### Drug De-addiction Meeting

Today, the de-addiction meeting was organized by the Department of Community Medicine at the Urban Health and Training Center, Multan Nagar on 7 September 2016. Main purpose of the meeting - The main objective of this meeting is to remove the tendency of drug addiction among children and men. Dr. Rahul Bansal, the head of the department, inaugurated today's meeting, thanked the school children, women and men who attended the first meeting. He explained in detail how drug addiction affects the body. 50 students of Kalavali School participated. Dr. Rahul Bansal and Principal of DSS School honored the people who gave up the addiction, 78-year-old Jagroshni and 58-year-old Surendra Pal and 18-year-old Tiku were awarded a shawl for giving up the addiction. In the end, the people present in the meeting took an oath of intoxication. During this, the children were made aware of the damage done to the body by eating fast food. The gathering was attended by 60 people. Dr. Shivam, Dr. Sarita, Dr. Anjeet, UG students of 2013 batch Ankita Chaudhary

Anmol Jain , Anuj Kumar, Anurag Arya ,Arpita Gupta ,Arshad Ali,Arshit Rastogi,Arshiya Gupta,Ashima Mittal

Atharv Amitabh ,Ayushi ,Bhagya Shree Misra,Chetna Gulati, Vimal Kumar MSW, Virendra Kumar, had a special contribution to make today's meeting a success

### Breastfeeding Day

Today, the meeting was organized on 27th September 2016 at the Urban Health and Training Center, Multan Nagar by the Department of Community Medicine on Breastfeeding Day. Main purpose of the meeting - The main objective of this meeting was to make women aware of feeding their children only for six months. Inauguration of today's meeting, Dr. Varsha Chaudhary, Associate Professor of the department told the visiting women that their babies only have to feed their own milk for six months. No breastmilk, honey, and milk cans are to be fed if a woman is to be fed. If there is a problem, then she can give milk to the native cow to her baby. Mother's milk helps in intellectual development along with making the child hustle - athletic. Today's meeting was attended by 36 women. UG students of 2013 batch Richa Dhanda, Richa Verma, Riddhi Jain, Rishabh Agarwal, Ritu Malik, Sabhya Varshney, Sahil Singhal, Sakshi Chauhan, Saumya Arora, Shalini Singh, Shivam Bahuguna, Shobhit Jain, Sheraya Jain, Vimal Kumar MSWA, Virendra Kumar Kusum had a special contribution to make today's meeting a success.

### RABIES MEETING

Today on 7 October 2016, a meeting was organized by the Community Medicine Department at the Urban Health and Training Center, Multan Nagar. Main purpose of the meeting - The main objective of this meeting was to make the students of DSS School Khadouli and Kalavati School aware about rabies disease. Inauguration of today's meeting, department head, Dr. Rahul Bansal, first read the articles written by children about rabies and encouraged the children by reading the answers given by them. After this, Dr. RAHUL told that for the first 10 minutes after biting the dog, it should be washed thoroughly with brine water and soap. Due to which the germs of the Rekhis are reduced and cannot spread. After this, an injection of rabies should be done by showing the doctor. 40% of rabies victims are children only. About 1.5 million people have to vaccinate rabies every year. It is not only from dogs, but also from cats, monkeys and bats in other countries. Mostly it comes from dog saliva. There is a possibility of rabies even after indentation from the dog's paw. Do not kill a dog when it bites, but close it. If the dog is quiet or eating something, do not go near him. If they come near while roaring, then stand in a calm posture. If 70 percent of the dogs are vaccinated, then the disease of rabies will reduce in the country. Pet dogs can also cause this disease. In this way, 70 students - students received important information about Doctor RAHUL. In making today's meeting a success, Dr. Varsha Choudhary, PG, Interns UG students of 2013 batch Aarushi Sinha, Abeer Parashar, Abha Juneja, Abhijeet, Abhishek Aggarwal, Abhishek Katiyar, Adhirath, Aditi Bhatia, Aishwarya Goel, Aishwarya Gupta, Akshat Tyagi, Akul Gupta, Nahid Khanam, Meenakshi Singh, Dr. Babita, Vimal Kumar MSW, Virendra Kumar, were specially contributed.

Dated 01/12/2016

### WORLD AIDS DAY

**Main purpose of AIDS Day** - The main objective of this program was to make the students aware about the dreaded disease like AIDS and how to prevent it.

