Dear Dr Sawazal,

**No cost extension to the first year Technical Services Agreement (TSA) with
The Center for Public Health Kinetics India**

This is with reference to your e-mail of 14 June 2017 requesting an extension to the Technical Services Agreement for the first year of the project entitled "Establishing the optimal dose of therapeutic zinc supplementation for the treatment of acute diarrhea in under five children - a dose response trial in a South Asian and a Sub-Saharan African setting (ZTDT)-Tanzania study", covering the period of 15 June 2016 to 14 June 2017.

We hereby confirm that WHO agrees to a no-cost extension to the above-mentioned TSA until 31 December 2017.

The detailed statement of work to be performed is contained in the aforementioned TSA, and the work will be performed in accordance with the terms and conditions contained therein, except as modified by this letter. If you agree with the foregoing, please would you sign and date both originals of this letter and return one original to us for our records.

Yours sincerely,

Registrar

CLINICAL STUDY AGREEMENT

AHMEDABAD - 380006

0000100

31-7-2017

7816250
7816250

CLINICAL STUDY AGREEMENT BETWEEN THE SPONSOR, CADILA HEALTHCARE LIMITED, ZYDUS TOWERS, CROSS ROADS, AHMEDABAD-380015, INDIA and

for post-exposure prophylaxis in patients following potential rabies exposure.

Dr. Abhishek Gupta, Subharti Medical College, Subhartipuram, NH 58, Delhi-Haridwar Bypass Road, Meerut-250005
And

3. Investigators and Research Staff.

Subharti Medical College, Subhartipuram, NH 58, Delhi-Haridwar Bypass Road, Meerut-250005

3.1. Principal Investigator. The Study will be conducted by Dr. Abhishek Gupta (HEREAFTER REFERED AS 'PRINCIPAL INVESTIGATOR') at Subharti Medical College, Subhartipuram, NH 58, Delhi-Haridwar Bypass road, Meerut. The term 'Investigator' as used in this Agreement refers, as applicable, to the Principal Investigator, subinvestigators, research staff or the institution or all or any of them.

Project : **RABIMABs**
Protocol No.: **RABIMABs.16.001.01**

3.2. Subinvestigators and Research Staff. Investigator will ensure that only individuals, who are appropriately trained and qualified, assist in the conduct of the Study as subinvestigators or research staff.

This Clinical Study Agreement ("Agreement") between

3.3. Obligations. Institution will ensure that all personnel, who assist in the conduct of the Study, are informed of and agree to abide by all terms of this Agreement applicable to the activities they perform. Institution is responsible to THE SPONSOR for compliance by all Study personnel, including THE PRINCIPAL INVESTIGATOR, with the terms of this Agreement.

1. CADILA HEALTHCARE LIMITED, ZYDUS TOWERS, SATELLITE CROSS ROADS, AHMEDABAD-380015, INDIA (HEREAFTER REFERED AS 'THE SPONSOR') AND
2. Dr. Abhishek Gupta, Subharti Medical College, Subhartipuram, NH 58, Delhi-Haridwar Bypass Road, Meerut-250005, and
3. Subharti Medical College, Subhartipuram, NH 58, Delhi-Haridwar Bypass Road, Meerut-250005

3.4. No Substitution. Institution shall not reassign the conduct of the Study to a different Principal Investigator without prior written authorization from THE SPONSOR

When signed by all parties, is effective from the last signature date

5. Delegation of Duties by Principal Investigator. Principal Investigator may delegate duties and responsibilities to subinvestigators or research staff only to the extent permitted by the relevant laws and regulations governing the conduct of clinical investigations in India.

THE SPONSOR wishes to sponsor a clinical study entitled "Randomized, multi-centric, open-label, comparator-controlled study to evaluate the efficacy and safety of RABIMABs administered in conjunction with Vaxirab N for post-exposure prophylaxis in patients following potential rabies exposure". Centre Subharti Medical College, Meerut to be conducted at Institution. This agreement also covers any companion protocol(s), later developed and approved by both/three parties, that are conducted concurrently with the protocol identified above (collectively, "Protocol") and that involve some or all of the same subjects (collectively, "Study"). The sponsor hereby declares that all the necessary permissions and licenses required under the provision of relevant acts and rules namely Drug & Cosmetics Act and Drug & Cosmetic Rules 1945 and their subsequent amendments (including Schedule Y) are obtained by them for the use of the same on the study subjects.

3.6. Compliance with Institutional Policies. Principal Investigator will comply with the policies and procedures of the organization(s) with which Principal Investigator is affiliated, including any applicable financial policies. Principal Investigator will notify THE SPONSOR promptly of any conflict between the terms of this Agreement and any such policy or procedure, and the parties will attempt to reach an appropriate accommodation.

THE PARTIES AGREE AS FOLLOWS

1. The sponsor would like to test the drug namely RABIMABs which will be used in patients suffering from Rabies. The sponsor hereby declares that all the necessary permissions and licenses required under the provision of relevant acts and rules namely Drug & Cosmetics Act and Drug & Cosmetic Rules 1945 and their subsequent amendments (including Schedule Y) are obtained by them for the use of the same on the study subjects.
2. The sponsor have approached the investigator as they desire to perform the study in regards to the said drug in accordance with the applicable guidelines on Good Clinical Practice, ethics and local regulations.
The Principal Investigator hereby confirms that he has read and understood the Clinical Trial protocol entitled "Randomized, multi-centric, open-label, comparator-controlled study to evaluate the efficacy and safety of RABIMABs administered in conjunction with Vaxirab N for post-exposure prophylaxis in patients following potential rabies exposure".
3. All amendments and appendices have also been read and understood. The investigator agrees to the protocol Randomized, multi-centric, open-label, comparator-controlled study to evaluate the efficacy and safety of RABIMABs administered in conjunction with Vaxirab N

4. Funding. THE SPONSOR will provide mutually agreed upon funding in support of this Study as set out in Attachment A and subject to the terms specified in that Attachment

5. Protocol. Investigator will conduct the Study in accordance with the Protocol, ICH GCP guidelines and applicable rules and regulations in India.

5.1. Amendments. The Protocol may be modified only by a written Amendment, signed by both THE SPONSOR and THE PRINCIPAL INVESTIGATOR.

5.2. Emergency Amendments. If it is necessary to change the Protocol on an emergency basis for the safety of the subjects, Investigator will notify THE SPONSOR and the responsible Independent Ethics Committee or institutional Review Board (as applicable) as soon as practicable but, in any event, not later than five working days after the change is implemented. Any emergency change to the Protocol must be followed by a written Amendment.

5.3. No Additional Research. No additional research may be conducted on Study subjects during the conduct of the Study unless it is approved and documented as a sub-study protocol or an Amendment to the original Protocol. Such prohibited research activities include, but are not limited to, analyses of biological samples from Study subjects for any non-therapeutic purpose.

6. Subject Enrollment. Investigator has agreed to enroll in Study a minimum of 20 subjects by 3 months unless THE SPONSOR extends this enrollment period by written notification. A qualified subject is one who meets all Protocol criteria such as d

7. Inclusion & exclusion criteria and agrees to participate in the study through informed consent in writing.

7.1. Express Enrollment. If investigator enrolls the maximum number of qualified subjects before the deadline, THE SPONSOR may or may not invite Investigator to enroll additional subjects. However, The Institution and/or THE PRINCIPAL INVESTIGATOR shall not enroll more than 50 subjects without prior approval by THE SPONSOR.

