& Senior Associate
Program in Global Disease Epidemiology and Control
John Hopkins Bloomberg School of Public Health
Baltimore MD USA

Dear Dr. Sazawal

Based on recommendation of the Dept. of Pediatrics, Center for Micronutrient Research – Clinical Trials and Operational Research in Maternal and Child Health and your eminence in research related to maternal and child health, I am happy to invite you as “**Visiting Professor**” at the Center for Micronutrient Research – Clinical Trials and Operational Research in Maternal and Child Health, Dept. of Pediatrics, Subharti Medical College, Meerut w.e.f 1st April 2016.

This position is an honorary academic position enabling development and contribution in academic activities of the university with no financial implication for the university (in terms of Salary, Perks etc.). As Visiting Professor, you will have the rights to apply for grants as PI or Co-PI, alone or in collaboration with other faculty members. In case in some of the grants there is a provision for payment of consultancy or remuneration of other kinds, we will be happy to pass it on to you within the rules of the Grant contract.

In this academic position, you will also be able to teach or mentor students. Some of the students at masters and PhD level could participate and benefit for your collaborative research projects within the institution. I would infact encourage you to develop in collaboration with other faculty teaching programs and opportunities for Ph.D Students, thus helping the academic component of the institution. Given this is an honorary position there will be no time restriction for you to spend at university campus. This would be guided by need for your research activities.

Thanking You.
