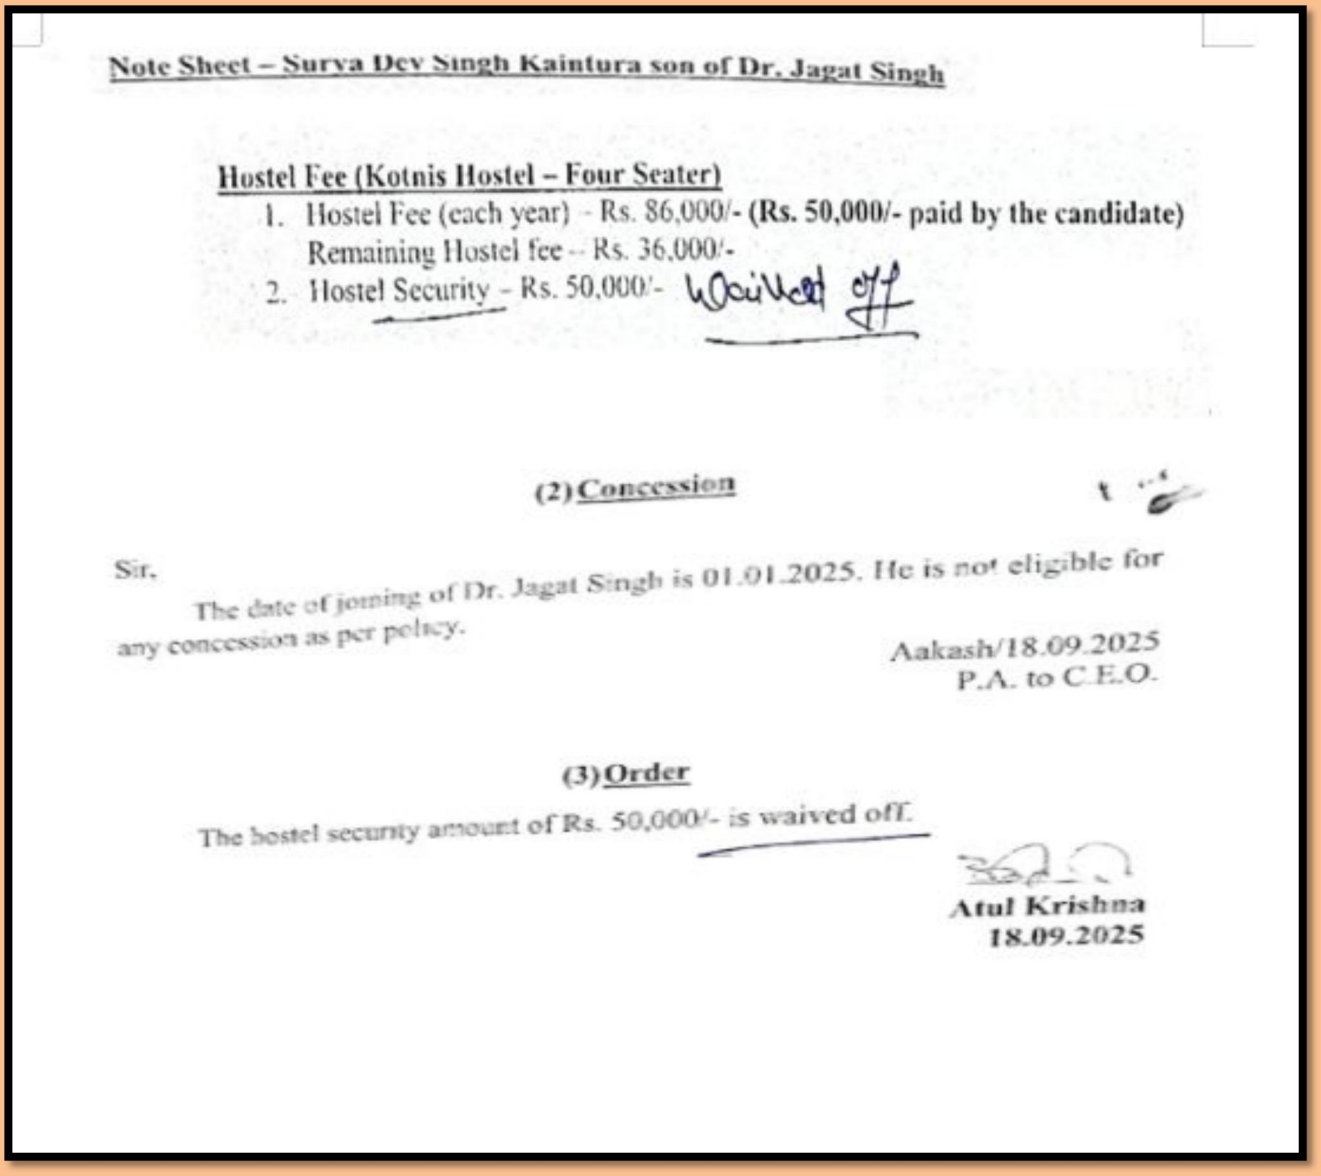

धन्यवाद

आभारी

प्रतिलिपि–

11.4.6 Does your university as a body priorities pedestrian access on campus?

Answer: Yes. Swami Vivekanand Subharti University gives priority to pedestrian movement within its campus through designated pedestrian-priority areas, covered walkways and pedestrian-only zones. These facilities support safe and convenient movement for students, faculty members, staff and visitors.

