Curriculum Revision

Curriculum revision is required periodically to benefit undergraduate as well as postgraduate students, in view of over changing demands and technology in Dentistry. On the Recommendation of Principal, Dr Nikhil Srivastava Sir it was decided to give Credit Points to the students who will treat maximum number of patients during their postings in the department, And these credit points would be beneficial in their final year examination.

Following Objectives for curriculum revision were proposed:

1. To generate dental professionals of global standards to render high quality dental care, teaching and research.
2. To include student seminars, quiz, interdisciplinary programs, webinars and microteaching in the curriculum.
3. To conduct more UG and PG workshops for students to inculcate good understanding of various relevant scientific methods and achieve highest standards of oral health care.

Recommendation: To introduce change in the curriculum in BDS.

Change in the curriculum in BDS

1. Addition of one Topic "AI in Pediatric Dentistry" in BDS Lectures

Change in the curriculum in MDS

1. One Week Posting of MDS 1st Year in Digital Lab
2. Two week clinical posting of all the MDS students (on rotations basis) in the Department of Pediatrics for MDS Students

Plan for the next year

As per the recommendations, plan for the next year by Quality Enhancement Working Committee (QEWG) was discussed in detail and approved by all members. Dr. Nikhil Sir (Principal) advised that the Department should conduct Systematic Review & RCTs to enhance the quality of publication. The committee members Discussed about the execution of World Oral Health Day, Teachers week and Children's week Celebration and approved by committee members.

It was decided that department will hold meeting after every two months to evaluate the progress. The committee decided various activities for the next year, such as-

S. NO.	Activity	Tentative Dates
1	SALS	January 2026
2	World Oral Health week Celebration	March 2026
3	Guest Lecture	May 2026
4	CDE for PG	June 2026
	CDE for UG	July 2026
5	Teacher's week celebration	September 2026
6	PALS + Children week Celebration	November 2026

Environmental Consciousness

To increase environmental consciousness all the faculty members & post graduates of the department have already adopted green plants. However, Dr. Vivek Rana proposed that plants should be adopted in the department which could grow well in the indoor settings & Dr. Noopur Kaushik proposed to put captions on each plant.
