Oral Screening camp at Gyananant Atrauli GZB Meerut on 14/11/25

Notice

[Notice Image Placeholder]

Date: 14/11/25

Location: Gyananant Atrauli GZB Meerut

Organized by: Department of Public Health Dentistry, SDC&H

Total no. of students: 4

Total no. of Faculty: 2

Total no. of Non-Teaching: 1

Total no. of Beneficiaries: 390

Objectives

To assess the oral health status of the community

To create awareness about oral hygiene practices among the rural population

To identify individuals requiring further dental treatment

To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

Department of Public Health Dentistry of Subharti Dental College and Hospital has successfully conducted camp on 14/11/25. The village dental camp organized by the Department of Public Health Dentistry functioned as a significant extension activity aimed at addressing oral health disparities in rural populations.

The camp provided accessible preventive and basic curative services, including oral screening, ultrasonic scaling, and caries management, thereby reducing the burden of untreated dental conditions. The initiative had a substantial impact on raising awareness about oral hygiene practices and the importance of regular dental check-ups. Health education sessions conducted during the camp promoted behavioral changes and encouraged the adoption of preventive oral healthcare practices among the rural community.

A important outcome of the initiative was the enhancement of awareness regarding oral hygiene practices among the beneficiaries. The camp also contributed to early diagnosis and timely intervention for various dental conditions. Furthermore, the activity established a positive linkage between the community and the institution, as evidenced by an increased number of patients subsequently visiting the Dental Hospital for advanced care across all nine specialties.

Oral Screening & Treatment camp at Kalanjari on 16/09/25

- **Date:** 16/09/25
- **Location:** Kalanjari
- **Organized by:** Department of Public Health Dentistry, SDC&H
- **Total no. of students:**4
- **Total no. of Faculty :**1
- **Total No. of Non-Teaching:**1
- **Total no. of Beneficiaries:**14

Objectives

- To assess the oral health status of the community
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

The Department of Public Health Dentistry, Subharti Dental College and Hospital, organized a dental outreach camp on 16/09/2025 with the objective of improving oral health awareness and providing essential preventive and curative services to the rural population. The camp facilitated access to key dental treatments, including ultrasonic scaling and caries restoration, along with comprehensive oral healthcare services.

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. This contributed to the adoption of improved oral health behaviors among patients.

A significant outcome of the initiative was the enhancement of awareness regarding oral hygiene practices among the beneficiaries. The camp also contributed to early diagnosis and timely intervention for various dental conditions. Furthermore, the activity established a positive linkage between the community and the institution, as evidenced by an increased number of patients subsequently visiting the Dental Hospital for advanced care across all nine specialties.

- To assess the oral health status of the community
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

Dept. of Oral Medicine & Radiology along with Department of Public Health Dentistry of Subharti Dental College and Hospital has successfully conducted camp on 18/9/25.

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. This contributed to the adoption of improved oral health behaviors among patients.

A significant outcome of the initiative was the enhancement of awareness regarding oral hygiene practices among the beneficiaries. The camp also contributed to early diagnosis and timely intervention for various dental conditions. Furthermore, the activity established a positive linkage between the community and the institution, as evidenced by an increased number of patients subsequently visiting the Dental Hospital for advanced care across all nine specialties

The camp effectively enhanced awareness regarding oral hygiene practices, leading to improved health-seeking behavior among patients. One of the key outcomes was the increased number of beneficiaries reporting to the Dental Hospital for further diagnosis and comprehensive treatment across all nine specialties.

Overall, the camp reflects the institution's commitment towards community engagement, preventive healthcare, and sustainable oral health promotion which is aligned with SDG No.3 Good Health & Well Being.

Oral Screening camp at Moon Light Public School on 25/11/25

- **Date:** 25/11/25
- **Location:** Moon Light Public School Meerut
- **Organized by:** Department of Public Health Dentistry, SDC&H
- **Total no. of students:** 4
- **Total no. of Faculty:** 1
- **Total no. of Non-Teaching:** 1
- **Total no. of Beneficiaries:** 206

Objectives

- To assess the oral health status in the school going children
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

The school dental camp organized by the Department of Public Health Dentistry, SDC&H served as an effective extension and outreach activity aimed at promoting oral health among school children. The initiative enabled early screening and identification of common dental conditions such as dental caries, gingival diseases, and malocclusion, thereby facilitating timely preventive and interceptive care.

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. It contributed to the adoption of improved oral health practices & behaviors among students(patients) which further provides the overall health and care to the society.

A main outcome of the camp was to provide necessary facilities and services to the patients through the referral of patients to our dental hospital for further evaluation and management, resulting in increased patient inflow for comprehensive treatment across various specialties. The activity also encouraged participation and awareness among teachers and parents, and all stakeholders thereby extending its full benefits to the wider community.

Overall, the camp reflects the institution's commitment towards community engagement, preventive healthcare, and sustainable oral health promotion which is aligned with SDG No.3 Good Health & Well Being.

Oral Screening camp at Shanti Public School Meerut on 01/12/25

Date: 01/12/25

Location: Shanti Public School Meerut

Organized by: Department of Public Health Dentistry, SDC&H

Total no. of students: 3

Total no. of Faculty: 1

Total no. of Non-Teaching: 1

Total no. of Beneficiaries: 102

Objectives

To assess the oral health status of the students

To create awareness about oral hygiene practices among school children

To identify individuals requiring further dental treatment

To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

Department of Public Health Dentistry of Subharti Dental College and Hospital has successfully conducted camp on 01/12/25. The school dental camp organized by the Department of Public Health Dentistry functioned as a significant extension activity aimed at addressing oral health needs among the school-going population.

The camp provided accessible preventive services, including oral screening, health education, and brushing technique demonstrations, thereby reducing the burden of untreated dental conditions among students. The initiative had a substantial impact on raising awareness about oral hygiene practices and the importance of regular dental check-ups. Health education sessions conducted during the camp promoted behavioral changes and encouraged the adoption of preventive oral healthcare practices among the students and teachers.

A important outcome of the initiative was the enhancement of awareness regarding oral hygiene practices among the student beneficiaries. The camp also contributed to early diagnosis and timely intervention for various dental conditions. Furthermore, the activity established a positive linkage between the school community and the institution, as evidenced by an increased number of students subsequently visiting the Dental Hospital for advanced care across all nine specialties.

Impact Analysis & Outcome:

Department of Public Health Dentistry of Subharti Dental College and Hospital has successfully conducted camp on 18/12/25. We have provided preventive care like ultrasonic scaling and caries restoration and all the facilities of oral care to the rural patients.

The program had a notable impact on enhancing awareness regarding oral hygiene practices through interactive health education sessions, demonstrations of proper brushing techniques, and guidance on healthy dietary habits. This contributed to the adoption of improved oral health behaviors among patients.

After conduction of this camp/activity patients are visiting to our Dental Hospital for the necessary treatment in all 9 specialities.

Overall, the camp reflects the institution's commitment towards community engagement, preventive healthcare, and sustainable oral health promotion which is aligned with SDG No.3 Good Health & Well Being.

Department of Public Health Dentistry of Subharti Dental College and Hospital has successfully conducted camp on 22/12/25. We have provided preventive care like ultrasonic scaling and caries restoration and all the facilities of oral care to the rural patients. We have also given oral hygiene instructions to the patients.

A key outcome of the camp was the referral of identified cases to the institutional dental hospital for further evaluation and management, resulting in increased patient inflow for comprehensive treatment across various specialties. The activity also encouraged participation and awareness among teachers and parents, thereby extending its benefits to the wider community.

Furthermore, children requiring advanced care were referred to the Dental Hospital, resulting in increased follow-up visits for comprehensive treatment. The camp also helped in fostering awareness among teachers and parents, thereby strengthening the long-term impact of oral health promotion.

Overall, the initiative contributed to preventive care, early diagnosis, and improved health-seeking behavior among school children.

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

Department of Public Health Dentistry of Subharti Dental College and Hospital has successfully conducted camp on 17/2/26

We have provided preventive care like ultrasonic scaling and caries restoration and all the facilities of oral care to the rural patients. We have also given oral hygiene instructions to the patients.

Furthermore, children requiring advanced care were referred to the Dental Hospital, resulting in increased follow-up visits for comprehensive treatment. The camp also helped in fostering awareness among teachers and parents, thereby strengthening the long-term impact of oral health promotion.

Overall, the initiative contributed to preventive care, early diagnosis, and improved health-seeking behavior among school children.

- To assess the oral health status among the school going population
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

The school dental camp organized by the Department of Public Health Dentistry had a meaningful impact on improving oral health awareness and status among school children. The camp facilitated early identification of dental problems such as dental caries, gingival issues, and malocclusion, enabling timely preventive and interceptive care.

Oral health education sessions conducted during the camp significantly enhanced students' knowledge regarding proper brushing techniques, dietary habits, and overall oral hygiene maintenance. This contributed to the development of positive oral health practices at an early age.

- To assess the oral health status among the school going children
- To provide basic dental screening and early diagnosis
- To create awareness about oral hygiene practices
- To identify individuals requiring further dental treatment
- To promote preventive dental care and healthy habits

Impact Analysis & Outcome:

A Dental camp was organized by the Department of Conservative Dentistry & Endodontics in association with the Department of Public Health Dentistry, Subharti Dental College & Hospital. Dental Camp was held in Village Khandawali Meerut, Uttar Pradesh on 17.03.2026. The camp started at 10:15 am. In the beginning a 15 minute Public awareness talk was presented by Dr. Ruchika Pandey followed by general interaction of patients to clarify their queries. Total 32 patients were examined and diagnosed. Prescriptions were prescribed to the needy patients and they were guided to get proper treatment done in Subharti Dental College. The team was led by Dr. Ruchika Pandey (Assistant Professor of Department of Conservative Dentistry & Endodontics, SDC)

Additionally, the activity strengthened community–institution engagement, supporting the institution’s commitment to social responsibility and public health promotion.

Two Days Industrial Visit to World Food India & Global Food Regulators Summit-2025

Faculty of Management & Commerce
Subharti College of Hotel
Management

Ref No.: HM/SVSU/2025/5701(A)

DATE: 23rd September, 2025

NOTICE

This is to inform all the concerned students that the college is organizing a Two Days Industrial Visit to “World Food India & Global Food Regulators Summit-2025” at *Bharat Mandapam, New Delhi* on 25th & 26th September, 2025. The program is of International Level and focuses on Food Processing & Entrepreneurship. The event is organized in association with FSSAI and will commence from 9:00 AM onwards.

The visit will provide students with exposure to global food industries, regulatory frameworks, and emerging entrepreneurial opportunities in the food sector. Distinguished dignitaries including Hon’ble Prime Minister of India and senior officials from the Ministry of Food Processing Industries are expected to address the summit.

Participation Details:

- Students: 35
- Faculty Members: 05

All selected students are instructed to report on time and follow the guidelines provided by the organizing coordinator.

For any further information, please contact: Mrs. Garima Jain Goel.

