2022-2023

(Established under U.P. Govt. Act no. 29 of 2008 and approved under section 2(f) of UGC Act 1956)

A. INTRODUCTION

Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle.

The vision of the Training and Placement Department of Subharti University Meerut is to empower students with the necessary skills and knowledge to achieve their career aspirations. The Department strives to be a leading force in providing comprehensive career development services, equipping students with the tools needed to succeed in the global job market. Departments' goal is to create a culture of lifelong learning, where students are encouraged to continually improve their skills and knowledge, and stay up-to-date with industry trends. Through collaboration with employers, alumni, and other stakeholders, Placement Department, seek to provide our students with diverse and relevant career opportunities, and ultimately to help them become successful and ethical professionals who make meaningful contributions to society.

The Department conducts workshops and training programs on career orientation, higher study options, self-employment, and entrepreneurship management to make the students aware of educational and career choices. Experienced resource persons gave career counseling to students. To upgrade the technical skills of students, we conduct advanced technical training programs in collaborations with top training companies and corporate. To enhance the practical knowledge, to gain work experience and transferable skills, we arrange Internship & Industrial Visits at reputed organizations for our students.

B. OBJECTIVES OF TRAINING AND PLACEMENT DEPARTMENT

- To enhance the employability of students: Our primary objective is to equip students with the necessary skills and knowledge required to succeed in the job market. We provide training programs that help students develop their communication, technical, and soft skills, making them more employable.
- To establish strong industry linkages: We aim to foster strong relationships with industry partners, enabling us to provide our students with relevant and current industry insights. We work closely with employers to understand their requirements and expectations, and ensure our students meet these expectations.
- To provide career guidance and counseling: We offer guidance and counseling services to students, helping them make informed decisions about their career paths. Our services include career assessments, job search strategies, and advice on further education and training.
- To facilitate internships and placements: We help students secure internships and placements with leading companies in their respective fields. Our department has established relationships with many leading companies, and we work closely with them to provide our students with the best opportunities.
- Overall, our objective is to create a supportive and engaging learning environment that helps students achieve their career aspirations and become responsible and ethical professionals.

C. MESSAGE FROM DIRECTORS DESK

It gives me enormous happiness in representing Subharti University to the corporate world as Director Training & Placement Department. Placements has always been an essential for endorsing students' potential and it is always an endeavor for the entire education fraternity to elevate the Placements' baryear-on-year by eliciting significant technical and non-technical knowledge instudents, which makethem competent enough to face the ever-changing industry requirements andchallenges. Subhartihelps guides and shapes its students through a curriculum that has been builtthrough regular interaction with Industry leaders.

Right from the beginning, Subharti University has focused on building future leaders who deliver true values to theorganizations– not just in terms of working proficiency, but also strong ethics that guides them as true individuals and corporate leaders. The qualities ofconduct, capability and zeal in ourstudents, have ensured a strong and everlasting relationship between Subharti and a large number of visiting Corporates.

Our large Alumni network spread across major Companies globally provides abundant witness of these strong relationships. They are constantly addingvalue to the organizations and their performance in all the key areas of innovation and transformation has been considerable. I am confident that ourstudents shall further strengthen our bonds with Corporates, and Subharti shall continue to be a desireddestination for recruiting organizations for theyears to come.

I take great pride in our industry partnerships and constantly strive to make this association mutuallyvaluable.
