B. AGENDA- ACADEMIC RELATED ORDINANCES

Item No.	Agenda Item
36(3).	Adoption of University Grants Commission (Promotion of Equity in Higher Education Institutions) Regulations, 2026 notified vide F.No. 1-7/2011(SCT). - Preamble Dated: 13.01.2026 and consideration and recommendation on draft University ordinance on; "To eradicate discrimination only on the basis of religion, race, gender, place of birth, caste, or disability, particularly against the members of scheduled castes and scheduled tribes, socially and educationally backward classes, economically weaker sections, persons with disabilities, or any of them, and to promote full equity and inclusion amongst the stakeholders in higher education institutions".
	Resolution: The Registrar briefed the House that the University Grants Commission (UGC) has notified new regulations to address caste-based discrimination in higher education institutions (HEIs) , replacing the 2012 anti-discrimination regulations. The final rules correct major gaps in the draft version by including OBCs, strengthening enforcement, and removing the controversial penalty for "false complaints". 1. Expanded Coverage of Caste-Based Discrimination: Discrimination now explicitly covers SCs, STs, and OBCs. This corrects a major omission in the draft rules, which had excluded OBCs. Aligns with Article 15(4) and 15(5) of the Constitution. 2. Broader Definition of Discrimination: Discrimination includes: Any unfair, biased, or differential treatment (explicit or implicit) Based on caste, religion, race, gender, place of birth, disability . Any act that: Impairs equality in education, Violates human dignity Nullifies equal treatment in educational access The House resolved to approve the adoption of University Grants Commission F.No. 1-7/2011(SCT) Preamble dated 13.01.2026 Promotion of Equity in Higher Education Institutions Regulations, 2026 and recommended to be placed before the Executive Council for consideration and approval

36(137).	To consider and approve the proposal submitted by HoD Dept. of Physical education the need for Promotion of Sports and NCC Activities with inclusion in the academic programme curriculum of UG studies across all disciplines. It is placed before the council that a large number of students participate in various State, National and International events sports. The NCC Cadets attend compulsory training camps and official duties. As these activities enhance the visibility of the university and contribute significantly to the holistic development of students. There is a need to provide Academic Support for Sports and NCC Cadets. To ensure that students participating in Sports Events & NCC Activities do not face academic disadvantages, the following proposals are placed before the Council for consideration and approval; 1. Provision of Special Examination (per semester): A special examination may be conducted in every semester for students representing the university in recognized sports events or attending NCC training / camps. This special examination shall be scheduled after the regular examinations to ensure academic continuity. 2. Waiver of Examination Fee: Students appearing in the special examination shall be exempted from paying the examination fee for that specific subject paper as this provision is given in the UGC guidelines and University ordinances. 3. Merging of Mark sheet Fee: The marks obtained in special examination shall be reflected in the same semester mark sheet without charging any merging fee. 4. No Carryover / Back Paper to be mentioned in the Mark sheet: The mark sheet of such students should not display any mention of carryover, back paper or reappearance, considering that their absence in the regular examination is due to official representation of the University Sports or NCC duties. Their participation certificate / official duty order shall be accepted as valid proof for availing this facility.
	Resolution: The Registrar briefed the council that the National Cadet Corps (NCC) activities involve multiplicity of responsibilities between the Central Government, the Education Department, the State Governments and the NCC. The volunteers of NCC are actively involved in various nation building activities. It has been brought to the notice of UGC that cadets are involved in preparation/training camps for Republic Day Camp during November/December each year. The NCC Cadets/volunteers are facing problems for selfless services rendered by them and virtue of which they miss their semester classes. Looking into this, special examination should be conducted on separate dates for NCC cadets and not as candidates appearing for re-test. Further, the Registrar added that University has six NSS units in the University, the NSS students also participate in camps scheduled by U.P. NSS headquarter and often the scheduled of camps clash with the university scheduled examination dates. The council members sought the opinion of Controller of Examination to suggest her recommendation, the Controller of Examination said she is in agreement for conduct of special examination to NCC and NSS students who missed the scheduled university examinations. The Council considered the proposal and resolved to approve the following; 1. Provision of Special Examination (per semester) for NCC / NSS students who missed the scheduled university examination due to NCC / NSS activities 2. Waiver of Examination Fee for appearing in special examination 3. The marks obtained in special examination shall be reflected in the same semester mark sheet without charging any merging fee 4. No Carryover / Back Paper to be mentioned in the Mark sheet: The mark sheet of such students should not display any mention of carryover, back paper or reappearance

Before offering vote of thanks the Academic Council was of the opinion that University should emphasizes on developing some center of excellence which will give identity to the University at national and international level and unnecessary expansions of courses should be stopped.

Some of the members were of the opinion that quality of research needs to be improved and the quality and number of Ph.D. awarded in a year should be monitored to be reduced, as without quality it would not contribute in national or personal growth.

The issues like teacher absenteeism, external supervision for enforcement, two stage recruitment process through Internal Quality Assurance Cell (IQAC), profile of faculty members and their publications with their annual appraisal report were to be uploaded and updated at a regular interval.

The chairman agreed that the above suggestions were well taken for implementation. The Hon'ble members also appreciated the efforts made by the University Administration in the development of the University.

The meeting ended with a vote of thanks to the Chair.
