“*Arise, Awake and stop not

Swami Vivekanand: An Inspiration

Swami Vivekanand Subharti University is the fructification of an idea conceived by our founders, Dr. Mukti Bhatnagar and Dr. Atul Krishna, deeply inspired by the life of Swami Vivekanand of an Educational Institution. Swami ji was a Hindu monk, philosopher, author, religious teacher and a great nationalist. He propagated karma yoga as the best yoga for the youth. The main essence of his philosophy of life is to become fearless through struggle and serve humanity with peace.

Vivekanand's gospel marked the awakening of a man in his fullness and that is why it inspired our youth to the diverse courses of liberation through work and sacrifice. Swami Vivekanand was one of the greatest spiritual leaders of the modern world, a great lover of humanity whose unconditional love extended to all people without any distinction of caste, class, creed, race, region and religion.

The real education according to Swami Vivekanand is that which prepares the individual for struggle for existence. Education prepares a man for social service, to develop his character and finally imbibes him with the spirit and courage of a lion. He has emphasized that an education which develops character, mental powers and intelligences gives self-confidence and self-reliance among the individuals is the perfect education. Swami Vivekanand stressed education for democracy and national development. Education is the powerful instrument to achieve these developmental qualities in the people.

Swami Vivekanand Subharti University not only bears the name but truly prepares the students on the principles of Swami ji, adopted उन्निष्ठतः जाग्रतः प्राप्यः वरान्निबोधत as its mool mantra and Shiksha, Sewa, Sanskar and Rastriyata as its core values.

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

VISION

To be an internationally acclaimed multidisciplinary research intensive University that provides a holistic and transformative education to create educatedness and wellbeing along all the dimension of human life.

MISSION

1. To develop good, thoughtful, well rounded and creative individuals by ensuring inclusive and equitable quality education and promote lifelong learning opportunities for all.
2. Promote multidisciplinary learning through National & International collaboration and integration of technology, innovation and research.
3. Realizing sustainable development goals through strengthening global partnership.

THE FOUNDER

SUBHARTI GROUP

Prof. (Dr.) Mukti Bhatnagar (16th January 1957- 07th June 2021)

Dr Mukti, was the founder of Subharti Group of Institutions, believed in the pursuit of excellence and in overcoming all difficulties by virtue of hard work and perseverance. She made sure that the university can be an exceptional and exquisite learning educational hub, offering a variety of value-based, career-oriented disciplines of technical and professional education, thus engaged in creating highly qualified, academically and technically proficient professionals, who are responsive to the emerging needs of the Nation.

We at Subharti solemnly pledge to take her dream of excellence forward, and take the university to newer heights which she dreamt of. We will ensure that the process of education is enriched with the overall personality development and sharpening of the inherent capabilities of an individual, by providing an environment, fully conducive to the overall development of students, thus maintaining a balance between academic excellence and moral perfection, akin to be ways she had imagined it, while shaping the University.

In the ever loving memory of our beloved 'Sanghmata' Dr Mukti Bhatnagar

Prof. (Dr.) Atul Krishna
MS (Surgery)

“Education is the first step towards making people aware of their rights and responsible towards their duties. The University was established with the dream of making young Indians not only professionally sound but also motivated nationals, who are inclined towards not just building their careers but making their parents and peers proud while fulfilling their social and national duties.

‘शिक्षा सेवा संस्कार एवं राष्ट्रीयता’ our motto is based on the national and moral values and ethics with which the University was established.

Today, after the long struggle and overcoming many hurdles, I am proud that Swami Vivekanand Subharti University is not only one of the most reputed Universities of Northern India, but has also established itself in the top ranking Universities of India, and awarded 'A' accreditation by NAAC. I am confident that soon, we will be on the International educational map and be known for our unique combination of values and academics.

Till date, we have left no stone unturned towards achieving excellence and will keep working towards perfection.

“Jai Hind Jai Subharti”

THE CEO

Prof. (Dr.) Shalya Raj
MDS

“ *Never Say ‘No’, never say ‘I cannot’, for you are infinite.
All the power is within you. You can do anything.*

-Swami Vivekananda ”

Prof. Dr Shalya Raj is the Chief Executive Officer of the prestigious Swami Vivekanand Subharti University, Meerut. She did her graduation from SDM College of Dental Sciences, Dharwad & completed her Masters in Conservative Dentistry & Endodontics from Subharti Dental College, Meerut. She has a captivating persona that believes in making today better than yesterday while keeping a watchful eye on tomorrow. Over the years, she has blossomed into a focused, self-assured individual and is capable of handling delicate situations with discretion and poise.