General Details

Title of the Activity	Two Days Industrial Visit to World Food India & Global Food Regulators Summit-2025	Level of Program (State/National/International etc.)	International
Focused Area	Food Processing & Entrepreneurship	Date of Activity	25th & 26th September, 2025
Activity Organized By	BCSCHM	Day	Thursday & Friday
Name of the Associated Faculty/College/Department/Outside Agency	FSSAI	Time	9:00 AM onwards
Name and address of Guest Speaker	Hon'ble Prime Minister of India Shri Narendra Modi, Shri Chirag Paswan, Ministry of Food Processing Industries Shri J P Nadda, Minister of Chemicals and Fertilizers of India	Venue	Bharat Mandapam, New Delhi
Total Participants	Students: 35 Faculty: 05	Organizing Coordinator(s)	BCSCHM
Non-Teaching Staff	Not Applicable		
No. of Beneficiaries	40		

1. Objectives of the Visit

The industrial visit was organized with the following key objectives:

- To provide students with practical exposure to the global food industry and its emerging trends.
- To understand the role of international collaborations and government initiatives in promoting food processing, innovation, and sustainability.
- To gain insights into global food safety standards, policies, and regulations.
- To interact with industry experts, policymakers, and food regulators for knowledge enhancement and professional networking.
- To bridge the gap between theoretical learning and real-world industrial practices in food and hospitality sectors.

2. Description of the Visit

The two-day visit to World Food India & Global Food Regulators Summit 2025 at Bharat Mandapam, New Delhi, offered participants an in-depth exposure to the dynamic food ecosystem.

- **Day 1:**
 - Faculty members visited the exhibition halls showcasing innovations in food processing, packaging, cold-chain logistics, and food technologies.
 - Various stalls from national and international companies displayed cutting-edge solutions and products.
 - Interactive sessions were conducted with industry representatives where students gained first-hand knowledge about entrepreneurship opportunities in the food industry.
 - Attended Inaugural session by Hon'ble Prime Minister of India Shri Narendra Modi & Shri Chirag Paswan, Ministry of Food Processing Industries
- **Day 2:**
 - Participation in the Global Food Regulators Summit, where renowned food regulators, government officials, and policy experts discussed global standards of food safety, quality assurance, and international trade in food products.
 - Panel discussions and keynote addresses emphasized sustainability, nutrition, and the importance of harmonizing food standards worldwide.
 - Students also attended live demonstrations and workshops focused on value-added food products and sustainable practices.
 - Interactive Session by Shri J P Nadda, Minister of Chemicals and Fertilizers of India

3. Outcomes of the Visit

The industrial visit proved to be highly beneficial and fulfilling, with the following outcomes:

- Enhanced knowledge about global food processing trends, innovations, and technologies.
- Understanding of food safety regulations and international frameworks for ensuring consumer health and trade facilitation.
- Exposure to entrepreneurial and career opportunities in the food and hospitality sector.
- Development of professional confidence through interaction with industry leaders and international delegates.
- Strengthening of industry-academia linkage, enabling students to align their academic knowledge with industrial practices.

4. Participant Feedback

Feedback from the participants was highly positive and encouraging:

- Students appreciated the practical exposure and found the visit very informative.
- Many expressed that it gave them a clearer perspective on future career opportunities in food technology, hospitality, and entrepreneurship.
- Participants valued the chance to witness global innovations and sustainable solutions under one platform.
- Overall, the visit was described as a memorable and motivating learning experience that significantly contributed to their professional growth.

5. Conclusion

The two-day industrial visit to *World Food India & Global Food Regulators Summit 2025* at Bharat Mandapam, New Delhi, was a successful academic endeavor. It not only provided an opportunity for experiential learning but also motivated students to explore the vast possibilities in the global food sector. The exposure to international standards, innovations, and industry leaders has enriched their understanding and will undoubtedly support their academic and professional journey.

Brief Impact Report

The two-day industrial visit to *World Food India & Global Food Regulators Summit 2025* at Bharat Mandapam, New Delhi, had a significant academic and professional impact on the participating students and faculty.

The visit enhanced students' understanding of the global food industry by exposing them to advanced technologies, innovations in food processing, packaging, and sustainable practices. It provided valuable insights into international food safety regulations, quality standards, and government initiatives supporting the sector.

Interaction with industry experts, policymakers, and global delegates helped students develop professional awareness, confidence, and networking skills. The exposure also broadened their perspective on career and entrepreneurial opportunities in food technology, hospitality, and related industries.

Overall, the activity successfully bridged the gap between theoretical knowledge and real-world applications, strengthened industry-academia linkage, and contributed positively to the students' skill development and career orientation.

REPORT: Naturopathy & Yoga Free Health Check-up Camp under the Unnat Bharat, Meerut.

Maharishi Aurobindo Subharti College & Hospital of Naturopathy & Yogic Sciences, Swami Vivekanand Subharti University, Meerut, organized a **Free Naturopathy and Yoga Health Check-up Camp** under Unnat Bharat from May 27, 2025, to May 30, 2025, from 9:00 AM onwards in various villages. The camp was held in association with the **Faculty of Science**.

The program was coordinated by **Dr. Shashiraj Teotia, Coordinator, Unnat Bharat faculty of science, and Dr Niraj Nain Rishi, Faculty of AYUSH. The camp was coordinated by Dr Adil.**

The camp aimed to promote natural healing and holistic health through **naturopathy and yoga**. Patients were consulted and evaluated using natural diagnostic methods. The focus was on guiding individuals towards a healthier lifestyle through natural means such as **nutrition, herbal medicine, hydrotherapy, and yoga practices**. During the camp, patients were advised on making lifestyle changes and incorporating yoga into their daily routine. For individuals dealing with chronic conditions such as **Hypertension, Arthritis, Diabetes Mellitus, and Thyroid disorders**, further follow-up and treatment were recommended at the **Naturopathy and Yoga OPD at Subharti Hospital**.

List of Participants: Patients in Camp 123

PRESS RELEASE

विश्व मजदूर दिवस पर सुभारती विश्वविद्यालय के उन्नत भारत प्रकोष्ठ ने किया मजदूरों को जागरूक

साह कुशदिन बापू

मेरठ: उन्नत भारत अभियान के अंतर्गत स्वामी विवेकानंद सुवर्णरी विश्वविद्यालय के उन्नत भारत प्रकोष्ठ ने विश्व मजदूर दिवस के अवसर पर संघ-पेपर, फ्लायरों में मजदूरों को जागरूक किया तथा जाहंगीर पोस्टरों के माध्यम से उन्हें जागरूक की। साथ ही जाहंगीर इमारतों वाली सुविधाओं के बारे में विद्यार्थियों को जागरूक की। एक जागरूकता कार्यक्रम का आयोजन, राम प्रसाद अड्डा के सभागार में हुआ, तथा कार्यक्रम को प्रस्ताव करने में विश्वविद्यालय के उन्नत भारत प्रकोष्ठ के मेरठ अफिसरी, डॉ. शशिराज तेजीय, मि. अमित गुप्त, पी.टी.बि.के. अद्वैत, तथा मेरठ एम्प्लॉयमेंट विभाग के मि. विजय का विशेष योगदान रहा। कार्यक्रम के अंत में राम प्रसाद अड्डा में जाहंगीर पोस्टरों के वितरण का कार्यक्रम के लिए विश्वविद्यालय की सहायता थी।

REPORT:

Maharishi Aurobindo Subharti College & Hospital of Naturopathy & Yogic Sciences, under Swami Vivekanand Subharti University, Meerut, organized a **Free Naturopathy and Yoga Health Check-up Camp** on **8th August 2025**, starting from **10:00 AM onwards** at **Ramprastha Colony, Ghaziabad**.

The camp aimed to promote natural healing and holistic health through **naturopathy and yoga**. Patients were consulted and evaluated using natural diagnostic methods. The focus was on guiding individuals towards a healthier lifestyle through natural means such as **nutrition, herbal medicine, hydrotherapy, and yoga practices**.

During the camp, patients were advised on making lifestyle changes and incorporating yoga into their daily routine. For individuals dealing with chronic conditions such as **Hypertension, Arthritis, Diabetes Mellitus, and Thyroid disorders**, further follow-up and treatment were recommended at the **Naturopathy and Yoga OPD at Subharti Hospital**.

The primary goal of the camp was to **enhance community health and well-being** by increasing awareness about the benefits of **naturopathy and yoga** and encouraging a **natural, balanced lifestyle**.

REPORT: -

- Maharishi Aurobindo Subharti College & Hospital of Naturopathy & Yogic Sciences, part of Swami Vivekanand Subharti University, Meerut, organized a Naturopathy and Yoga Health Checkup Camp on the occasion of the 8th Naturopathy Day. The event took place on November 18, 2025, starting at 9:00 AM at GHASULI, Meerut.
-
- During the health checkup camp, held on November 18, 2024, 45 patients attended and received consultations. The team advised attendees on lifestyle changes and the importance of practicing yoga, especially for chronic conditions such as hypertension, arthritis, diabetes mellitus, and thyroid disorders. For further treatment, patients were encouraged to visit Subharti Hospital's Naturopathy and Yoga outpatient department.
-
- The overall objective of the camp was to improve health through naturopathy and yoga, providing valuable benefits to those who participated.

REPORT ON “Naturopathy & Yoga Health Check-up Camp at Noble Public School”

Office of the Principal & Dean Faculty of AYUSH

Reports: -

- Maharishi Aurobindo Subharti College & Hospital of Naturopathy & Yogic Sciences, a constituent unit of Swami Vivekanand Subharti University, Meerut, successfully organized a Naturopathy and Yoga Health Checkup Camp on December 6, 2025. The camp commenced at 10:00 AM and was held at Noble Public School, Meerut.
- During the health checkup camp, held on December 6th, 2025, all the children and staff availed the health services and benefited from Naturopathic Consultation. The team advised attendees on lifestyle changes and the importance of practicing yoga, especially for chronic conditions such as hypertension, arthritis, diabetes mellitus, and thyroid disorders. For further treatment, patients were encouraged to visit Subharti Hospital's Naturopathy and Yoga outpatient department.
- The aim of the health checkup camp was to promote holistic health and well-being through the practice of naturopathy and yoga. The camp focused on creating awareness about healthy lifestyle habits and preventive healthcare measures. It also aimed to support participants in the management and prevention of lifestyle-related and chronic diseases through naturopathy and yogic interventions.

REPORT: -

- Maharishi Aurobindo Subharti College & Hospital of Naturopathy & Yogic Sciences, part of Swami Vivekanand Subharti University, Meerut, organized a Naturopathy and Yoga Health Checkup Camp. The event took place on 22nd December 2025, from 9:00 AM to 3:00 PM.
- **Activity Coordinators:** Dr. Adil (Assistant Professor), MASCHNYS.
- **Venue:** Muktakash Bal Academy, Subhash Nagar, Meerut.
- During the health checkup camp, held on 22 December 2025, 74 patients attended and received consultations. The team advised attendees on lifestyle changes and the importance of practicing yoga, especially for chronic conditions such as hypertension, arthritis, diabetes mellitus, and thyroid disorders. For further treatment, patients were encouraged to visit Subharti Hospital's Naturopathy and Yoga outpatient department.
- The overall objective of the camp was to improve health through naturopathy and yoga, providing valuable benefits to those who participated.

