BEST PRACTICES

Our University is named after Swami Vivekanand, the great son of India, has an inspirational quote taken from कठोपनिषद्, 'उत्तिष्ठतःजाग्रतःप्राप्यवरानिन्बोधत' Ethos of the University arises from four foundational pillars which are deeply rooted into ancient Indian culture, tradition and values. University follows following Best Practices to achieve our aspirational goals.

- 1. Inculcating सेवा "Service", संस्कार "Sacrament" & राष्ट्रीयता "Nationalism" through शिक्षा "Education"**
The University buildings, roads and areas are named after National Heroes, Forgotten Freedom Fighters, and Iconic Personalities to inspire students.
One of the unique practices in the University is that the Staff, Faculty and students greet each other's "Jai Hind". A course on "राष्ट्रबोध" which is a compulsory qualifying subject has been introduced across the disciplines.
- 2. Wellness-A Holistic Loom**
An Independent Wellness Centre has been established to achieve Holistic health through integration for all.
- 3. Responsibilities Foremost Rights Later**
The practice is adopted with objectives to inculcate an understanding of responsibilities towards the human being and Nation before claiming the rights.
- 4. Achieving Zero Carbon Foot Prints through Green Sustainable Environmental Practices**
Environment consciousness has always taken a centre-stage at Subharti University through measures like planting trees, using alternative energy and water, recycling, going paperless, use of battery-operated vehicles, and social media activism etc.
- 5. Uplifting marginalised society by adopting villages**
The University has been actively involved with various aspects of institutional social responsibilities like - Adoption of Villages, Awareness Drives, Environmental Care, Education initiatives for rural sector and Catering to the needs of the marginalized society.
- 6. Achieving Peace & Harmony through Sarva Dharma Sammelan**
The University organises Seminars and conferences involving religious leaders and stalwarts to create a sense of Unity among all castes & Creed.
- 7. Respect & Honour to the Armed Forces**
University is actively involved in providing relief in the monetary form to armed forces and national relief funds during the times of national as well as international disasters and emergencies.
- 8. Employment of disabled (Divyajang Hitaya):**
The University believes in the policy of 'inclusion' and has been working for the differently abled individuals by establishing a higher education centre, providing for their needs and facilitating education, job opportunities of these individuals so as to make them self-sufficient in their chosen field of study.
- 9. Promotion of gender equity in the Higher Education: Adoption of Girl Child**
The University actively promotes women/girl education by providing scholarships. The hospital has got a unique golden card scheme, under which every mother giving birth to a girl is honoured, and given a 'Golden' card, which entitles the child free vaccination for 5 years, free treatment in case required and scholarship for her education in the University.
- 10. Free Higher Education to Wards of the Martyrs;**
Special scholarship up to even 100% is provided to children of martyr.
- 11. Adoption of poor tubercular patients for their nutritional food and medicines.**
The hospital although already charitable in nature, also runs numerous poor patient drives, awareness camps, arranges donation camps and soon.
- 12. Constitutional Awareness & Legal AID**
Constitution awareness & Legal Aid camps are also arranged which help to make aware about the fundamental rights and provides free of cost services regarding legal matters to one and all.

ACADEMIC PROFILE & UNITS

Academic wing of the University deals with all academic activities related to the conduct of the different academic programmes which includes Under Graduate, Post Graduate, Post Graduate Diploma, Diploma courses and research programmes and Ph.D Programmes offered in the University teaching departments and affiliated colleges. ACADEMIC PROFILE:

The Institute offers undergraduate and postgraduate programmes in a number of areas leading to Under Graduates & Post Graduates degrees of The primary objective of these teaching programmes is to offer instruction at a level comparable to the very best anywhere in the world. This is achieved through an undergraduate curriculum, which places a strong emphasis on the understanding of fundamental principles as well as specialized knowledge at the postgraduate level, distinguished by its interdisciplinary approach and emphasis on research.

PEDAGOGY

Teaching at the Institute incorporates a cohesive, contextual, and nurturing environment for learning. The emphasis is on self-motivated learning by using information, experience, and practice. The teaching methodology aims at using the inputs from core functional areas to interdisciplinary issues and problem solving. Students undertake classroom and workshop assignments, conduct field observations, make presentations, and participate in group discussions and Seminars and are encouraged to develop industry linkages, where applicable.

EVALUATION

The academic year consists of two semesters and a summer term. The education system is organised around a credit system, which ensures continuous evaluation of students' performance. It provides flexibility to choose courses of interest and to progress at an optimum pace suited to a student's ability or convenience. Each course is assigned a certain number of credits depending upon the class contact hours. A minimum number of credits and CGPA are to be completed satisfactorily to qualify for the award of a degree. The medium of instruction is English.

CURRICULUM DEVELOPMENT

Based on global trends of economic and scientific development, new courses are designed by the experts and are instituted for implementation. In some areas, need assessment is done from the information sought from the opportunities sections, advertisements, placement requests, and growth of subjects. In most subjects, there is a separate Board of Studies for UG and PG courses. However, there is a common Chairperson to both the boards of a subject. The Boards of Studies (BOS) have the freedom to design new and innovative courses by giving wide options to the students to select them. Based on the need, the BOS conducts workshops with all the senior faculty of the University and the colleges and updates the curriculum. It is mandatory for some of the Boards of studies like, Medical, Dental, Nursing, Pharmacy Education, Engineering, Management Sciences, and Law to follow the guidelines prescribed by the MCI, DCI, PCI, NCTE, AICTE, and Bar Council of India respectively. In all other subjects, the components of UGC model curriculum are followed. To sum up, the following factors are taken into consideration while designing the curriculum:

- 1) Educational aspirations and requirements of the student population
- 2) In-depth exposure to the subject
- 3) Development of academic skills development
- 4) Exposure to the challenges in higher studies and research.
- 5) Social and national needs
- 6) Participation in competitive examinations
- 7) Employability.