She is a well-versed academician, fervent clinician and above all a dedicated human being. She is actively involved in research, teaching, guiding research students and has numerous worthy publications to her credit. Innovation has always been her forte and foray into the unknown has been her strong point making her an appropriate administrator ready to take the challenges head-on. She also excels in the field of performing arts, being a trained Kathak dancer and an exponent of Indian classical vocal music. Her all-round efforts have won her various accolades in the field of painting, craft & drama.

She handles administrative responsibilities of the University with a polished confidence and has an excellent vision of where she would like to see the University over the next few years by encouraging National and International linkages. Her leadership has seen University progressing by leaps and bounds achieving various milestones along the way. She has made it a point never to forget her humble beginnings and her intense desire to give back to the community has seen her getting diligently involved in various philanthropic works. Her high caliber of temperament and enthusiastic proficiency set her well above her contemporaries in the field.

Dr. Krishnamurthy
Executive Officer

Dr. Krishnamurthy, a surgeon by profession, has been a brilliant scholar during his undergraduate MBBS. He was awarded Gold Medal by Agra University. He did his post-graduation from LLRM Medical College, Meerut, where he topped the rolls and was conferred 'Gold Medal' in General Surgery.

Thereafter he joined Subharti Medical College and Hospital. He is working since as Assistant Professor in the Department of Surgery with additional charge of Deputy Medical Superintendent at Chattrapati Shivaji Subharti Hospital.

A very hard working and a compassionate doctor, a diligent administrator with far sighted qualities, determined to bring about a change in the present health scenario, he has brought about commendable progress in the health sector division of the University. He is well known for his surgical skills, human touch, diligence and dedication towards patients, students and way of managing the most difficult situations. UNIVERSITY AT A GLANCE

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

A glimpse of WHO WE ARE !

SUBHARTI IS A MISSION OF SERVICE to provide basic necessities of life such as health and education to everyone without any consideration of caste, creed, religion or any other man made factors, by establishing Schools, Colleges, Hospitals, Ashrams and Service Centers.

SUBHARTI IS A REVOLUTION OF LOVE AND SACRIFICE to bring people together by removing hatred, spreading love, building up of moral and National character and service of mankind so as to make the dream of "VASUDHAIVA KUTUMBAKAM" come true. Social reformations by formation of casteless society, removal of communalism and terrorism are its important activities.

SUBHARTI IS AN EXPRESSION OF GRATITUDE to those who have sacrificed their lives for humanity, equality and independence of the country, thus committing itself to NATIONAL INTEGRATION.

That is why Subharti University has been named after one of the most illustrious sons of this country- Swami Vivekanand.

Swami Vivekanand Subharti University is a University under the section 2(f) of the University Grants Commission Act, 1956, set up under the Swami Vivekanand Subharti Vishwavidyalay Uttar Pradesh Adhiniyam, 2008 (U.P. Act No. 29 of 2008) as passed by the Uttar Pradesh Legislature and assented to by the Honorable Governor of Uttar Pradesh in September 2008.

The University has been established under the aegis of Mahayana Theravada Vajrayana Buddhist Religious and Charitable trust (formerly known as Subharti K.K.B. Charitable Trust) Meerut, which has acquired a commendable record of service in the field of Education, Religion, Health care and Social Welfare.

The main campus of the University is in the National Capital Region, strategically situated on National Highway-58, Delhi-Haridwar bypass road, Meerut. The campus aptly called 'Subhartipuram', is spread over a sprawling area of about 250 acres of land comprising of magnificent buildings, lush green lawns and vibrant surroundings with over 5000 people, determined to make this a 'Jewel in the Crown' of the Nation.

The University boasts of highly qualified, dedicated and competent faculty from all walks of life, world class infrastructure, fully equipped laboratories with latest state-of-the-art equipments and a huge library with recent knowledge resources including e-resources.

The Uniqueness of Subharti University lies in providing an environment fully conducive to the overall development of students, thus maintaining a balance between academic excellence and moral perfection.

