### Minutes of Meeting

A Meeting of board of studies was held by department of community Health Nursing on 10-1-2026 (Saturday) at 12 – 1pm in the NESC Room. The following were discussed:

**Agenda 1:** Regarding proposal of new value added course for upcoming academic session in Community Health Nursing i.e. sensitization on innovation in health care.

**Discussion and Resolution:** The chairperson discussed regarding the new value added course for upcoming session that we can include modules also related to telemedicine, mobile applications etc. Or any other innovations in health care.

**Agenda 2:** Regarding Integration of funded research projects in community health nursing department.

**Discussion and Resolution:** The Chairperson opened the discussion by emphasizing the need to align ongoing and upcoming **externally funded research projects** with the department's core academic and clinical activities. The goal is to ensure that research outcomes directly benefit community health practices and enhance the department's institutional ranking.

**Agenda 3:** Regarding updating of community health nursing lab.

**Discussion and Resolution:** The Lab In-charge presented an inventory audit of the existing Community Health Nursing (CHN) Lab. The committee noted that the facility requires modernization to meet 2026 accreditation standards and the demands of the new "Sensitization on Innovation".

**Agenda 4:** Regarding organizing extension activities.

**Discussion and Resolution:** The committee discussed the roadmap for extension activities, emphasizing that outreach should move beyond "one-day camps" toward sustainable community engagement. The focus for this session will be on long-term health outcomes in adopted villages and urban slums.

**Agenda 5:** Any other item with the permission of the Chair
