Action Taken Report

Various aspects of **Best practices** have been discussed in the meeting to enhance the resiliency and quality of teaching and to strengthen the interaction between faculties and students.

1. Frequent assessment of weaker topics/chapters of students during seminar and lectures and face to face discussion on those topics.
2. Motivate the students to read and prepare articles on important topics/cases.
3. More interdepartmental discussion to enrich the clinical knowledge.

Sincerely yours,

Arvind Krishna
