

Access to Physical Health-care Services including information and Education Services

Swami Vivekanand Subharti University, Meerut

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

Access to Physical Healthcare services including Information and Education Services

Chhatrapati Shivaji Subharti Hospital

The well-equipped Chhatrapati Shivaji Subharti Hospital of Swami Vivekanand Subharti University in Meerut offers extensive medical services to staff, faculty, and students on campus. Emergency care, outpatient consultations, diagnostic tests, and specialist treatments are among the 24-hour medical services provided by the hospital.

Hospital General Ward

Qualified physicians, nursing care, pharmaceutical services, and state-of-the-art diagnostic labs are easily accessible to both staff and students. To encourage preventative healthcare and general well-being among the campus community, regular health examinations, medical consultations, and awareness campaigns are also planned. Key services offered include:

1. **24×7 Emergency Care** – Round-the-clock emergency medical services are available to provide immediate treatment and critical support in urgent situations.

Ambulance Facility

2. **Well-Equipped Operation Theatres** – Modern and fully functional operation theatres operate 24×7 to support a wide range of surgical procedures with advanced medical equipment.

Operation Theatre

3. **Intensive Care Unit (ICU)** – A multi-disciplinary ICU provides specialized care and continuous monitoring for critically ill patients

Intensive Care Unit (ICU) at Subhati Hospital

4. **Cancer Treatment Unit** – The hospital offers comprehensive diagnosis and treatment for various types of cancer under one roof with specialized medical support.

Cancer Treatment Facility

5. **Central Laboratory** – A well-equipped diagnostic laboratory with advanced machines ensures accurate and timely medical investigations.

Lab Facility

6. **Pharmacy Services** – Both outpatient and inpatient pharmacy facilities are available within the hospital to provide easy access to prescribed medicines.

Pharmacies at Swami Vivekanand Subharti University, Meerut

Through these facilities, the hospital ensures quality healthcare services and supports the medical needs of students, staff, and the wider community.

Healthcare and Medical Facilities- The university has a top-notch tertiary care hospital with 1100 beds that offers general, speciality, and super-specialty medical care at reduced costs, as well as 24-hour accident and trauma services. The 150-bed super-specialty Lok Priya Hospital, which is situated in the centre of Meerut, complements the healthcare services provided by Netaji Subhash Chandra Bose Subharti Medical College.

Physiotherapy for fitness and well-being-

For both employees and students on campus, Swami Vivekanand Subharti University's physiotherapy centre offers specialised treatment facilities. Using cutting-edge therapeutic methods and tools, it provides complete physiotherapy services for musculoskeletal, neurological, and lifestyle-related disorders. To guarantee the general health and wellbeing of the university community, routine evaluation, rehabilitation, and preventive care programmes are carried out.

Promoting Health and Wellness through Expert Physiotherapy Services
