CHILD HEALTH NURSING DEPARTMENT

MINUTES OF BOS MEETING

A board of study meeting was held in the department of child health nursing on 12/10/2013. The meeting was scheduled at 2pm. Associate Professor Anushi Singh was the External Expert. (External Examiner)

AGENDA 1: Regarding the OSCE and OSPE examination in child health nursing department

Discussion and Resolution: The External expert Assoc. Professor Anushi Singh suggested that the OSCE and OSPE examinations in the Child Health Nursing have proven to be effective methods for assessing students' practical skills and clinical competencies. By addressing the identified areas for improvement and implementing the recommended strategies, the department can further enhance the quality of education and ensure that graduates are well-prepared for real-world pediatric nursing practice.

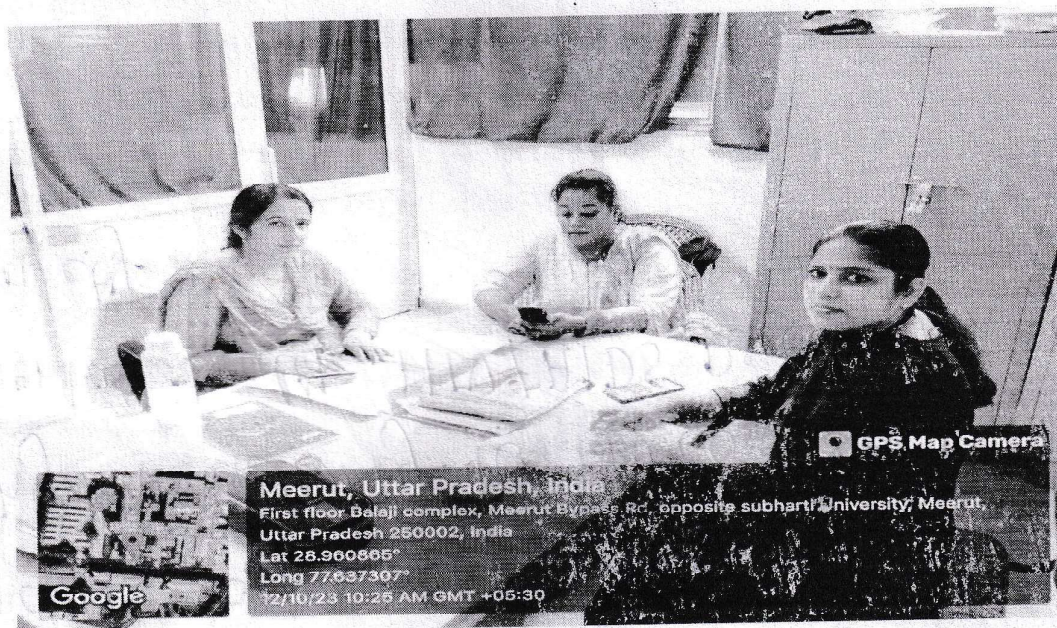

AGENDA 2:- Regarding the Research publication in SCOPUS, PubMed and UGC care journals

Discussion and Resolution: It was discussed that the substantial number of publications in SCOPUS, PubMed, and UGC CARE Journals underscores our institution's commitment to high-quality research and dissemination of knowledge. These publications not only enhance the institution's reputation but also contribute significantly to the advancement of science, technology, and healthcare. The continuous efforts of our researchers in publishing in reputable platforms reaffirm our institution's dedication to academic excellence and research innovation.

AGENDA 3:- Regarding the University grant of Research publication

Discussion and Resolution: Discussed regarding the University grants for research publication benefit both individual researchers and the institution. They enhance the institution's research output, reputation, and visibility in the academic community. For researchers, these grants provide essential financial support, enabling them to focus on their research without being hindered by publication-related expenses

AGENDA 4:- Regarding simulation based practical for students.

Discussion and Resolution:- All members discussed about Simulation-based practical training has significantly enhanced the learning experience of our students, equipping them with essential skills and knowledge for their future careers. The positive impact on skill development, confidence, critical thinking, and teamwork underscores the importance of continued investment in simulation technology and training. By addressing challenges and embracing future enhancements, our institution remains committed to providing a cutting-edge and effective education for our students.

All the members of the Board of Studies approved the above point:-