Inaugurating the program, Dr. Monika Gupta and Dr. Chitra Kiran Gupta of the Department of Community Medicine gave information related to AIDS to all the students of the college. Dr. Surendra Kaur explained to the students in detail what is this disease, how does it happen and how can it be avoided. All the students were told in detail that there are many reasons for the spread of AIDS. Such as - unprotected sex, HIV-infected blood, intoxicating injections, HIV-infected mother from her child. MBBS interns barkha choudhary, sonam srivastava said that check for H.I.V. test is accessible, safe and available free of cost at public health centers. They said that there is no treatment for AIDS, so it is the duty of everyone to make people aware of this disease. Students from class 9 to class 12 participated in this meeting. The contribution of Dr. Babita, Interns UG students of 2013 batch Rajat Tyagi, Rakhi Aggarwal, Ramil Mangla, Richa Dhanda, Richa Verma, Riddhi Jain, Rishabh Agarwal, Ritu Malik, Sabhya Varshney, Sahil Singhal, Sakshi Chauhan, Saumya Arora, Shalini Singh, Virendra Singh, Vimal Kumar MSW), etc. on this occasion was commendable.

## **EVENT REPORT – FROM SUBHARTI UNIVERSITY** **AWARENESS PROGRAMME ON “HIV AND AIDS” – 01-12-2016** **ORGANISED BY: -**

**DEPARTMENT OF MICROBIOLOGY, AT SUBHARTI MEDICAL COLLEGE, MEERUT**

### **REPORT**

An awareness programme on “HIV and AIDS” was held on 1<sup>st</sup> Dec 2016, at Subharti Medical College by the Department of Microbiology with the motive to create awareness regarding HIV.

It was well participated by about 99 MBBS students and 8 faculty members of different departments of Subharti Medical College. A poster and slogan competition was organized by the department. Students were divided into groups and topics for the poster were provided to the students few days prior to the event. Nukkad Natak was performed by the students in the College Campus and Hospital premises to spread awareness in the community. Certificates were awarded to the students who participated in the activity.

Office of the Community Medicine

Dated 24/3/2017

### World Tuberculosis Day

A meeting was organized in the Community Medicine Department at Urban Health and Training Center, Multan Nagar on 24 March 2017 today.

**The main purpose of the meeting** - The main objective of today's meeting is the "DOTS" center, the complete and right treatment of TB, to reach the public message through the people who are completely disease free. Urban Health and Training Center Multan Nagar started today. LMO Dr. Surendra Kaur told the people that TB germs are spread by air. Due to coughing and sneezing by the patient. He enters the body of another person. He further told that while coughing and sneezing, one should keep a towel or handkerchief etc. On the face of it, people suffering from TB should take care of medicines and proper food on time. After this, the faculty of Subharti Naturopathy and Yogic Science made the people present in the meeting aware of the people by doing some asanas. So that people should also take special care of hygiene around them by giving important information, so that other infectious diseases can be avoided. Today's meeting was attended by 30 people. Dr. Babita, in making the program a success INTERNS- Divya dutta, Tanya Guliya, UG students of 2013 batch Pratayaksha Jain, Pulkit Kapi, Rahul Siwach, Rajat Tyagi, Rakhi Aggarwal, Ramil Mangla, Richa Dhanda, Richa Verma, Riddhi Jain, Rishabh Agarwal, Rim Malik, Sabhya Varshney, Sahil Singhal, Mr. Vimal gave a special contribution in the camp.

Dated 12/5/2017

### SCHOOL HEALTH MEETING

School Health Meeting was organized today on 12 May 2017 at Kalavati Inter College, courtesy of Urban Health and Training Center Multan Nagar. Main purpose of the meeting - The main purpose of this meeting was to make aware about the proper food and drink. Today's meeting was inaugurated by Rahul Basal at Vibhagadhyaya Community Medicine. After getting the introduction of all the children in Dr. RAHUL Bansal Ji, he told them what is necessary for physical health. They should burn their weight points 1 diet - should eat proper food. 2 Neandra is sufficiently necessary. (Hours) 3. Brahmacharya - Self control is necessary. 4 Labor - Exercise or morning walk is a must. Dr. Rahul Bansal told that you want pure home made food like dal roti - vegetable etc. One should not eat chowin pizza. In preparing food, raw ghani (marto's lab) should be used instead of recharges to avoid diseases like head and milk of desi cow is good. Dr. Mahan said that Swit should be performed for the purpose of the body's pain, children should stay away from the Paras' Aarti (JJBC Sigat Sab Tamba). 70 - 80 buses participated in this program.

In making the program a success, there was opposition from Shivam, the interns of the Community Medicine Department UG students of 2013 batch Adhirath, Aditi Bhati, Aishwarya Goel, Aishwarya Gupta, Akshat Tyagi, Akul Gupta, Aman Paisal Amit Bidhuri, Amit Mittal, Amol Singh, Anirudh Sharma, Anjali Jalan, Anjali Sehrawat, Mr. Vimal Mr. Virendra. Had a special contribution in todays meeting.