CLINICAL STUDY AGREEMENT

- 7.2. Failure to Enroll. If Investigator fails to enroll subjects at a rate adequate to meet the enrollment requirement, THE SPONSOR shall be free to terminate the Study early (see Section 25, Termination).
8. Study Conduct. Investigator will conduct Study in accordance with the Protocol, THE SPONSOR's written instructions, International Conference on Harmonization Good Clinical Practice (ICH GCP) guidelines and all applicable governmental laws, rules, and regulations.
- 8.1. No Charge for Investigational Drug or Reimbursed Services. Investigator will not charge a Study subject or third-party payer for Investigational Drug (see Section 13, Investigational Drug) or for any services reimbursed by THE SPONSOR under this Agreement.
9. Independent Ethics Committee/Institutional Review Board. Before the Study is initiated, Investigator will ensure that both the Study and the informed consent form are approved by an Independent Ethics Committee or Institutional Review Board (as applicable)(both referred to as a 'IRB') that complies with all applicable laws and regulations. Investigator will further ensure that the Study is subject to continuing oversight by the IRB throughout its conduct.
- 9.1. Study Disapproval. If, through no fault of Investigator, the Study is disapproved by the IRB, this Agreement will immediately terminate with no penalty to the Investigator, as provided in Section 25.1a, Disapproval by IRB, below.
10. Data Protection. Data collected in Study may include personal data and sensitive personal data which is subject to specific legislation relating to the processing, storage, transfer and use of such data. Investigator will comply with all relevant laws relating to the protection and use of personal data and data privacy in its conduct and reporting of the Study. The Investigator shall take all technical and organizational measures to prevent unauthorized or unlawful processing or accidental loss or destruction of, or damage to, or disclosure of such data. THE SPONSOR will take appropriate measures to protect the confidentiality and security of all personal data that it receives from Investigator in connection with the Study. Personal data relating to the Investigator shall be processed and used for the purposes of administration of this agreement and in connection with the Study and will be held on one or more databases for the purposes of determining the Investigator's involvement in future research and in order to comply with any regulatory requirements. Such data may be disclosed or transferred to other members of Cadila Healthcare Limited group of companies, to representatives and contractors working on behalf of THE SPONSOR group and to regulatory authorities across the world. The Investigator shall ensure that all necessary consents are in place to comply with the provisions of this clause.
11. Informed Consent and Authorization to Use and Disclose Health Information
- 11.1. Informed Consent. Investigator will provide THE SPONSOR an opportunity to review and approve the content of the informed consent form (including any revisions made during the course of the Study) before it is used. Investigator will obtain a written informed consent from each Study subject and will maintain a signed original of that consent in the subject's record. Investigator will allow THE SPONSOR to inspect signed informed consent forms or photocopies thereof during monitoring visits or audits (see Monitoring and Audits, Section 17).
12. Adverse Events. Investigator will report adverse events experienced by Study subjects in accordance with instructions in the Protocol and applicable regulations. This includes, where required, prompt reporting by telephone or facsimile. THE SPONSOR shall, so far as is lawful, have full responsibility for the reporting of all adverse events to local and international regulatory and/or health authorities.
13. Investigational Drug. THE SPONSOR will provide Investigator with sufficient quantities of the investigational drug(s) needed to conduct the study.
- 13.1. Custody and Dispensing. THE PRINCIPAL INVESTIGATOR will maintain appropriate control of supplies of Investigational Drug and will not provide it to anyone else except subinvestigators or research staff. THE PRINCIPAL INVESTIGATOR shall maintain the records of inventory of the Investigational drug.
- 13.2. Use. Investigator will use Investigational Drug only as specified in the Protocol. Any other use of Investigational Drug constitutes a material breach of this Agreement.
- 13.3. Ownership of Investigational drug. Investigational drug and remains the property of THE SPONSOR except for, and limited to, the use specified in the Protocol. THE SPONSOR grants Investigator no express or implied intellectual property rights in Investigational drug or in any methods of making or using Investigational drug.
14. Equipment. The SPONSOR may provide certain equipment for use by the Investigator during the conduct of the study ("Equipment").
- 14.1. Ownership and Use. Equipment is and remains the property of THE SPONSOR and INVESTIGATOR may use Equipment only for purposes of the study.
- 14.2. Investigator Responsibilities. Investigator will comply with any operating and maintenance instructions provided by THE SPONSOR or the manufacturer and will store Equipment under conditions that are appropriate to the nature of the Equipment and that minimize the risk of loss or damage.
- 14.3. Liability. THE SPONSOR has no liability for damages of any sort, including personal injury or property damage, resulting from the use of Equipment except to the extent that such damages were caused by negligence or willful misconduct of THE SPONSOR.
15. Confidential Information. During the course of the Study, Investigator may receive or generate information that is confidential to THE SPONSOR.
- 15.1. Definition. Except as specified in Section 15.2, Exclusions, below, "Confidential Information" includes
- the Protocol,
 - the Investigator Brochure,
 - Study Data (as defined in Section 16, Study Data, Biological Samples, and Study Records; below), subject to Investigator's right to publish the results of the Study (as described in Section 19, Publications, below),
 - Biological Sample Analysis Data (as defined in Section 15, Study Data, Biological Samples, and Study Records, below),
 - Any other information related to the study, the investigator drug or Sponsor technology, research or business plans that sponsor provides to the investigator in writing or other tangible form and marks as CONFIDENTIAL or initially discloses orally and then summarize and confirms in writing as CONFIDENTIAL within 90 days after the date of oral disclosure.
- 15.2. Exclusions. Confidential Information does not include information that (i) is known or open to the public or otherwise in the public domain at the time of disclosure or (ii) becomes part of the public domain during the term of this confidentiality obligation by any means other than breach of this Agreement by Investigator (iii) is already known to Investigator at the time of disclosure and is free of any obligations of confidentiality, or (iv) is obtained by Investigator, free of any obligations of confidentiality, from a third party that has a lawful right to disclose it.
- 15.3. Obligations of Confidentiality. Unless THE SPONSOR provides prior written consent, Investigator may not use Confidential Information for any purpose other than that authorized in this Agreement, nor may Investigator and or Institute disclose Confidential Information to any third party except as authorized in this Agreement or as required by law.
- Required disclosure of Confidential Information to the IRB or to regulatory representatives is specifically authorized.
 - Publication of the results of the Study based on Study Data collected or generated by Investigator is specifically authorized, of this Agreement.
- 15.4. Disclosure Required by Law. If disclosure of Confidential Information to any party other than the Independent Ethics Committee, relevant regulatory authority is required by law, that disclosure does not constitute a breach of this Agreement so long as Investigator
- notifies THE SPONSOR in writing in 15 working days advance of the disclosure so as to allow THE SPONSOR to take legal action to protect its Confidential Information,
 - discloses only that Confidential Information required to comply with the legal requirement, and
 - continues to maintain the confidentiality of this Confidential Information with respect to all other third parties.
- 15.5. Individually Identifiable Health Information. If, in connection with this Study or performance of this Agreement, THE SPONSOR comes into contact with individually identifiable health information relating to subjects who are not Study subjects, THE SPONSOR agrees to maintain the confidentiality of such information and not to use it for any purpose.

CLINICAL STUDY AGREEMENT

- 15.6 Survival of Obligations: These obligations of confidentiality survive termination of this Agreement and continue for a period of five years after completion of the study or termination, whichever ever is earlier.
- 15.7 Return of Confidential Information, if requested by THE SPONSOR in writing. Investigator will return all Confidential Information except that required to be retained at the Study site by law. However, Investigator may retain a single archival copy of the Confidential Information for the sole purpose of determining the scope of obligations incurred under this Agreement.
16. Study Data, Biological Samples and Study Records.
- 16.1 Study Data. During the course of the Study, Investigator will collect and submit certain data to THE SPONSOR or its agent, as specified in the Protocol. This may include case report forms or their equivalent ("Case Report Forms"), or other types of medical images, ECG, or other types of tracings or printouts, data summaries, or any combination of these (collectively, "Study Data"). Investigator will ensure accurate and timely collection, recording, and submission of Study Data. Investigator will deliver Study Data to THE SPONSOR or its agent within the time periods specified below:
- Ownership of Study Data. Subject to Investigator's right to publish the results of the Study (see Section 19, Publications), THE SPONSOR is the exclusive owner of all Study Data.
 - Non-exclusive License. THE SPONSOR grants Institution a royalty free non-exclusive license, with no right to sublicense, to use Study Data (not related with the investigator drug) for internal research or educational purposes.
 - Data Management and Statistical Analysis. THE SPONSOR or its representative shall carry out the data management and statistical analysis. THE SPONSOR may consult and / or provide THE PRINCIPAL INVESTIGATOR for interpretation during report writing.
 - THE SPONSOR is the exclusive owner of study data.
- 16.2 Biological Samples. If so specified in the Protocol, Investigator may collect and provide to THE SPONSOR or its designee biological samples (e.g., blood, urine, tissue, saliva, etc.) obtained from Study subjects for testing that is directly related to subject care or safety monitoring, including pharmacokinetic, pharmacogenomic, or biomarker testing ("Biological Samples").
- Use. Investigator will not use Biological Samples collected under the Protocol in any manner or for any purpose other than that described in the Protocol.
 - Analysis samples. THE SPONSOR or its designees will test Biological Samples as described in the Protocol. Unless otherwise specified in the Protocol, THE SPONSOR will provide the results of these tests ("Biological Sample Analysis Data") to the Investigator or Study subject.
 - Ownership. THE SPONSOR is the exclusive owner of all Biological Samples and Biological Sample Analysis Data.
- 16.3 Study Records. Investigator will ensure that subject's Study records, which include the Investigator's copies of all Study Data as well as relevant source documents (collectively, "Study Records"), are kept up to date and maintained in accordance with applicable regulations and institutional guidelines.
- Retention. Investigator will retain Study Records, under storage conditions conducive to their stability and protection, for a period of 15 years after termination of the Study unless THE SPONSOR authorizes, in writing, earlier destruction. Investigator agrees to notify THE SPONSOR before destroying any Study Records after the required retention period. Investigator further agrees to permit THE SPONSOR to ensure that the records are retained for a longer period if necessary, at THE SPONSOR expense, under an arrangement that protects the confidentiality of the records (e.g., secure off-site storage).
17. Monitoring, Inspections and Audits.
- 17.1 Monitoring. THE SPONSOR shall be entitled at its absolute discretion (and in such form as THE SPONSOR sees fit) to monitor and audit the conduct of the Study. Upon reasonable notice, Institution will permit THE SPONSOR representatives access to the premises, facilities, procedures and records relating to the Study, investigators, and research staff as required to accomplish this. The Institution agrees to co-operate and provide all reasonable assistance with any monitoring and/or auditing activity. No such monitoring and/or auditing by THE SPONSOR will relieve the Investigator of any of its obligations hereunder.
- 17.2 Inspections and Audits. The Study is subject to inspection by regulatory agencies worldwide. Regulatory inspections may occur after completion of the Study and may include auditing of Study Records. Auditing involves comparison of Case Report Forms or Data Records with the source documentation on which they are based. THE SPONSOR may also choose to audit Study Records as part of its monitoring of Study conduct.
- Notification. Investigator will notify THE SPONSOR as soon as reasonably possible if the site is inspected or scheduled to be inspected by a regulatory agency.
 - Cooperation. Investigator will cooperate with regulatory agency or THE SPONSOR representatives in the conduct of inspections and audits and will ensure that Study Records are maintained in a way that facilitates such activities.
 - Resolution of Discrepancies. Investigator will promptly resolve any discrepancies that are identified between the Study Case Report Forms and the subject's medical records.
 - Inspection Findings and Responses. Investigator will promptly forward to THE SPONSOR copies of any inspection findings that Investigator receives from a regulatory agency. Whenever feasible, Investigator will also provide THE SPONSOR with an opportunity to prospectively review and comment on any Investigator responses to regulatory agency inspections.
 - Data Clarification Form. THE SPONSOR may raise data clarification forms (queries) during or after the monitoring and/or auditing and/or statistical review of the study, which THE INSTITUTION OR THE PRINCIPAL INVESTIGATOR shall clarify within 7 working days.
 - Study Conduct Evaluations. THE SPONSOR or its external service providers may document and evaluate the performance of Investigator in the conduct of the Study. THE SPONSOR will use these evaluations solely for internal purposes.
18. Inventions.
- 18.1 Notification. If the conduct of Study results in any invention or discovery whether patentable or not ("Invention"), Investigator will promptly inform THE SPONSOR.
- 18.2 Assignment. Investigator will assign all interest in any such invention to THE SPONSOR, free of any obligation or consideration beyond that provided for in this Agreement.
- 18.3 Assistance. Investigator will provide reasonable assistance to THE SPONSOR in filing and prosecuting any patent applications relating to Invention, at THE SPONSOR's expense.
19. Publications.
- 19.1 Prepublication Review. THE SPONSOR has no objection to publication by Investigator of any information collected or generated by Investigator, whether or not the results are favorable to the Investigational Drug. However, to ensure against inadvertent disclosure of Confidential Information or unprotected Inventions, Investigator will provide THE SPONSOR an opportunity to review any proposed publication or other type of disclosure before it is submitted or otherwise disclosed. The timing of such publication shall be mutually agreed upon.
- Submission to THE SPONSOR. Investigator will provide manuscripts, abstracts, or the full text of any other intended disclosure (poster presentation, invited speaker or guest lecturer presentation, etc.) to THE SPONSOR at least 90 days before they are submitted for publication or otherwise disclosed. If any patent action is required to protect intellectual property rights, Investigator agrees to delay the disclosure for a period not to exceed an additional 360 days.
 - Redaction of Confidential Information. Investigator will, on request, remove any previously undisclosed Confidential Information (other than the Study results themselves) before disclosure.
20. Indemnification. THE SPONSOR will provide an indemnity to the Institution in respect of the Study (Annexure B).
21. Debarment and Exclusion. Institution and Principal Investigator each certify that it/s/he is not debarred and that it/s/he is not and will not use in any capacity the services of any person debarred under such law with respect to services to be performed under this Agreement. During the term of this Agreement and for three years after its termination, Institution and Principal Investigator will notify THE SPONSOR promptly if either of these certifications needs to be amended in light of new information.
22. Use of Name. Neither party will use the name of the other party or any of its employees for promotional or advertising purposes without written permission from the other party. However, THE SPONSOR reserves the right to identify THE PRINCIPAL INVESTIGATOR and Institution in association with a listing of the Protocol in publicly available listings of ongoing clinical trials, or other subject recruitment services or mechanisms.
23. Assignment and Delegation.
- 23.1 Institution may not assign its rights or delegate or subcontract any duties under this Agreement without written permission from THE