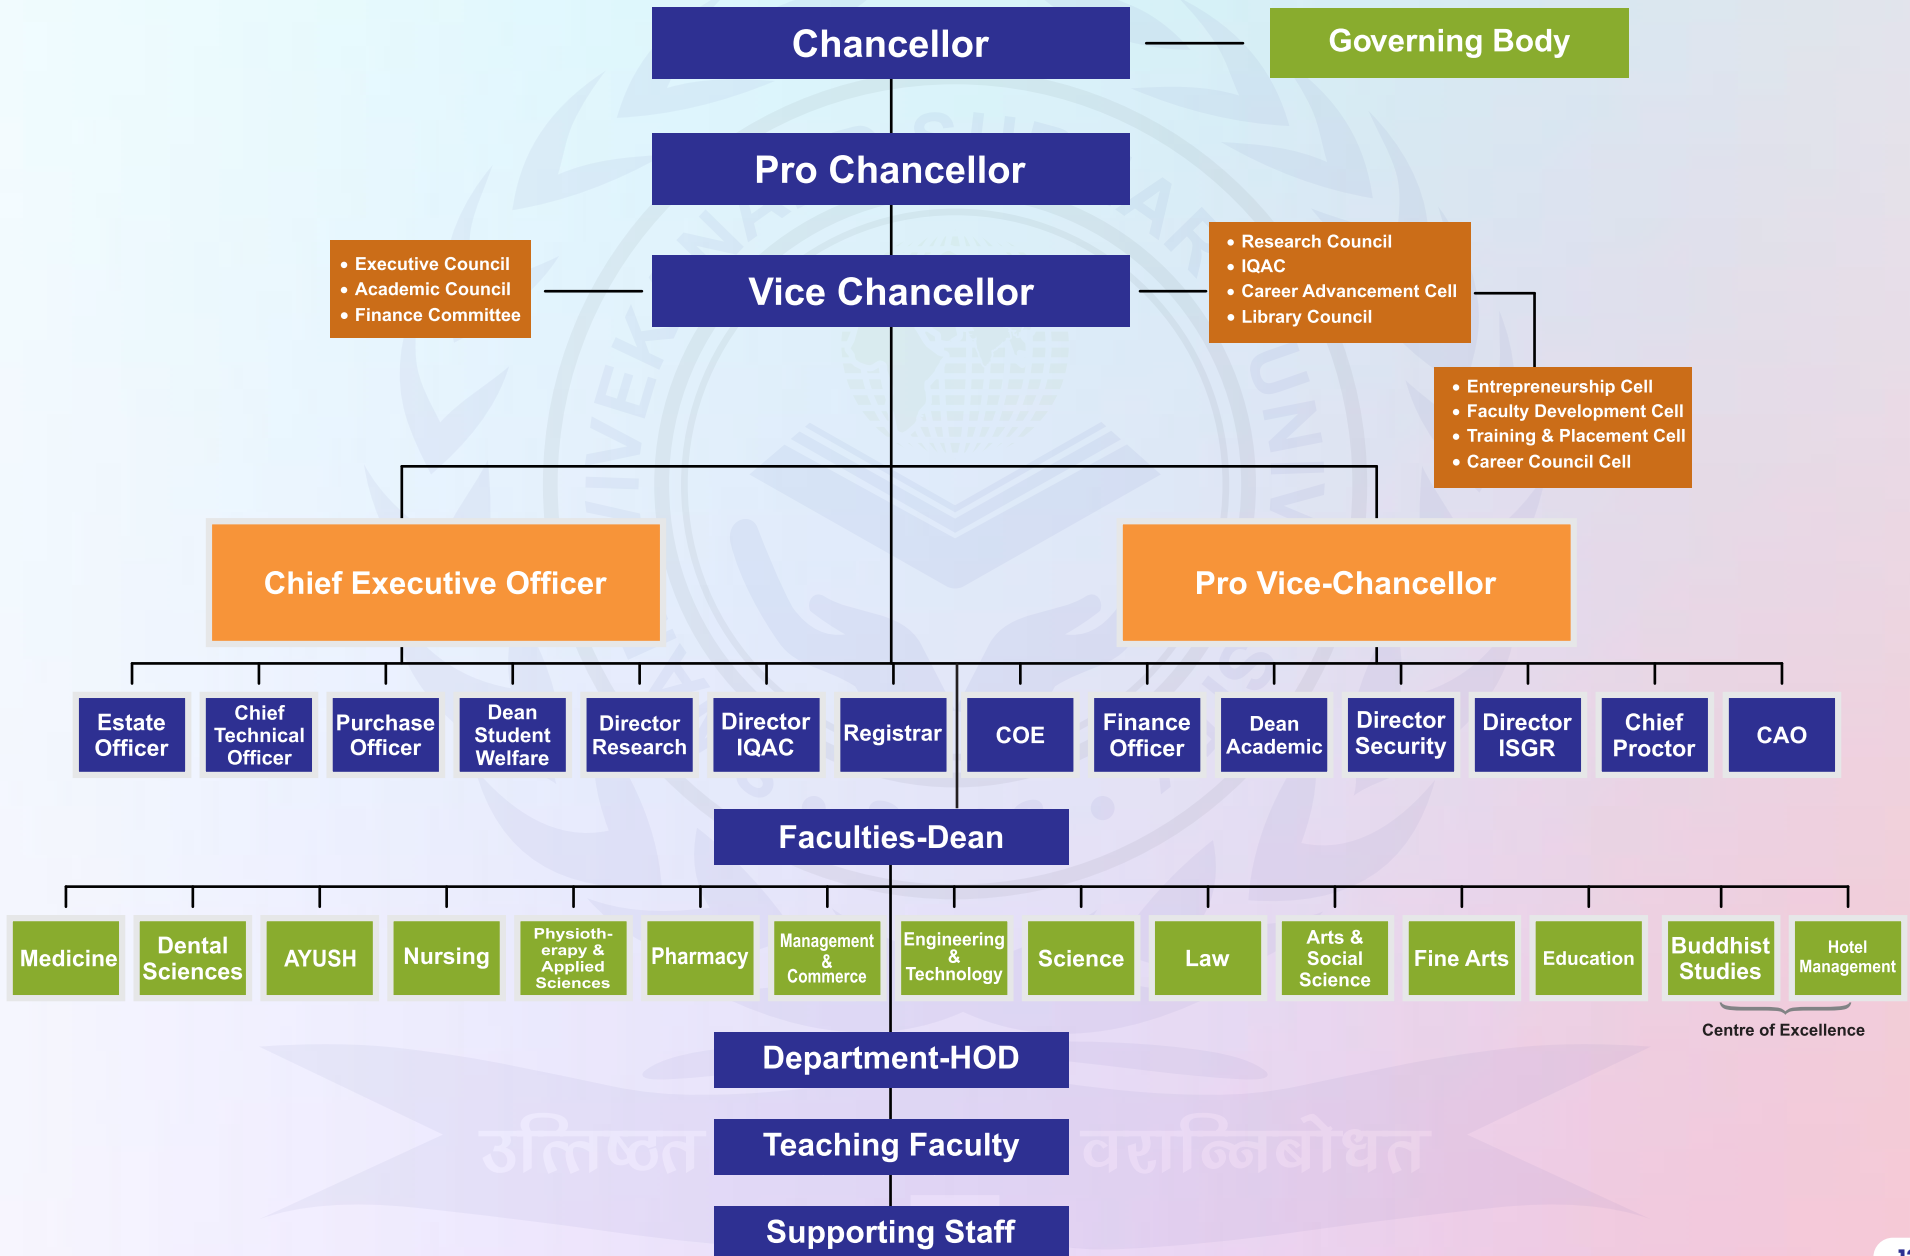

- The University has been awarded the membership of Association of Indian Universities.
- The University has more than 58 MOUs and has won numerous National and International awards.
- The University has also started a number of courses through Distance Education, approved by Distance Education Bureau of UGC (Formerly by Joint committee of UGC-AICTE-DEC).

ORGANOGRAM

SWAMI VIVEKANAND SUBHARTI UNIVERSITY

BEST PRACTICE OF THE UNIVERSITY

WELLNESS – A HOLISTIC LOOM

The Best practice of wellness is executed by two types of activities. The wellness Program (Awareness programs, Workshops etc) & Wellness Centre (Counseling by Holistic Physicians, Consultant Psychiatrists & Psychologists, Naturopathy & Yoga Consultants, Preventive Health Care Experts, and Dentists) offers preventive health services for the ailments of the body as well as the troubled mind, with the holistic and inclusive approach. It encompasses all the activities that render a complete balance of the physical, mental, emotional, social & spiritual as well as professional wellbeing of an individual. The beneficiaries include the students, faculty as well as Non-Teaching and even the general public visiting the University premises. This Wellness team organizes lecture series in which a lecture is scheduled in all the Colleges on topics like Health & Happiness in your Hands, Stress and its mitigation, Yoga for Wellness, Healthy eating habits, Benefits of Exercise, Lifestyle modification for health etc, Practical demonstration of some techniques like Pranayama, Relaxation Techniques, and Meditation etc, through workshops is also conducted.