### Environment Day

Today, on 5 June 2017, a plantation program was organized by the Department of Community Medicine at the Urban Health and Training Center, Multan Nagar. Main purpose of Plantation - The main objective of this program is to make people aware by planting trees to prevent the threat of global warming. Inauguration of today's program, Dr. Surendra Kaur L.M.O. and Dr. Babita, by planting a tree at Multan Nagar Center, gave a public message that more and more saplings should be planted to protect the environment and protect the household from global warming, so that the environment can be pollution free and safe. Dr. Surendra Kaur told the people that every person must plant a tree in their life. To make this tree plantation program successful today, INTERNS, UG students of 2014 batch Aashima Kaushik, Abhijeet Shekhar, Abhishek Schrawat, Abhishek Singh Bhadauriya, Aakash Singh, Adarsh Kasana, Aditya Kishore Jain, Aditya Rana, Afeefah Jamsheed, Aishwary Verma, Akarsh Taneja, Akash Garg, Vimal Kumar MSW, Virendra Kumar Pradeep Kumar had a special contribution.

### WORLD YOGA DAY

On 31 World Yoga Day today, a yoga meeting was organized on 19 June 2017 at the Urban Health and Training Center, Multan Nagar. Main purpose of the meeting - The main purpose of today's meeting is to make your life healthy and happy through yoga. Inaugurating today's meeting, Dr. Rahul Bansal Sir told the people that the person who will do yoga, he will remain healthy, that is, he will have less illness. Today, blood pressure diabetes, cancer etc. diseases are increasing rapidly in the society and their proper treatment lies in Yoga and Ayurveda. Health and mental peace can be attained by the body through yoga activities. Yoga also leads man to spirituality. Yoga provides great benefit in diabetes disease. Yoga should be done on an empty stomach or with a snack. Yoga should be done only after excretion of feces and urine. In today's meeting, Kavita and Guddi have told about the benefits of yoga, that she has been doing yoga for a month. He is very relaxed. In this way, Dr. RAHUL told the people that "Do yoga, stay healthy", adopt yoga, make life health.

In today's meeting, all the staff, 28 men and women of Multan city did yoga and got full benefit from them. UG students of 2014 batch Nikita Jindal, Nishant Goel, Nitin Mehta, Pankaj Garg, Paridhi Mittal, Parkhi Mehta, Piyush Kaushik, Prakhar Sharma, Pramod Kumar, Pranav Sharma, Hemant Singh Yadav (2013 Batch), Prashant Yadav, Priyanka Singla had a special contribution in today's work.

### Extension Activities

#### Report for the Academic year 2016-2017

For the successful continued growth and development of the dental profession, the foundation must be based on the understanding of the needs of the community and not just the individual patient. Therefore, to fulfill this aim, the Department of Public Health Dentistry, Subharti Dental College and Hospital is very active in conducting outreach activities. Amongst the various outreach activities, the oral health screening and treatment camps are being conducted at all primary health centres of Swami Vivekanand Subharti University located at Khajuri, Sarawani, Multannagar and Central Jail (Meerut) on every Mondays, Thursdays, Fridays and Saturdays respectively of every month. In addition to above mentioned regular camp postings, department carries out various school, villages and NGO'S camps in and around Meerut district.

Approximately 350 students and 74 faculty members participated in the camps which was found to be a great success.

Total number of camps organized- 74

**Time:** 2:30-3:30pm

**Programme:** Interactive teaching Session

**Topic:** Breast feeding under special circumstances

**Venue:** Teaching Room- NICU, CSSH

**Beneficiary:** Postnatal Mothers

**Group Size:** 35

(A program was organized for Postnatal mother to aware the circumstances of Breast feeding)

## REPORT ON ENVIRONMENTAL HYGIENE' 2016

**Venue:** Multan Nagar

**Date:** 5.06.2016

**Theme:** Zero Tolerance for Illegal Wildlife Trade

**Organizer:** Community Health Nursing, PDMSNC

To turn the tide against the illegal wildlife trade, more people need to understand the damage this illicit business is doing to the environment, economies, communities and security. There is a need to change habits and behaviour so that demand for wildlife products falls. More awareness also increases the pressure on governments and international bodies to introduce and enforce tougher laws and combat those still willing to break them. World Environment Day 2016 encourages the celebration of all those species under threat and the taking of action by all to help safeguard them for future generations.

**Role play by students**

The community health department along with Final year B.Sc students had arranged an awareness programme to save the environment, as per the theme. The villagers encouraged the students that the younger generation were taking much effort to save the environment.