The normal periodicity of the revision of the curriculum is three years, unless there is an impending need to update the syllabus. In such cases the syllabus is revised as and when needed.

DOCTORATE PROGRAMMES

The Institute offers research opportunities for doctoral research in all its Departments/ Centres. Creative And productive enquiry is the basic concept underlying the# research work. In order to overcome any deficiency in the breadth of fundamental training or proper foundation for advanced work, special preliminary or pre-doctoral courses are suggested by each department/centre. The independent research and application of scientific knowledge to the solution of technical and scientific problems. The Institute lays special emphasis on India-centric research activities and which are align with UN sustainable development goals.

SCHOLARSHIPS, ASSISTANTSHIPS, AND AWARDS

The University believes in the maxim that no deserving student, however weak in financial backing, should be denied the opportunity of education at SVSU. To encourage and to provide financial incentives to meritorious students and assistance to the needy students of the Institute, individuals, trusts and organizations have been instituting scholarships, awards, etc. at the University.

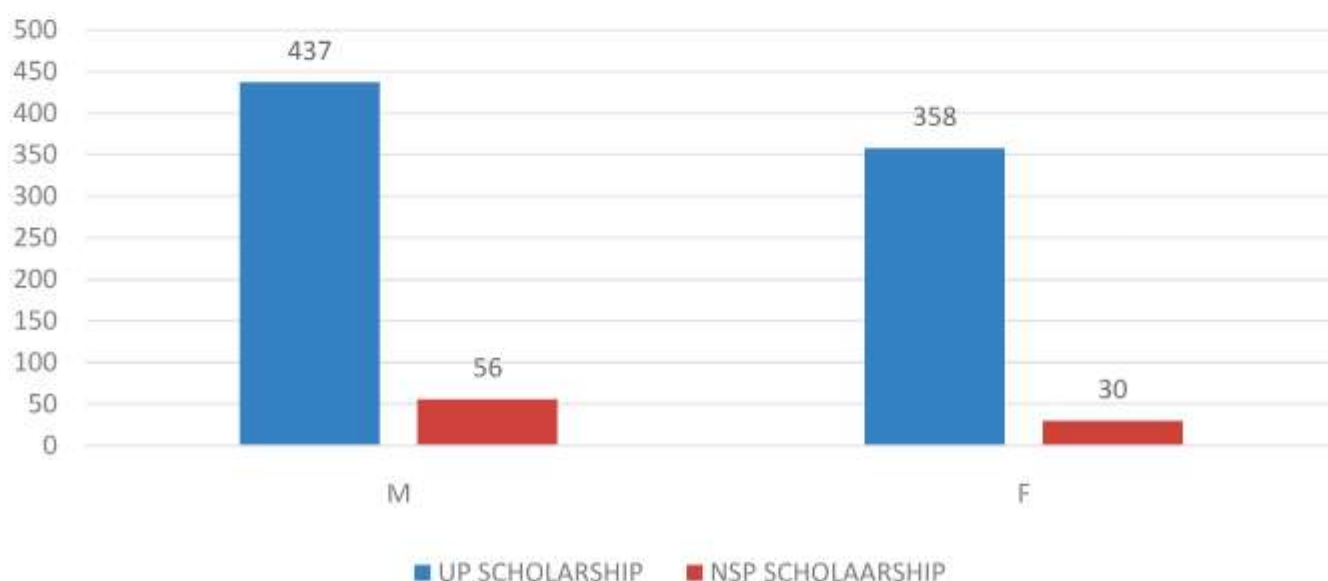

Assistantships/Fellowships: are provided by the University to the Ph.D./M.Tech./M.S.(R) students. The IRD provides support in the form of Gap Period Assistantship for both MD, MS, MDS M.Tech./ M.S.(R) and Ph.D. students who are drawing their fellowship/ assistantship from the projects. These assistantships are provided to the students once the projects get over and there is no other support is available. M.Tech./M.S. students are supported for a maximum gap period of six months. Ph.D. students are supported for a maximum gap period of one year. Thirteen students were supported in the Financial Year 2022-22 under this scheme.

Scholarships and Financial Assistance to SC/ST: Students are given scholarships and financial assistance as detailed below:

All SC/ST students are exempted from payment of tuition fees.

Free messing (basic menu) and a pocket allowance is provided in lieu of the merit-cum-means scholarship for the students having annual family income up to R4.5 lacs. However, they are required to pay the hostel seat rent as applicable from time to time. SC/ST students who fail in the examination for the first time continue to receive the free messing, subject to a maximum limit of five years. SC/ST students are loaned books from the book bank without payment of any loan fee. The books are, however, required to be returned at the end of each semester. A gist of data showing the scholarships and assistantships offered to UG and PG students during the session 2022- 202 are given below in the tables.

Details of UP Scholarship & NSP Scholarship students 2022-23

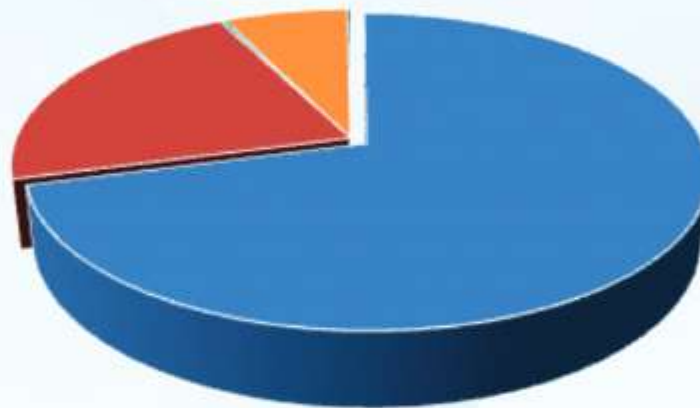

ACADEMIC PERFORMANCE

SVSU follows the credit system of performance evaluation, with proportional weighting of courses based on their importance. The total marks (usually out of 100) form the basis of grades, with a grade value (out of 10) assigned to a range of marks. Sometimes, relative grading is done considering the overall performance of the whole class. 3758 candidates awarded of various degrees and diplomas of the Institute at the Annual Convocation. Details of the same are given below:

PLACEMENT

Email letters of Invitation for Campus Placement Processes were sent to a large number of Public and Private sector organizations especially to those which visited the Institute for Campus Interviews during the last three years. A large number of them registered electronically within their job profiles on the OCS portal. These were made available to the students through their Logins on the OCS portal. This vigorous drive resulted in job requests being obtained from Industries from 75 companies for 175 job profiles with selections on 160 profiles. 466 students were placed while a total of 454 job offers were received and 12 Pre-Placement offers were received by students and 11 students' hot multiple jobs by the Institute including DMS and OCS Placements. Approximately 80% students who availed OCS/DMS service got placed.