Evidence of Success: Within the 4 years of implementation of this practice, the Yoga and Wellness Centre and associated team have been trained more than 10,000 Students, 2500 faculty members and other non-teaching staff within the University.

RESPONSIBILITIES FOREMOST RIGHTS LATER

The Practice: The fervor of patriotism (Rashtriyata) of Swami Vivekanand Subharti University is one of the virtues, which are inculcated among students and all employees. Every student and employees greet each other by "Jai Hind". University celebrates/ commemorates the birth and death anniversaries of our freedom fighters, honors our Martyrs and celebrates various festivals with great fanfare irrespective of the religion along with students and all the employees by organizing several activities throughout the year as 'Subharti Diwas (Days)'.
University organizes programs specific to Gender Equality such as International Women Day, Women Empowerment, Women Health and Nutrition, Self Defense Camp etc. aiming to sensitize about equal responsibilities towards opposite gender.

Recycling, Reusing, and Reducing help to contribute towards environmental responsibility. University has declared every Tuesday & Wednesday as "Car Free Day", Use of bicycles, Solar energy, Solar powered vehicles, Water Conservation measures and also celebrates Environment Day, Ozone Day and Wildlife Week to sensitize the students.

Under the Institutional Social Responsibility, several camps such as free Health Checkup and treatment Camps, Legal AID Camp, Educational Camp, Wellness initiatives, Yoga Workshops etc. and also conducts various activities such as NukkadNatak, Skit, and Competition etc. in the neighborhood communities.

University has adopted 5 villages under Unnat Bharat Abhiyaan in 2018 for providing essential services to the community. This helps community to get rid of its social ills and develop with ease thus contributing to the development of the nation and the overall betterment of life. Donations in kind and cash to the under privileged are a regular feature in priority activities of the University. Free Disability advisory centre helps the differently abled.

Subharti Radio has been established to make people aware about social responsibilities.

Evidence of Success: The University has been recognized for its efforts by various National and International organizations with various awards and recognitions like ParyavaranSangrakshan Award in Thailand, Global ambassador for Buddhism Award, SIX SIGMA Healthcare Excellence Award, CSR Excellence Award, Covid-19 Healthcare Excellence Award etc.

SUBHARTI DENTAL COLLEGE FACULTY OF DENTAL SCIENCES

Subharti Dental College was started under the umbrella of Subharti KK B Charitable Trust in the year 1996. "Subharti" is a manifestation of the ideas of Dr. Atul Krishna a noted surgeon of western Uttar Pradesh & Dr. Mukti Bhatnagar a reputed physician & medical imaging specialist.

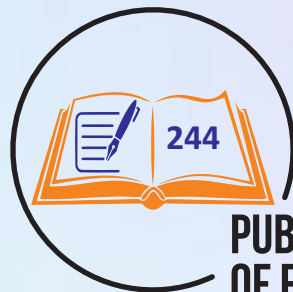

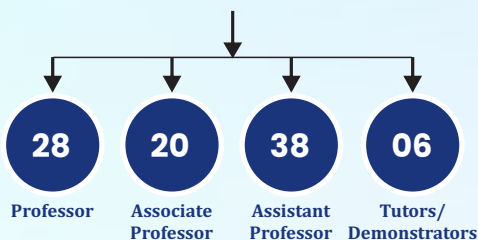

The idea of Subharti was born in the mind of Dr Atul Krishna when he was a young medical student of LLRM Medical College Meerut in 1974 as social service organization. In 1995 Subharti K K B Charitable Trust was established to give practical shape to dreams & aspirations of the team at Subhartipuram. The dental college was the first educational project of this dynamic group and it started functioning initially on the premises of Lokpriya Hospital, a privately owned and hugely popular general hospital in Meerut.

The new campus was meanwhile taking shape on Delhi-Haridwar Bypass Road and the college was shifted here in 1999. Several other colleges came up on its premises including Subharti Medical College, Nursing and Physiotherapy colleges, an engineering and law college etc. In 2008, the Subharti group of institutions was finally awarded the status of a private University which is now a approx 200 acre educational township on the outskirts of Meerut city.

The university has been named the Swami Vivekanand Subharti University in respect and memory of that great Indian monk and teacher.

