A. INTRODUCTION

“In Subharti, we turn talent into success stories and transform a caterpillar into breathtaking beautiful butterfly.

To make sky your destination, make Subharti your launching pad.”

The Training and Placement Cell of Swami Vivekanand aims to prepare for suitable careers and created a lot of job opportunities for the final year UG and PG students. Swami Vivekanand Subharti University has been consistently striving to provide the best quality placements to all the students by the concerted efforts of the members of the placement committee, faculty members as well as alumni. The motto of placement department is to get each student placed in a company, where they can prove their ability to be a leader.

The mission of the Training and Placement Department is to achieve maximum placements for students through dedication, attitude and complete involvement. The Training & Placement department holds the objective of acquainting the students of the University with Industries.

The cell conducts workshops and training programmes on career orientation, higher study options, self-employment, and entrepreneurship management to make the students aware of educational and career choices. Experienced resource persons gave career counselling to students. To upgrade the technical skills of students, we conduct advanced technical training programs in collaborations with top training companies and corporates. To enhance the practical knowledge, to gain work experience and transferable skills, we arrange Internship & Industrial Visits at reputed organizations for our students.

B. OBJECTIVES OF TRAINING AND PLACEMENT CELL

- Developing the students to meet the Industries recruitment process
- To motivate students to develop technical knowledge and soft skills in terms of career planning, goal setting
- Aiming to Place the maximum number of students through campus & off-campus interviews conducted by the top companies