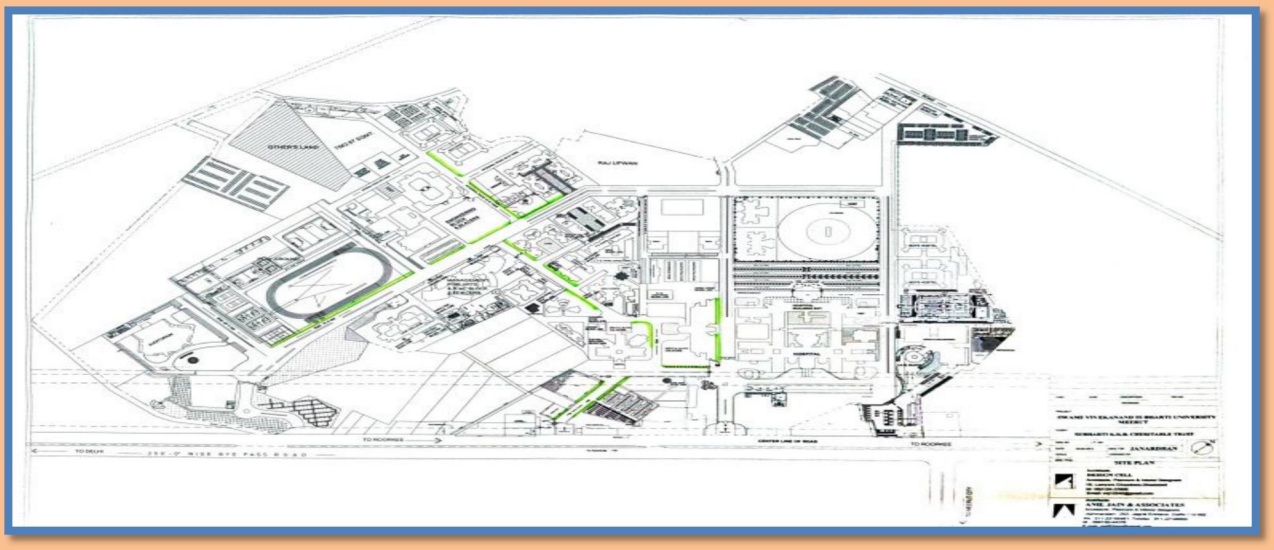

As per the Construction Department's records for the academic year 2024–25, the total campus area is 377,662.89 square meters, of which 1,482.54 square meters is designated for pedestrian movement and priority. This represents approximately 0.39% of the total campus area. The designated area, including covered walkways and pedestrian-only zones, is identified on the campus map.

The University also uses traffic signs and speed-limit boards (20 km/h) to support pedestrian safety within the campus. As recorded in the external Green Audit Report 2023-24 (EHS Alliance Services, date of audit 22.07.2024), personal vehicles of students are not allowed in the campus and a No Vehicle Day is implemented on Tuesday and Wednesday. The Car Free Day initiative was extended to every Tuesday, Wednesday and Thursday with effect from 01.10.2025 (Office Notification Ref. No. U-07/SVSU/2025/522 dated 30.09.2025), which further supports walking and reduces dependence on motorized vehicles.

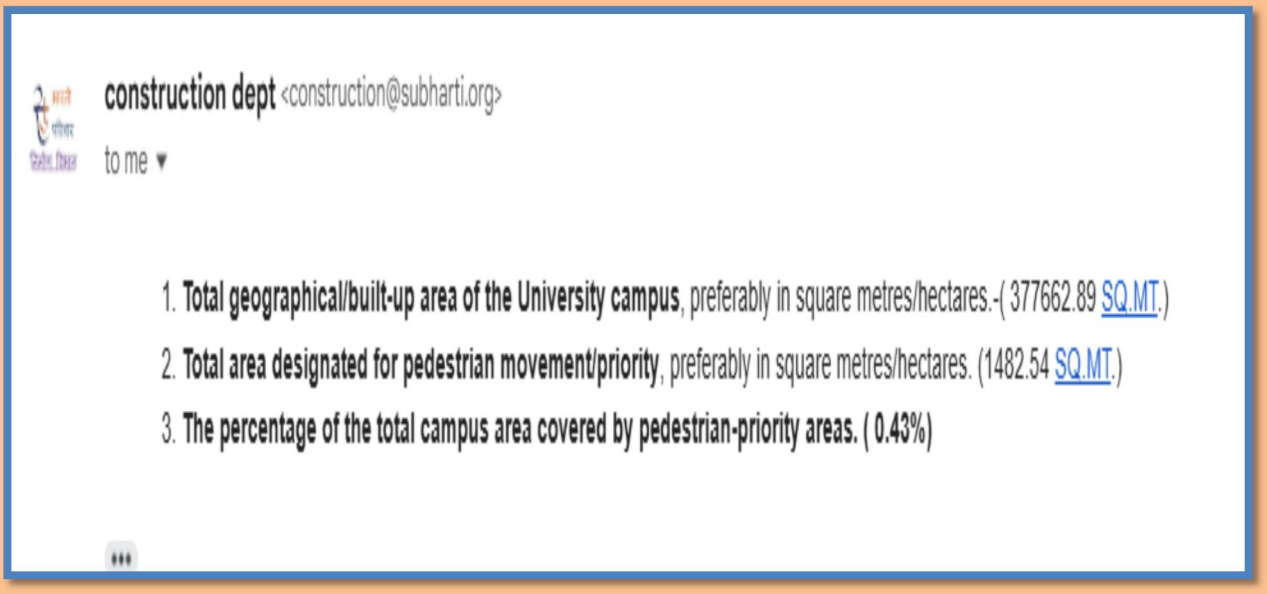

The campus map, area details provided by the Construction Department, photographs of walkways and traffic signage, extracts from the Green Audit Report 2023-24, and the Car Free Day notification serve as supporting evidence of the University's efforts to priorities pedestrian access on campus.

1. Campus Map Showing Designated Pedestrian-Priority Areas:

The green-highlighted areas on the campus map indicate the designated areas for pedestrian movement, including covered walkways and pedestrian-only zones, as identified by the Construction Department for the academic year 2024–25.

OFFICE NOTIFICATION

Subject: Declaration of Car Free Days on Campus

In continuation of the University's commitment to its best practices and sustainability initiatives, it is hereby notified that Swami Vivekanand Subharti University shall observe every **Tuesday, Wednesday, and Thursday** as **Car Free Day** on campus with effect from 01.10.2025 till further orders.

As per the directions of the Hon'ble Vice-Chancellor, this will come into effect immediately and will remain in force until further orders.

All faculty members, staff, students, and visitors are requested to kindly cooperate and adhere to this initiative in the interest of promoting an eco-friendly campus.

This issues with the approval of the competent authority.

11.4.7 - Does your university work with local authorities to address planning issues and development, including ensuring that local residents are able to access affordable housing?

Answer: Yes, Swami Vivekanand Subharti University actively engages with local administrative authorities, Gram Panchayats and government bodies to support sustainable community development, improve local infrastructure and address issues concerning the welfare of surrounding communities.

The University undertakes various initiatives in coordination with local authorities, particularly in the areas of sanitation, solid waste management, rural development, public health and environmental awareness. These initiatives contribute towards improving the living conditions of local residents and promoting sustainable development in nearby villages and communities.

