### Faculty Development Programme (FDP) on “Outcome Based Education”

Internal Quality Assurance Cell of Swami Vivekanand Subharti University has organized two days Faculty Development Programme (FDP) titled “Outcome Based Education” at Faculty of Education Conference Hall, SVSU, Meerut from 21 August, 2019 to 22<sup>nd</sup> August, 2019.

The Faculty Development Programme was started with a welcome address by Dr. N.K. Ahuja, Vice Chancellor and Chairman of IQAC and introduced the invited guest Dr. Prof. Sandeep Grover YMCAUST Faridabad. A total of 107 faculty members have participated in this FDP.

First Day on 21/08/2019, Dr. Grover enlightened the importance of the Outcome Based Education (OBE) to enhance the quality of education among HEIs. He added that Outcome Based Education is student centred instruction that focuses on measuring student performance.

During FDP, various aspects were conferred such as boom taxonomy, regulatory bodies' requirements, mapping the objectives and outcomes and assessing the performance of students to achieve graduate attributes.

The Key points taken during this workshop are:

- 1) How to design the Programme Objectives, Programme Outcomes, Programme Specific Outcomes, Course Objectives and Course Outcomes for a Programme around which all of the system's components can be focused.
- 2) Establishing the systems and processes to achieve the expected outcomes for the programme.

On Second Day dated 22/08/2019, Dr. Grover briefed on file preparation and document management for Self-Assessment Report (SAR). Later in the session, as a part of participatory approach all the presented faculty members have been motivated to design Course Objectives and Course Outcomes for the courses teach by them followed by assessment and attainment of the course. The faculty members actively participated in the programme and appreciated the initiatives taken by the IQAC for organizing this FDP as they become knowledgeable about the OBE.

The programme was concluded with vote of thanks by Dr. Balwinder N. Bedi, IQAC Director, SVSU, Meerut.