The Amount of/Un Montant de: INR 30,168,000.00 (Thirty Million One Hundred Sixty-Eight Thousand)
in respect of/en vue de: ESTABLISHING THE OPTIMAL DOSE OF THERAPEUTIC ZINC SUPPLEMENTATION FOR THE
TREATMENT OF ACUTE DIARRHOEA IN UNDER FIVE CHILDREN - A DOSE RESPONSE TRIAL IN A SOUTH ASIAN AND A
SUB-SAHARAN AFRICAN SETTING - ZINC THERAPEUTIC DOSING TRIAL (ZTDT)

For the period financed by this Agreement From/De : 15-JUN-2016
Période du projet financée par le présent accord To/A : 14-JUN-2017

Summary of work/ Description sommaire des travaux:

1. Description of work under this Agreement/ *Description des travaux faisant l'objet du présent accord:*

The overall goals of this study are to:

- To evaluate the non-inferiority of two lower zinc doses (10 mg/day and 5 mg/day) versus standard zinc dose (20 mg/day) regarding diarrhoea outcomes (duration of symptoms, and risk of diarrhoea >5 days)
- To evaluate the safety of lower dose versus standard dose zinc regarding vomiting and other adverse events, and
- To evaluate the acceptability of lower doses versus standard dose zinc using an acceptability scale.

2. Contribution of the Institution and/or other sources for the project (Staff, equipment, supplies, etc. excluding general facilities).
The Institute will provide all facilities, equipment and personnel not covered by this Agreement.

Contribution de l'Institution ou de tout autre organisme à l'exécution du projet (personnel, matériel, fournitures, etc. à l'exclusion des services d'ordre général). L'Institution s'engage à fournir les locaux, équipement et personnels non couverts par cet accord.

Financial Arrangements/ Dispositions financiers:

1. Payments will be made as follows/ *Les versements seront effectués comme suit:*

	Deliverable/ Résultat	Due Date/ Date Remise	%	Currency Amount/ Montant en Devise
1	Countersigned Contract	15-JUN-2016	100.00	30,168,000.00
2	On receipt of satisfactory technical and financial reports	30-MAY-2017	0.00	0.00

2. INR 0.00 will be used by WHO for the purchase of equipment and supplies to be ordered by the Institution as soon as practicable, but not beyond 31 December of the year following the end of the Agreement period as indicated above at which time any uncommitted balance will revert to WHO.

INR 0.00 seront affectés par l'OMS à l'achat de matériels et de fournitures à commander par l'Institution dès que possible, mais au plus tard avant le 31 décembre de l'année suivant la fin de la période susmentionnée d'exécution de l'accord, étant entendu qu'à ce moment tout solde non engagé fera retour à l'OMS.

Annexes

The following annexes form an integral part of this Agreement/ *Les annexes listées ci-dessous font partie intégrante de cet accord:*

Annex	File Description/Description de fichier
1	2016/537886 Contractual - Terms of Reference

In the event that the terms of the annexes contain any provisions which are contrary to the terms of this Agreement, the terms of this Agreement shall take precedence/ *En cas de contradiction entre les termes apparaissant sur les annexes et ceux de l'Accord, les dispositions de l'Accord prévaudront dans tous les cas.*

General

The parties accept the "General Conditions" overleaf, which constitute an integral part of this Agreement. The Institution certifies the correctness of the banking instructions provided on Page 1.

All necessary arrangements to comply with national regulations relating to this project and relevant to the Institution's responsibilities shall have been under-taken by the Institution; failure to do so will nullify this Agreement. The responsibility of the World Health Organization is limited only to the financial support as specified in this Agreement.

Généralités

Les parties acceptent les "Conditions générales" reproduites au verso, lesquelles font partie intégrante du présent accord. L'Institution certifie l'exactitude des instructions bancaires indiquées à la page 1.

Toutes les dispositions relevant des responsabilités de l'Institution et nécessaires à la mise en conformité de ce Projet avec la réglementation nationale, devront avoir été prises par l'Institution, faute de quoi l'accord sera nul. La responsabilité de l'Organisation Mondiale de la Santé se limite au soutien financier spécifié dans le présent accord.

GENERAL CONDITIONS

The following are the general conditions relating to this Agreement concerning WHO support for research or other technical services. The purpose of such support is to assist an Institution to undertake, for WHO, investigations on a particular problem or other work which has been agreed upon by the Institution and WHO.

1 INSTITUTION AND PRINCIPAL INVESTIGATOR

1.1 The Institution and the Principal Investigator (or Responsible Technical Officer), who must be an employee of the Institution, shall be jointly responsible for all the technical and administrative aspects of the work referred to in this Agreement.

1.2 The Institution is required to notify WHO immediately of knowledge that the Principal Investigator will cease or ceases to be an employee of the Institution or is no longer continuing the responsibilities covered by this Agreement. Under such circumstances WHO has the right to:

- a. cancel this Agreement or
- b. agree to continue the project under a new Principal Investigator proposed by the Institution and approved by WHO.

2. FINANCIAL ARRANGEMENTS

2.1 Payments shall be made to the bank account(s) of the Institution as specified in this Agreement and in accordance with the schedule of payments contained therein. If, after the submission of the final financial report referred to in paragraph 4.3 below, there remains an unused balance of funds with the Institution, this balance shall be due to WHO. In the event of this Agreement being cancelled under any circumstances, the Institution shall refund to WHO the balance of uncommitted funds. The funds provided under this Agreement shall be spent only in accordance with its terms.

2.2 The funds transferred to the Institution under this Agreement may not be used to meet any form of emoluments, travel costs or any other reimbursements of expenditure to a staff member of WHO.

2.3 Unless otherwise provided in this Agreement the funds may not be used to cover:

- a. normal administrative and overhead expenses of the Institution;
- b. cost of maintenance, repair, running or insurance of existing equipment and machinery belonging to the Institution;
- c. cost of construction of new buildings or alterations and modifications of existing buildings and premises;
- d. salary support of the Principal Investigator.

3. EQUIPMENT AND SUPPLIES

3.1 Unless otherwise agreed, and subject to subparagraph 3.2 below, any equipment acquired under this Agreement shall become the property of the Institution. The Institution and the Principal Investigator shall be jointly responsible for the proper safeguard, maintenance and care of all equipment acquired under this Agreement.

3.2 Notwithstanding subparagraph 3.1 above, the Institution shall transfer ownership of any equipment acquired under this Agreement to WHO, if so requested by WHO, upon termination or expiry of this Agreement. In such cases the Institution shall dispatch the equipment to any destination chosen by WHO, the cost of which will be borne by WHO.

4. REPORTS

The Institution shall submit technical and financial reports to WHO on the work as required, or at least annually, in accordance with the following provisions:

4.1 Technical reports shall be prepared by the Principal Investigator and forwarded through and countersigned by the authorized official of the Institution or his authorized representative. Each annual report shall summarize the results of the project and give in sufficient detail its positive and negative findings so that the value of the work can be assessed.

4.2 Financial reports shall be forwarded after being jointly certified by the Institution's Chief Financial Officer and the Principal Investigator, using form WHO 782. The reports must show the use of the funds provided by WHO compared with the original budget expenditure pattern agreed between the Institution and WHO.