1. Collaboration with Meerut Municipal Corporation for Solid Waste Management: Swami Vivekanand Subharti University has coordinated with Meerut Municipal Corporation regarding the appropriate collection and disposal of solid waste generated on the University campus. The Municipal Corporation issued official correspondence through the Office of the Municipal Health Officer, Meerut, concerning the disposal of waste at the designated location.

This demonstrates the University's engagement with the local municipal authority in addressing sanitation and waste management issues and supporting a cleaner and healthier surrounding environment. Student volunteers of the University also take part in plantation and composting activities that encourage the reuse of organic waste and promote green practices in the surroundings.

Image: Student volunteers during a plantation and composting activity promoting green waste-management practices.

2. Collaboration with Gram Panchayat under Unnat Bharat Abhiyan: The University undertakes rural development and community engagement activities under the Unnat Bharat Abhiyan of the Ministry of Education, Government of India. As part of this initiative, the Keral Varma Subharti College of Science organized an outreach programme on 8 May 2023 at Aranawali Village, Rohta Block, District Meerut.

The programme involved interaction with local villagers and the Gram Pradhan. Activities included awareness regarding tree conservation, agricultural practices, crop rotation, vermicomposting, self-help groups, modern agricultural technologies and government schemes for rural development.

The Gram Pradhan appreciated the University's efforts and encouraged the continuation of such community-oriented initiatives. The University also runs rural schools and health centres in surrounding villages, extending access to education and basic healthcare for local residents. Community awareness activities involving students and local residents have likewise been conducted in the adopted village of Bhola, at the Dr. Ambedkar Public Library.

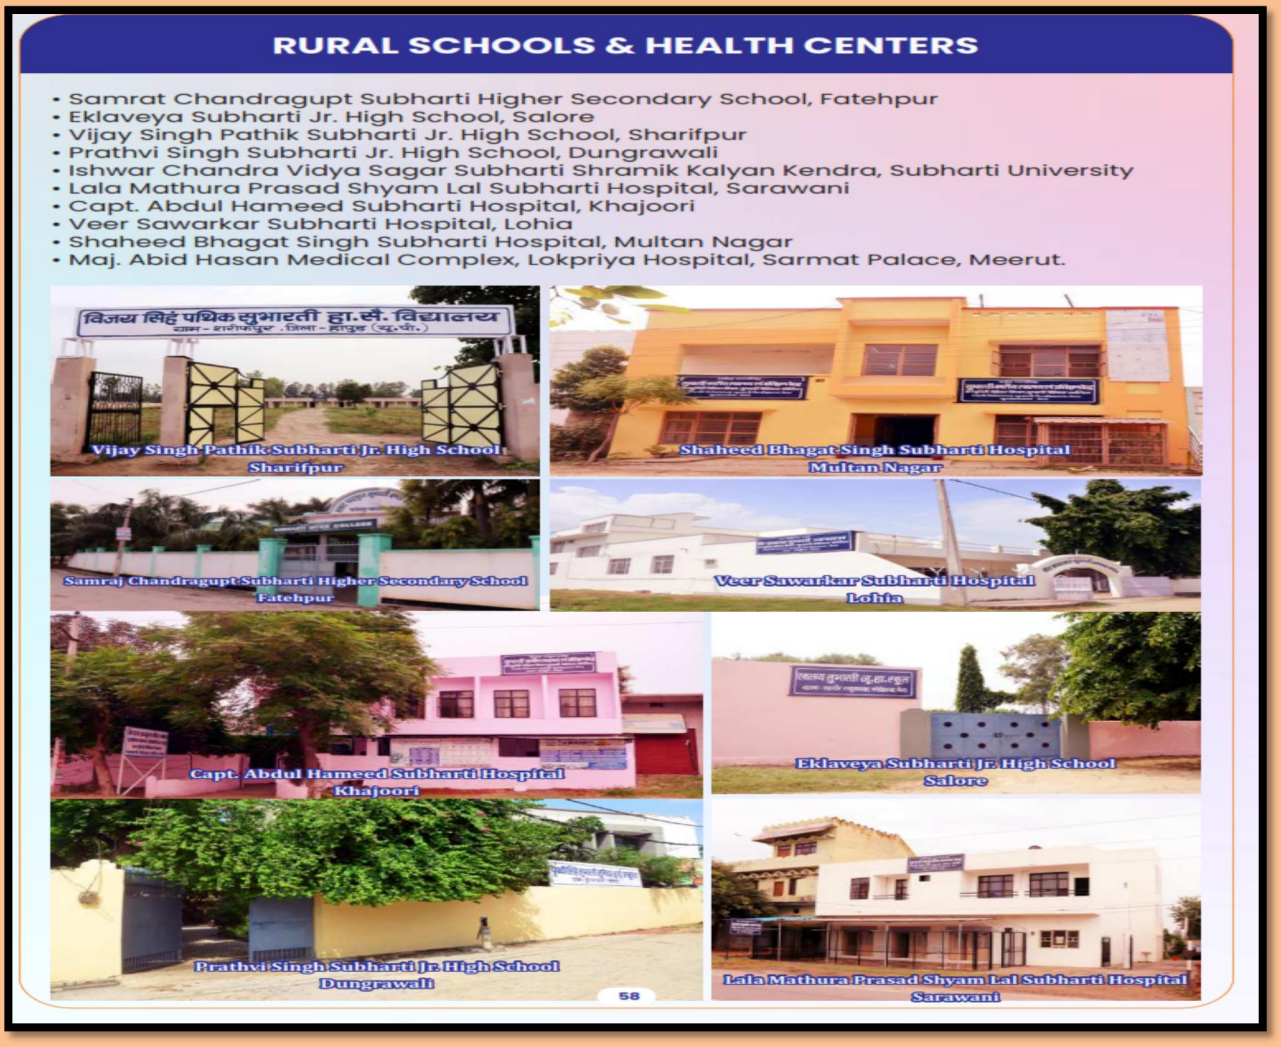

Image-Rural schools and health centres run by the Subharti institutions in surrounding villages.

Image- Awareness activity with students and local residents at Dr. Ambedkar Public Library, Bhola, Meerut.