FACULTY AFFAIRS

The quality of an academic institution primarily depends on its faculty. SVSU faculty is one of the finest in the country and is recognized internationally for their quality of research, teaching and curriculum development. They also contribute greatly for the development of the nation by being associated with a large number of decisionmaking bodies, providing crucial guidance and advice on policy matters and technical issues. Many of the faculty members serve on the editorial Boards of reputed journals, peer-review papers for publications, serve on committees for recruitment of professionals, and are on the boards of many institutions and organisations. ---new faculty members have joined the Institute this year, which has enhanced our competence in several emerging areas, while bringing new energy into our academic endeavours. Recruitment of bright faculty members is one of the most important missions, since therein lies the future of the Institute. Board of Governors (BoG) has played a very positive and constructive role in approving policies, which empower the faculty to deliver their best in both teaching and research. The Institute is continuously trying to reach out to the potential faculty members through a variety of means, including round-the-year search and recruitment and online submission and processing of applications.

CENTRAL FACILITIES

CENTRAL LIBRARY:

The SVSU Library System comprises of a Central Library and about 13 Unit Libraries of departments, centres, schools, etc., that collectively support the teaching, research, and extension programmes of the University. The library currently has registered members, however, anyone in SVSU can avail of the library facilities. The library has ICT based facilities and services. It has a state-of-the-art Computer Lab for regular users of the library, participants in Training, Workshops and Examinations. The Central Library has a substantial collection pertaining to physical sciences, engineering, technology, biotechnology, computer science, information technology, social sciences, management, etc. As per the record, the tentative collection of the library as on 31st March 2022 is as follows:

166207 Books, 355 Journals (Bound Volume), 3773 Thesis, 60054 Electronic Journals /Conference Proceedings, 7 Full-Text Databases, 1 Bibliographic/Citation Databases, 10861 E-Books, Archives, Standards, 01 Software / Tools, 3 Discovery Service.

The Book Bank holds multiple copies of selected textbooks for making these available to the students for the entire period of a semester, free of cost. Students can draw upto six books over and above for the whole semester.

The University has access to over 60054 electronic journals/ proceedings, 7 full-text databases, 1 bibliographic/ citation databases, 10861 e-books, 1 software/tools and discovery service etc., from several publishers and aggregators through the Direct subscription/access through the eShodh Sindhu consortium.

RESEARCH GRANT (SEED MONEY) FOR TEACHERS/GUIDES

Central Research Facility is of utmost importance in any academic institution where state-of-art analytical and high end instruments are managed by qualified personnel to provide scientific and technical services to faculty, research students and project students. Such a facility represents a key commitment to preserving and raising research efficiency to international standards. In this connection, apart from upgrading and procuring new facilities at each constituent collegesty an independent building at the SVSU t#Campus has been built to house the most modern equipment to service UG/PG students and researchers (from academia and industries). Several facilities are already available to external academic and research institutions, industries, and other organizations in the country.

Details of release of funds are furnished below:

1. **Dr. Anju Rani**, Bio- Nanoparticles: A Potential disease management against phytopathogens of agricultural crops for farmer's benefits" Rs.1,00,000/-
2. **Dr. Shiv Mohan Verma**, Inclusion of heat conduter plate in Tanddor for Utilization of heat produced Inside Tandoor, Rs.40,500/-
3. **Dr. Sumit Agarwal**, Assessment of Quality of life and Clinical performance of immediately loaded basal implants in prosthetic rehabilitation of resorbed ridges and maxillomandibular sites following surgical resection of acquired defects: A randomized controlled trial, Rs.1,02,000/-
4. **Dr. Nikhil Srivastav**, Human tooth bank- Restoring grossly mutilated teeth biologically, Rs. 5,24,000/-
5. **Dr. Abhinav Swami**, "Development of library Automation, Rs. 80,950/-
6. **Mr. Indraneel Bose**, Student on growth of tourism in Meerut and its surrounding areas., Rs. 5,000/-
7. **Dr. Anirudh Srivastava**, The enhancement of binding and solubilization properties of poorly water-soluble non- steroidal anti-inflammatory, Rs. 50,268/-
8. **Er. Amit Kumar**, Sensor Based Street Light Assembly, Rs. 50,268/-
9. **Dr. Anjali Khare**, Evaluation of automated Reticulocyte parameters in, 50,000/-
10. **Dr. Shalya Raj**, Introducing a Cost-Effective Bio-Plymer Based Irrigation Needle in, 5,00,000/-
11. **Dr. Manish Kumar Pathak**, Design, Synthesis and Characterization of Some Newer, 27,000/-
12. **Dr. Vikrant Verma**, Preparation of Herbal Sanitizer devoid of alcohol and its, 21,750/-
13. **Dr. Priya Devi**, Effect of Massage and infra-red therapy on Electromyography in, 1,08,000/-
14. **Dr. Palak Singhal**, Effect of overnight soaked fenugreek seeds on glyeated, 98,000
15. **Dr. Navneet Vats**, Immediate Effective of Asthma Bath on Pulmonary function test, 17,500/-
16. **Dr. Ramavath Koteswara Rao Naik**, Immediate effect of cold Spinal Compress & Sham cold Spinal, 15,000/-
17. **Dr. Nikita Sharma**, Effect of Thorax Manipulation on Spirometric Variables among, 1,04,500/-
18. **Dr. Satyendra Singh**, Effect of Steam bath on Spirometric variables among, 1,90,000/-
19. **Dr. Adil**, Efficacy of Cold Chest pack and Facial Steam with Eucalyptus Oil, 9,500/-
20. **Dr. Ajay Puri**, Immediate Effect of Hot Foot Bath and Cold Chest pack on Heart Rate Variability in Hypertensive Individuals:-A Randomised Control Trial, 13,200