4.3 All Financial and Technical reports are subject to audit by WHO, including examination of supporting documentation and relevant accounting entries in the Institution's books. In order to facilitate such reporting and audit, the Institution shall ensure that accurate and systematic accounts and records are kept in respect of the project. The first Technical and Financial reports must be submitted within 90 days after the expiry of this Agreement.

5. RELATIONSHIP AND RESPONSIBILITY OF PARTIES

The relationship of the Institution to WHO shall be that of an independent contractor. The employees of the Institution are not entitled to describe themselves as staff members of WHO. The Institution shall be solely responsible for the manner in which work on the project is carried out and accordingly shall assume full liability for any damage arising from research or other technical services under this Agreement. No liability shall attach to WHO, its advisers, agents or employees.

6. USE OF RESULTS, EXPLOITATION OF RIGHTS, AND PUBLICATION

6.1 The results of the project funded under this Agreement may be freely used or disclosed by either party provided that, without the consent of the other party, no use may be made for commercial purposes and confidentiality shall be maintained with respect to results that may be eligible for protection by proprietary rights. The Institution shall provide WHO with the results, in the form of relevant know-how and other information, and to the extent feasible, tangible products.

6.2 The industrial or commercial exploitation of any intellectual property rights,

including the ownership of know-how, arising from the project shall be designed to achieve, in so far as circumstances permit, the following objectives in the following order of priority:

- a. the general availability of the products of creative activity;
- b. the availability of those products to the public health sector on preferential terms, particularly in developing countries;
- c. the grant to each party of additional benefits, including royalties, account being taken of the relative value of each party's financial, intellectual and other contribution to the research.

6.3 The rights referred to in para. 6.2 shall belong to the Institution, or to the Principal Investigator if the Institution and WHO so agree. To the extent that the former do not intend to exercise them, the rights shall be promptly transferred to WHO, if it so requests. Each party shall provide the other with its full cooperation to permit the effective exercise of the rights. The party in which the corresponding rights are vested may file applications for industrial property protection, promptly furnishing copies of the applications and other patent documents to the other party. All rights other than the right to file applications shall be exercised in accordance with an agreement which shall be negotiated in good faith between the Institution and WHO.

6.4 In any publication by the Institution or the Principal Investigator relating to the results of the project, the responsibility for the direction of the work shall not be ascribed to WHO. Unless WHO advises otherwise, all publications shall include a notice indicating that the underlying investigation received financial support from WHO. Two off-prints or copies shall be sent to WHO unless another number is stipulated. WHO funds may not be used for publication costs unless specifically authorized.

7. RESEARCH INVOLVING HUMAN SUBJECTS

7.1 Ethical Aspects

It is the responsibility of the Institution and the Principal Investigator to safeguard the rights and welfare of human subjects involved in research supported in whole or in part by funds from WHO, in accordance with the appropriate national code of ethics or legislation, if any, and in the absence thereof, the Helsinki Declaration and any subsequent amendments. Such funds may be used only to support investigations where (a) the rights and welfare of the subjects involved in the research are adequately protected, (b) freely given informed consent has been obtained, (c) the balance between risk and potential benefits involved has been assessed and deemed acceptable by a panel of independent experts appointed by the Institution and (d) any special national requirements have been met.

7.2 Regulatory Requirements

It is the responsibility of the Institution and the Principal Investigator to comply with the relevant national regulations pertaining to research involving human subjects.

7.3 Protection of Subjects

Without prejudice to obligations under applicable laws, the Institution shall make appropriate arrangements to eliminate or mitigate the consequences to subjects or their families in the case of death, injury or illness resulting from the conduct of research referred to in paragraph 7.1. Such arrangements shall, to the extent feasible, include medical treatment and financial relief. The Institution and Principal Investigator undertake to protect the confidentiality of the information relating to the possible identification of subjects involved in the research involving human subjects conducted under the auspices of this Agreement.

8. RESEARCH INVOLVING THE USE OF LABORATORY ANIMALS

The Institution undertakes that living vertebrate animals, required for use as laboratory animals for the research to be carried out under this Agreement, shall be handled in accordance with generally accepted principles for the humane treatment of such animals and the avoidance of unnecessary suffering.

9. RESEARCH SAFETY

It is the responsibility of the Institution to establish and implement policies and practices to assure and provide for the safety of its employees, the public, and the environment during the conduct of the supported research. If the supported research involves the use of dangerous biological agents, the Institution shall establish and implement an appropriate safety plan.

10. PUBLICITY

The Institution and the Principal Investigator shall not refer to the relationship of WHO to the project, or to products or processes connected with the project, in any statement or material of a publicity or promotional nature issued for commercial purposes, or with a view to financial benefit.

11. SETTLEMENT OF DISPUTES

Any matter relating to the interpretation or application of this Agreement which is not covered by its terms shall be resolved by reference to Swiss law. Any dispute relating to the interpretation or application of this Agreement shall, unless amicably settled, be subject to conciliation. In the event of failure of the latter, the dispute shall be settled by arbitration. The arbitration shall be conducted in accordance with the modalities to be agreed upon by the parties or, in the absence of agreement, with the Rules of Arbitration of the International Chamber of Commerce. The parties shall accept the arbitral award as final.

12. PRIVILEGES AND IMMUNITIES

Nothing contained in or relating to this Agreement shall be deemed to constitute a waiver of any of the privileges and immunities enjoyed by WHO and/or as submitting WHO to any national court jurisdiction.

CONDITIONS GENERALES

Les conditions générales énoncées ci-après s'appliquent au présent Accord sur l'appui de l'OMS aux recherches ou autres services techniques. Cet appui vise à aider une institution à entreprendre pour le compte de l'OMS, des investigations portant sur un problème particulier ou des travaux concrets entre l'institution et l'OMS.

1. INSTITUTION ET CHERCHEUR PRINCIPAL

1.1 L'Institution et le Chercheur principal (ou l'Administrateur technique responsable), lequel des deux employé par l'institution, sont conjointement responsables de l'ensemble des aspects techniques et administratifs des travaux visés par le présent Accord.

1.2 L'Institution est tenue d'aviser immédiatement l'OMS lorsqu'elle apprend que le Chercheur principal va cesser, ou a cessé, d'être employé par elle, ou bien qu'il ne continue pas à exercer les fonctions visées par le présent Accord. En pareil cas, l'OMS peut :

- a. soit annuler le présent Accord;
- b. soit décider de poursuivre le projet sous la conduite d'un nouveau Chercheur principal proposé par l'Institution et approuvé par l'OMS.

2. DISPOSITIONS FINANCIERES

2.1 Des versements seront faits au/dé crédit(s) bancaire(s) de l'Institution comme il est stipulé dans le présent Accord et conformément au calendrier qui y figure. Si, après communication du rapport financier final mentionné plus loin au paragraphe 4.3, il apparaît que l'Institution détient un solde non utilisé, ce solde reste payé à l'OMS. En cas d'annulation du présent Accord, qu'elle que soit la circonstance, l'Institution restituera à l'OMS les sommes non encore engagées. Les sommes fournies en vertu du présent Accord ne peuvent être réajustées que conformément aux dispositions du présent Accord.

2.2 Les fonds versés à l'Institution en vertu du présent Accord ne peuvent être utilisés pour verser des amendements quelconques à un fonctionnement de l'OMS, couvrir les frais de voyage ou lui rembourser toute autre dépense.

2.3 Sauf dispositions contraires du présent Accord, ces fonds ne peuvent être utilisés pour couvrir :

- a. les dépenses administratives et les frais généraux normaux de l'Institution;
- b. le coût de formation, de la réparation, de l'exploitation ou de l'assurance de matériel ou d'appareils existants qui appartiennent à l'Institution;
- c. le coût de la construction de nouveaux bâtiments, ou de la transformation ou de la modification de bâtiments et locaux existants;
- d. le versement d'un complément de rémunération au Chercheur principal.

3. MATERIEL ET FOURNITURES

3.1 Sauf convention contraire, et sous réserve des dispositions de l'alinéa 3.2 ci-dessous, tout matériel obtenu en vertu du présent Accord sera la propriété de l'Institution. L'Institution et le Chercheur principal seront conjointement responsables du bon état de conservation et d'entretien de tout matériel acquis en application du présent Accord.

3.2 Nonobstant les dispositions de l'alinéa 3.1 ci-dessus et si l'OMS en fait la demande, l'Institution restituera à l'OMS, ou à son profit, tout matériel acquis en vertu du présent Accord les droits de propriété afférents à tout matériel acquis au titre dudit Accord. L'Institution expliquera alors ce matériel vers toute destination que lui aura indiquée l'OMS, les frais d'expédition étant à la charge de cette dernière.

4. RAPPORTS

L'Institution soumettra à l'OMS des rapports techniques et financiers concernant les travaux, chaque fois qu'il y a lieu et au moins une fois par an, selon les modalités suivantes :

4.1 Les rapports techniques seront établis par le Chercheur principal, envoyés sous couvert de son responsable de l'Institution ou de son représentant qui en a eu l'autorisation, et consignés par eux. Chaque rapport annuel résumera les résultats du projet et en exposera les conclusions positives ou négatives de façon aussi détaillée que possible pour permettre d'évaluer la valeur des travaux.

4.2 Les rapports financiers seront établis, après avoir été vérifiés conjointement par le Chef des Services financiers de l'Institution et par le Chercheur principal qui utilisera à cette fin la formule WHO 789. Les rapports devront indiquer l'utilisation des fonds provenant de l'OMS au regard des prévisions ou dépenses initiales dont ils ont été convenus à l'Institution et l'OMS.