3. Adoption of Villages and Community Development Initiatives: Under the Unnat Bharat Abhiyan, the University has adopted five villages in Meerut district, namely:

- Aranawali
- Bhola
- Afzalpur Pawti
- Satwai
- Pepla

Through these initiatives, the University contributes to rural development by creating awareness about sanitation, environmental protection, agriculture, health, education and social welfare. These activities encourage community participation and strengthen coordination between the University and local communities. The University's Unnat Bharat Abhiyan and NSS units organized a conference on the removal of non-biodegradable pollutants on 9 December 2020 to make people of the adopted villages aware of the hazards of non-biodegradable waste. Cleanliness and plantation drives under the "Campus to Conservation" initiative, along with distribution of relief material to needy families, further reflect the University's commitment to the welfare of local communities.

Image-Unnat Bharat Abhiyan: adopted villages and the awareness conference on non-biodegradable pollutants

Image-Cleanliness, plantation and waste-collection drives under the "Campus to Conservation" initiative.

Image-Distribution of relief material to needy women and children under the University's welfare activities.

4. Community Welfare and Public Health Initiatives: The University also undertakes community-oriented activities in surrounding areas through health camps, dental check-up programmes, awareness campaigns and other extension activities. These initiatives support access to basic healthcare and promote improved living conditions among local residents.

Through these collaborative and community development initiatives, Swami Vivekanand Subharti University contributes towards the objectives of sustainable urban and rural development, improved sanitation, environmental protection and inclusive community welfare.

Image-Dental check-up of children during a community health camp at Shri Madyanand Utkarsh Arsh Kanya Gurukul, Narangpur, Meerut

Image- Mobile dental unit and dental team of Subharti Dental College & Hospital at Jatpura

Conclusion

The University's collaboration with Meerut Municipal Corporation, Gram Panchayats and other local stakeholders reflects its commitment to addressing local development requirements and promoting sustainable communities. Through institutional coordination, village adoption and community welfare activities, the University contributes to improving the quality of life of people in its surrounding areas.

11.4.8 Does your university as a body build new buildings to sustainable standards? (If "yes", are you following a national standard or body, e.g. the world green building council that certifies it? Please indicate?

Answer: Yes, Swami Vivekanand Subharti University builds its new buildings to sustainable standards. The planning and construction of campus infrastructure are guided by the university's Policy on Energy-Efficient Renovation and Buildings, which promotes energy-efficient, resource-efficient and environmentally responsible practices in the construction and renovation of campus buildings.

During the academic year 2024–25, sustainable construction standards were applied to all 16 buildings and facilities listed in Table 1, and supporting documents are attached for each of them. The table shows that energy-efficient lighting (LED fittings and energy-efficient electrical installations) is provided in all 16 buildings and natural ventilation in 15 of the 16 buildings, while daylight utilization is incorporated in 8 buildings, including the meditation halls, Deepshala, Satsung Bhawan, the Purchase and Accounts Offices and the visitor rooms. Water conservation facilities or water-efficient fixtures are provided in 11 buildings. The Medical College Hostel, Yogi Bhawan – 01 and Yogi Bhawan – 02 additionally include rainwater harvesting provisions, and waste segregation or systematic waste management is provided in Shops – Deepshala, Shops Near Temple and both Yogi Bhawans. Wastewater management facilities are provided in the General Toilets and the Medical College Hostel.