DEPARTMENT OF LIBRARY & INFORMATION SCIENCE

FACULTY OF ARTS & SOCIAL SCIENCE

The advances in information technology compelled the library professionals to equip themselves with the latest information and communication technology. The setting up of the department is an attempt in that direction to create more and more qualified library staff duly trained in latest technology. The department was established in 2008 with Bachelor's course in Library and Information Science. The rousing support and popularity of the course moved the University administration to the extent that it introduced the Postgraduate (M. Lib., ISC) & M. Phil. course in 2009. Another pioneering step in the progress of the department was the introduction of research programme leading to the degree of Ph.D in 2010. A special feature of the Department is the adoption of updated curricula with an emphasis on Information Technology and the training of a number of library automation software packages.

The exponential growth of the department owes a great deal to the committed and competent faculty members and undoubtedly the vision of university and management.

ENERGY CONSERVATION

LOCATION

Solar Water Heating Systems

Sensor Based LED Lights

> 80 % LED and Power Saving Lights are used

Swami Vivekanand Subharti University has adopted energy conservation measures like:

1. Solar Energy (Solar Water Heater)
2. Wheeling to the Grid
3. Sensor-based Energy Conservation
4. Use of LED Bulbs/Power Efficient Equipment

ENERGY CONSERVATION

Wheeling the transportation of electric energy (megawatt-hours) from within an electrical grid to an electrical load outside grid boundaries is made possible by a Power Purchase Agreement with M/s. Freyr Energy Services Pvt. Ltd in March, 2018 with 1,000 kWh capacity solar panels at rooftops. In November 2020, additional 500 kWh solar generation capacity panels were installed.

Year	Total Consumption (KWh)	Solar Power Production(KWh)	% of Total Consumption of Non Renewable	% of Total Consumption
2018	2000 KWh (Approx)	00 Kwh	100%	100%
2019	2000 KWh (Approx)	500 KWH	25%	25%
2022	2500 KWh (Approx)	2043 Kwh	81.72%	81.72%
Soon we will achieve 100% solar power production			00%	100%

ENERGY CONSERVATION

Sensor-based Energy Conservation

University has installed **Sensor-based lights** at various places within the campus areas which automatically turns lights OFF and ON. This project was funded by the University in which 50 Sensor Based Street Lights of 30 kWh with automatic switch off have been installed at various places within the University campus.

Use of LED Bulbs/Power efficient Equipment

An initiative to lowering operating costs, to enhance overall light quality by replacing incandescent light bulb or a CFL light with LED lights due to its 80% less energy consumption than incandescent bulb. Only 3 and 5 stars ratings AC, LCD monitors for computers and other electrical equipment are being allowed to be purchase by the University. University has promoted Energy conservation by designing all its new buildings to reduce daily energy consumption since 2015.

ETP & STP

Water conservation

Preventive maintenance of water spillage, leakage.
Use of treated wastewater for gardening Wastewater treatment using 1.1MLD STP, 30 KLD ETP and 10 KLD ETP.

Close the taps after usage Maintenance and monitoring of valves in supply system to avoid overflow, leakage and spillage Water Conservation awareness for new students Self-Closing Push Taps significantly reduce water wastege in drinking water coolers.