NOTICE

Biodiversity Awareness and Environmental Conservation Activity

On the occasion of International Day for Biological Diversity on **22 May 2026 (Friday)**, Keral Verma Subharti College of Science is organized a visit to near by Wetland Areas to explore the biological biodiversity. The purpose of this visit is to spread awareness about biodiversity conservation, protection of natural ecosystems, and the importance of preserving flora and fauna for a sustainable future.

All interested students are requested to report at the college campus by **9:00 AM sharp**. Students are advised to carry their college ID cards, water bottles and maintain cleanliness throughout the program.

The event will be coordinated by Dr. Adesh Kumar, Assistant Professor, Life Sciences.

 Prof. (Dr.) R.K. Jain
 Offg. Dean, KVSCOS

Report On Biodiversity Awareness and Environmental Conservation Activity

Title of the Activity	Biodiversity Awareness and Environmental Conservation Activity	Date of Activity (DD/MM/YYYY)	22 May 2026
Level of Program	University Level	Day	Friday
Focused Area	Biodiversity Conservation & Environment Protection	Time	10:00 AM – 1:00 PM
Activity Organized By	Department of Life Sciences	Venue	Bhole Ki Jhaal Meerut
Associated Faculty/College	KVSCOS	Organizing Coordinator(s)	Dr. Adesh Kumar
Name of Guest	Dr. Mukesh Ruhela	Total Participants	49
Students	45	Teachers	4
Non-Teaching Staff		No.of Beneficiaries	51

Objective of the Activity

The objective of the Biodiversity Awareness and Environmental Conservation Activity was to create awareness among students about the importance of biodiversity, ecosystem balance, and environmental sustainability. The programme aimed to encourage participants to understand their role in conserving natural resources and protecting biological diversity for future generations.

Description

On 5 June 2026, Keral Verma Subharti College of Science, in collaboration with the Environmental Committee, organized a Biodiversity Awareness and Environmental Conservation Activity with active participation from students and faculty members. The programme was conducted as part of World Environment Day celebrations to promote environmental responsibility and sustainable practices.

The event commenced at 10:00 AM with a welcome address by the organizing coordinators, who highlighted the significance of biodiversity in maintaining ecological balance and supporting human well-being. Participants were informed about the threats to biodiversity, including habitat destruction, pollution, climate change, and overexploitation of natural resources.

An awareness lecture was delivered by Dr. Mukesh Ruhela, Environmental Committee In-charge, who explained the importance of conserving plant and animal diversity and adopting eco-friendly lifestyles. Students actively participated in discussions and awareness activities related to environmental conservation, waste reduction, and sustainable development.

The programme also included a campus biodiversity observation activity, where students identified different plant species and discussed their ecological importance. The activity provided practical exposure and enhanced environmental awareness among participants.

Outcome of the Activity

The programme successfully increased awareness regarding biodiversity conservation and environmental protection among students. Participants gained knowledge about the importance of preserving natural ecosystems and adopting sustainable practices in their daily lives. The activity strengthened environmental consciousness and motivated students to actively contribute towards biodiversity conservation and ecological sustainability.

Objective of the Activity:

- To create awareness about the importance of physiotherapy in maintaining and improving women's physical health across different life stages.
- To improve overall physical health, mobility, and quality of life in women
- To provide basic physiotherapy assessment, diagnosis, and guidance for women experiencing physical discomfort or functional limitations.
- To sensitize adolescent girls about menstrual health, hygiene, and physical well-being.
- To help children understand the difference between safe (good) touch and unsafe (bad) touch in a simple and age-appropriate manner.
- To promote awareness about personal safety and body boundaries among young children.

Description:

A physiotherapy camp was conducted on **22nd December 2025** by the **Gender Sensitisation Cell, JPSCP, SVSU, Meerut**, at **Jagni Singh Memorial Public School, Village Mehalwala (Kithore)**. The camp aimed to promote health awareness and address women's specific health concerns through physiotherapy interventions.

The primary objective of the camp was to create awareness regarding physical health and to emphasise the importance of physiotherapy in the prevention and management of women's health-related issues. During the camp, **school staff members and patients from the surrounding community were assessed** for various musculoskeletal and functional problems. Appropriate clinical diagnoses were made, and **individualised exercise programmes, posture correction techniques, and ergonomic advice** were prescribed to improve physical well-being and functional efficiency.

In addition, **kindergarten students were sensitised about the concept of good touch and bad touch** to promote personal safety and awareness at an early age. **Female students of the primary section were educated about menarche**, with special emphasis on **menstrual hygiene, physical changes during adolescence, and healthy practices** to be followed during the menstrual cycle.

Overall, the camp was conducted successfully and contributed positively to health awareness, early education, and community well-being.

Outcome of the Activity:

- Improved awareness among participants regarding the role of physiotherapy in promoting and maintaining women's health.
- Increased awareness among kindergarten students about personal safety through understanding the concepts of good touch and bad touch.
- Improved understanding among primary school female students regarding menarche, menstrual hygiene, and healthy practices during the menstrual cycle.
- Empowerment of participants with self-care strategies to prevent future health issues and promote overall well-being.
- Strengthened community outreach and health promotion activities by the institution.

Ref. No.: JPSCP/MPHY/2025/009

Date: 11/12/2025

NOTICE

This is to inform all concerned that the Department of Musculoskeletal Physiotherapy is organizing a Community Health Camp in collaboration with the Alumni Trust, SVSU.

Details of the Camp are as follows:

- Title: Community Camp
- Venue: Abha Manav Mandir, Varishth Nagrik, Ganga Nagar, Meerut
- Date: 16th December 2025

The camp aims to provide physiotherapy assessment, awareness, and management for the elderly population, promoting health and functional independence.

Dr. Danish Nouman

HOD, Department of Musculoskeletal Physiotherapy,

JPSCP, SVSU.

BRIEF IMPACT REPORT (Impact Analysis of the Activity)

The Community Camp conducted on 16th December 2025 at Abha Manav Mandir Varishath Nagrik Seva Sadan, Ganga Nagar, Meerut had a meaningful and measurable impact on the health awareness and functional well-being of senior citizens. The camp effectively enhanced awareness regarding age-related musculoskeletal conditions such as osteoarthritis, back pain, joint stiffness, and balance impairments. Participants demonstrated improved understanding of preventive strategies, including posture correction, fall prevention, joint protection techniques, and the importance of regular physical activity. This reflects a positive shift in knowledge and attitude toward maintaining musculoskeletal health in old age. From a clinical standpoint, early screening and identification of musculoskeletal issues were successfully achieved. Many elderly participants who were previously unaware of their conditions received timely assessment and guidance. Personalized exercise plans and lifestyle modification advice contributed to immediate confidence in self-management and are expected to support long-term functional independence. The camp also promoted accessibility to physiotherapy services among senior citizens, especially those with limited access to healthcare facilities. Participants expressed willingness to continue prescribed exercises at home and seek further consultation when needed, indicating improved health-seeking behavior. Academically, the activity provided valuable experiential learning for postgraduate students and interns, enhancing their skills in geriatric assessment, patient interaction, and community-based rehabilitation approaches. It also strengthened interdisciplinary collaboration and professional competence. Institutionally, the program reinforced the commitment to Institutional Social Responsibility (ISR) by actively engaging with the community and addressing the healthcare needs of an important vulnerable group—elderly individuals. The positive feedback and demand for similar initiatives in the future highlight the sustained impact and community trust developed through this activity. Overall, the camp successfully achieved its objectives by improving awareness, enabling early intervention, encouraging preventive healthcare practices, and fostering community-institution collaboration, thereby contributing to better quality of life among senior citizens.

Description of the Activity:

A Community Camp was organized by the Department of Musculoskeletal Physiotherapy on 16/12/2025 at Abha Manav Mandir Varishath Nagrik Seva Sadan, Ganga Nagar, Meerut, from 9:00 AM to 1:00 PM. The activity was conducted under Institutional Social Responsibility (ISR) in collaboration with Alumni Trust SVSU, focusing on promoting health awareness among senior citizens. The program was conducted under the Supervision of Dr. Danish Nouman, Head of the Department of Musculoskeletal Physiotherapy, Jyotirao Phule Subharti College of Physiotherapy in collaboration with the Department of Community. The activity was coordinated and executed by a dedicated healthcare team along with PG Students. The camp began with an awareness session highlighting the importance of maintaining musculoskeletal health in old age. Participants were educated about posture correction, fall prevention, joint care, and the benefits of regular physical activity. Simple and effective home-based exercises were demonstrated to improve strength, flexibility, and balance. Following the awareness session, individual assessments were conducted. Each participant underwent basic physiotherapy evaluation, including pain assessment, posture analysis, and functional examination. Based on the findings, participants were provided with personalized advice and appropriate exercise plans. Interactive discussions were also held, allowing participants to share their concerns and receive expert guidance. The faculty emphasized preventive care and lifestyle modifications to manage age-related conditions such as osteoarthritis, back pain, and joint stiffness. The camp concluded with a feedback session, where participants expressed satisfaction with the services provided. Overall, the activity was successful in spreading awareness, providing basic healthcare support, and strengthening community engagement through ISR initiatives.

OUTCOME OF THE ACTIVITY

- Increased awareness among senior citizens regarding musculoskeletal health and self-care practices.
- Early identification of common conditions such as osteoarthritis, back pain, and postural issues.
- Improved knowledge of home-based exercises and preventive strategies.
- Positive engagement between healthcare providers and the community.
- Strengthened institutional outreach under ISR initiatives.

ANALYSIS OF PATIENTS' FEEDBACK:

- Participants appreciated the free physiotherapy consultation and personalized attention.
- Majority reported increased understanding of their physical problems and management strategies.
- Elderly individuals found exercise demonstrations easy to follow and useful for daily routine.
- Positive response towards the behavior and communication of faculty and organizers.
- Many participants expressed willingness to attend similar camps in the future.