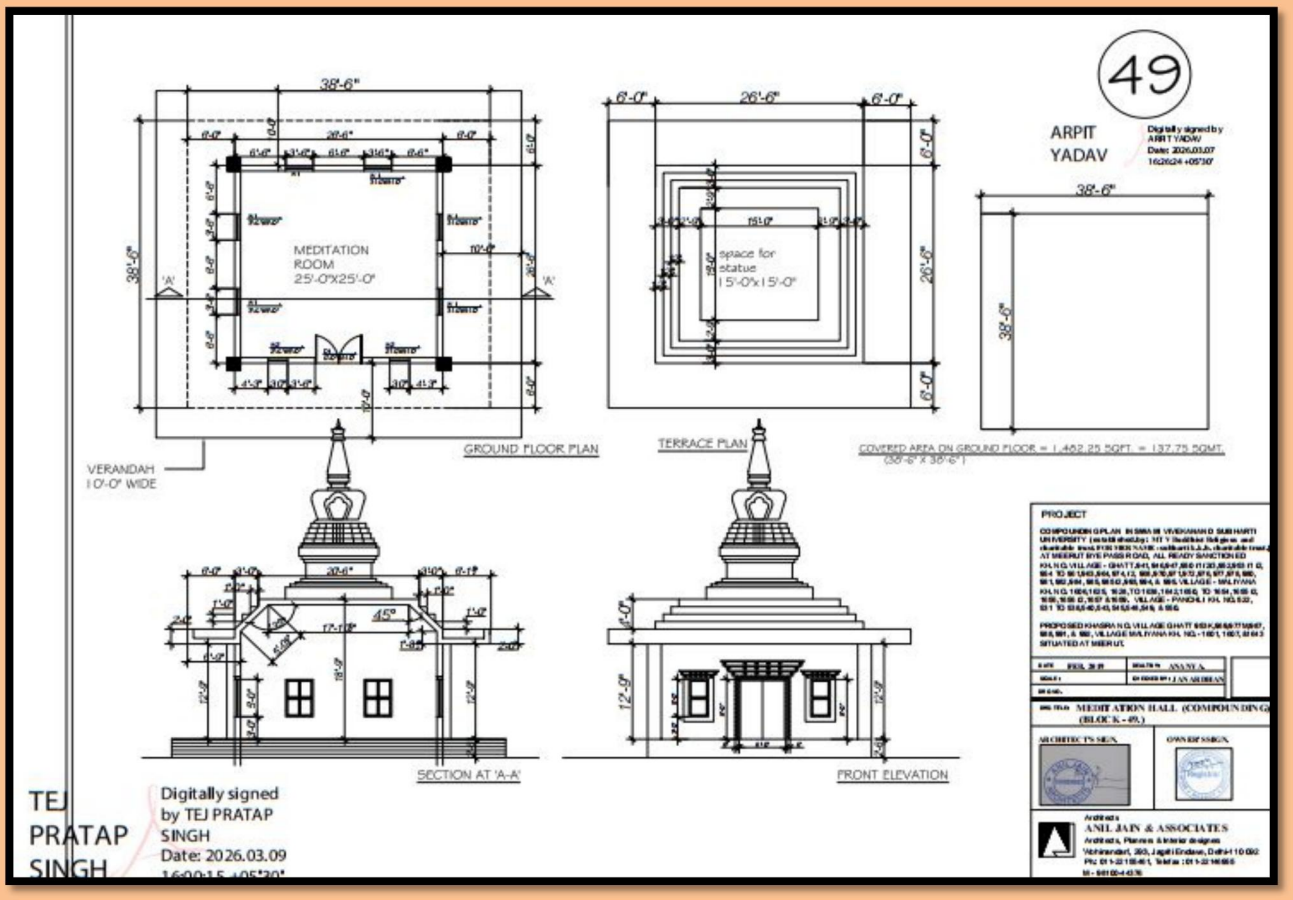

The standards followed are documented in the university's Policy on Energy-Efficient Renovation and Buildings, supported by the Energy Audit Report (July 2024) and the institutional certifications ISO 50001:2018 (Energy Management Systems) and ISO 14001 (Environmental Management Systems). These documents, along with photographs of the buildings, are provided below as supporting evidence.

Table 1: New Buildings Constructed to Sustainable Standards - 2024 - 25

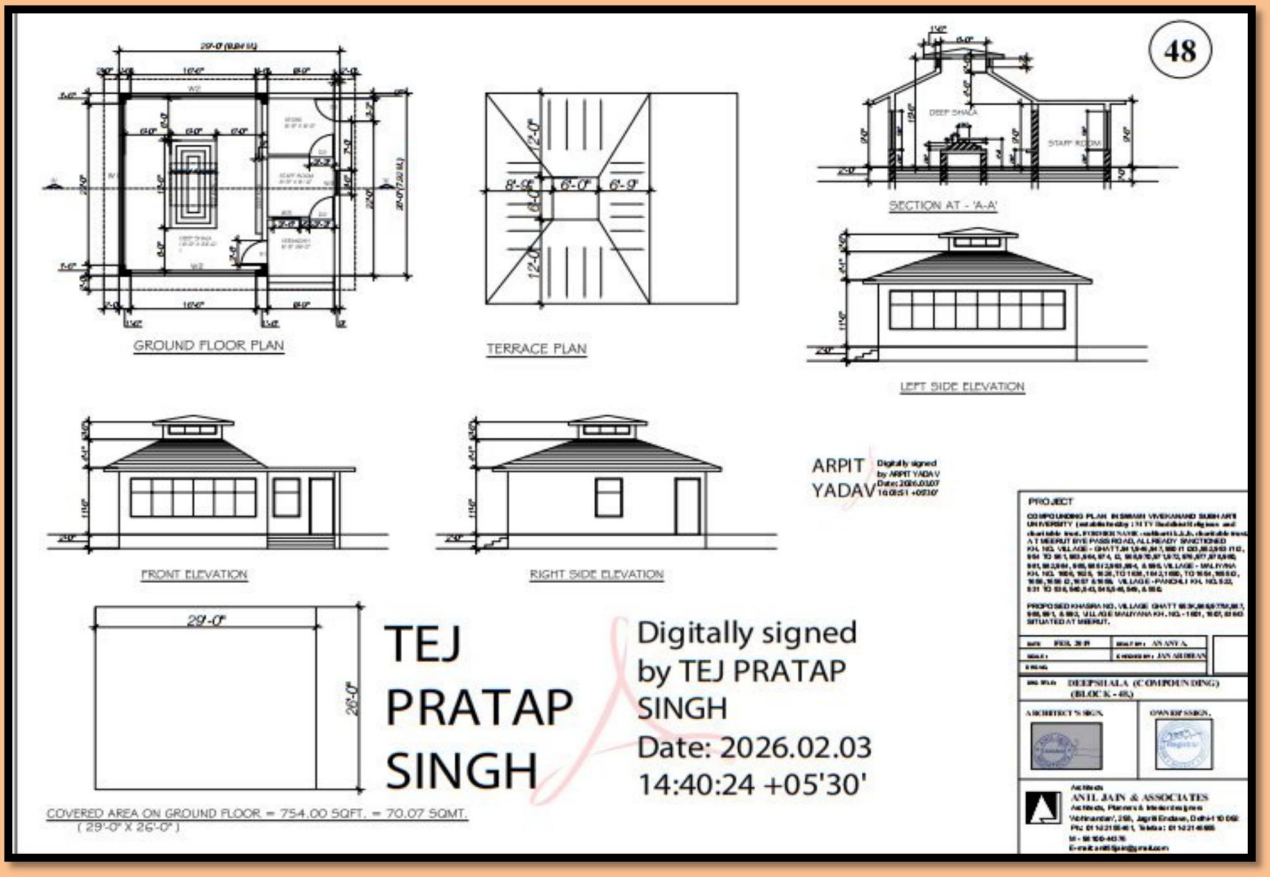

Name of Building	Sustainable Construction Standards Used (Yes/No)	Details of Sustainable Facilities/Standards Used	Supporting Documents Attached (Yes/No)
Boudh Meditation Hall – 01	Yes	Natural daylight, cross-ventilation, energy-efficient lighting and resource-efficient building design.	Yes
Deepshala	Yes	Natural lighting, ventilation, energy-efficient electrical installations and water conservation provisions.	Yes
Budh Meditation Hall – 02	Yes	Daylight utilization, natural ventilation, LED lighting and environmentally responsible building maintenance.	Yes
Shops – Deepshala	Yes	Energy-efficient lighting, natural ventilation, durable construction materials and waste segregation facilities.	Yes
General Toilets – 3 Nos. (Auditorium and Rani Chinamma Medical Auditorium)	Yes	Water-efficient sanitary fixtures, adequate ventilation, energy-efficient lighting and wastewater management provisions.	Yes
Workshop Store	Yes	Natural ventilation, energy-efficient lighting, durable building materials and resource-efficient space utilization.	Yes
Satsung Bhawan	Yes	Natural lighting, cross-ventilation, energy-efficient lighting and water conservation facilities.	Yes
Purchase Office	Yes	Energy-efficient lighting, daylight utilization, natural ventilation and water-efficient fixtures.	Yes
Visitor Room – Girls Hostel Block 22	Yes	Natural ventilation, daylight utilization, LED lighting and water	Yes

		conservation facilities.	
Shops Near Temple	Yes	Energy-efficient lighting, natural ventilation, resource-efficient building design and waste segregation facilities.	Yes
Accounts Office	Yes	Natural lighting, energy-efficient electrical installations, water-efficient fixtures and environmentally responsible building operations.	Yes
Medical College Hostel	Yes	Energy-efficient lighting, natural ventilation, water conservation facilities, wastewater management and rainwater harvesting provisions.	Yes
Visitor Room – Hostel Near Boys Hostel	Yes	Natural lighting, adequate ventilation, LED lighting and water-efficient sanitary fixtures.	Yes
Girls Hostel Guard Room Block 20A	Yes	Energy-efficient lighting, natural ventilation, resource-efficient construction and water conservation provisions.	Yes
Yogi Bhawan – 01	Yes	Energy-efficient lighting, natural ventilation, water-saving sanitary fixtures, rainwater harvesting provisions and systematic waste management.	Yes
Yogi Bhawan – 02	Yes	Energy-efficient lighting, natural ventilation, water conservation facilities, rainwater harvesting provisions and systematic waste management.	Yes