PAPERLESS REFORM

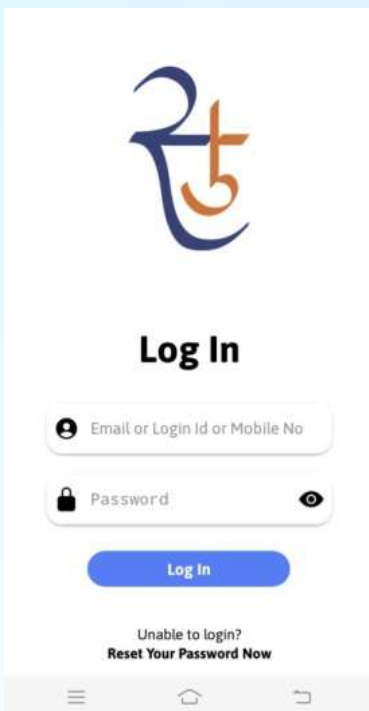

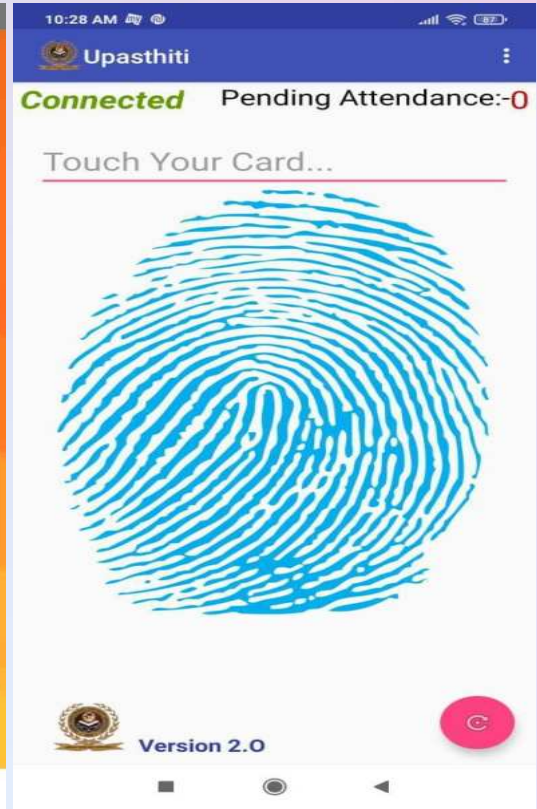

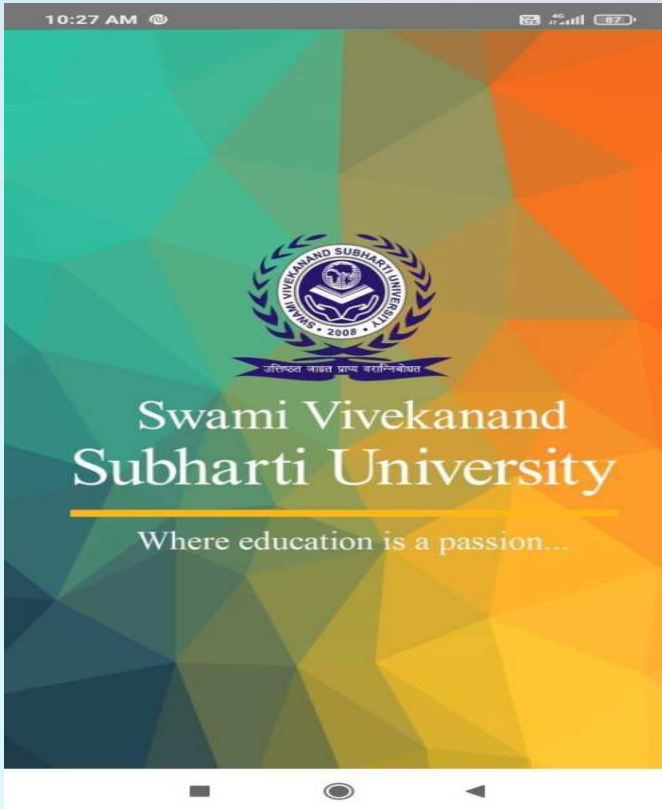

"Paperless" is derived from the words "paper" and "less." Paperless in Higher Education refers to the use of less paper in the system's administration. A paperless system is one in which the use of paper has been abolished, decreased, or drastically reduced.

FEEDBACK SYSTEM

One of the major concerns from academics is around the sustainability of delivering the knowledge and learning based on the feedback from stakeholders. Our University seizes the opportunity to craft and design the system to suit the demands of the stakeholders. We collect online feedback from teachers, students, employers, parents, and alumni to formulate better decisions to improve and increase the performance and quality of the institution.

- **Online Student Feedback-** Students are important stakeholders and their feedback plays a significant role in the revision of the curriculum. . The University has obtained online feedback on the curriculum from students through a questionnaire which contains the following major aspects such as curriculum, allocation of the credits, course content and adequate infrastructure.
- **Online Teacher's Feedback-** Teacher plays a major role in shaping the future of the student as well as the development of the institute. The online feedback from the teachers reveals the validity and adequacy of the syllabus.
- **Online Parents Feedback-** Parents who are concerned about grooming their ward and their all-around development form an integral part of the development of the institution. Their suggestions are taken up online as valuable and their inputs are considered for revamping the curriculum.
- **Online Alumni Feedback-** To understand and recognize the changing trends it is important to get feedback from alumni and in this regard, our University makes effort to collect information from alumni.
- **Online Employer Feedback-** Employers' feedback is obtained from various recruiting agencies, corporate, and professionals with the help of a structured questionnaire.

All the above said feedbacks are taken online and are 100 percent paperless procedures.