BRIEF IMPACT REPORT (Impact Analysis of the Activity)

The “Physiotherapy Camp on Women’s Health” conducted on 22nd December 2025 at Jagni Singh Memorial Public School, Kithore, Meerut, created a significant positive impact on the participants by addressing both health awareness and preventive care among women and children. The camp facilitated early identification of musculoskeletal and functional issues among female participants. Individualized physiotherapy guidance, including posture correction, exercise prescription, and ergonomic advice, contributed to improved understanding of self-care practices. Many participants gained clarity on managing common physical discomforts, thereby reducing the risk of long-term complications and improving overall quality of life. A key impact of the program was the enhancement of awareness related to women’s health across different age groups. Adolescent girls developed a better understanding of menarche, menstrual hygiene, and associated physical changes, leading to improved confidence and adoption of healthy practices. This educational intervention is expected to contribute to long-term reproductive and physical health benefits. Importantly, the sensitization session on “good touch and bad touch” among kindergarten students had a strong psychosocial impact. It promoted early awareness of personal safety, body boundaries, and appropriate behavior, which is essential for child protection and emotional well-being. The age-appropriate delivery ensured effective understanding and engagement among young participants. The activity also strengthened community engagement by addressing sensitive yet essential topics in a structured and approachable manner. It helped bridge gaps in awareness, particularly in rural and semi-urban settings, where access to such education is often limited; the camp provided valuable experiential learning for students and faculty, enhancing their communication skills, clinical approach, and ability to handle community-based health education programs. Overall, the activity achieved a holistic impact by improving health awareness, promoting preventive care, empowering women and children with essential knowledge, and reinforcing the institution’s commitment to community welfare through outreach initiatives.

Others (Specify)	-----		

Objective of the Activity

The main objective of observing **World Health Day 2025** under the National Service Scheme (NSS) was to:

Educate the public about the critical importance of maternal and newborn health. Highlight the preventable causes of maternal and infant mortality. Advocate for universal access to quality maternal and newborn healthcare services, especially in underserved communities. Promote policies that ensure safe childbirth, postnatal care, and family support services.

Description

The NSS Unit II of Swami Vivekanand Subharti University conducted an outreach activity titled “**Healthy Beginnings, Hopeful Futures**” to educate the residents of Shobhapur Gaun about the importance of health and affordable medicine. The event was led by **Mr. Nishant Gaurav** (Program Officer, NSS Unit II) and **Mr. Pankaj Kumar**, with active participation from 44 NSS volunteers.

Key activities included:

1. Health Awareness Programs:

- Talks and lectures on maternal and child health.
- Distribution of informative leaflets and posters.

2. Cleanliness Drives:

- Community clean-up activities to promote hygiene.
- Awareness about safe drinking water and sanitation.

3. Acknowledgment:

- The village head of Shobhapur Gaun warmly welcomed the NSS team, expressed gratitude, and provided certificates of appreciation as recognition for their efforts.

NATIONAL SERVICE SCHEME राष्ट्रीय सेवा योजना

Outcome of the Activity

- Enhanced awareness among the villagers regarding affordable healthcare options.
- Improved community relations between Swami Vivekanand Subharti University and Shobhapur Gaun.
- Empowered NSS volunteers through direct community service, fostering a deeper understanding of societal challenges.

Analysis of Participant's Feedback

Feedback from both villagers and volunteers highlighted the following:

- **Villagers:**
 - Expressed gratitude for the valuable information provided.
 - Requested more such initiatives focusing on healthcare and other social issues.
- **Volunteers:**
 - Found the activity enriching and educational, enhancing their communication and organizational skills.
 - Suggested incorporating additional healthcare professionals in future events for broader impact.

Objective of the Activity

The objective of World Food India 2025 is to showcase India as the 'Global Food Hub' for food processing and food supply. The event aims to strengthen and transform India's food processing sector through global collaboration and innovation. It will bring together senior government officials, investors, business leaders from major global and domestic food companies, and other stakeholders onto one platform. This mega event will act as a networking platform where global leaders and Indian entrepreneurs meet to explore opportunities across the food value chain.

Description

NSS volunteers from Swami Vivekananda Subharti University participated in the World Food Fair held at Bharat Mandapam, New Delhi. They observed, tasted, and learned about new food products from the owners.

Many innovative food startups showcased their products at the fair, some of which include:

- Healthy and nutritious food options: Several startups introduced new food products focusing on health and nutrition.
- Local and traditional foods: Some startups focused on promoting local and traditional foods.
- Innovative food products: Several startups introduced unique and innovative food products that were attractive in terms of taste and nutrition.

NSS volunteers participated in the fair to learn about and experience new food products.

Outcome of the Activity

Building on this success, World Food India 2025 is expected to bring together global leaders from across the food processing industry including processors, equipment manufacturers, logistics firms, cold chain operators, startups, innovators, and retailers to showcase their capabilities and explore collaborations.

Analysis of Participant's Feedback

The feedback analysis from students regarding their internship and industrial visit experience at visit world food india-2025. The feedback is crucial for assessing the effectiveness of these co-curricular activities in bridging academic learning with practical, real-world experience. This feedback provides valuable insights into how well the programmes align with students' expectations, whether they enhance interest in their chosen fields, and how effectively they are structured.

Awareness Program on Safety from Electricity and Appliance Safeguard

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

FACULTY OF ENGINEERING & TECHNOLOGY

DETAILED REPORT ON SAFETY FROM ELECTRICITY AND APPLIANCE SAFEGUARD AWARENESS PROGRAM held on 15-06-2025

1. Introduction

The Awareness Program on Safety from Electricity and Appliance Safeguard was organized by the Faculty of Engineering and Technology (FET) in collaboration with the Village Panchayat of Afzalpur Pawti. The program aimed to address increasing concerns related to electrical hazards in households, workplaces, and agricultural settings. By educating villagers on safe electricity practices, proper appliance handling, and preventive measures, the initiative sought to reduce the risk of accidents and promote community well-being. Engineering students from FET played a vital role in simplifying technical concepts, conducting demonstrations, and guiding participants through practical safety activities. Their active involvement made the session more interactive, impactful, and beneficial for every attendee.

2. Objectives

- Create awareness about safe electricity usage.
- Educate villagers about common electrical hazards.
- Demonstrate proper use of electrical appliances.
- Highlight importance of earthing, MCBs, wiring.
- Encourage energy-saving habits.
- Reduce electrical accidents in the village.

3. Venue and Participants

Venue: Village Panchayat, Afzalpur Pawti, Meerut

Participants: Local residents, farmers, women, students

Organized By: FET, SVSU, Meerut

FET Students involved: 24

No. Of Teaching Staff-4

No. Of Beneficiaries - 142

FACULTY OF ENGINEERING & TECHNOLOGY

4. Key Topics Covered

- Understanding electrical hazards
- Safe appliance usage
- Fire and shock prevention
- First-aid practices
- Energy conservation

5. Activities

- Live demonstrations
- Wiring safety checks
- Interactive quiz
- Pamphlet distribution

6. Outcomes

The Awareness Program on Safety from Electricity and Appliance Safeguard proved highly beneficial for the residents of Afzalpur Pawti. Participants gained a deeper understanding of electrical hazards, safe appliance handling, and preventive measures to reduce risks at home and in the community. Villagers became more aware of the importance of proper wiring, earthing, avoiding overloads, and using quality electrical appliances. The session also encouraged families to adopt safer habits, such as switching off unused devices, replacing damaged cables, and ensuring regular maintenance. Additionally, the engineering students of the Faculty of Engineering & Technology (FET) actively supported the event by assisting in demonstrations, guiding participants through practical safety activities, and contributing to the overall coordination of the program. Their involvement added immense value and helped ensure the smooth and effective execution of the awareness drive. Overall, the program promoted a more safety-conscious environment and strengthened the community's capacity to prevent electrical accidents.

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

FACULTY OF ENGINEERING & TECHNOLOGY

7. Conclusion

The Awareness Program on Safety from Electricity and Appliance Safeguard concluded with a highly positive impact on both the villagers and the organizing team. The initiative successfully educated the community on essential precautions, emergency responses, and safe handling of electrical appliances. A noteworthy contribution came from the engineering students of the Faculty of Engineering & Technology (FET), whose active participation in demonstrations, technical explanations, and on-ground coordination greatly enhanced the effectiveness of the event. Their support ensured that complex concepts were simplified for villagers through practical examples and hands-on guidance. The combined efforts of the Village Panchayat and FET students resulted in a well-organized and impactful awareness program that strengthened community safety and encouraged long-term responsible electricity usage.

REPORT

Outreach Activity on “Women Empowerment” under Unnat Bharat Abhiyan

Date: 08 October 2025

Venue: Village Bhola, Meerut

Organized By: Department of Computer Science & Engineering, Faculty of Engineering & Technology, Swami Vivekanand Subharti University, Meerut

Aim

The outreach activity aimed to promote awareness regarding women empowerment, gender equality, and the significance of women’s participation in social, educational, economic, and decision-making processes. The program sought to encourage rural communities to recognize the potential of women as equal contributors to societal growth and sustainable development.

Objectives

1. To create awareness among rural communities about women’s rights and gender equality.
2. To emphasize the importance of education for girls and women.
3. To encourage self-reliance, confidence, and leadership qualities among women.
4. To promote equal opportunities for women in social, economic, and political spheres.
5. To sensitize the community towards eliminating gender discrimination and stereotypes.
6. To strengthen the connection between higher educational institutions and rural communities through the Unnat Bharat Abhiyan initiative.
7. To provide students with experiential learning opportunities through community engagement and social outreach activities.

Introduction

Faculty of Engineering & Technology, Swami Vivekanand Subharti University, Meerut, successfully organized an outreach activity on “Women Empowerment” under the Unnat Bharat Abhiyan (UBA), a flagship program of the Ministry of Education, Government of India, on 08 October 2025 at Village Bhola, Meerut. The program was conducted by the Department of Computer Science & Engineering with the objective of spreading awareness about women’s empowerment, education, equality, safety, and leadership.

The initiative was aligned with the vision of Unnat Bharat Abhiyan, which aims to bridge the gap between educational institutions and rural communities by encouraging knowledge exchange and community-driven development. The activity highlighted the crucial role of women in nation-building and emphasized the need for equal opportunities and participation in all spheres of life.

Activities Conducted

As part of the outreach program, students actively participated in a Nukkad Natak (Street Play) designed to communicate important messages related to women empowerment. The performance focused on real-life issues faced by women in society, including gender discrimination, lack of educational opportunities, social stereotypes, and unequal treatment.

Through impactful dialogues and dramatic presentations, the students highlighted:

- The importance of educating girls and women.

Subhartipuram, Delhi-Haridwar Meerut Bypass Road, NH-58, Meerut - 250 005

E-mail : engineering@subharti.org, Website : www.subharti.org

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

FACULTY OF ENGINEERING & TECHNOLOGY

- Equal rights and opportunities for women.
- Women's safety and dignity in society.
- Breaking traditional gender stereotypes.
- Encouraging self-confidence and self-reliance among women.
- Promoting women's participation in leadership and decision-making roles.
- Building a supportive and inclusive environment for women.

The street play effectively captured the attention of villagers and generated meaningful discussions on the importance of gender equality and social justice. Community members appreciated the efforts of the students and actively engaged in the awareness session.

The activity also served as an excellent platform for students to interact directly with rural communities, understand social challenges, and contribute towards creating awareness and positive social change.

Learning Outcomes

For the Community

- Enhanced awareness regarding women's rights and gender equality.
- Improved understanding of the importance of girls' education.
- Increased sensitivity towards issues affecting women and girls.
- Encouragement for greater participation of women in social and economic activities.
- Motivation to challenge discriminatory practices and support gender-inclusive development.