1. Policy on Energy-Efficient Renovation and Buildings

https://subharti.org/iqac/pdf/policies/Policy%20on%20Energy-Efficient%20Renovation%20and%20Buildings.pdf

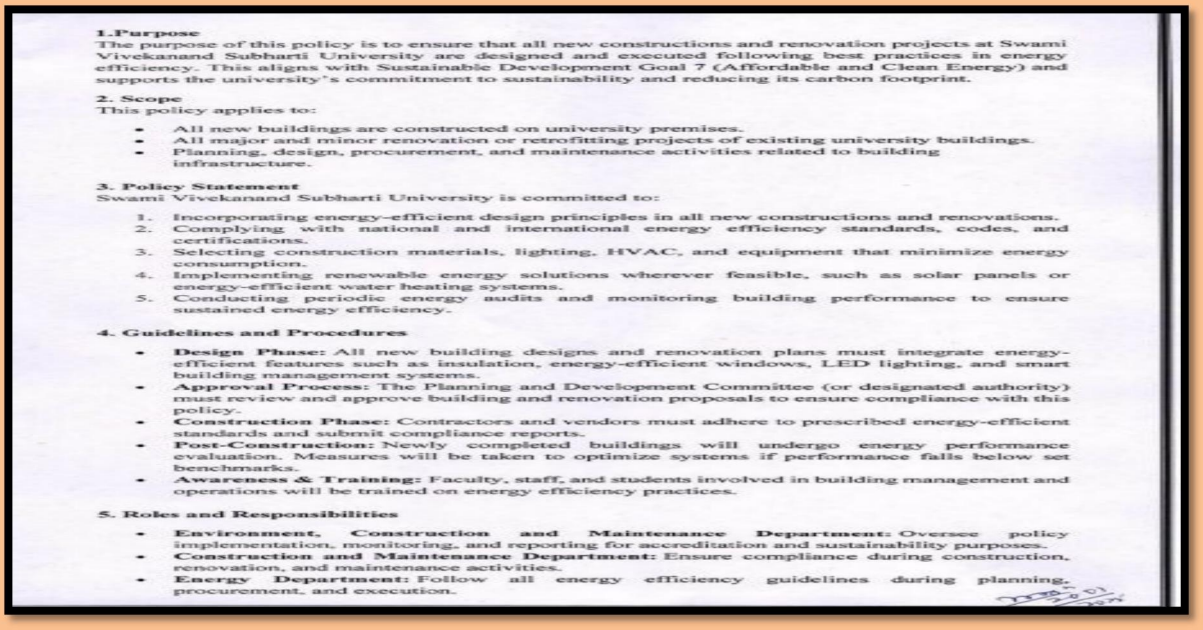

2. Energy Audit Report, July 2024

https://subharti.org/iqac/pdf/recognitions/2026/Green%20Audit%20Report%20-%202023-24.pdf

Policy on Energy-Efficient Renovation and Buildings

Sl. No.	Particulars	Description
1	Policy Number	U-07/SVSU/2024/1071
2	Policy Structure	The policy ensures that all renovation and building activities follow energy-efficient and sustainable practices. It defines clear procedures for planning, approval, and execution of projects to promote the use of renewable energy, eco-friendly materials, and energy-saving technologies. It aligns with national standards such as ECBC and supports the University's commitment to green campus development and environmental responsibility.
3	Scope of the Policy	This policy applies to all construction, renovation, and maintenance projects undertaken within the University campus, including academic, residential, and administrative buildings. It involves all stakeholders to ensure energy efficiency, environmental compliance, and sustainable infrastructure development across the institution.
4	Policy Status	Original
5	Originated By	Environment Department of the University
6	Reviewed By	Registrar
7	Approving Authority	Hon'ble Vice Chancellor
8	Effective Date of Policy	28.03.2024
9	Policy Review Date	20.01.2025

1.Purpose
The purpose of this policy is to ensure that all new constructions and renovation projects at Swami Vivekanand Subharti University are designed and executed following best practices in energy efficiency. This aligns with Sustainable Development Goal 7 (Affordable and Clean Energy) and supports the university's commitment to sustainability and reducing its carbon footprint.

2. Scope
This policy applies to:

- All new buildings are constructed on university premises.
- All major and minor renovation or retrofitting projects of existing university buildings.
- Planning, design, procurement, and maintenance activities related to building infrastructure.

3. Policy Statement
Swami Vivekanand Subharti University is committed to:

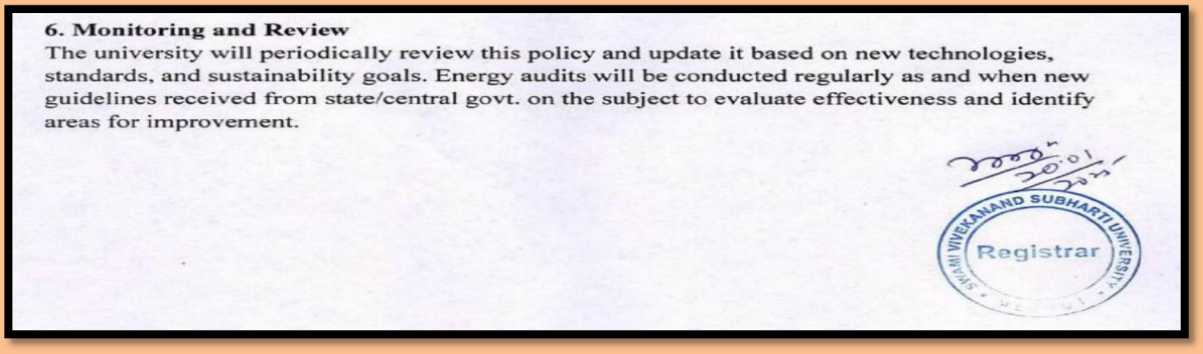

1. Incorporating energy-efficient design principles in all new constructions and renovations.
2. Complying with national and international energy efficiency standards, codes, and certifications.
3. Selecting construction materials, lighting, HVAC, and equipment that minimize energy consumption.
4. Implementing renewable energy solutions wherever feasible, such as solar panels or energy-efficient water heating systems.
5. Conducting periodic energy audits and monitoring building performance to ensure sustained energy efficiency.