4.3 Tous les rapports financiers et techniques, sont soumis par l'OMS à une vérification conjointe. Faisant de toutes pièces justificatives ainsi que des écrites correspondantes correspondantes dans les écritures de l'Institution. La vue de faciliter l'établissement et la vérification de ces rapports, l'Institution veillera à la tenue de comptes et de registres adéquats et appropriés pour tout ce qui concerne le projet. Les rapports techniques et financiers finaux devront être présentés dans les 90 jours suivant l'expiration du présent Accord.

5. RELATIONS ENTRE LES PARTIES ET LEURS RESPONSABILITES

L'Institution agit à l'égard de l'OMS en tant qu'entrepreneur indépendant, ses employés ne peuvent se prévaloir de la qualité de membres du personnel de l'OMS. L'Institution sera seule responsable de la façon dont s'exécute le projet et, par conséquent, assurera l'entière responsabilité de tout dommage résultant de recherches ou travaux services techniques visés par le présent Accord. Aucune responsabilité ne pourra incomber à l'OMS, ses conseillers, agents ou employés.

6. UTILISATION DES RESULTATS, EXPLOITATION DES DROITS, ET PUBLICATION

6.1 Les résultats du projet financé en vertu du présent Accord pourront être librement utilisés ou divulgués par l'une ou l'autre partie. Toutefois, à défaut de l'assentiment de l'autre partie, les résultats ne pourront être utilisés à des fins commerciales et, s'ils sont susceptibles d'être protégés par des droits de propriété, ils conserveront leur caractère strictement confidentiel. L'Institution restituera à l'OMS les résultats des recherches, sous forme de savoir-faire et autres

intellectuels, y compris les droits qui s'attachent au savoir-faire, découlant du projet, devra permettre, dans toute la mesure du possible, d'atteindre les objectifs suivants énoncés par ordre de priorité :

- a. mise à la disposition de tous les produits de l'activité créatrice;
- b. leur mise à la disposition du secteur de la santé publique, notamment dans les pays en développement à des conditions préférentielles;
- c. octroi à chaque partie d'avantages additionnels, y compris sous forme de retournement, compte tenu de la valeur relative de ces contributions financières, intellectuelles et autres;
- d. Les droits mentionnés plus haut au paragraphe 6.2 seront la propriété de l'Institution, ou du Chercheur principal si l'Institution et l'OMS en conviennent mutuellement. Dans la mesure où l'Institution n'entend pas les exercer, les droits seront automatiquement transférés à l'OMS, si celui-ci le demande. Chaque partie conviendra librement avec l'autre pour lui permettre d'exercer effectivement ses droits. La partie détentrice des droits pourra céder ces demandes de propriété intellectuelle et devra alors remettre à l'autre partie copie de ces droits et des autres documents relatifs au brevet. Tous les droits autres que celui de déposer des demandes s'exercent aux termes d'un accord qui sera négocié de bonne foi entre l'Institution et l'OMS.

6.4 Dans l'attente de ses publications concernant les résultats du projet, l'Institution ou le Chercheur principal n'approuvera à l'OMS la responsabilité de la direction des travaux. Sauf instructions contraires de l'OMS, toutes les publications comporteront une note indiquant que les recherches qui sont à l'origine des résultats ont reçu un appui financier de l'OMS. A moins qu'un autre chiffre soit stipulé, deux exemplaires au titre de part de ces publications, seront envoyés à l'OMS et, sauf autorisation expresse, les fonds de l'OMS ne pourront être utilisés pour couvrir les coûts de publication.

7. RECHERCHES IMPLIQUANT L'ETUDE DE SAUETS HUMAINS.

7.1 Recherches épidémiologiques

Il incombe à l'Institution et au Chercheur principal de s'assurer qu'au cours des travaux financés totalement ou en partie par l'OMS et impliquant l'étude de sujets humains, les droits et la santé de ces derniers soient protégés conformément au code de déontologie ou à la législation du pays, ou, à défaut, à la Déclaration d'Helsinki et aux amendements qui pourraient lui être ultérieurement apportés. Les fonds ne peuvent être utilisés pour financer des recherches qui, si les conditions suivantes sont remplies :

- a. les droits et le bien-être des sujets impliqués sont suffisamment protégés;
- b. les consentements libres et éclairés des intéressés ont été obtenus;
- c. des experts indépendants désignés par l'Institution ont examiné les risques et les avantages potentiels et ont jugé qu'ils justifient de moyens acceptables; et
- d. il est satisfait à toute exigence particulière de la réglementation nationale.

7.2 Dispositions réglementaires

Il incombe à l'Institution et au Chercheur principal de respecter la réglementation nationale relative aux recherches impliquant l'étude de sujets humains.

7.3 Protection des sujets d'expériences

Sont préjudiciables des obligations qui lui incombent aux termes des lois en vigueur, l'Institution prendra des mesures appropriées en vue d'établir ou d'améliorer les connaissances des expériences pour les sujets ou leur famille en cas de décès, de transmission ou de maladie résultant de la conduite des recherches mentionnées au paragraphe 7.1. Ces mesures comprennent, dans la mesure du possible, un traitement médical et un dédommagement financier. L'Institution et le Chercheur principal s'engagent à protéger le caractère confidentiel des informations qui pourraient permettre d'identifier les sujets impliqués dans les études effectuées en vertu du présent Accord.

8. RECHERCHES IMPLIQUANT L'UTILISATION D'ANIMAUX DE LABORATOIRE

L'Institution s'engage à veiller à ce que les animaux vivants utilisés pour ces recherches soient traités de façon humaine et que les animaux soient élevés dans des conditions adéquates en ce qui concerne l'alimentation, l'hygiène, le logement, les soins vétérinaires et les autres aspects de leur bien-être. Les animaux utilisés pour ces recherches doivent être traités de façon humaine et que les animaux soient élevés dans des conditions adéquates en ce qui concerne l'alimentation, l'hygiène, le logement, les soins vétérinaires et les autres aspects de leur bien-être.

9. SECURITE DES RECHERCHES

Il incombe à l'Institution d'adopter et d'appliquer des politiques et pratiques préventives et sécuritaires de sécurité de ses employés et du public ainsi que celles de l'entrepreneur principal des recherches effectuées par l'OMS. Si les travaux impliquent l'utilisation de substances biologiques dangereuses, l'Institution établit et applique un plan de sécurité approprié.

10. PUBLICITE

L'Institution et le Chercheur principal ne pourront faire mention, dans un quelconque acte ou déclaration à caractère publicitaire ou promotionnel afférent à des fins commerciales, ou en vue d'un avantage financier, de leur relation avec l'OMS et le projet ou les produits ou procédés en discussion.

11. REGLEMENT DES LITIGES

Toute question concernant l'application ou l'interprétation du présent Accord sera réglée par l'OMS ou, à défaut de l'OMS, par le tribunal compétent par référence au droit suisse. Tout différend relatif à l'application ou à l'interprétation du présent Accord qui n'aurait pu être réglé à l'amiable, sera réglé d'une manière arbitrale. En cas d'échec de cette procédure, le différend sera réglé par arbitrage. Les modalités de l'arbitrage seront convenues entre les parties ou, en absence d'accord, seront déterminées selon le règlement d'arbitrage de la Chambre de Commerce internationale, les parties reconnaissant que la sentence arbitrale sera finale.

12. PRIVILEGES ET IMMUNITES

Aucun des termes du présent Accord ne sera considéré comme constituant une

ALKEM LABORATORIES LIMITED, having its registered office at Alkem House, Senapati Bapat Marg, Lower Parel, Mumbai 400013, India.

Hereinafter "the **SPONSOR**"

The **INVESTIGATOR**, Co-Investigator, the **INSTITUTION** and the **SPONSOR** are hereinafter individually referred to as a "**Party**" or collectively referred to as the "**Parties**".

WITNESSETH:

WHEREAS, the **SPONSOR** is to perform a clinical trial (hereinafter the "**ALK05-TERII Study**") to evaluate its product **TERIPARATIDE** (hereafter the "Investigational Product") in accordance with a protocol of **SPONSOR** entitled 'A Prospective, Comparative, Active-controlled, Randomized, Open-label, Multicenter Study to Compare the Safety and Efficacy of Teriparatide of Enzene Biosciences Ltd. versus Forteo® of Eli Lilly in the Treatment of Postmenopausal Osteoporosis' [ALK05-TERII] and its amendments (hereinafter collectively the "Protocol"),

AND WHEREAS, the **INSTITUTION**, the **INVESTIGATOR** and the **CO-INVESTIGATOR** having each reviewed the Protocol for the Study, the Clinical Investigator Brochure and sufficient information regarding the Investigational Product to evaluate their interest in participating in the Study, wish to participate in the Study and assure that they have sufficient authority, competence and experience in clinical trials, along with the necessary infrastructure and technical means to perform the Study.

In consideration of the undertakings and commitments set forth herein, the Parties agree to enter into the Contract, which provisions shall apply in compliance with those of the Protocol.

ARTICLE 1. PROTOCOL

The Study shall be performed in strict compliance with the Protocol a copy of which has been provided and signed by the **INVESTIGATOR** AND **CO-INVESTIGATOR**, **INSTITUTION** and **SPONSOR**, as such Protocol is submitted to the registered Institutional Ethic Committee ("**IEC/IRB**") for favorable opinion/ approval and as the Protocol may be amended from time to time thereafter.

Any amendment to the Protocol shall be notified to the relevant **IEC/IRB** according to regulation & guidelines mentioned in section 3.1. All the terms of the Protocol and any further amendments to the Protocol are incorporated hereunder and are part of the Contract.

To the extent that there may be any inconsistency between this Contract and the Protocol, this Contract shall control, except with respect to medical or clinical matters for which the provisions of the Protocol shall take precedence.

ARTICLE 2. STUDY SITE

The Study shall be performed at the **INSTITUTION** (hereinafter the "**Study Site**"). The **INVESTIGATOR** and the **INSTITUTION** shall be responsible for obtaining any authorization from the representatives of the Study Site where the Study is performed.