For the Students

- Exposure to real-life community engagement and social outreach.
- Development of leadership, communication, and teamwork skills.
- Better understanding of societal issues related to gender equality.
- Enhanced sense of social responsibility and civic engagement.
- Practical implementation of experiential learning principles promoted under Unnat Bharat Abhiyan.

Outcome

The outreach activity successfully achieved its intended objectives by creating awareness among rural residents regarding women empowerment and gender equality. The Nukkad Natak served as an effective medium for delivering social messages and encouraging community participation.

The villagers gained valuable insights into the importance of women's education, rights, safety, and equal opportunities. Students developed a deeper understanding of social issues and strengthened their skills in communication, leadership, and community engagement. The activity reinforced the values of inclusiveness, social responsibility, and participatory development envisioned under the Unnat Bharat Abhiyan.

Conclusion

The outreach activity on "Women Empowerment" under Unnat Bharat Abhiyan was successfully conducted and proved to be highly impactful in raising awareness among the rural population of Village Bhola, Meerut. Through the medium of a Nukkad Natak, the program effectively conveyed messages of gender equality, women's rights, education, self-reliance, and social inclusion.

The initiative strengthened the relationship between the university and the rural community while fostering a sense of responsibility among students toward societal development. The program demonstrated how educational institutions can play a vital role in promoting social transformation and empowering communities through awareness and engagement.

Objective of the Activity: The objective of this activity is to foster an inclusive and supportive environment for differently abled students and staff by promoting accessibility, awareness, and equal opportunities.

Description: The institution is committed to creating an inclusive and supportive environment for differently abled students and staff. Equal opportunities are ensured through accessible infrastructure, assistive technologies, and customized academic as well as professional support systems. Special attention is given to barrier-free learning spaces, flexible teaching methodologies, and counseling services that promote holistic growth. Staff members with disabilities are encouraged to actively participate in academic, administrative,

Jai Hind
Respected Sir,
As per Action plan 2024-25 for SDASC, we are supposed to organize an educational visit to a special school for our students. The purpose of this visit is to provide the students with practical exposure to the teaching-learning processes, classroom management, and intervention strategies used in the education of children with special needs.
Proposed Date: 21 April
School- Asha Special School, Meerut Cantt
Requirement: 20 seater bus or van.

We believe that this experience will significantly contribute to the professional growth and competence of our students in the field of special education.

We kindly request your approval for this visit.

Thanks and Regards

REPORT ON ADVENTURE CAMP 2024

Scout and Guide leadership and adventure camp at Panchmarhi (M.P.)

Title of the activity	Adventure and leadership camp	Level of Program	Annual event
Focused Area	Nature socialization	Date of Activity	13 March -19 March 2026
Name of the associated department	Department of Physical Education, Faculty of Education, SVSU	Day	07 day
Total Participants	86	Venue	The Bharat Scout And Guide National Adventure Institute Pachmahri (M.P)
Students	80	Organizing Secretary	Dr. <u>Ankit Singh jadon</u> Assistant Professor, Department of Physical Education, FOE, SVSU, Meerut.
Teachers	06	Report Prepared By	Dr. <u>Ankit Singh jadon</u> Assistant Professor, Department of Physical Education, FOE, SVSU, Meerut.
Others	-	Activity organized by	Department of Physical Education, FOE, SVSU

Description :

To join the adventure and leadership camp at pachmarhi (M.P) from 13 March -19 March 2026. All the 80 students,06 faculty members of departments of physical education S.V.S.U Meerut went to Hazrat Nizamuddin by bus then from Hazrat Nizamuddin to Pipariya station by train.

From there we went from Pipariya station to rajendragiri camp site to Panchmahri by bus. All members reached at camp site 09:30 a.m. on 14/03/2026 and return to the university from camp site on 18/03/2026 at 5:00 p.m. and reached Hazrat Nizamuddin on 19/03/2026 2:00 p.m.

The Scout and Guide leadership and adventure camp is an annual event organized for students to help them to develop their leadership skills and physical abilities. The camp is aimed at enhancing their ideology to nature socialization, team-building, and problem-solving skills while engaging in outdoor activities. This report highlights the events of the camp and its all over benefits of the students.

The leadership and adventure camp took place at natural reserve at Panchmahri. The students were housed in tents and assigned duties to specific groups where they worked jointly throughout the event. The camp lasted for the five days, and various activities such as tracking, obstacle training, horse riding, shooting, archery, rafting, survival training, rock climbing, Rambling and high rope activities were also carried out. On the first day, students did the tracking and visited Pandav Cave. On the second day, students went for a morning walk at Rajendragiri Garden for the view of sunrise. The students were engaged in team-building activities where they were required to work together in groups to tackle obstacles. After lunch, students started Rock Climbing and Rappling and went tracking to Handi-Kho. This activity helped the students to develop concept of cooperation and brotherhood of each other. The third day consisted of tracking to B-Fall, which involved the students navigating the woods while carrying a backpack filled with necessary supplies. The hiking experience helped the students to gain physical fitness and improved their survival skills. Horse riding, shooting and archery were the activities done during the evening time. The fourth day consisted of intense hiking to Chauragarh to lord Mahadev temple of about 18 kms. Lunch was served at half way while returning to camp. The last day involved high rope activities followed by boating which allowed the students to release their energy and relax.

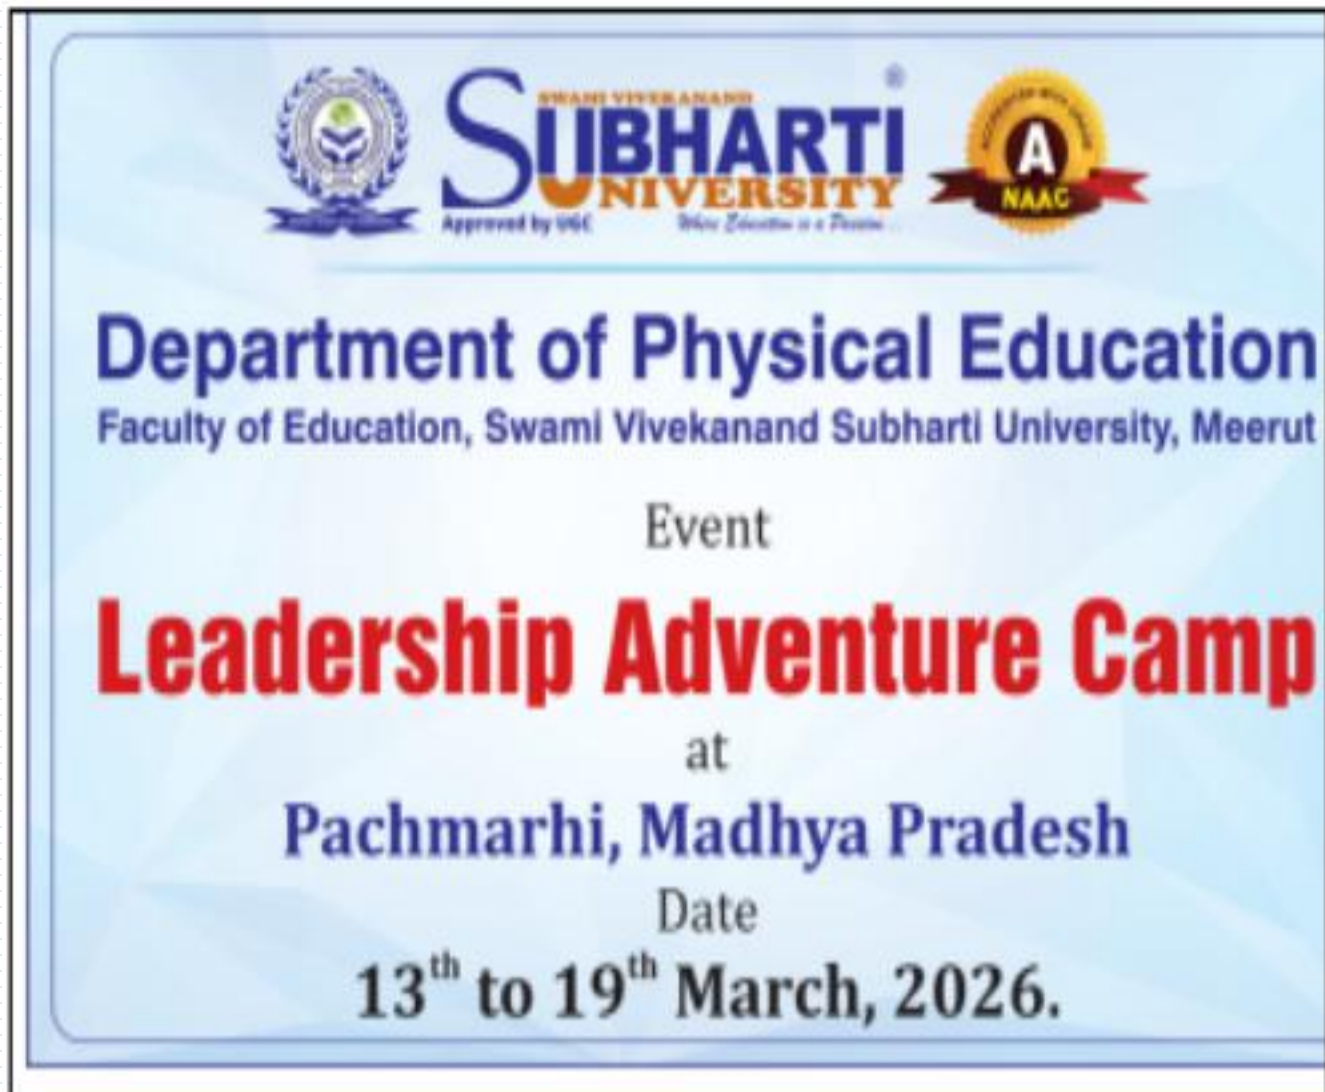

The camp had a significant impact on the students as it helped them to develop essential life skills. They learned leadership, team-building, problem-solving, and survival skills essential in dealing with everyday life. The active lifestyles they lived during the camp improved their physical fitness and mental well-being. It also improved their teamwork and collaboration.

The leadership and adventure camp program is a vital aspect of developing a student's social and physical well-being. The universities should consider organizing the program annually

to ensure that students have access to such an adventurous experience. They should also consider tailoring the activities to cater to different age groups ensuring that every student benefits optimally from the program.

The Scout and Guide leadership and adventure camp had a significant impact on the students, and it is highly recommended that similar programs should be organized in future. The program helps students to develop essential life skills & improve their physical and mental well-being, and gain new friends circle.