21. **Dr. Nagaraju K.A**, comparative evaluation of treatment outcome between Low level Laser therapy and PHOONOPHORESIS IN Management of Temporomandibular joint pain disorder, 3,25,000/-
22. **Dr. Vijay Wadhwan**, Correlation of Neutrophil to lymphocyte ratio in peripheral blood smear as predictor of various grades of oral squamous cell carcinoma, 20,000/-
23. **Dr. Mukesh Ruhela**, Plastic Waste Recycle, 1,90,000/-
24. **Dr. Sanchit Pradhan**, Prevalence and Severity of Dental Fluorosis and Associated risk factor among the population of Rohta block, Meerut District Uttar Pradesh, 1,05,000/-
25. **Ms. Nisha Rana**, Deitary formulation sing Harbal immunostimulant and their effect on Heteropneustes foosils, 13,734/-
26. **Dr. Rupesh Kumar Pandey**, Development and Evaluation of poly Herbal formulation for psoriasis in Experimental animal Model, 18,000/-
27. **Er. Abhinav Singh**, Pet Bottles as Masonry, 10,000/-
28. **Er. Abhishek Tiwari**, Pervious Concrete or Permeable Concrete, 10,000/-
29. **Er. Abhishek Tiwari**, Sensor Based Drip Irrigation, 10,000/-
30. **Er. Ayush Goel**, Design and Fabrication of Aerodynamic Air Filter With UBGi Sanitizing Technology, 8,500/-
31. **Dr. Ashwani Kumar**, Production and purification of Ecozyme from local Resources- A Organic Biocleaning Agent, 60,000/-
32. **Dr. Devendra Kumar**, Morpho-Physiological and Biochemical responses to cadmium (Cd) toxicity in Chickpea (*Cicer arietinum* L.) cultivars, 80,000/-
33. **Dr. Juhi Verma**, Innovation foot operated Tap, 4,000/-
34. **Dr. Kshetrimayum Guneri Devi**, Immediate effect of Thoracic massage with or without Eucalyptus Oil in spirometric variables in Healthy Volunteers: A Comparative Study, 36,000/-
35. **Dr. Manjul Mungali**, Development of Low Cost Mosquito Repellent using Cow Dung for the Upliftment of Rular Women from Meerut District, 90,000/-
36. **Dr. Manoj Kumar**, Food Waste Management, 50,000/-
37. **Dr. Nikhil Rathi**, Automatic Room Light Controller with Bidirectional visitor Counter, 1,550/-
38. **Dr. Niraj Nayan Rishi**, Immediate Effect of Cold Circular jet on pulmonary Function Test among Healthy Individuals-A Prospective Randomized Control Trial, 46,000/-
39. **Dr. Nitin tyagi**, Face Recognition System using machine Learning, 21,000/-
40. **Dr. Permod Kumar**, Studies on the Biosorption of Heavy Metals From Industrial effluents by fungi, 80,000/-
41. **Dr. Prabhat Singh**, Possible role of PDE10 modulation and arsenic toxicity in Physiological Preconditioning during cerebral ischemia/reperfusion injury, 40,000/-
42. **Dr. Sangeeta Dayal**, Development of RAPD markers for authentication of specific medicinal plants of Convolvulaceae Family, 1,50,000/-
43. **Dr. Sangeeta Dayal**, Mycoremediation of plastics by using of microbial consortium including *Pestalotiopsis micropora*, 1,35,000/-
44. **Dr. Sarvan Kumar Garg**, E-Aavedan, 9,500/-
45. **Dr. Shashiraj Teotia**, Design and Development of New Mobility Model for a Wireles sensor Networks using Nature Inspired Algorithm, 1,00,000/-
46. **Dr. Sweta Bhardwaj**, Use of Fly Ash for Wastewater Treatment, 1,40,000/-
47. **Dr. Vishwas Mishra**, Line/Path Following Robot, 13,350/-
48. **Dr. Vishwas Mishra**, Video Laryngoscope, 6,000/-