## Report On World AIDS Day '2016'

**Date:** 01/12/2016

**Venue:** Govt. Model School, Meerut

**Organized by:** Panna Dhai Maa Subharti Nursing College, SVSU, Meerut

World Aids Day observed annually on December 1st, is dedicated to raising awareness to the Aids pandemic caused by the spread of HIV infection. This year, the theme is Hands up for HIV prevention. The Community Health nursing department of Panna Dhai Maa Subharti Nursing College observed this event by involving young students in the awareness campaign. A painting competition was organized on the theme "Hands up for # HIV prevention." at the Govt. Model School, Meerut on Dec 1<sup>st</sup> 2016, where 24 high school students participated actively. Another part an interactive session on HIV and AIDS for the first year nursing students was organized. Principal took the session with emphasis on HIV transmission, staging, stigma, prevention, treatment and nurses role in reduction of stigma and discrimination. The department actively participates in spreading awareness and believes that the future generation has the ability to sensitize others and prevent spread of HIV.

(A program was organized for community to aware about "AIDS")

### WORLD TUBERCULOSIS DAY-2017

On 22<sup>nd</sup> March 2017 & 24<sup>th</sup> March 2017, world Tuberculosis Day was organized by Dept. of Medical Surgical Nursing and Dept. of Community Health Nursing of Panna Dhai Maa Subharti Nursing College.

Theme: "United to End TB"

**UNITE TO  
→ END  
TB**

24 MARCH  
WORLD  
TUBERCULOSIS  
DAY

#### Events

1. Health awareness program in CSSH hospital reception area.
2. Role play & Rally in Eklapur, Multan Nagar.

#### Beneficiaries:

1. Male and female patients in the respiratory OPD and other OPDs
2. People in Eklapur, Multan Nagar community area

The programme aimed to create the awareness of prevention and management of tuberculosis among the patients in respiratory OPD. Health talks were arranged and handouts regarding prevention and management of Tuberculosis were distributed. Vital signs and weight of those who attended the programme were checked. Patients who are found suspected of disease are referred to respiratory OPD for further investigation.

#### Some Key messages of TB day were:

- All open TB patients need to immediately identified and treated till they become sputum negative and non-infective.
- TB is a curable disease. Full and adequate treatment is important for complete recovery.
- Do not ignore a cough of more than two weeks.
- Every cough with or without sputum is not TB.
- Children with persistent fever and/or cough >2 weeks, loss of weight / no weight gain, and/or contact with pulmonary TB cases must be evaluated for TB.
- If an elderly develops TB, rule out diabetes and if an elderly develops diabetes, rule out TB.
- TB drugs are often taken as single dose. Divided doses are not recommended.

### World Malaria Day- 25 April 2017

**World Malaria Day 2017** is on April 25th, this annual event is a worldwide effort, to raise awareness of Malaria and funds for the treatment and prevention of malaria. The day works to highlight the need for better political intervention in malaria control and prevention. The day also marks the continuing great achievements in the fight against Malaria.

This year's theme for **World Malaria Day** is 'let's close the gap and the day is hosted by the World Health Organization. The World Health Organization is putting prevention of malaria to the forefront in this event, with the aim of reducing the massive global death toll of 400,000 people to Malaria every year. Efforts to highlight prevention has been reducing the death toll, especially through the use of insecticide and mosquito nets, as mosquitos are the most common carriers and spreaders of Malaria. The continued campaign of prevention is proving effective and saving lives, but there is still a long way to go. **World Malaria Day** and continued awareness and prevention, as well as lobbying for better political support must continue and increase in order to eradicate the disease and prevent deaths from it. Investment and interest from governments is essential for this continued fight against Malaria and related deaths.

**OBJECTIVES:** One of the objectives of World malaria Day is to create awareness on what is malaria. Malaria is a medical condition caused by mosquito. that a person making it vulnerable to infections including opportunistic infections. Malaria can be transmitted by mosquito bite.

**REPORT:** We all started from PDNSNC at 9:00 AM, and moved towards Lohia. A team of boys moved for a rally for raising awareness of malaria, also a survey was conducted.

An awareness Programme was organised by the Community Health Nursing Department at Lohia health center by students. During the Programme, student pledged to give their support to the awareness campaign. Chief guest of the program .The lamp lightening was done by the him and welcomed by gifting a plant. Soon after the lamplightening program a skit was done by BSc nursing 4<sup>th</sup> year students.