Extension Activity- SDG Goal -3 Good health & Well Being (Healthy Habits, Healthy Future) 2025*

Title of the activity	Healthy Habits, Healthy Future	Level of Program	Departmental Level
Focused Area	Promotion of healthy lifestyle practices to ensure overall well-being and a sustainable healthy future.	Date of Activity	31-10-2025
Name of the associated Department	Department of Physical Education, FOE SVSU, Meerut	Day	Friday
Time	09:30 AM		
Total Participants	35	Venue	Sindhawli Village, Rohla Bypass Road, Meerut
Students	30	Convener	Dr. Ankit Singh Jadon, Assistant Professor, Department of Physical Education, SVSU
Teachers/ Villagers	35	Report Prepared By	Dr. Ankit Singh Jadon, Assistant Professor, Department of Physical Education, SVSU

Objectives of the Extension Activity – Good health & Well Being (Healthy Habits, Healthy Future)

1. To create awareness about the importance of a healthy lifestyle.
2. To encourage regular physical activity through sports participation.
3. To develop physical fitness, endurance, and overall well-being.
4. To promote teamwork, discipline, and social interaction through sports.
5. To instill healthy habits and reduce lifestyle-related health risks.
6. To provide real-life experiences and insights from an alumnus working in the field of sports and fitness.

Extension Activity on “SDG Goal 3: Good Health and Well-Being – Healthy Habits, Healthy Future”

Meerut, October 31, 2025 — The Department of Physical Education, Swami Vivekanand Subharti University, Meerut, successfully organized an Extension Activity on “SDG Goal 3: Good Health and Well-Being” on October 31, 2025, in Sindhawali Village, Rohta Bypass Road, Meerut.

The objective of this program was to raise awareness among rural residents and students about the importance of adopting healthy habits, regular exercise, a balanced diet, and maintaining mental and physical health. A total of 25 students actively participated in this activity, conducting a dialogue and awareness campaign on the topic “Healthy Habits, Healthy Future.”

Dr. Sandeep Kumar, Dean of the Faculty of Education, delivered his blessings at the event and encouraged students to spread health awareness in society. He said, “Good health is the foundation of a successful life, which can only be achieved through healthy habits.”

This extension activity was conducted under the able guidance of Dr. Ankit Singh Jadon, Departmental Extension Activity Incharge. Dr. Jadon said, “Adopting a healthy lifestyle not only strengthens our bodies but also provides mental peace and self-confidence.”

The program concluded with a vote of thanks and a pledge to continue organizing such public awareness-based extension activities in the future. Department of Physical Education, Swami Vivekananda Subharti University, Meerut

Outcome of the Extension Activity – Good health & Well Being (Healthy Habits, Healthy Future)

The activity successfully raised awareness among participants about the importance of maintaining good health through proper nutrition, regular exercise, and personal hygiene. It encouraged individuals to adopt healthier lifestyle practices and make informed choices for their physical and mental well-being. The initiative also strengthened community participation in promoting SDG Goal 3, contributing to a healthier and more responsible society.

Feedback: Participants gave positive feedback, expressing that the activity was informative and inspiring. They appreciated the practical guidance on developing healthy habits, maintaining personal hygiene, and managing stress. Many participants shared that the session motivated them to include regular exercise and balanced nutrition in their daily routines.

Objective of the Activity

➤ Pharma Care Connect Club has organized an outreach activity on the occasion of **World Health Day 2025 “Healthy beginnings, hopeful futures”** on 07 April, 2025 to aware the rural people. 20 students have actively participated in the event.

1. **Promote Early Health Interventions:** Emphasize the importance of maternal, child, and adolescent health, recognizing that early health care and nutrition lay the foundation for a healthy life.
2. **Raise Awareness:** Educate communities about preventive healthcare, balanced nutrition, mental well-being, and regular health screenings, especially from an early age.
3. **Encourage Lifelong Healthy Habits:** Advocate for healthy lifestyle choices-physical activity, hygiene, mental wellness, and avoiding harmful substances-starting from childhood.
4. **Support Equity in Healthcare Access:** Highlight the need for affordable, accessible, and inclusive healthcare for all, particularly vulnerable and underserved populations.

5. **Empower Communities for Sustainable Health Futures:** Inspire families, schools, and local bodies to work together in building supportive environments that nurture the health of the next generation.
6. **Align with National and Global Health Goals:** Reinforce commitment to UN Sustainable Development Goals (SDG 3) - Good Health and Well-Being-and national health missions focused on preventive and promotive healthcare.

Description

World Health Day 2025, with the theme “**Healthy Beginnings, Hopeful Futures**” emphasizes the critical importance of investing in health from the earliest stages of life. The day serves as a reminder that the foundation for a healthy society begins with nurturing the well-being of mothers, children, and young people, ensuring they have the care, support, and environment necessary to thrive.

The theme reflects a commitment to:

- **Early intervention and preventive healthcare**, especially during pregnancy, infancy, and childhood.
- Encouraging **healthy habits and lifestyle choices** from a young age to prevent chronic diseases and promote lifelong well-being.
- Addressing **mental health, nutrition, sanitation, and access to basic healthcare services** for all, especially marginalized communities.
- Building a **health-literate and health-conscious society** through education, community involvement, and public awareness campaigns.

By focusing on “**Healthy Beginnings**” the goal is to give every child a strong start in life. And through “**Hopeful Futures**” the initiative aspires to create a generation that is physically, mentally, and socially healthy-paving the way for a stronger, more resilient nation.

World Health Day 2025 calls on individuals, communities, healthcare providers, and policymakers to come together and ensure that every life begins with health, dignity, and hope.

Activity was facilitated by **Ms. Dimple Singh Tomar**, Assistant Professor, Faculty of Pharmacy, Swami Vivekanand Subharti University, Meerut

Outcome of the Activity

World Health Day 2025 focused on ensuring that every child, mother, and family has access to the healthcare and support needed to start life healthy and strong. The campaign emphasized maternal and child health, early interventions, nutrition, mental well-being, and access to primary healthcare.

1. Increased Awareness

- Over 100 countries participated in awareness campaigns, reaching more than 500 million people via social media, TV, radio, and community events.

- Educational materials and toolkits were distributed widely, emphasizing the importance of prenatal care, immunizations, and early nutrition.
- 2. Health Screenings and Services**
 - Thousands of health camps were held globally, offering free checkups, vaccinations, and maternal health services.
 - Over 2 million women and children were screened for various health conditions during these events.
 - 3. Policy Advocacy and Government Action**
 - Multiple governments announced new or strengthened health policies focusing on maternal and child health.
 - Funding was pledged in several regions to improve neonatal care and rural healthcare access.
 - 4. Community Engagement**
 - Grassroots organizations led local events, including workshops, health fairs, and school programs, promoting healthy habits from early childhood.
 - Parent support groups and mental health awareness workshops were launched in 40+ countries.
 - 5. Partnerships and Collaborations**
 - Strengthened collaboration between health ministries, NGOs, and international agencies to implement sustainable health programs for families.
 - The private sector contributed with donations, technological innovations, and awareness campaigns.

Analysis of Participant's Feedback

Participants expressed overwhelming appreciation for the focus on early health interventions and community-based education. Many reported changes in their awareness, habits, and willingness to seek health services. The initiative successfully inspired action at the individual, family, and community levels—laying the foundation for healthier, more hopeful futures.

Objective of the Activity

➤ Faculty of Pharmacy has organized an outreach activity on “Immunization for all is humanly possible” on the occasion of National Vaccination Day on 16 March, 2026 to aware all population of village Tikri Janni Khurd, Meerut. 12 students and 02 faculty members have actively participated in the outreach activity “Immunization for all is humanly possible” on National Vaccination Day 2026.

1. **Ensure Universal Coverage:** To provide access to life-saving vaccines for every individual, especially children and vulnerable populations.

2. **Reduce Morbidity and Mortality:** To decrease the incidence of vaccine-preventable diseases and related deaths.
3. **Promote Public Awareness:** To educate communities about the importance, safety, and benefits of immunization.
4. **Strengthen Healthcare Systems:** To improve vaccine delivery, storage (cold chain), and accessibility in all regions.
5. **Achieve Equity in Health:** To eliminate disparities in immunization coverage across different socio-economic and geographic groups.
6. **Support Global Health Goals:** To contribute to disease eradication and control initiatives, such as polio elimination and measles reduction.
7. **Encourage Community Participation:** To involve families, healthcare workers, and organizations in promoting vaccination programs.
8. **Build Herd Immunity:** To protect entire communities, including those who cannot be vaccinated, by increasing overall immunization rates.

Description

- On the occasion of **National Vaccination Day**, this activity is organized to emphasize the importance of immunization as a fundamental step toward achieving a healthy society. The program aims to spread awareness about the critical role vaccines play in preventing life-threatening diseases and ensuring the well-being of individuals across all age groups.
- The activity includes awareness rallies, health education sessions, and immunization camps conducted by healthcare professionals and volunteers. Informative talks are delivered on vaccination schedules, benefits of timely immunization, and the safety of vaccines. Posters, pamphlets, and interactive demonstrations are used to engage the community and dispel common myths and misconceptions related to vaccines.
- Special attention is given to children, pregnant women, and underserved populations to ensure they receive complete and timely immunization. The initiative also highlights the efforts of national immunization programs and encourages people to actively participate in vaccination drives.

Outcome of the Activity

1. **Increased Public Awareness:** Participants gained better knowledge about the importance, safety, and benefits of vaccines.
2. **Improved Immunization Coverage:** More children and adults were motivated to complete their vaccination schedules.

3. **Reduction in Myths and Misconceptions:** Common fears and false beliefs about vaccination were addressed through education and interaction.
4. **Enhanced Community Participation:** Greater involvement of families, students, and local communities in immunization programs was observed.
5. **Better Access to Vaccination Services:** Health camps and outreach programs helped reach underserved and remote populations.
6. **Strengthened Preventive Healthcare Attitude:** People developed a positive attitude toward preventive healthcare and disease prevention.
7. **Support to National Health Programs:** The activity contributed to the success of government immunization initiatives.
8. **Progress toward Disease Control:** Increased vaccination uptake supports the reduction and possible elimination of vaccine-preventable diseases.

Analysis of Participant's Feedback

- The feedback collected from participants indicates that the activity was highly impactful and well-received by the community. Most participants expressed that the program significantly improved their understanding of immunization and its role in preventing serious diseases. Awareness sessions and interactive discussions were particularly appreciated for simplifying complex information about vaccines.
- A large proportion of participants reported increased confidence in the safety and effectiveness of vaccines. Many misconceptions and fears, such as side effects and vaccine hesitancy, were effectively addressed during the sessions. This reflects the success of the activity in building trust toward immunization programs.

DETAIL REPORT ON OUTREACH ACTIVITY

Date of Visit: 29 April 2026

Location: Ishwar Chandra Vidyasagar School

The Department of Languages, Faculty of Arts and Social Sciences, successfully organised an outreach visit to Ishwar Chandra Vidyasagar School on 29 April 2026. The initiative aimed at spreading awareness about health, nutrition, hygiene, and responsible living among school children, while aligning with key Sustainable Development Goals (SDGs), particularly SDG 2 (Zero Hunger), SDG 3 (Good Health and Well-being), SDG 6 (Clean Water and Sanitation), and SDG 12 (Responsible Consumption and Production).