49. **Er. Krishna Kumar Sharma**, Innovtive air purifier, 7,000/-
50. **Er. T. Ramachandran**, Design a Prototype for Electricity generation using the Traffic, 10,300/-
51. **Er. Kushketu Kundan Srivantava**, Alcohol detector Device for Drunk Drivers, 2,000/-
52. **Mr. Amit Kumar**, Evaluation of Wound healing Activity of Polyherbal Formulation, 41,000/-
53. **Mr. Mukesh Kumar**, Designing of Serum Based Room Freshener Formulation And Evaluation, 45,000/-
54. **Ms. Charu Saxena**, Formulation development and evaluation of antifungal get using natural gelling agenst, 35,000/-
55. **Ms. Priadarshini Soni**, Development and Evaluation of Polyherbal formulation for Vitiligo in Experimental Model, 40,000/-
56. **Ms Sumita Singh**, Development and Evaluation of Photoprotective phytonanogel, 30,000/-
57. **Dr. Swati Arora**, To evaluate the antioxidant and Sun-Protecting potential of wildflowers growing in India, 25,000/-
58. **Er. Pramod Kumar Kaushal**, Esign a prototype for the three phase fault detection power system, 6,515/-
59. **Dr. Vishwas Mishra**, Multitasking Drone, 2,65,8000/-
60. **Mr. Deepak Singh Aswal**, Devlopment gand Characterization of Itraconazole shampoo with Different Herbs, 40,300/-
61. **Mr. Aadesh Kumar**, Design synthesis and evaluation of 3-(4-amino phenyl)-pyrrolidine-2,5 dione derivatives to attenuates thermal hyperalgesia and cold allodynia symptoms of peripheral neuropathy, in STZ-induced diabetics rats, 81,000/-
62. **Mr. Prashant Kumar**, Formulation Development and Evaluation of Niosomal Gel of a NSAID agent for topical Devlivery, 65,100/-
63. **Mr. Nishant Gaurav**, Formulation Development and Evaluation of Transdermai patches of Nisoldipine, 49,100/-
64. **Mr. Vipin Kumar**, Development and Vaidation of a Stability indicating RP-HPLC Method for estimation of Three anti fungal Drug Itraconazole, Voriconazole and Fluconazole simultaneously in Bulk, 40,000/-
65. **Ms. Bhavya Agarwal**, Development and Evaluation of anti-stretch mark poly Herbal Formulation, 37,000/-
66. **Dr. Abhay Kumar**, Efficacy of Revuksive Compress on piriformis syndrome-sing arm Study, 67,200/-
67. **Dr. Abhay Kumar**, Immediate effect of Cold douche to full body on pulmonary Function among Healthy individuals-A Randomised Control Trial, 67,200/-
68. **Dr. Abhijith K.B**, Immediate effect of cyclic mediation on EEG and heart Rate variability among type 2 Diabetes mellitus Individuals, 61,650/-
69. **Dr. Jyoti**, Combined effect of beetroot, Pomegranate, and jiggery smoothing on Iron & Hemoglobin Levels in Anemic control Trial, 1,00,000/-
70. **Dr. Nair Dhiren Ajit**, Comparetve Study of Suraya Namskara and Chandra Namaskara spirometric Variables among Healthy individuals, 1,00,000/-
71. **Dr. Niraj Nayan Rishi**, Immediate effect of Orange Color oil Thorax Massage Normal Oil thorax Massage on Pulmonary function among Healthy Individual-A Randomized Control Trial, 83,100/-
72. **Dr. Niraj Nayan Rishi**, Immediate effect of Sheetkari pranayama on core body Temperature, Anxiety in healthy individuals: A Randomized controlled Trial, 33,180/-
73. **Dr. Poornima bansal**, Effect of Ajwain (CAROM) seeds on Heart Rate Variability hypertensive individuals-A Randomized Control Trail, 67,500/-

74. **Dr. Prem Chandra**, The relevance of idea of Dr. B.R. Ambedkar for Agricultural Reforms in present perspective: A Study with special reference to district sitapur, Bahriach and Lakhimpur, 3,45,000/-

75. **Dr. Vidyasagar M**, Long-time effect of mind sound resonance technique on heart variability in Hypertensive individuals-A Randomized control Trial, 55,000/-

Hospital: The University has 750 bedded Medical Teaching Hospitals named as Chhatrapati Shivaji Subharti Hospital (CSSH) with proper medical, paramedical staff and ambulances for health services as well as Subharti Dental College and Hospital to treat Outpatient and Inpatient and also provide the clinical exposure to all UG and PG students related to Medical discipline. It is one of the reputed NABL certified advanced health care centers in Northern India, which was a tertiary hospital during COVID pandemic. The Hospitals are remotely associated with Rural and Urban Community health centers namely Veer Sawarkar Subharti Hospital, Lohiya, Meerut Jail, Mangal Pandey Nagar, Ramgarhi, Captain Abdul Hamid RHTC, Khajuri, Lala Mathura Prasad ShyamLal, RHTC, Sarawani, Shaheed Bhagat Singh, UHTC, Multan Nagar and Subharti Lokpriya Hospital, Meerut.

COMPUTER SERVICES CENTRE

The main objectives of the Computer Centre are to: Provide round the clock computing and networking facilities to serve a user population of 12000+ users consisting of UG students, PG students, Research Scholars, Faculty & Staff of the Institute and also to visiting faculty and students. Implement and maintain system & application software. Implement and manage the Institute Network. Provide Computer lab facility to students for the conduct of UG/PG lab courses & exam. Work on cutting edge technology & provide Services to users based on new technology. Provide support both in development & administration of ERP related module implementation. Provide support to online teaching and training to Institute employees.

ACADEMIC & SPONSORED RESEARCH

ACADEMIC RESEARCH:

The academic research carried out by the students for the Ph.D. degree, the final semester major project included in the four-year B.Tech. M.Tech. programmes, MSc, LL.M, MD/MS MDS, and the PG programmes make a significant contribution to the research output. The principal source of academic research, however, continues to be through Ph.D. research projects. With a total of 50+ students enrolled for a research degree during the year under review, the emphasis on and commitment to academic research is evident. The SVSU faculty remain engaged in publishing their research Results in various journals, conferences and seminar proceedings.

