

Webinar on "Google Classroom as an ICT Tool"

An initiative of Internal Quality Assurance Cell (IQAC), Swami Vivekanand Subharti University (SVSU), Meerut organized a webinar based training program on "Google Classroom as an ICT Tool" dated 16th May 2020 and repeated on 22nd May 2020. A total of 191 faculty members across the University participated in the webinar.

On 16th May 2020, Dr. Abhay Shankaregowda, Principal, Faculty of Ayush, SVSU, Meerut started the session with introduction to Google Classrooms and introduced all to the starting processes of the ICT tool from installation process, creating classrooms to adding students by various methods in the tool.

This session was followed by Mr. Supratim Saha, Assistant Professor, Department of ECE, Faculty of Engineering and Technology, who took the training session on the aspects of study material uploading process, topic creation process and the technique to reuse a post multiple times for various purposes as a faculty member/subject teacher.

Dr. Abhay Shankaregowda, Principal, Faculty of Ayush headed online session

On 22nd May 2020, the session was headed by Dr. Sanjive Tygai, Associate Professor, Department of CSE, Faculty of Engineering and Technology, who trained the participants on the assignment/assessment technicalities of the tool and its consequent grading of the students in terms of their performances.

During the Webinar, as a part of participatory approach all the presented faculty members have been motivated to use Google Classroom as an ICT Tool. The faculty members actively participated in the programme and appreciated the initiatives taken by the IQAC for organizing this webinar as they become knowledgeable about the Google Classroom.