For the avoidance of doubt, the sums paid under Exhibit 1 of the Contract to the **INVESTIGATOR** and/or the **INSTITUTION** involves compensation for the performance of the Study carried out at the Study Site.

The **INVESTIGATOR** AND **CO-INVESTIGATOR** hereby represents, warrants and covenants that he/she has and shall maintain all necessary authorizations from the Study Site representatives to perform the Study and that he/she shall take responsibility for the payment of any cost incurred by the Study Site in connection with the Study, the amount and terms of which shall be directly and exclusively handled by the **INVESTIGATOR** AND **CO-INVESTIGATOR** and the Study Site.

ARTICLE 3. COMPLIANCE

3.1 The Study shall be performed in accordance with (i) the Protocol (ii) all applicable Central, State and Local laws, rules and regulations in India including the Ethical Guidelines for Biomedical Research on Human Subjects issued by the Indian Council of Medical Research and the Indian GCP Guidelines, (iii) the Guideline for Good Clinical Practice of the International Conference on Harmonization (hereinafter the

als

VA

RS

3.2 The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall ensure that all procedures defined in the Protocol are complied with, so that all data coming from the Study Site are reliable and have been processed correctly (especially the randomization lists, and the blind character of the Study as the case may be) and will ensure that the content of the case report form (CRF)/electronic case report form (e-CRF) will accurately reflect source documents.

3.3 The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall submit CRF/e-CRFs to the SPONSOR.

ARTICLE 4. TERM

This Contract is being entered into force from the Effective Date and shall expire upon receipt by the SPONSOR of all data generated by the INVESTIGATOR AND CO-INVESTIGATOR and after completion of the close-out visit for the Study Site.

The Parties estimate that the whole Study will take approximately 24 months from the first visit of the first Subject to the last visit of the last Subject.

ARTICLE 5. ITEMS SUPPLIED BY THE SPONSOR

5.1 The SPONSOR shall provide the INVESTIGATOR AND CO-INVESTIGATOR and/or the INSTITUTION with all necessary information, documents and materials, including but not limited to:

- the Investigator's Brochure (IB)
- the Protocol,
- the Informed Consent Form
- the CRF/e-CRF
- the Investigational Product manufactured in accordance with the applicable regulations and/or the Good Manufacturing Practice (GMP), suitably packaged and labeled and in sufficient quantity to conduct the Study.

5.2 The INVESTIGATOR AND CO-INVESTIGATOR, the Collaborators and the INSTITUTION shall use the information, documents and Investigational Product provided by the SPONSOR, solely for the purpose of the Study or to fulfill their own regulatory obligations, to the exclusion of any use for their own or for a third party's account.

For the purpose of the Contract, the term "Collaborator(s)" shall mean any person involved in the Study including but not limited to research associates, sub-investigators, biologists, assistants and nurses.

Unless otherwise instructed by the SPONSOR or required by applicable laws and regulations, the information, documents and Investigational Product shall be returned or made available to the SPONSOR upon completion of the Study.

The INVESTIGATOR AND CO-INVESTIGATOR shall bind the Collaborators with obligations at least as stringent as those provided for in the Contract. Therefore, the INVESTIGATOR AND CO-INVESTIGATOR shall be held liable should any of the Collaborators fail to comply with any of the obligations provided for in this Contract.

The Investigational Product will not be released until the SPONSOR has received a copy of the written and dated approval/opinion of the IEC/IRB and DCGI for the study.

5.3 The INVESTIGATOR AND CO-INVESTIGATOR / INSTITUTION or its designee shall ensure that an accurate record of the quantity of Investigational Product received and dispensed to each patient is maintained. The INVESTIGATOR AND CO-INVESTIGATOR/INSTITUTION shall ensure that the Investigational Product is stored and dispensed in accordance with the SPONSOR's specifications and applicable laws and regulations.

5.4 The INVESTIGATOR AND CO-INVESTIGATOR/INSTITUTION agrees to take responsibility for the safeguarding of such materials and to notify SPONSOR promptly in case of any loss damage, or failure of these materials.

5.5 Upon termination or completion of the Study, all unused Study Drug, compounds, drugs devices, case report forms, whether or not completed, and other related materials that were furnished to the

Initials SPONSOR Initials INSTITUTION Initials INVESTIGATOR Initials CO-INVESTIGATOR

6.1 The INVESTIGATOR AND CO-INVESTIGATOR has estimated that he/she may require to recruit a maximum of 30 (Thirty) Subjects (the "Subjects"), within Four months of commencement of the Study. This target of recruitment can be increased only upon written agreement of the SPONSOR. In addition, SPONSOR may establish a threshold number of Subjects and rate of accrual of Subjects (e.g. x Subjects per day/week/month) to allow for appropriate monitoring of the Study and will communicate this information to the INVESTIGATOR AND CO-INVESTIGATOR. The INVESTIGATOR AND CO-INVESTIGATOR undertakes to comply with these limitations and conditions for further recruitment at the Study Site as required by the SPONSOR.

6.2 A minimum of 10 patients must be enrolled within Two months of initiating the Study at the STUDY SITE. If no subjects are enrolled over a period of Two Months, the SPONSOR may decide at its discretion to discontinue the Study at the STUDY SITE.

6.3 The SPONSOR reserves the right to request the INVESTIGATOR AND CO-INVESTIGATOR to limit the recruitment of further Subjects or cease the recruitment, notably in case the recruitment target for the Study has been reached. In such case, the SPONSOR shall inform the INVESTIGATOR AND CO-INVESTIGATOR to stop the recruitment of any subject who has not yet signed informed consent. The INVESTIGATOR AND CO-INVESTIGATOR shall upon receipt of the written notice stop immediately further recruitment of Subjects. Payments shall only be made according to the number of Subjects recruited up to the date of receipt of the notice by indicating no further recruitment. The SPONSOR will not take any responsibility and make any payment for the Subjects recruited after this date.

ARTICLE 7. CONSENT OF THE SUBJECTS

7.1 Before any Subject's participation in the Study, the INVESTIGATOR AND CO-INVESTIGATOR shall fully inform any subject and/or, as the case may be, her/his legal representative, in language understandable to them, of all pertinent aspects of the Study in accordance with the requirements stipulated under Indian laws/regulations (Article 3.1).

7.2 The INVESTIGATOR AND CO-INVESTIGATOR shall ensure that all Subjects participating in the Study and/or their legal representative (i) have received a copy of the Subject information leaflet, and (ii) have expressed their prior consent by signing the informed consent form, in such format as approved by DCGI or Other Authority, without the undue influence or coercion of any person directly involved in the Study, and only after having been duly informed.

7.3 The INVESTIGATOR AND CO-INVESTIGATOR & INSTITUTION shall ensure that the entire informed consent process referred to in Article 7.2 above be video recorded if the same is applicable as per local regulations and/or made applicable by Institutional Ethics Committee. The INVESTIGATOR AND CO-INVESTIGATOR & INSTITUTION should ensure that the confidentiality of the recorded files is appropriately maintained.

ARTICLE 8. MONITORING OF THE STUDY

8.1 The SPONSOR shall appoint monitor(s) from their end or from Clinical Research Organization (CRO), bound by a professional confidentiality obligation, who will work with the INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION to ensure proper conduct of the Study (hereinafter the "Monitor(s)"). The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION agrees to fully cooperate with the SPONSOR's monitoring procedures and maintain all necessary patient information

8.2 The Monitor shall be entitled to visit the Study Site and be regularly informed about the performance of the Study and shall collect all the documents and information about the Study in accordance with the Protocol and the ICH-GCP. He/she shall have access to all records on the Subjects and all information pertaining to the Study, as well as, copies thereof, if needed.

ARTICLE 9. DUTY OF INFORMATION

The INVESTIGATOR AND CO-INVESTIGATOR and/or the INSTITUTION shall immediately inform the SPONSOR, Licensing Authority & Ethics Committee of any serious adverse event ("SAE") or other events as defined in the Protocol.

Initials SPONSOR Initials INSTITUTION Initials INVESTIGATOR Initials CO-INVESTIGATOR

INVESTIGATOR AND CO-INVESTIGATOR AND THE INSTITUTION in compliance with the payment terms defined in Exhibit 1. Payment terms may be modified only upon prior written consent of the Parties. Likewise, non-emergency additional tests or services (tests or services non-required by the Protocol or performed in excess of Protocol requirement) shall not be reimbursed hereunder without the prior written consent of the SPONSOR.

ARTICLE 11. CONFIDENTIALITY AND RESTRICTED USE

11.1 All information disclosed or provided by the SPONSOR or produced during the Study, including but not limited to the Protocol, the Investigator's brochure and CRF/e-CRF, the results obtained during the course of the Study, the financial terms of the Contract (hereafter the "Confidential Information"), is confidential. The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION agree to keep confidential and not to disclose the Confidential Information to any third party without the prior written approval of the SPONSOR. The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall use the Confidential Information solely for the purposes of the Study.

11.2 Furthermore, the Parties agree to adhere to the principles of personal data confidentiality in relation to the Subjects, the INVESTIGATOR AND CO-INVESTIGATOR, the INSTITUTION and the Collaborators involved in the Study. Each Collaborator shall be subject to these obligations of confidentiality and restricted use. The INVESTIGATOR AND CO-INVESTIGATOR shall inform the Collaborators of the confidential nature of the Study and will only provide them with the Confidential Information that is strictly necessary for the accomplishment of their acts.