4. Guidelines and Procedures

- **Design Phase:** All new building designs and renovation plans must integrate energy-efficient features such as insulation, energy-efficient windows, LED lighting, and smart building management systems.
- **Approval Process:** The Planning and Development Committee (or designated authority) must review and approve building and renovation proposals to ensure compliance with this policy.
- **Construction Phase:** Contractors and vendors must adhere to prescribed energy-efficient standards and submit compliance reports.
- **Post-Construction:** Newly completed buildings will undergo energy performance evaluation. Measures will be taken to optimize systems if performance falls below set benchmarks.
- **Awareness & Training:** Faculty, staff, and students involved in building management and operations will be trained on energy efficiency practices.

5. Roles and Responsibilities

- **Environment, Construction and Maintenance Department:** Oversee policy implementation, monitoring, and reporting for accreditation and sustainability purposes.
- **Construction and Maintenance Department:** Ensure compliance during construction, renovation, and maintenance activities.
- **Energy Department:** Follow all energy efficiency guidelines during planning, procurement, and execution.

6. Monitoring and Review
The university will periodically review this policy and update it based on new technologies, standards, and sustainability goals. Energy audits will be conducted regularly as and when new guidelines received from state/central govt. on the subject to evaluate effectiveness and identify areas for improvement.

Students and Faculty Taking an Oath to Support the University's Vision for 100% Renewable Energy

Image-Students and Faculty Taking an Oath to Support the University's Vision for 100% renewable Energy

Web link -https://subharti.org/iqac/pdf/policies/Policy%20on%20Energy

Key Sustainability Initiatives

Area	Initiatives	Data / Metrics (SVSU Meerut)
Energy Management	Solar energy expansion, energy-efficient systems, and smart monitoring	Solar capacity increased from 500 kWh (2019–20) to 4011 kWh (2024–25); campus-wide sensor-based LED systems installed
Sustainable Transportation	Car-free campus days, EV & bicycle promotion, pedestrian infrastructure	Car-free days (2 days/week); EV growth from 5 (2019) to 51 (2025); increasing bicycle usage
Water Conservation	Rainwater harvesting, wastewater reuse, and efficient systems	1.1 MLD STP, ETPs: 30 KLD & 10 KLD, 33 rainwater harvesting pits
Waste Management	Waste segregation, recycling, composting, e-waste management	Plastic-free campus, composting systems operational, e-waste handled by authorized vendors
Pollution Control	Air, water, and noise monitoring, emission reduction	Regular environmental monitoring conducted; RECD installed in DG sets for emission control

Carbon Reduction Strategy (2025–2040)

Swami Vivekanand Subharti University, Meerut, has implemented a systematic and quantifiable carbon reduction strategy to attain Net Zero emissions by 2040. The year 2025 serves as the baseline (100% emissions), denoting the University's current carbon footprint. The University intends to decrease emissions by approximately 40% by 2030 through the expansion of renewable energy, sustainable transportation initiatives, energy efficiency measures, and enhanced waste and water management systems.

11.4.9 - Does your university as a body build on brownfield sites, where possible (brownfield sites are those where there has been previous, recent building)?

Answer: Yes, Swami Vivekanand Subharti University promotes the efficient utilization of its existing campus land and infrastructure through renovation, redevelopment, refurbishment and expansion of previously developed areas, wherever feasible. The University aims to optimize the use of available developed land and existing infrastructure while minimizing unnecessary development of previously unused land.

Construction and infrastructure development activities undertaken within previously developed campus areas, including redevelopment of existing buildings, reconstruction, additional floors, building extensions and renovation of existing facilities, contribute to the efficient utilization of campus land.

The University considers the availability of existing infrastructure, land utilization, functional requirements and environmental considerations while planning campus development. These practices support the responsible use of land resources and contribute towards sustainable campus planning.

Sample of construction of building on brownfield site:

Swami Vivekanand Subharti University was established in 2008. At the time of its establishment, an initial building was constructed on the campus where security and wellness center was present. Subsequently, the old building was demolished, and the same previously developed site is being utilized for the construction of a new multi-storey building.

Before Photograph -

After Photograph-

This redevelopment demonstrates the University's efforts towards the efficient utilization of previously developed land and infrastructure rather than expanding construction onto previously undeveloped land.

Mapping of Academic Courses to SDG 11: Sustainable Cities and Communities

Sr.No.	Name of Faculty	Course Name	Relevance to SDG 11
1	Faculty of Engineering & Technology	Computer Architecture	Provides basic knowledge of computing systems that can support the development of digital infrastructure for smart and sustainable communities.
2	Faculty of Engineering & Technology	Computer Organisation and Architecture	Develops understanding of computer systems used in digital infrastructure and technology-based urban services.
3	Faculty of Engineering & Technology	Computer Organisation and Architecture Lab	Provides practical understanding of computer systems and their role in developing digital technology skills for smart communities.
4	Faculty of Engineering & Technology	Building Planning and Computer Aided Civil Engineering Drawing Lab	Develops skills in building planning and digital civil engineering drawings, supporting planned and well-designed urban infrastructure.
5	Faculty of Engineering & Technology	Civil Engineering Materials Testing & Evaluation	Helps in selecting and evaluating construction materials for safe, durable and reliable infrastructure.
6	Faculty of Engineering & Technology	Civil Engineering-Societal & Global Impact	Explains the role of civil engineering in society, including infrastructure development and improvement of community living conditions.
7	Faculty of Engineering & Technology	Civil Engineering Materials Testing & Evaluation Lab	Provides practical knowledge of testing construction materials to improve the safety, quality and durability of buildings and infrastructure.
8	Faculty of Engineering & Technology	Transportation Engineering	Covers the planning and development of transport systems that support safe, accessible and sustainable mobility.
9	Faculty of Engineering & Technology	Transportation Engineering Lab	Provides practical understanding of transport engineering methods used in planning and improving transportation infrastructure.
10	Faculty of Engineering & Technology	Transportation Engineering Lab	Develops practical skills related to the assessment and improvement of transportation systems and infrastructure.
11	Faculty of Engineering & Technology	Construction Engineering &Management	Develops knowledge of planning, managing and executing construction projects for efficient and sustainable infrastructure development.
12	Faculty of Management & Commerce	Construction of Helipads	Provides knowledge related to the construction of specialised transport infrastructure and facilities for emergency and medical services.

