A. INTRODUCTION

Opportunity does not knock twice. You have to be ready when it arrives.

The vision of the Department of Educational Practice and Industrial Interfaces, Subharti University, Meerut is to equip students with the skills and knowledge required to achieve their career goals. The department aims to be a leading force as a provider of comprehensive career development services that equip students to succeed in the global job market. The aim of the departments is to create a culture of lifelong learning where students are encouraged to constantly update their skills and knowledge and stay abreast of industry trends. The goal of the Internship Department, in collaboration with employers, alumni and other stakeholders, is to provide our students with diverse and relevant career opportunities and ultimately help them become successful and ethical professionals who make significant contributions to society. The department organizes workshops and training programs on career choice, college opportunities, self-employment and business management to make students aware of educational and career options. Experienced resource persons provided career counseling to the students. To improve the technical skills of students, we implement advanced technical training programs in collaboration with leading training companies and enterprises. To increase practical knowledge, gain work experience and transferable skills, we organize internships and industrial visits to recognized organizations for our students.

B. OBJECTIVES OF TRAINING PLACEMENT & INDUSTRY INTERFACE DEPARTMENT

- **To enhance the employability of students:** Our primary goal is to equip students with the essential skills and knowledge necessary for success in the job market. We offer training programs that develop their communication, technical, and soft skills, thereby increasing their employability.
- **To establish strong industry linkages:** We strive to build robust relationships with industry partners to provide our students with up-to-date and relevant industry insights. By working closely with employers, we understand their needs and expectations, ensuring our students are well-prepared to meet these standards.
- **To provide career guidance and counseling:** We offer career guidance and counseling services to assist students in making informed decisions about their career paths. Our services include career assessments, job search strategies, and advice on further education and training.
- **To facilitate internships and placements:** We assist students in securing internships and placements with leading companies in their respective fields. Our department has strong connections with many top companies, and we work diligently to provide our students with the best opportunities.
- **Overall, our objective is to create a supportive and engaging learning environment that helps students achieve their career aspirations and become responsible and ethical professionals.**

C. MESSAGE FROM DIRECTORS DESK

Representing Subharti University in the business world as the Director of Training Placement & Industry Interface Department brings me immense happiness. Internships have always been essential to enhance the potential of students and the entire educational fraternity always strives to raise the level of internships year after year by attracting outstanding technical and non-technical students, making them competent enough to meet the ever-changing demands and challenges of the industry.

Subharti helps guide and shape his students through a curriculum developed through regular interaction with industry leaders. Since its inception, Subharti University has focused on producing future leaders who bring real value to organizations - not only work skills but also a strong ethical principle that guides them as true individuals and business leaders. The behavior, skill and enthusiasm of the students ensured a strong and lasting relationship between Subharti and several visiting companies.

Our extensive alumni network, spread across the world's largest companies, provides ample evidence of these strong relationships. They continuously add value to organizations and their performance in all key areas of innovation and transformation has been remarkable. I am sure that our students will further strengthen our ties with companies and Subharti will continue to be a preferred target for recruiting organizations. I am very proud of our industry partnerships and constantly strive to make this relationship mutually valuable.

Amit Kumar Verma
Director- Training Placement & Industry Interface Department
Subharti University, Meerut

D. MEMBERS- TRAINING PLACEMENT & INDUSTRY INTERFACE DEPARTMENT

20.	Dr. Gaurav Kapil	Faculty of Medicine	T&P Coordinator
21.	Dr. Sumit	Faculty of Dental Sciences	T&P Coordinator

E. TRAINING AND RELATED ACTIVITIES

In order to make to make students aware of the latest trends, technologies, methodologies that are adopted in the corporate world, an extensive and immersive schedule of training sessions and personality development classes was offered to students of both final and pre final year of the University. These classes were held under the auspices of the Training Placement & Industry Interface Department.

Training Programme Objectives:

1. To foster effective communication skills, including verbal, nonverbal, and written communication.
2. To help students recognize and understand their strengths, weaknesses, and personality traits.
3. To strengthen their communication etiquettes so that they can excel in their professional and personal life

Introduction to Communication Skills

- Understanding the importance of communication skills
- Differentiating between effective and ineffective communication

Essentials of Grammar

- Tenses: Present, past, future, and their various forms (simple, continuous, perfect, perfect continuous).
- Usage and practice of tenses in day to day conversations
- Identify and address common grammar errors that students often make
- Vocabulary building

Verbal Communication

- Speaking clearly and confidently
- Articulating thoughts and ideas effectively
- Active listening and responding appropriately
- Using appropriate tone, pitch, and volume
- Avoiding filler words and minimizing verbal distractions

Non-Verbal Communication

- Understanding body language and facial expressions
- Using gestures and eye contact to enhance communication
- Recognizing and interpreting nonverbal cues from others
- Maintaining appropriate posture and physical presence