During the visit, faculty members and students distributed fruits and hygiene materials to the children. This activity was aimed to promote healthy eating habits and encourage the adoption of personal hygiene practices from an early age.

Objectives of the Visit

1. To promote awareness about healthy eating habits among young students.
2. To encourage the importance of personal hygiene and cleanliness.
3. To foster social responsibility and community engagement among university students.
4. To contribute to the well-being of children through small but meaningful initiatives.

Faculty members of the Department of Languages actively interacted with the students, sensitizing them to important issues related to nutrition, hygiene, and sustainable living. The discussions also introduced the concept of Sustainable Development Goals, helping young learners understand their role in building a healthier and more responsible society.

Student participants played an integral role in the programme, engaging with school children through interactive communication and ensuring the smooth conduct of the visit. The initiative provided an enriching experience for both university students and school children, fostering mutual learning and awareness.

Dr. Seema Sharma, Head of the Department of Languages, highlighted the importance of such outreach programmes. She emphasized that community engagement and experiential learning are crucial in shaping socially responsible individuals and appreciated the collective efforts of faculty members and students.

SWAMI VIVEKANAND SUBHARTI UNIVERSITY, MEERUT, U.P.
 (Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

Outcomes of the Visit

1. Increased awareness among school students regarding nutrition and hygiene.
2. Strengthened interaction between university students and school children, promoting mutual learning.
3. Enhanced sense of social responsibility among participating students.
4. Effective dissemination of basic health, hygiene, and sustainable living practices within the community.

The programme witnessed enthusiastic participation from faculty members and students, making it a meaningful step towards community awareness and social responsibility.

Sustainable Development Goals (SDGs) Addressed

- SDG 2: Zero Hunger (through distribution of nutritious fruits)
- SDG 3: Good Health and Well-being (promoting health awareness)
- SDG 6: Clean Water and Sanitation (encouraging hygiene practices)
- SDG 12: Responsible Consumption and Production (promoting mindful use of resources)

Role and Responsibility of Student Participants

Student participants played a proactive role in organizing and executing the activity by assisting in the distribution of materials and engaging meaningfully with school students. They communicated key messages on health, hygiene, and sustainability with clarity and sensitivity, while demonstrating teamwork, discipline, and empathy. The experience strengthened their sense of social responsibility and enhanced their practical understanding of community engagement.

CERTIFICATE OF APPRECIATION

This is to proudly certify that the **DEPARTMENT OF LANGUAGES Faculty of Arts and Social Sciences Swami Vivekanand Subharti University, Meerut** has successfully organized and conducted an outreach programme at Ishwar Chandra Vidyasagar School on **29 April 2026**. The initiative, focused on promoting awareness of health, hygiene, and well-being through the distribution of fruits and hand hygiene materials, was highly impactful and beneficial for our students. The dedicated efforts of the faculty members and students in engaging with our learners and spreading awareness on essential life practices and social responsibility are sincerely appreciated. We acknowledge and commend the Department for their commitment towards community service and meaningful educational outreach. We extend our best wishes for their continued efforts in contributing positively to society.

1. Objective of the Activity

1. To observe World Breastfeeding Week 2025 and promote awareness regarding the importance of breastfeeding.
2. To provide counselling and guidance to pregnant women and lactating mothers regarding maternal and child health.
3. To encourage exclusive breastfeeding during the first six months of life for optimal infant growth and development.
4. To educate mothers about the nutritional, emotional, and health benefits of breastfeeding for both mother and child.
5. To strengthen community awareness regarding healthy infant feeding practices and mother-infant bonding.

2. Description of the Activity

On the occasion of World Breastfeeding Week (1st–7th August 2025), the Shaheed Baba Deep Singh Department of Home Science, in collaboration with the Subharti Nursing College, Swami Vivekanand Subharti University (SVSU), organized a Community Outreach Program at the Community Health Centre, Rohta Village, Meerut on 01 August 2025.

The outreach initiative aimed to create awareness among pregnant women, lactating mothers, and community members regarding the significance of breastfeeding and maternal nutrition. Around 30 students from the Department of Home Science and Subharti Nursing College actively participated in the program.

The visit was coordinated and supervised by Dr. Shalu Nehra, Faculty Member, Department of Home Science, along with Ms. Priya, Faculty, Subharti Nursing College. During the visit, students distributed informative pamphlets and educational materials highlighting the importance of breastfeeding, proper maternal nutrition, and child health care practices.

Interactive counselling sessions were conducted for pregnant women and nursing mothers, focusing on:

- Importance of exclusive breastfeeding for the first six months.
- Benefits of breastfeeding for infant immunity, growth, and development.

- Nutritional requirements of lactating mothers.
- Correct breastfeeding techniques and common breastfeeding concerns.
- Importance of mother-infant bonding and responsive caregiving.

The students also engaged in one-to-one interactions with community members, answered queries, and encouraged mothers to adopt healthy feeding practices. The program received positive participation from the beneficiaries and health centre staff.

3. Outcome of the Activity

1. Enhanced awareness among pregnant women and lactating mothers regarding the benefits of exclusive breastfeeding.
2. Improved understanding of maternal nutrition and infant feeding practices.
3. Increased community engagement in discussions related to maternal and child health.
4. Strengthened practical learning and communication skills among participating students.
5. Encouraged positive health-seeking behaviour and adoption of recommended breastfeeding practices.

4. Conclusion

The Community Outreach Program organized under World Breastfeeding Week 2025 successfully promoted awareness regarding breastfeeding and maternal health among women of Rohta Village. The initiative provided an excellent platform for students to apply their academic knowledge in a real community setting while contributing to public health awareness. The collaborative efforts of the Department of Home Science and Subharti Nursing College helped reinforce the message that breastfeeding is essential for ensuring the health, nutrition, and overall well-being of both mother and child.

NATIONAL SERVICE SCHEME राष्ट्रीय सेवा योजना

Preface

The NSS Unit-2 of Swami Vivekanand Subharti University, Meerut, U.P., India, organized a 7-day special camp in the village of Tikri, Post & Block - Jani Khurd, Pin Code - 250501, Dist. - Meerut, State - U.P., approximately 12.5 km away from the University. The main objective was to identify the needs and problems of the community and to make the village free from daily life issues, thereby instilling the idea of social welfare in students, and to provide service to society without bias. The number of students who participated in the camp was 50, and there were 3 teachers and 1 attendant also. The unit performed many activities such as Voter Awareness, Digital Awareness, Clean Village & Vaccination Awareness, Women Empowerment, and Nukad Natak etc. The village consists of around 600 houses with a population of about 3300.

Awareness plays a vital role in promoting a healthy and sustainable society. Vaccination

awareness is essential for preventing diseases and safeguarding public health, while initiatives like Clean India and Green India contribute towards environmental protection and cleanliness. In this context, the NSS Unit-2 of Swami Vivekanand Subharti University organized a “Vaccination Awareness Program and Clean India-Green India Rally” at the adopted village Tikri on 16.03.2026 under the NSS Special Camp Activity.

The vaccination awareness program was conducted in a local school, where students were educated about the importance of immunization, disease prevention, and maintaining personal hygiene. The main objective of this program was to create awareness among citizens and students regarding the importance of vaccination, personal hygiene, and environmental cleanliness, as well as to encourage active participation in maintaining a clean and green environment.

At the beginning of the program, Mr. Sanjay Kumar, Gram Pradhan, motivated the NSS volunteers and highlighted the importance of vaccination and cleanliness in daily life. He also encouraged the volunteers to actively participate in spreading awareness among the villagers and school students.

Thereafter, the volunteers organized a rally in the adopted village, holding banners and raising various slogans to promote vaccination awareness and cleanliness, such as:

- □□□□□□□ □□□□□, □□□□□□□□ □□□□□
- □□□□□□ □□□□□, □□□□□ □□□□□
- □□□□□□ □□□□□□□, □□□□□□ □□□□□□□□□

The volunteers also interacted with the villagers and school students, educating them about the benefits of vaccination, proper waste disposal, and maintaining a hygienic environment. The villagers and students showed a positive response and actively participated in the awareness activities.

Finally, the program concluded with a message encouraging everyone to adopt healthy practices, ensure timely vaccination, and contribute towards building a clean and green society.

Outcomes

The vaccination awareness program and Clean India–Green India rally helped in creating awareness among students and villagers about the importance of immunization, personal hygiene, and environmental cleanliness. Many people were not fully aware of the benefits of vaccination and proper sanitation practices, but this program provided them with essential knowledge and understanding. Through interactive sessions and rallies, individuals learned how vaccination helps in preventing diseases and how cleanliness contributes to a healthy lifestyle.

The program also encouraged active participation of the community, where students and villagers understood their role in maintaining a clean and green environment. By spreading awareness through slogans and direct interaction, the initiative motivated people to adopt healthy habits, proper waste disposal methods, and timely vaccination.

Overall, the program helped develop responsible citizens who are aware of public health measures and environmental sustainability. It promoted the idea of a healthier society and strengthened the importance of collective efforts in building a clean, green, and disease-free community.

Day- 2: Village Survey & Cleanliness Drive Premises at the Village

Date: 17th March 2026

Day: Tuesday

The village survey and cleanliness drive conducted by NSS volunteers at the Panchayat Ghar and its surrounding areas played an important role in improving sanitation and awareness. Through the survey, volunteers identified the need for proper cleanliness and hygiene in public places, especially around the Panchayat premises.

Based on these observations, a cleanliness drive was carried out where volunteers cleaned the Panchayat Ghar and nearby areas by sweeping, removing waste, and maintaining the surroundings. This activity resulted in a cleaner, healthier, and more presentable environment for the villagers.

The initiative also created awareness among the local community about the importance of cleanliness and encouraged them to actively participate in maintaining hygienic surroundings. Overall, the program promoted responsible behaviour, community involvement, and contributed towards the development of a clean and healthy village environment.

Day- 3: Voter Awareness Programme, Voter Awareness Rally, Matdaan

Jagruk Abhiyan

Date: 18th March 2026

Day: Wednesday

The Volunteers of NSS Unit-2 of Swami Vivekanand Subharti University organized a Voter Awareness Programme and Rally (Matdaan Jagruk Abhiyan) with the objective of creating awareness about the importance of voting and responsible citizenship. The programme aimed to educate villagers and students about their democratic rights and duties, and to encourage maximum participation in the electoral process.

During the programme, NSS volunteers explained the importance of voting as a fundamental right in a democratic country. They provided information about the voting process, voter registration, and the need to cast votes without any fear or influence. The volunteers emphasized that every vote plays a crucial role in shaping the future of the nation and strengthening democracy.

A voter awareness rally was organized in the village where volunteers carried banners and raised slogans such as “Matdaan Hamara Adhikar Hai,” “Har Vote Zaroori Hai,” and “Vote for a Better Future.” The rally effectively attracted the attention of the local community and spread awareness among the people.