11.3 Confidential Information shall not include information that: (1) is at the time of disclosure, or thereafter becomes, publicly available through no fault of the INVESTIGATOR AND CO-INVESTIGATOR or the INSTITUTION; (2) is disclosed to the INVESTIGATOR AND CO-INVESTIGATOR or to the INSTITUTION by a third party entitled to disclose such information in a non-confidential manner; (3) is known to the INVESTIGATOR AND CO-INVESTIGATOR or to the INSTITUTION prior to disclosure under this Contract, as shown by the INVESTIGATOR AND CO-INVESTIGATOR's or the INSTITUTION's prior written records; (4) can be documented to have been independently developed by Study Site's personnel without reliance on Confidential Information; or (5) is required by applicable law to be disclosed, provided that the INVESTIGATOR AND CO-INVESTIGATOR or the INSTITUTION give the SPONSOR prompt notice of such fact so that it may obtain a protective order or other appropriate remedy concerning any such disclosure, cooperate fully with the SPONSOR in connection with its efforts to obtain any such order or other remedy, and disclose, where disclosure is necessary, only the information legally required to be disclosed.

11.4 The obligations of confidentiality and restricted use contained herein are applicable during the term of the Contract and shall survive for 10 (ten) years from its date of termination or expiry whichever is later.

ARTICLE 12. RECORD RETENTION

The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION through the Study Site shall retain and preserve one (1) set only of all original data generated in the course of the Study for 5 years from the date of the last visit of SPONSOR to the Study Site after the Study is completed ("Retention Period").

The SPONSOR must be informed in writing of any change of address or relocation of the Study files and of the INVESTIGATOR AND CO-INVESTIGATOR /the INSTITUTION during this period.

Following the Retention Period, as instructed by the SPONSOR, the INVESTIGATOR AND CO-INVESTIGATOR and/or the INSTITUTION will either forward such records to the SPONSOR at the SPONSOR's expense, retain such records for a reasonable additional charge to be mutually agreed, or destroy the records, and send the SPONSOR proof of such destruction. Subject files should be retained as per GCP requirements as defined in the Protocol and in compliance with local regulations.

ARTICLE 13. DATA PROTECTION

13.1 The Subject data, the INVESTIGATOR AND CO-INVESTIGATOR's data, the INSTITUTION's data and Collaborators' data, which may be included in the SPONSOR's databases, shall be treated by the Parties in compliance with all applicable laws and regulations.

Initials SPONSOR

Initials INSTITUTION

Initials INVESTIGATOR

Initials CO-INVESTIGATOR

15.3 When archiving or processing data pertaining to the INVESTIGATOR AND CO-INVESTIGATOR, the Collaborators, the INSTITUTION and/or the Subjects, the SPONSOR shall take all appropriate measures to safeguard and prevent access to this data by unauthorized third party.

ARTICLE 14. PUBLICATIONS AND COMMUNICATIONS

14.1 The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION undertakes not to make any publication or release pertaining to the Study and/or results of the Study without the SPONSOR's prior written consent, being understood that the SPONSOR will not unreasonably withhold its approval.

14.2 The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall not use the name(s) of the SPONSOR and/or of its employees in advertising or promotional material or publication without the prior written consent of the SPONSOR. The SPONSOR shall not use the name(s) of the INVESTIGATOR AND CO-INVESTIGATOR, the INSTITUTION and/or the Collaborators in advertising or promotional material or publication without having received their prior written consent(s).

14.3 The SPONSOR has the right at any time to publish the results of the Study.

ARTICLE 15. PROPERTY RIGHTS

15.1 All Confidential Information; documents, materials, Investigational Product and equipment provided by the SPONSOR (hereinafter collectively "Information") are and shall remain the sole and exclusive property of the SPONSOR.

The INVESTIGATOR AND CO-INVESTIGATOR and INSTITUTION shall not and shall cause the Collaborators not to mention any Information in any application for a patent or any other intellectual property rights whatsoever.

15.2 All the results, data, documents, discoveries and inventions which arise directly or indirectly from the Study in any form, shall be the immediate and exclusive property of the SPONSOR or its designee. For this purpose, the INVESTIGATOR AND CO-INVESTIGATOR, the Collaborators and the INSTITUTION presently assign to the SPONSOR (or its designee) all intellectual property rights (including all patents, copyrights, databases and any application or right to apply for registration of any of those rights) which may arise directly or indirectly from the Study and all existing or future materials created in relation to the Study.

15.3 The SPONSOR may use all the results at its own discretion, without any limitation to its property right (territory, field, continuance, etc.), and without any additional payment. The SPONSOR shall be under no obligation to patent, develop, market or otherwise use the results of the Study, issued under this Contract.

ARTICLE 16. LIABILITY – INDEMNIFICATION – INSURANCE

16.1 The SPONSOR agrees that it has subscribed to a liability insurance policy to cover its liability as required by applicable law. The SPONSOR will provide the INVESTIGATOR AND CO-INVESTIGATOR and/or the INSTITUTION with a certificate of insurance.

16.2 The insurance subscribed to by the SPONSOR does not release either the INVESTIGATOR AND CO-INVESTIGATOR or the INSTITUTION from their obligation to maintain their own liability insurance policies.

16.3 The SPONSOR agrees to indemnify, hold harmless and defend the INVESTIGATOR AND CO-INVESTIGATOR, the INSTITUTION, and the Collaborators ("Indemnitees") from and against any and all claims and suits, including reasonable attorneys' fees incurred in the defence thereof, arising out of an injury to a Subject (including death) caused by the administration of the Investigational Product or the performance of any procedure required under the Protocol as per Indian laws, except to the extent such claim or suit is attributable to:

- (1) a failure to adhere to the terms of this Contract, the Protocol or any written instructions from the SPONSOR regarding the administration of the Investigational Product or the performance of any required procedure;

Initials SPONSOR Initials INSTITUTION Initials INVESTIGATOR Initials CO-INVESTIGATOR

The SPONSOR shall have no obligation under this Article, however, unless: (i) the SPONSOR is promptly notified of any such claim or suit; (ii) the Indemnitees cooperate fully in the handling thereof; and (iii) the SPONSOR has sole control over the disposition of such claim or suit, including the selection of counsel and any settlement thereof, provided, however, that no settlement shall include an admission of liability on the part of the Indemnitees without their prior written consent, which consent shall not be unreasonably withheld.

ARTICLE 17. AUDITS AND INSPECTIONS

17.1 For the purpose of ensuring compliance with the Protocol, Good Clinical Practice and applicable regulatory requirements, the INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall permit audits by or on behalf of the SPONSOR and inspections by applicable regulatory authorities.

The INVESTIGATOR AND CO-INVESTIGATOR agrees to allow the auditors and/or inspectors to have direct access to his/her Study records and to Subjects files for review, being understood that this personnel is bound by professional secrecy, and as such will not disclose any personal identity or personal medical information.

17.2 The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall devote their best efforts to facilitate the performance of any audit and inspection and shall give to the SPONSOR or to any person designated by the SPONSOR access to all necessary facilities, data and documents.

17.3 As soon as either the INVESTIGATOR AND CO-INVESTIGATOR or the INSTITUTION is notified of a future inspection by the authorities, they shall inform the SPONSOR and authorize the SPONSOR to participate to this inspection. The information that arises from the inspections by the regulatory authorities will be immediately communicated by the INVESTIGATOR AND CO-INVESTIGATOR and/or INSTITUTION to the SPONSOR.

17.4 The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall take appropriate measures required by the SPONSOR to take corrective actions without delay in order to solve all problems found during the audits or inspections.

17.5 It is expressly agreed between the Parties that the SPONSOR will not compensate the INVESTIGATOR AND CO-INVESTIGATOR and/or the INSTITUTION for the audits and inspections and that the assistance and availability of the INVESTIGATOR AND CO-INVESTIGATOR or the INSTITUTION for the audits and inspections, if any, is included in the amount mentioned in Exhibit 1.

17.6 The rights and obligations under this Article shall remain in effect for a period of five (5) years after the end of the Study.

ARTICLE 18. TERMINATION OF THE CONTRACT

This Contract may be terminated: (1) by a mutual written consent of the SPONSOR, INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION on immediate basis; or (2) by the SPONSOR upon serving thirty (30) days prior written notice to the INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION.

In the event this Contract is terminated, the SPONSOR will be responsible for compensating INVESTIGATOR AND CO-INVESTIGATOR and/or the INSTITUTION for actual activities performed hereunder in accordance with the terms of this Contract and reasonable non-cancellable expenses incurred prior to notice of termination if such expenses were required under the Protocol and contemplated within Exhibit 1. Any funds paid in advance will be prorated and any excess funds will be returned to the SPONSOR. The INVESTIGATOR AND CO-INVESTIGATOR shall provide the SPONSOR with all documentation required by the Protocol and applicable laws and regulations and any equipment provided by the SPONSOR in connection with the Study no later than ninety (90) days after the completion or early termination of the Contract.

The terms and conditions of Articles 11, 13, 14, 15, 19 shall survive the expiration or earlier termination of this Contract.

Initials SPONSOR Initials INSTITUTION Initials INVESTIGATOR Initials CO-INVESTIGATOR

neither he/she nor any Collaborators or INSTITUTION involved in conducting the Study nor any member of the staff of the INSTITUTION, has been debarred, excluded, disqualified or restricted in their ability to practice medicine, participate in a clinical trial, or perform services in connection with the evaluation of a pharmaceutical product under any laws, regulations or professional code of conduct.

The INVESTIGATOR AND CO-INVESTIGATOR shall immediately notify the SPONSOR should he/she or any Collaborators involved in conducting the Study, be so debarred, excluded, disqualified or restricted, or should a procedure or action be initiated against any of them that could result in their being so debarred, excluded, disqualified or restricted, at any time during the term of this Contract and during the twelve months following the expiration or termination of the Contract.

ARTICLE 20. CONFLICT OF INTERESTS AND FINANCIAL DISCLOSURE

The INVESTIGATOR AND CO-INVESTIGATOR shall ensure that he/she and the Collaborators involved in this Study at the INVESTIGATOR AND CO-INVESTIGATOR's Study Site provide the SPONSOR with the appropriate financial disclosures required for compliance with DCCG, on such forms as the SPONSOR may supply or approve.