Written Communication

- Application writing
- Letter writing
- Email writing
- Resume writing

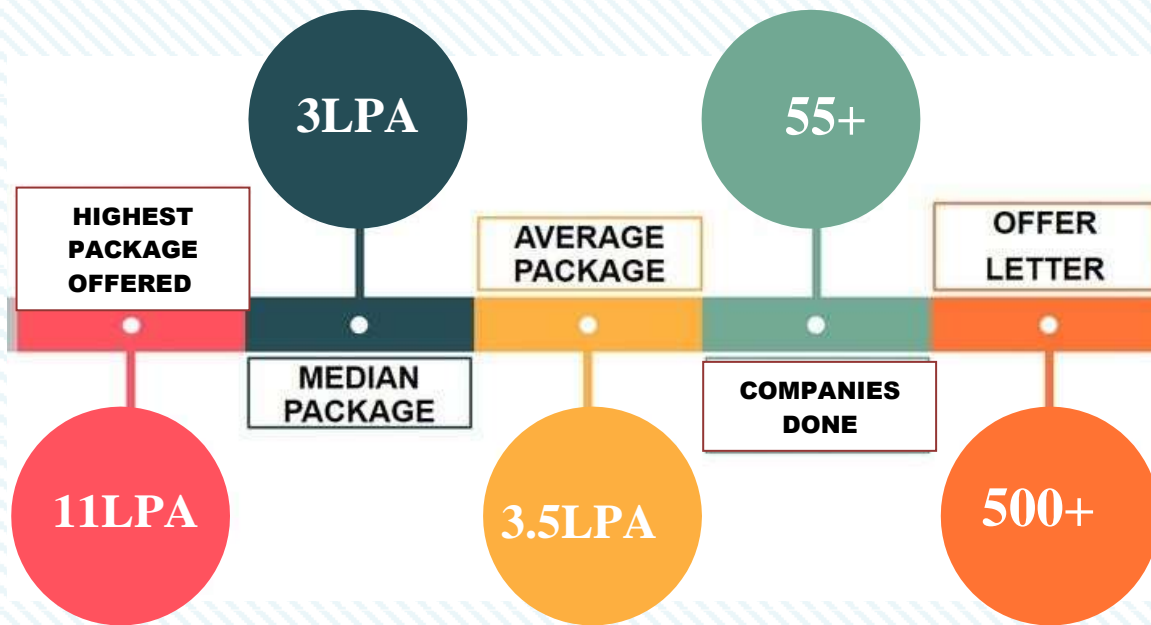

Communication Etiquette:

- Active listening: Stress the importance of attentive listening during conversations.
- Respectful language: Encourage using polite language, avoiding profanity, and refraining from interrupting others.
- Tone and body language: Teach how tone of voice and nonverbal cues affect communication.

Appearance and Attire

- Understanding appropriate attire: Educate on dressing according to the occasion and setting.
- Business attire: Teach dressing professionally for interviews, meetings, and events.

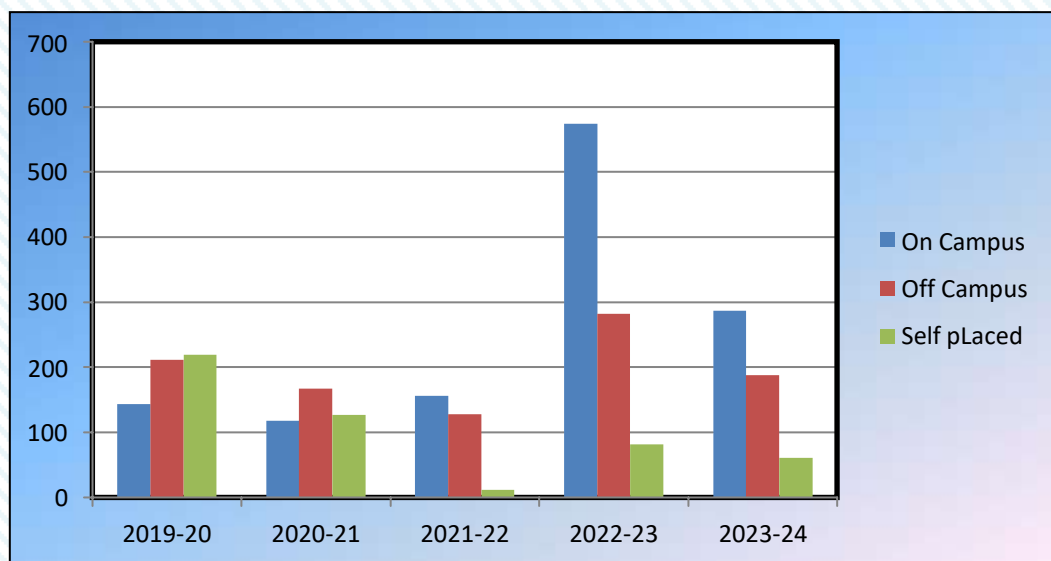

Throughout the teaching process, incorporate role-playing, real-life scenarios, and interactive activities to allow students to practice and develop their communication skills in a supportive environment. Provide constructive feedback and encourage self-assessment to promote continuous improvement. Additionally, help students understand the importance of adapting their communication style based on the specific situation and audience they are addressing.

1. Placements Summary

We as an ecosystem have witnessed a year-on-year increase in the number of under-graduate and post graduate degree programmes 'students placed over the last five sessions.

This placement season, in comparison with the previous years, has seen a less number of job offers. The challenging market conditions have been held responsible for this drop-off. With the slowdown in economy and rising global uncertainties, stringent budgets across industries pushed many companies to lower their hiring targets. While all these odds worked against our favor, incessant efforts at building strong industry relations, up skilling of students, and diversification of placement opportunities aided us in securing a respectable number of placements. This is an outcome that resonates with our commitment to the success of our students despite a tough market environment.

Below are the Placement Statistics:

Placement Statistics

S. No.	Particulars	No. of Students
1	Total No. of Companies done for the session 2023-2024 (On campus)	57
2	Total No. of students passing out 2023-2024	1397
3	Number of students placed in On-Campus drive	340
4	Number of students placed in Off-Campus drive	188
5	Total No. of Self-Employed Students	61
Total number of students placed for the session 2023-2024		589