TREND AND STATICS OF RESEACH PROJECTS

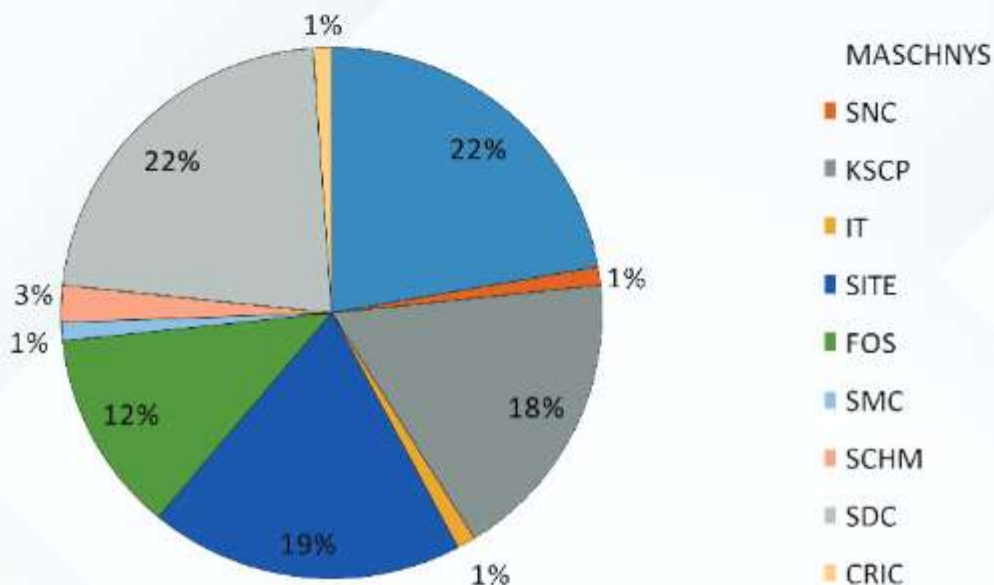

Seed Money for Research Promotion

Cultivating research is considered critical for the success and vibrancy of the higher education system. Furthermore, the very best teachers in the University, for imparting the skills of creative thinking, innovation, and a research mindset, are naturally those faculty who themselves are deeply involved in the knowledge-creation process. For creating opportunities for young faculty of the University to involve themselves in real-life research projects as well as to stimulate competitive research in strategic areas to promote innovative scientific applications or technology/product development, it is important that University provides seed money for researchers. Also, seed funding is essential for such of those researchers, whose research will potentially develop into creative ventures on their own through external funding either at regional, national, or international levels through public institutions, private industries, Non-Governmental Organizations (NGOs), international funding agencies.

For this purpose, seed money of Rs.70 lakhs shall be made available annually, which will be provided to 15-20 investigators; with a maximum provision of Rs.3 lakh per proposal to facilitate research programs, which will potentially develop into creative ventures on their own through external funding and for obtaining sponsorships or to promote inter-faculty collaboration in emerging areas.

COLLABORATIONS

Global outlook of Indian education is certainly a game changer in this age of faster growth and economic opportunity. International collaboration by Indian Institutions is prominent in higher education, which has remarkably transformed the higher education ecosystem. It becomes imperative to have a holistic and integrated outlook. This means, institutions have to enhance the learning outcomes for its students. While the enrolment numbers in higher education in the country have increased to the largest in the world, this magnitude has also amplified competition, making differentiated and impactful deliverables of education mandatory. One such driving force of institutional development is Internationalization of education and increasing international collaborations.

NATIONAL & INTERNATIONAL VISITORS

International Visitors (Including both offline and online meetings): The number of delegations from the Industry, Academia and the Government from several countries visited the University to explore the possibilities of mutual interaction.

CORPORATE RELATIONS

Corporate Relations at SVSU, aims to build collaborations that link the industry to our research community while creating scalable solutions for the local and global community. Our partnerships are focussed on merging science and engineering innovations at the university with the rigor and implementation capabilities of the industry to create effective solutions. Our team actively engages in fostering industry engagements to facilitate the transfer of knowledge and emerging technologies from Academia to Industry. We strive to build bridges through these collaborative activities to provide a platform for our faculty and research scholars to transform academic research that commences from classrooms and laboratories into technologies and products that can make a positive difference to the society.

ALUMNI AFFAIRS

SVSU lays great emphasis on a strong and vibrant relationship with its alumni. The Institute is proud of its alumni and their achievements. To recognize the outstanding contributions made by the alumni in areas of academics, teaching & research, corporate business development, profession and/or public service, the Institute confers the Distinguished Alumni Award each year. This is the highest honour conferred by the Institute on its alumni. For the year under report, the prestigious award was conferred upon the following at the Alumni Meet Convocation of the University.

STUDENT AFFAIRS

We at Student Affairs, have adapted ourselves accordingly to many network ways and have been making consistent efforts so that students can lead a balanced life in harmony with their teachers, fellow students and family. Academic sessions were started in offline mode post Covid-19 pandemic. It was ensured that they settle down in their new surroundings comfortably by allowing re-boarding in a phased manner. Freshers' Orientation Programmes were organized at the beginning of the academic session. Counselling Service provided counselling to students on problems faced due to the pandemic life and for those arising from financial hardship, and emotional/psychological problems affecting academic pursuits. Outside the classrooms, facilities for a variety of co-curricular activities, online/offline events, games, student publication etc. were provided. We also provided hardware for online class support to needy students. All activities done under Student Affairs are with the intent of giving academic support and also encourage overall growth and development of students' personalities, helping them realize their potential, and support their initiatives, with an emphasis on responsible student leadership. The pace and mode of student life on the campus is planned and implemented by the following student bodies:

Student Affairs Council (SAC) and its five Boards namely:

Board for Hostel Management (BHM): BHM is moving forward with a vision to set SVSU on a path of sustainability, to ensure good quality and hygienic food in the hostels and providing a good work environment to BHM staff.

Hostel Facilities: SVSU provides separate hostel facilities for boys, girls, married couples and international students. There are 16 well equipped hostels with modern amenities such as Wi-Fi, 24x7 power backup, water supply, and security. Each hostel room is furnished with a bed, study table, and wardrobe. The hostels also have a common room where students can socialize, watch TV, and play indoor games.

Food and Dining Facilities: For hostel inmates there are spacious dining halls which serve all the four meals during a day and along with it SVSU has several modern cafeteria on campus that serves a variety of cuisines. The cafeterias are open throughout the day and provides healthy meals under hygienic atmosphere to the students and employees. The university has a food court in close proximity that serves fast food and snacks of various reputed brands.

Board for Recreational & Creative Activities (BRCA): Subharti University provides ample cultural events to its students and faculty members through which, all of them are invited to show case their talents. The university has a rich cultural heritage, and it provides an environment that fosters the growth of right hemisphere of human brain. The university has various cultural clubs and societies that promote cultural activities and events throughout the academic year. University has the ample infrastructure for hosting cultural activities such as Pt. Ravi Shankar Dance Hall, Pt. Birju Maharaja Dance Hall, Guru Tegh Bahadur Auditorium, Maangalya Convention Centre and Multipurpose hall in each hostel.