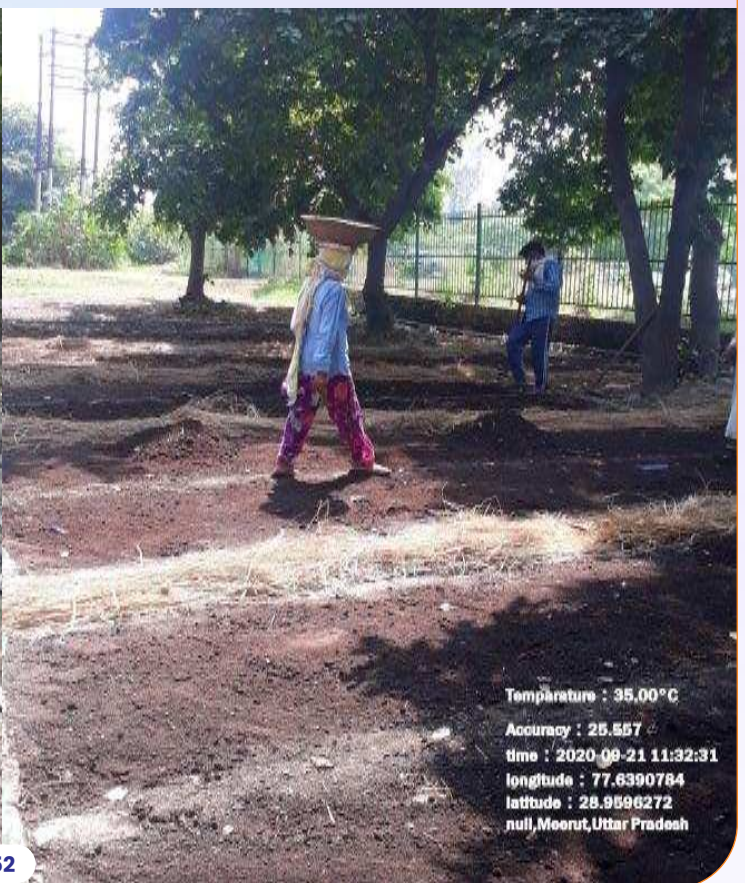

SOLID WASTE MANAGEMENT

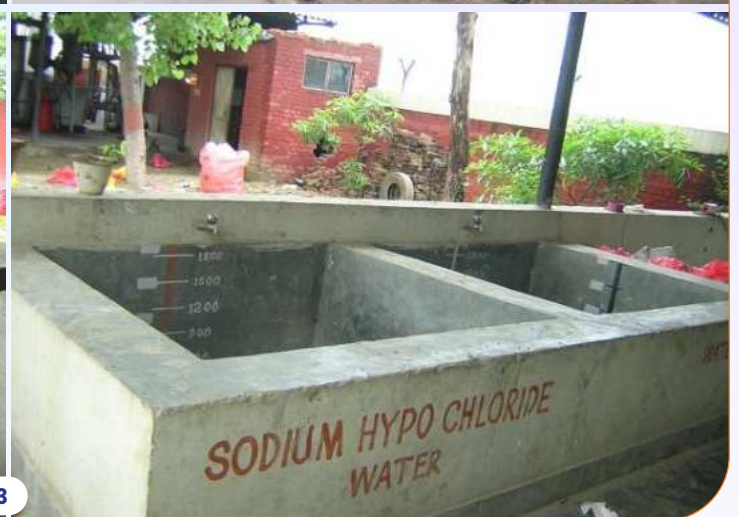

The solid waste management is in order with the installation of dust bins and their daily cleaning. The University has its own collection facility that collects the solid wastes daily from Residential complex, Hostels and Departments. This helps in maintaining the cleanliness by providing an efficient, safe and regulated management of solid wastes in the Campus.

Collection of the biodegradable and non-biodegradable waste takes place in the segregated form. The disposal of non-biodegradable and hazardous waste take place with the help of incinerator located in the University campus and run by Synergy. It is noteworthy that SVSU has adopted an environmentally sound practice of converting biodegradable waste into vermicompost/Pit compostion which is a useful resource. The Vermicompost produced is used in the nurseries and the gardens of the University that SVSU has adopted an environmentally sound practice of converting biodegradable waste into vermicompost which is a useful resource. The Vermicompost produced is used in the nurseries and the gardens of the University.

The study showed that approximately 1500Kg solid waste is generated in the university campus per day out of which 600Kg biodegradable and 900Kg non-biodegradable waste. Biodegradable constitutes significant component of solid waste in the University. The non-biodegradable component of solid waste is recyclable. Among recyclable materials paper constitutes the maximum share while glass, cardboard and plastics also make a significant share.
