Faculty Of Pharmacy Organizes A Seminar In Association With IQAC

The Faculty of Pharmacy (Kharvel Subharti College of Pharmacy) is a constituent college of Swami Vivekanand Subharti University, Meerut. The college has been bestowed with many awards and accolades and the most recent ones include the Best Pharmacy College of the Year. The college is also proud to have GLP's accredited Central Instrumentation Facility. Currently, the Pharmacy college offers PCI approved D.Pharm, B.Pharm, Pharm.D and M.Pharm programmes.

It has long been felt that there is a need for active linkages between industry and academic institutions which can help enrich curriculum contents and also add dynamicity to the existing systems of continuing education programmes. The gap between theoretical knowledge and practical applications can be narrowed down through a coordinated approach ensuring closer interactions among industry and academia, through the institutionalised mechanisms. Indian Pharma Industry is the most demanding sector and touching great heights across the world. To fulfil the global requirement, the industry needs knowledgeable candidates.

This seminar aims to get the students and faculty members acquainted with the current scenario of the pharma industry to further enhance their practical knowledge.