The welcome speech was given by Ms. Bhupinder Kaur Thereafter, chief guest, delivered a lecture among the students and made them aware on malaria issues and also shared the concept of awareness program its objectives and strengthening of awareness through a power- & Life Skill promotion. After the lecture, students took part in an interaction & cleared their misconception eg. 'mosquito bite cannot spread HIV, etc. The queries were answered by the speaker. Another part an interactive session on malaria, for the patients of Lohia Health Center was by **ASSIT PROF. Ms Bhupinder Kaur.**

It is an opportunity for every community to unite in the fight against malaria, show support for people living with malaria and remember those who have died.

SNC firmly believes that the future generation has the ability to sensitize others and prevent spread of malaria.

As an outreach to the community on malaria awareness and prevention , a skit by first year BSc Nursing students was arranged for the patients of Lohia Health Center. Around 35 patients

Registrar  
Swami Vivekanand  
Subharti University  
MEERUT

along with center authorities, public and workers attended the programme. This was organized in collaboration with Community Health Nursing Program. The department actively participates in spreading awareness and believes that the future generation has the ability to sensitize others and prevent spread of malaria. Skit do not only strengthen ones' confidence to but also helps in developing awareness about our surroundings and the daily happenings. Young learners are the best messengers to spread the awareness of the social issues and their voice do leave an impact on ones' mind. To bring out the acting talent, flair of the students and to spread the message of humanity. The skit holds a simple message of using creativity to transform young minds. It shows that the best form of learning happens when teachers can create a space where students can learn through their own interests. The students' performance on stage was a sight to watch.

The concluding speech was given by **ASSIT PROF. Ms Bhupinder Kaur**. After that refreshment was started and thereafter program was winded up.

Special thanks to Principal Ma'am Dr. Geeta Parwanda, **ASSIT PROF. Ms Bhupinder Kaur** maam for continuously motivating us and CHN department and all the CHN teachers.

### ORGANISATION OF EXTENSION PROGRAMMES

ON

AIDS JAGRUKTA ABHIYAN

Village: BHOLA

(18 November, 2016)

**Objective of the Extension Programme-** To fulfil the social and moral responsibility of the students towards the society and nation.

**Need of the Extension Programme-** The Indian Society comprises of population, the major proportion of which is illiterate and poor with limited access to the information, which if available to them will immensely benefit them in particular and society & nation at large.

**Report on Extension Programme-** Considering the importance of the extension programme, the Department of Education took initiative to undertake the extension programme. The Dean of the Faculty of Education and the Course Coordinators motivated the students to undertake the extension programme by stressing on its benefits and by reminding them about their moral and social obligations towards the society and nation. It was decided that the students would reach Bhola Village in Rohta (Meerut) where majority of the population is poor and ignorant of their rights and basic information, which if available, will immensely benefit them. The date scheduled for this programme was 18<sup>th</sup> November, 2016 and the students and the faculty members had to assemble in the campus of Swami Vivekanand Subharti University at 08.00AM from where the college bus took them to their destination. The students reached the village in morning and descended on their responsibility of spreading awareness among the villagers about "AIDS". About 30 students, under the guidance of 10 faculty members, actively participated in this service towards the community. They took out rallies with banners in their hands and shouting slogans about the importance of "AIDS awareness". Some of the villagers joined the rally and some just stood at the sides of the pathway on looking the procession with interest and in this process were getting the information about the importance of National Unity. In addition to the rallies, a nukkad natak depicting the importance of AIDS awareness was also staged. The Pradhan of the village provided the basic resources for the staging of the nukkad natak. The students presented a very lively performance, which immensely affected the villagers. The village Pradhan profusely praised this attempt of the students and faculty members of the department of education and requested them to visit the village in the future also to keep educating the villagers about other important issues. Following this, the students packed up and returned to the college fully satisfied with the success of their mission.

**Role Play and Movies Screening during "Swachta Mala" At Bafar Village & Afjalpur Pawti**

Students of GSVSCJMC spread the awareness to the villagers about cleanliness during 15<sup>th</sup> July to 30<sup>th</sup> July 2018. In this awareness programme students visited Afzalpur Pawati and Bafar Village accordingly. This programme started under the Government plan "Swachh Bharat". Students performed skits about cleanliness and spent time with the villagers to know the real problems of the rural society. A movie "Plastic Cow" also screened to the rural people. After this visit students prepared a report in which they focused on the cleanliness, sensitization, Govt. policies and education system etc. Total number of 35 students participated in this visit.

**Health Talk on Personal Hygiene**

A health awareness programme was conducted for students from a school in Ishwar Chand Vidya sagar School. The teachers too participated actively.

The children were sensitized about the importance of washing their hands before and after eating and exercising daily and the importance of playing sports and inculcating other healthy habits to avoid falling sick.