ARTICLE 21. MISCELLANEOUS

21.1 The Protocol, the Contract and all other documents exchanged between the Parties constitutes the whole undertaking of the Parties. All appendices attached hereto shall be deemed to be incorporated herein.

21.2 Any work performed by the INVESTIGATOR AND CO-INVESTIGATOR, the Collaborators and/or the INSTITUTION under this Contract shall be considered to be performed by them as independent contractors and not as employees, partners or agents of the SPONSOR. No Party shall have the authority, either express, implied or apparent, to bind the other Party, except to the extent that same may be consistent with the performance of that Party's obligations in accordance with the terms of this Contract.

21.3 Except as otherwise expressly mentioned hereinabove, any notification shall be made by mail or fax.

21.4 If either Party is prevented from fulfilling its obligations in accordance with the terms of this Contract due to force majeure (as defined by competent law and/or competent court), this Party shall be released from performance to the extent that it is so prevented from doing so for the duration of the intervening circumstances. The Party wishing to claim relief on the grounds of the said circumstances shall notify the other Party in writing without delay on the intervention or cessation thereof. The Party so prevented from fulfilling its obligation shall devote its best endeavors to remove or avoid the impediment as soon as possible. If the Party is prevented from fulfilling its obligations under this Contract due to force majeure for a period exceeding two (2) running months, each Party shall have the right to terminate this Contract by registered mail with acknowledgment of receipt. The termination will become effective forthwith.

21.5 No indulgence granted by either Party to the other in relation to any term hereof shall be deemed a waiver of such term or prejudice the later enforcement of that or any other term hereof.

21.6 Should a provision of this Contract in any manner whatsoever contravene any applicable laws and regulations, such provision shall be deemed to be severable and shall not affect any other provision of this Contract, nor affect the enforceability of those remaining provisions which are not in contravention of any law and regulation.

21.7 The Contract is concluded by the SPONSOR *intuitu personae*. Hence, the INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall not be allowed to transfer totally or partially the obligations the SPONSOR charged them with, nor to subcontract them without the prior written consent of the SPONSOR. The INVESTIGATOR AND CO-INVESTIGATOR and the INSTITUTION shall, where applicable, transmit to the Collaborators the Contract and shall cause them to abide by its terms and conditions. The SPONSOR may transfer this Contract to a successor in interest to its business by reason of any merger, acquisition, partnership, license agreement or otherwise, provided that the assignee is subject to the terms and obligations provided in this Contract.

21.8 This Contract constitutes the entire agreement between the Parties relative to the subject matter hereof and supersedes all representations, warranties, agreements or undertakings previously made relative to such subject matter, and no such representations, warranties, agreements or undertakings shall be any force and

To,

The Registrar,
Swami Vivekanand Subharti University,
Meerut.

Sub.: Audio visual recording/documentation/archiving of the traditional materials in relation with the Development of Buddhist/Tibetan Culture & Art, Research Project to be done by Samrat Ashok Subharti School of Buddhist Studies (SASSBS), Swami Vivekanand Subharti University, Meerut.

Sir,

One of the objects of the MTV Buddhist Religious & Charitable Trust is to spread the message of Lord Buddha. To serve the above said purpose, the Trust has expanded its activities in Uttarakhand and established a branch office in Dehradun.

The Trust has submitted a proposal to Ministry of Culture, Government of India for grant in-aid under the scheme of Financial Assistance for The Development of Buddhist/Tibetan Culture and Art. We have yet to receive any communication from the Ministry regarding its approval. However, considering that the matter is getting delayed, the Trust has decided to start the work of Audio-Visual recording/documentation in relation with the said topic from the month of February.

Since Swami Vivekanand Subharti University has established Samrat Ashok Subharti School of Buddhist Studies (SASSBS) and the faculties of which have adequate expertise in Buddhist related work, the Trust has decided to assign the above project to SASSBS on the following terms and conditions:

- i. The Vice Chancellor, Swami Vivekanand Subharti University, Meerut, will nominate a team led by any faculty of Samrat Ashok Subharti School of Buddhist Studies of Swami Vivekanand Subharti University, consisting of the required number of faculty and non-teaching members to start the work.
- ii. The documentation done out of the grant will be provided to the Trust in original after the completion of the work so that the Trust uses that for the preservation and Development of Buddhist/Tibetan Culture & Art.
- iii. All the expenditure incurred in the project including the salary/stipend/honorarium of the team members shall be reimbursed by the Trust on submission of the verified bills.
- iv. The University may contact the undersigned for completing the formalities required from time to time and also to remove any confusion in the matter.

Sub.: Scheme of Financial Assistance for the Development of Buddhist/Tibetan Culture & Art, Ministry of Culture, Government of India- Research Project being done by Samrat Ashok Subharti School of Buddhist Studies (SASSBS), Swami Vivekanand Subharti University, Meerut.

Sir,

In continuation of the previous letter no. MTVBRCT/2019/232 dated 11.01.2019 it is to inform you that the Ministry of Culture, Government of India under the scheme of **Development of Buddhist/Tibetan Culture & Art**, has sanctioned a grant of Rs. 10, 00,000/- vide sanction letter no. F.12-186/2018-BTI dated 13.03.2019.

The Trust had assigned Audio visual recording/documentation/archiving of the traditional materials relating to Buddhist art and culture for preservation and dissemination under the scheme of Development of Buddhist/Tibetan Culture & Art to Samrat Ashok Subharti School of Buddhist Studies, Swami Vivekanand Subharti University, Meerut established by the Trust, vide the said letter dated 11.01.2019.

As per the nomination by the Vice Chancellor, Swami Vivekanand Subharti University, Meerut, a team lead by Dr. Champalal Mandrele (Bhante Dr. Chandrakitti), Assistant Professor, Samrat Ashok Subharti School of Buddhist Studies of Swami Vivekanand Subharti University, consisting of faculty and non-teaching members is already working on the project. The same will continue to accomplish the assigned work as per the letter under reference.

Now the same project shall be considered under the **Scheme of Development of Buddhist/Tibetan Culture & Art, Ministry of Culture, Government of India. The revised terms and conditions are as follows:**

- Out of the total sanctioned grant of Rs. 10,00,000/-, an amount of Rs. 5,00,000/- is sanctioned by Ministry of Culture for Audio visual recording/documentation/archiving of the traditional materials relating to Buddhist art and culture for preservation and dissemination and Rs. 5,00,000/- for salary/honorarium under the scheme of Development of Buddhist/Tibetan Culture & Art.
- The documentation done out of the grant will be provided to the Trust in original after the completion of the work so that the Trust use for the preservation and Development of Buddhist/Tibetan Culture & Art.
- The terms & conditions mentioned in the Sanction Letter of the Government shall be followed in letter & spirit. A copy of the sanction letter is attached along with this letter.
- The expenditure that comes to be more than the amount mentioned in Point no. (i) shall be paid by the Trust from its own resources on submission and verification of the bills.
- The head of the team may contact the undersigned for completing the formalities required from time to time and also to remove any confusion in the matter.

Sub.: Grant of Rs. 1, 50,000/- under the scheme of Preservation and Development of Cultural Heritage of Himalayas, sanctioned by the Ministry of Culture, Government of India: Research Project to be done by Dr. Neeraj Karan Singh, Associate Professor, Faculty of Journalism and Mass Communication of Swami Vivekanand Subharti University, Meerut.

Sir,

The Ministry of Culture, Government of India under the scheme of **Preservation and Development of Cultural Heritage of Himalayas**, has sanctioned a grant of Rs. 1,50,000/- vide sanction letter no. F.11-75/2018-BTI dated 11.03.2019 for **Research and Documentation of the Painting and Linguistic Cinema in Himalayan States**, since the Trust has its Regional State Office in Dehradun.

The MTV Buddhist Religious & Charitable Trust requested the Vice-Chancellor of Swami Vivekanand Subharti University, Meerut which has been established by the Trust, to nominate a faculty who has expertise in the field mentioned above, as the **Principal Investigator** to carry out the Research work for this project.

As per the recommendation of Vice Chancellor, Swami Vivekanand Subharti University, Meerut, the Hon'ble President is pleased to appoint Dr. Neeraj Karan Singh, Associate Professor, Faculty of Journalism & Mass Communication as the Principal Investigator of the research project subject to the following terms & conditions:

- (i) The Principal Investigator will nominate a Co-Principal Investigator and one Research Associate.
- (ii) The total grant sanctioned is Rs. 1,50,000/-
- (iii) The trust will spend the amount of the grant only for paying the honorarium/stipend to the Research Associate. No honorarium/stipend will be paid to the Principal Investigator and Co-Principal Investigator.
- (iv) The conveyance for travelling & the office for the investigators to sit and work will be arranged by the trust through its own resources.
- (v) Similarly, the residential services will be arranged in hill areas where ever required by the trust through its own resources.
- (vi) The terms & conditions mentioned in the Sanction Letter of the Government shall be followed in letter & spirit. A copy of the sanction letter is attached along with this letter.
- (vii) The Principal Investigator may contact the undersigned for completing the formalities required from time to time and also to remove any confusion in the matter.

To,

Dr. Anju Rani,

Department of Botany

Keral Varma Sakhari College of Science,

Sriani Vivekanand Sakhari University, Meerut

Dear Dr. Rani,

Our goal is women's empowerment and we support women to raise their social status. We have carried out a comprehensive assessment of your project "Ethnobotanical use of pteridophytes," and based on our assessment, we are happy to tell you that we are interested in assisting you with your endeavor by giving free consumables to the value of INR 800. As soon as the project is completed, please provide us with an in-depth description of your findings.

Thank you