13	Faculty of Management & Commerce	Building Construction	Develops understanding of building methods and construction practices for safe and functional built environments.
14	Faculty of Management & Commerce	Urban Land Economics and Town Planning	Supports planned urban development through the study of land use, urban planning and the effective management of land resources.
15	Faculty of Management & Commerce	Civil Society and Sustainable Development	Explains the role of civil society in sustainable development, public participation and improving community well-being.
16	Faculty of Management & Commerce-College of Hotel Management	Disaster Management	Develops knowledge of disaster preparedness, response and risk reduction to build safer and more resilient communities.
17	Faculty of Science	Design for publicity	Develops communication and design skills that can be used to spread public awareness about sustainable urban development and community issues.
18	Faculty of Science	Environmental Studies & Disaster Management	Builds awareness of environmental protection, disaster preparedness and risk reduction for safer and more sustainable communities.
19	Faculty of Science	Environmental Studies & Disaster Management	Develops understanding of environmental challenges and disaster management measures that contribute to community safety and resilience.
20	Faculty of Science	Animal Housing and Milking Systems	Covers the planning and management of animal housing facilities, supporting improved infrastructure and living conditions in rural communities.
21	Faculty of Science	Animal Housing and Milking Systems Lab	Provides practical knowledge of animal housing and milking facilities, supporting better management of rural infrastructure.
22	Faculty of Science	Demonstrative Aspects of Electricity & Magnetism	Builds foundational understanding of electrical principles relevant to the study of electrical systems used in buildings and urban infrastructure.
23	Faculty of Science	Computer System Architecture	Develops understanding of computer systems that form part of digital infrastructure used in technology-enabled communities.
24	Faculty of Science	Computer System Architecture Lab	Provides practical exposure to computer systems and supports technical skills relevant to digital infrastructure.
25	Faculty of Science	Computer Organization & Architecture	Provides knowledge of computer system design and organisation, forming a foundation for digital and technology-based services.

26	Faculty of Science	Demonstrative Aspects of Electricity & Magnetism	Provides basic knowledge of electricity and magnetism, which is relevant to understanding electrical systems used in buildings and infrastructure.
27	Faculty of Science	Archegoniates &Plant Architecture	Develops knowledge of plant groups and their structure, contributing to understanding plant diversity and natural ecosystems.
28	Faculty of Science	Land Plants Architecture	Provides understanding of land plant structure and diversity, supporting awareness of vegetation and natural ecosystems.
29	Faculty of Science	Archegoniates &Plant Architecture	Builds knowledge of plant diversity and structure, which can contribute to understanding the natural environment and biodiversity.
30	Faculty of Science	Land Plants Architecture	Develops understanding of land plants and their characteristics, contributing to knowledge of natural vegetation and ecosystems.
31	Faculty of Fine Arts	Fundamentals of clothing construction (T)BD-102	Develops knowledge of clothing construction techniques and the use of materials in garment production.
32	Faculty of Fine Arts	Fundamentals of clothing construction (P) BD-112	Provides practical skills in garment construction and the use of clothing materials.
33	Faculty of Fine Arts	Garment Construction BFA(F) 703CC 26	Develops practical knowledge of garment-making techniques and production processes.
34	Faculty of Fine Arts	Advance costume construction	Develops advanced skills in costume construction and supports the creation of costumes for cultural and artistic activities.
35	Faculty of Fine Arts	Advance costume construction	Provides advanced knowledge of costume-making techniques used in creative and cultural production.
36	Faculty of Fine Arts	Pattern And Construction Techniques	Develops skills in pattern making and garment construction, supporting practical and creative work in clothing design.
37	Faculty of Fine Arts	Advance Pattern Making And Construction – Historical Costumes 	Supports the study and recreation of historical costumes, contributing to the preservation and presentation of cultural heritage.
38	Faculty of Fine Arts	Pattern Making And Construction Uniform Wear	Develops skills in designing and constructing uniforms for different professional and institutional requirements.
39	Faculty of Fine Arts	Construction Technology-I	Introduces construction technologies and building methods relevant to the development of built infrastructure.
40	Faculty of Fine Arts	Construction Technology-II	Develops knowledge of construction methods and technologies used in building development and infrastructure.

41	Faculty of Fine Arts	Construction Technology-III	Builds understanding of construction technologies that contribute to safe and efficient building development.
42	Faculty of Fine Arts	Elements Of Green Building	Promotes understanding of environmentally responsible building design and construction, supporting resource-efficient and sustainable buildings.
43	Faculty of Fine Arts	Advance Building Services	Develops knowledge of building services required for functional, safe and efficient buildings.
44	Faculty of Fine Arts	Building Protection	Covers building protection measures that contribute to the safety, durability and resilience of built structures.
45	Faculty of Arts & Social Science-Department of Journalism & Mass Communication	Designing for Publicity	Develops design and communication skills that can be used for public awareness and community-related campaigns.
46	Faculty of Arts & Social Science-Department of Home Science	[Community Development](javascript:__doPostBack\('ctl00$ContentPlaceHolder1$gvSubject$ctl09$Lnk',"\) "file:///D:\1. AQAR-2024-2025\CR-1 AQAR-2024-2025\Final Documents and word file\1.2.3\javascript:__doPostBack('ctl00$ContentPlaceHolder1$gvSubject$ctl09$Lnk',")")	Explains approaches to improving community well-being through participation, social development and local-level initiatives.
47	Faculty of Arts & Social Science-Department of Home Science	[Community Development-P](javascript:__doPostBack\('ctl00$ContentPlaceHolder1$gvSubject$ctl10$Lnk',"\) "file:///D:\1.