Through this programme, the volunteers successfully motivated the villagers to participate actively in elections and to become responsible voters. Overall, the initiative contributed towards promoting free, fair, and transparent elections and strengthening democratic values in society.

Day- 4: Health Awareness About Drinking, Smoking, STD Diseases

Date: 19th March 2026

Day: Thursday

In recent years, public health initiatives have increasingly focused on raising awareness about the risks associated with drinking, smoking, and sexually transmitted diseases (STDs). These issues pose significant health threats globally, contributing to various diseases and health complications. This report highlights the awareness activities conducted to educate the public about these important health concerns.

Awareness about Drinking: Two male groups of NSS volunteers spread awareness regarding the harmful effects of excessive alcohol consumption. They educated people about various health risks such as liver disease, cardiovascular problems, addiction, and mental health issues. The volunteers emphasized the importance of responsible behaviour and encouraged individuals to avoid alcohol abuse.

Awareness about Smoking: Two male groups of NSS volunteers conducted awareness activities on the harmful effects of smoking. They informed the community about serious health risks, including cancer, respiratory diseases, and heart problems. The campaign also highlighted the addictive nature of nicotine and motivated people to quit smoking and adopt a healthy lifestyle.

Awareness about Sexually Transmitted Diseases (STDs): Two female groups of NSS volunteers spread awareness regarding sexually transmitted diseases. They educated the community about the modes of transmission, symptoms, and prevention of STDs. The volunteers emphasized the importance of safe practices, personal hygiene, and regular health check-ups to prevent infections and maintain overall health.

Outcomes

- Increased awareness among the community about the harmful effects of alcohol consumption, smoking, and sexually transmitted diseases (STDs).
- Improved knowledge regarding health risks such as liver disorders, cancer, respiratory diseases, and infections caused by unsafe practices.
- Promotion of responsible behaviour and reduction in habits like excessive drinking and smoking.
- Enhanced understanding of STDs, including their transmission, symptoms, and preventive measures.
- Encouragement of safe practices, personal hygiene, and regular health check-ups.
- Reduction in myths, misconceptions, and stigma related to STDs through proper awareness.
- Adoption of healthier lifestyle choices by individuals in the community.
- Strengthened the role of NSS volunteers in promoting public health awareness and social responsibility.

Day- 5: Beti Bachao Beti Padhao Abhiyan Rally, Nukkad Natak on “Nasha Mukht Bharat”

Date: 20th March 2026

Day: Friday

The Volunteers of NSS Unit-2 of Swami Vivekanand Subharti University organized a Beti Bachao Beti Padhao Abhiyan Rally, along with a Nukkad Natak on the theme “Nasha Mukht Bharat,” to raise awareness about girl-child empowerment and the harmful effects of substance abuse. The programme aimed to educate villagers and school students about the importance of gender equality, women's empowerment, and leading a drug-free life.

During the rally, NSS volunteers carried banners and raised slogans to promote the message of saving and educating the girl child. They encouraged the community to support the rights, education, and protection of girls, and to eliminate gender discrimination from society. The rally successfully attracted the attention of villagers and spread awareness effectively.

The Nukkad Natak (street play) on “Nasha Mukht Bharat” was performed by NSS volunteers in a local school. Through this performance, students delivered a strong social message highlighting the harmful effects of drug addiction and substance abuse on health, family, and society. The act was engaging and impactful, motivating school students and the audience to adopt a healthy and addiction-free lifestyle.

Overall, the programme created a positive impact by raising awareness, encouraging responsible behaviour, and promoting the values of equality, empowerment, and a drug-free society.

Day- 6: Community Interaction, Educational awareness, Digital Awareness

Date: 21st March 2026

Day: Saturday

The NSS Unit-02 of Swami Vivekanand Subharti University organized a comprehensive programme on Community Interaction, Educational Awareness, and Digital Awareness in the village of Tikri, to promote social development and awareness among the local community. The initiative focused on understanding the needs of the villagers and addressing key issues related to education and digital safety in the present scenario.

As a part of community interaction, NSS volunteers actively engaged with villagers and students to understand their concerns, daily challenges, and level of awareness. This direct interaction helped in identifying gaps in education and digital knowledge, while also building a strong sense of trust, cooperation, and mutual understanding between the volunteers and the community.

Under the Educational Awareness programme, the volunteers, along with Programme Officer Mr. Nishant Gaurav, interacted with parents and children who were not attending school. They emphasized the importance of education as a foundation for personal growth, better employment opportunities, and overall national development. The parents were motivated and encouraged to enroll their children in nearby schools and Anganwadi centres, and guidance was provided regarding available educational facilities such as Government Primary Schools.

In addition, a Digital Awareness programme was conducted in response to the rising number of cyber frauds and online scams. Er. Shubham Tyagi, Lecturer, explained various types of digital frauds, including SMS scams, ATM frauds, OTP scams, and online loan app frauds. NSS volunteers also organized a rally and

divided themselves into groups to interact directly with villagers, educating them

about safe digital practices and the precautions necessary to avoid such frauds.

Overall, the programme proved to be highly effective in creating awareness, promoting the importance of education, enhancing digital literacy, and strengthening the bond between NSS volunteers and the community. It contributed significantly towards building a more informed, responsible, and progressive society.

Outcomes

- Strengthened connection and trust between NSS volunteers and the local community through active interaction.
- Increased awareness among parents and students about the importance of education.
- Motivation among families to enroll children in schools and Anganwadi centres.
- Reduction in illiteracy and promotion of formal education for better future opportunities.
- Enhanced understanding of digital transactions and online safety among villagers.
- Awareness about common cyber frauds such as SMS scams, ATM frauds, OTP scams, and loan app frauds.
- Adoption of safe digital practices and cautious use of online platforms.
- Development of responsible and informed citizens within the community.
- Overall improvement in social awareness, education level, and digital literacy.

Day- 7: Valedictory Function & Reporting

Date: 22th March 2026

Day: Sunday

The NSS Unit-02 of Swami Vivekanand Subharti University organized the Valedictory Function to mark the successful completion of the 7-day NSS Special Camp. The programme was conducted to present a summary of the activities carried out during the camp and to reflect upon the learning experiences gained by the volunteers.

During the function, NSS volunteers presented detailed reports of the various activities conducted throughout the camp, highlighting their objectives, execution, and impact on the community. These presentations reflected the dedication, teamwork, and active participation of the volunteers in organizing awareness programmes, rallies, cleanliness drives, and community interaction activities.

On this occasion, the Gram Pradhan of the village, Mr. Sanjay Kumar, was honoured by the Programme Officer, Unit-02, Mr. Nishant Gaurav, by presenting an Ang Vastra as a mark of respect and appreciation. The volunteers also expressed their sincere gratitude to him for granting permission to organize the 7-day NSS Special Camp in the village and for his continuous support and cooperation throughout the programme.

The Programme Officer appreciated the efforts of all the volunteers and motivated them to continue their involvement in social service activities with the same dedication and enthusiasm. The valedictory session also provided an opportunity for volunteers to share their experiences, challenges, and key learnings from the camp.

PRESS RELEASE

गौरैया और जल बचाने को उतरे युवा, जागी नई चेतना एनएसएस शिविर, नुक्कड़ नाटक और रैली के जरिए पर्यावरण संरक्षण का दिया संदेश

जन माध्यम

मेरठ। जब युवाओं के कदम समाज को भलाई के लिए उठते हैं, तो बदलाव को एक नई उम्मीद जन्म लेती है—कुछ ऐसा ही दृश्य देखने को मिला, जब विद्यार्थियों ने गांव-गांव जाकर प्रकृति बचाने का संदेश दिया। स्वामी विवेकानंद सुभार्ती विश्वविद्यालय की राष्ट्रीय सेवा योजना (एनएसएस) इकाई-1 और इकाई-2 के स्वयंसेवकों ने विश्व गौरैया दिवस और विश्व जल दिवस के अवसर पर ग्रामीण क्षेत्रों में व्यापक जागरूकता अभियान चलाया। इस दौरान नुक्कड़ नाटक, जनसंपर्क, रैली और सामाजिक गतिविधियों के माध्यम से पर्यावरण संरक्षण और जल बचाने का संदेश दिया गया। एनएसएस इकाई-1 द्वारा ग्राम गुम्मी-जुर्तनपुर में सात दिवसीय विशेष शिविर का आयोजन किया गया,

जिसमें स्वयंसेवकों ने गौरैया की भटती संरक्षण पर एक मार्मिक नुक्कड़ नाटक प्रस्तुत किया। नाटक के जरिए प्रदूषण, कीटनाशकों के अत्यधिक उपयोग और प्राकृतिक आवासों के नाश होने जैसे कारणों को प्रभावी ढंग से दर्शाया गया। स्वयंसेवकों ने ग्रामीणों से अपील की कि वे पेड़-पौधे लगाएँ, स्वच्छ वातावरण बनाए रखें और रासायनिक पदार्थों का सीमित उपयोग करें। ग्राम प्रधान दारा सिंह ने इस पहल की सराहना करते हुए इसे ग्रामीणों के लिए प्रेरणादायक बताया। शिविर के दौरान स्वयंसेवकों

ने घर-घर जाकर लोगों को सरकारी योजनाओं की जानकारी भी दी और उनका साथ डठाने के लिए प्रेरित किया। इसी क्रम में एनएसएस इकाई-2 ने ग्राम टिकरी में स्वच्छता, स्वास्थ्य और शिक्षा को लेकर विशेष अभियान चलाया। स्वयंसेवकों ने ग्रामीणों से संवाद स्थापित कर उन्हें स्वच्छता बनाए रखने, नियमित स्वास्थ्य जांच कराने और बच्चों की शिक्षा पर ध्यान देने का संदेश दिया। वहीं विश्वविद्यालय की पर्यावरण समिति द्वारा विश्व जल दिवस पर एक भव्य रैली का आयोजन किया

गया, जिसे कुलपति प्रो. (डॉ.) प्रमोद कुमार शर्मा ने हरी झंडी दिखाकर रवाना किया। उन्होंने जल संरक्षण को प्रत्येक नागरिक की जिम्मेदारी बताते हुए विद्यार्थियों को समाज में जागरूकता फैलाने के लिए प्रेरित किया। रैली के दौरान विद्यार्थियों ने "जल है तो कल है" और "जल बचाओ, जीवन बचाओ" जैसे नारों के साथ लोगों को जागरूक किया। साथ ही आकर्षक पोस्टरों के माध्यम से जल संरक्षण के महत्व को दर्शाया गया। कार्यक्रमों के माध्यम से न केवल ग्रामीणों में पर्यावरण के प्रति जागरूकता बढ़ी, बल्कि युवाओं में सामाजिक जिम्मेदारी का भाव भी मजबूत हुआ। अंत में सभी ने मिलकर प्रकृति संरक्षण का संकल्प लिया और कार्यक्रम का समापन धन्यवाद ज्ञापन के साथ हुआ।