Board for Sports Activities (BSA): SVSU has a sprawling sports complex that includes facilities for various indoor and outdoor games. The outdoor sports facilities, includes Track & Lane, Football, Handball, Tennis, Basketball, Volleyball, Kabaddi, Kho-Kho, Cricket, Cricket Net Practice Pitch, Hockey Field, Obstacle Course Facility, Long Jump/Triple Jump/High Jump/Shot Put/Hammer Throw/ Discus/Javelin/Physical Fitness and Conditioning. The indoor sports halls are equipped with facilities for playing various indoor games, such as Badminton Court, Table Tennis, Boxing Hall, DOJO & wrestling Hall, Gymnastic & Aerobic Hall, Weight Training Hall, Girls Gym, Boys Gym, T.V., Carom and Chess. The university also has a sports committee that organizes various national level sports events, tournaments, and competitions throughout the year. The sports committee encourages the participation of students and faculty members in sports and helps in the development of their physical and mental health. University facilitates holistic growth through defense academy, taekwondo academy etc.

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) was started in 2015 to establish a meaningful linkage between the campus and the community. Students, Teachers and the Community are actively involved as these are the three basic components of the National Service Scheme. Under NSS, students undertake various programs in the Villages, Primary Schools, and Primary Health Centers during weekends or after college hours. Regular activities organized under NSS are Blood detection camps, blood donation etc. Campus cleaning, Celebration of important days, Orientation camps, Plantation etc. Apart from this special campaigning are organized generally on various developmental issues of National importance.

NATIONAL CADET CORPS (NCC)

The NCC unit was established in 2017 in University. It is known to be one of the most dignified unit of 70 UP BN NCC. The University has both Boys Division and Girls Wing. NCC in Subharti University is privileged to train and motivate cadets. Cadets are disciplined, passionate, and determined. The various activities have been conducted by the Cadets regarding social awareness programs like Swachhta Pakhwara, Fit India Movement and National Seminar etc. University strongly supports NCC training both financially and morally at the campus. While pursuing the programme of study, NCC cadets undergo different training programs such as Drill, Shooting, Physical fitness, map reading, First aid etc. The Cadets are also given basic military training in small arms and parades.

COUNSELLING SERVICE (CS)

Wellness Center: Subharti University has a well-equipped Wellness Center under Faculty of AYUSH that provides various Yoga programs and classes to its students and faculty members. The Yoga Center is designed to promote the physical, mental, and spiritual well-being of the participants. University has also included a meditation session on all working days for all the students and faculty members who ever wishes to join the session.

STUDENT AFFAIRS COUNCIL (SAC)

The Students Affairs Council remains active throughout the year. SAC representatives convene regular meetings to ensure that all facts of student issues are discussed. The representatives interact with members of Academic Committee and other university committees members for wider participation of students in the affairs of the University. In the year 2022-23, many student related issues were attended to and resolved and new initiatives have been taken. Some of these are mentioned below:

Scholarship Portal: This portal is operational . It is a one-point stop where one can find scholarships they are eligible for and apply for them. It would be run by CSC in collaboration with the office of Academics and Student Affairs and the new scholarships which are starting using the endowment fund soon and will be listed on this portal.

Alumni-Student Interaction: SVSU collaborated with University Alumni Association to launch several initiatives with the aim of making connection with Alumni, easier for the students.

Introducing Gender Neutrality in all the Constitutions: As one of the premier Institutes of the country and having students from diverse backgrounds, it is important for us to avoid word choices which may be interpreted as biased, discriminatory or demeaning by implying that one sex or social gender is the norm. Therefore, we have resorted to Gender-neutral drafting for the constitution of each club/board. The constitutions have been updated and are approved now.

ACADEMIC OUTREACH

The Academic Outreach Initiatives at the SVSU attempts at building meaningful interfaces with academic peers and the society at large. SVSU has introduced academic outreach activities in a major way for reaching out to schools and colleges in its immediate vicinity as well as nationally. It has been running an online lecture series for school students called "Sci-Tech Spins" in which SVSU faculty deliver interesting and thought-provoking lectures specifically for high school students; Further, a STEM student mentorship program has been initiated for encouraging interest in STEM careers amongst girl students, and mentoring them for pursuing careers in STEM. As part of this, students interact not only with SVSU Faculty but also with eminent scientists from around the country.

The SVSU welcomes highschool students to its weekend Science and Technology (Sci-Tech) seminars. Delivered by our faculty members engaged in cutting edge research in science and allied fields, these lectures, accompanied by lab demos, promise to take students on short, but riveting spins into the fascinating world that surrounds us, and that still holds innumerable mysteries for us to resolve.

STEM Mentorship Programme for High School Girls: This programme aims to provide sufficient scientific exposure to high-school girl students at an early stage to encourage them to pursue science and technology research as their careers. The programme will help in attracting young talent and will form the initial base for enhancing the number of women scientists in STEM. The primary objectives are to train young girl students in thinking creatively about science and innovation, and to provide them novel hands-on experience in solving research problems.

INFRASTRUCTURE DEVELOPMENT

Smart infrastructure and affordable facility : The University has been focusing towards attracting young talented academicians and post-doctoral fellows from across the world. For this, on one hand, world-class laboratories, high-end equipment are required to conduct research, and on the other hand, quality living experience such as accommodation facilities. The SVSU has drawn the blueprints to build lab infrastructure of global standard and acquire equipment for technological convergence domains like smart infrastructure and affordable health care, among others. In order to achieve the aspirations for higher global ranking it is vital that the SVSU rethink and revitalize its approach to its infrastructure. Changes are required at all stages of estate development, including Specification and Prioritization, Delivery and Quality Management and Maintenance. The new space be developed with greater sensitivity to international developments in curriculum design and corresponding changes to learning and teaching approaches (i.e., project-based work that demands more flexible and reconfigurable space), accommodation standards, student interaction and stimulation, and the requirements of world leading engineering research Institute.

