Sir/Madam,

Further to your intensive residential training during April 05 -09, 2017 and subsequently on being certified as SEBI's Financial Education Trainer, you are called upon to spread financial education by conducting a large number of workshops as per the guidelines enclosed.

As you are aware, SEBI has the prime mandate to protect the interest of investors in securities market. It endeavors to educate them with basic premise that "An educated investor is a protected investor". Financial education is an important tool, which empowers people to make sound and responsible financial decisions.

Accordingly, SEBI's financial education workshops endeavor to impart participants with a better understanding of financial products to equip them to better manage their finances. It covers the following topics:

- Introduction to Savings and Investments;
- Basics of Budgeting, Inflation effects on Investments, Risk and Return, Power of Compounding and Time Value of Money;
- Choosing the Right Investment Options;
- Asset Allocation Strategy and various products available and Investor Protection and Grievances Redressal Mechanism.