Physical Infrastructure: Completed and in Progress All infrastructures related activities are managed by the Building & Works Committee. Salient features of these projects along with their progress status are given below:

Project work completed

1. Construction of Indoor Sports Complex
2. Construction of Married Research Scholar Apartments (Phase-I)
3. Construction of Faculty Flats (58 Flats)
4. Construction of Research and Innovation Park
5. Construction of New Girls Hotel

Physical Infrastructure in Planning Stage The Institute has initiated proposals for development of additional infrastructure for the increased intake of Student/Faculty. The next phase of works is under planning.

EXAMINATION WING

The Examination wing of the University applies modern tenets of management/ administration to ensure the timely publication of results and disbursal of certificates to successful students. It is a round the year process that begins with planning the Examination Calendar and adopting all feasible methods and means to adhere to the dates. The University conducts around 11 examinations. The University follows the year/ semester pattern for all its UG and PG courses, including professional, irregular mode. Annual examinations are still conducted for distance education and private registration courses which includes UG and PG. It is imperative for us to conduct exams for every course at least twice a year. We move in a systematic way to achieve our goal of timely publication of results so that the career prospects of the candidates are not jeopardized in any way.

The University complies with all the stipulations and directives issued by the UGC from time to time, the latest one pertaining to valuation of answer books being made part of duty of teachers, hence non remunerative. Mal Practice prevention Squad deputed by the University and CCTV cameras installed in the exam centers have curbed the misbehavior of the students in exam centers to a good extent.

An IT Cell has been established exclusively for examination wing. More infrastructural facilities including Computer, High End Printers and Scanners are being procured for making its functioning more effective.

A new floor has been constructed in the Controller of Examinations' building for conducting CV camps which has facilitated direct monitoring by the Controller of Examination.

The University has also constituted a Data Cell for collection and consolidation of details of faculty of various colleges, to facilitate quick communication and appointment of examiners for various examination related works. The University has set it seyeon future projects like online evaluation and effective valuation management software.

The University has always strived to cater to the needs of the students as well as the teaching community with regard to the examination system. Every complaint receive disexamined in details o as to provide justicetothe complainant abiding by the rules and regulations of the University.

Thus through proper Planning, Organizing, Staffing, Directing, Co-coordinating and Budgeting the University strives to achieve its targets in the Conduct of Examination and publication of results without deviating from the academic calendar.

The examination Calendar is released at the onset of the academic session for examination plans throughout they ear for all examsi.e.-

- Odd Semester
- Even Semester/Annual
- Special Exams

The University follows the Semester System / Annual System of examination, as decided by the Executive Council of the University for all the Programs. For the programs running as per UGC guidelines, according to the NEP/ CBCS system examinations were conducted with specific course codes allotted to each program. The courses running under the curriculum of the statutory bodies like NMC, DCI, INC, BCI, NCET, PCI, etc. follow rules/ regulations for the examination as per guidelines of their apex body and supers ede the other rules.

1- Examination Calendar for the Session 2022-2023:

Odd Semester	For all Years	08 Dec. 2022– 07 Jan. 2023
Even Semester/Annual Exam	For all Years	08 May– 07 June 2023
Ph.D. Course-Work Exam	For all Departments	14-16 November 2022 & 17-20 April 2023
Special Exams	Students who have completed their years of study but still have the backs	03Aug.– 30 Aug. 2023
Exams for the Programs Governed by the Apex Body have been conducted as per their Guidelines		

All the exams during the year were conducted in offline mode, as per the schedule defined in the above calendar.

2 - Preparation of Question Papers:

The question papers for all the exams were prepared through ERP by the approved paper setters.

- The process to prepare question papers had been started approx. one and half months before the commencement of the examination.
- College uploaded the panel of paper setters on the ERP system for the paper codes as per the examination schedule.
- The name of the paper setters had been approved on ERP, with the permission of the Hon'ble Vice Chancellor to prepare the question papers as per Bloom Taxonomy, in the prescribed format and according to the syllabus. Paper setters uploaded three sets of question papers on ERP through their login ID.
- Moderation work was also conducted through ERP by the senior faculty of the same stream.
- For Offline examination duration of exams remains 2½ or 3 hours, depending upon the associated credit unit with Max. Marks 100 / 70 / 50 as per the ordinance of the program. The summary of the question papers for **regular exams** is as follows-

Particulars	Number
Total question papers prepared for Odd semester	958
Total number of paper setters for Odd semester	280
Total sets of question papers for odd Semester	2874
Total question papers prepared for Even semester and Yearly exams	1470
Total number of paper setters for Even & Yearly exams	417
Total sets of question papers for year-end exams	4410
Total 7284	

3- Conduction of Exam:

- The Examination Department releases the Timeline well before the commencement of each exam for the smooth conduction of Examinations. The timeline specifies all the steps involved in the examination process.
 - During 2022-23 the process of filling the Examination Forms through ERP started one and half months before the commencement of examination. The following functions related to the examination process are completed through ERP:
 - Filling of Examination forms, by the candidate.
 - Verification of exam form as per university rule, by the HOI.
 - Receiving Examination forms through ERP, by the COE Office.
- Verification sheet & admit cards and roll list generation, by the college
- Allotted Examination centers were provided with essential stationery for the conduction of offline examination.
- Date sheets and notices had been uploaded on the University website before the commencement of examinations.
 - As per Examination policy the teams of flying squads were appointed to supervise the smooth conduction of offline examinations. They took surprise inspections of examination centers, in order to eliminate the possibility of use of unfair means by candidates & ensure to conduct the examination in a fair, impartial, and smooth manner.
 - The Flying Squad team reported to the office of the Controller of Examination on a daily basis and informed if any discrepancy and deviation from the Regulation and Guidelines were found at the Centre.
