www.subharti.org

Participants were asked questions on topics including global reports related to food waste, Sustainable Development Goals, food conservation initiatives in India, and consumer responsibility. The main message of the event was: **"Save Food, Save Life, Save Environment."** At the conclusion of the program, all students were encouraged to adopt responsible consumption and innovation.

All faculty members and students of the department showed their interest and participated enthusiastically in the program. At the end, all participants pledged to adopt sustainable practices and spread awareness about food conservation. The program was attended by all faculty members of the department including Dr. Sudhir Tyagi, Dr. Javed Khan, Dr. Sapna Sharma, Dr. Alpana, Mrs. Bhavna Joshi, and others.

Outcomes:-

The program successfully created awareness among students and faculty members about the global challenges of food loss and waste and encouraged responsible consumption practices. Participants gained knowledge about food conservation, sustainability, and environmental protection, and pledged to adopt and promote sustainable practices in their daily lives.

Objective :- The objective of this competition was to promote awareness of current affairs and enhance competitive spirit among students.

Description:- The Quiz Club of the Department of Library Science successfully organized a General Knowledge Quiz Competition on 19 February 2026. The program was conducted in the department and witnessed enthusiastic participation from students. This competition was coordinated by Dr Alpana. The event was graced by Dr Sudhir Tyagi, Head, along with Dr Javed Khan, Associate Professor and Dr Sapna Sharma, Assistant Professor of the Department of Library & Information Science, by lighting the lamp. Rules and regulations of the quiz were explained at the beginning. It was a 2 Round competition which covered the areas of Library Science, history, science, social science and current affairs. The General Knowledge Quiz Competition was not only a test of knowledge but also a celebration of intellectual curiosity and academic excellence. It provided students with an opportunity to expand their horizons, learn from one another, and develop essential skills for lifelong learning. The quiz ended with the declaration of the results. A group of MLIS was

declared the winner. All the students enjoyed the quiz thoroughly and found it a very informative and knowledge-enriching experience. Dr Sudhir Tyagi, Head, Department of Library & Information Science Said that the department encourages positive competition and hopes to bring out the best in all the students through such competitive events. The competition successfully fulfilled its objectives and proved to be both educational and entertaining. The General Knowledge Quiz Competition organized by the Quiz Club on 19 February 2026 was a grand success. The event not only enriched students' knowledge but also strengthened academic interaction within the Department. The department looks forward to organizing more such knowledge-based competitions in the future to promote academic excellence and the holistic development of students.

Outcome- The quiz competition significantly strengthened teamwork and coordination among students. The event also boosted their confidence and enhanced public speaking abilities by providing a platform to express their knowledge. It fostered a culture of continuous learning within the department, encouraging students to stay updated and engaged with academic and current topics. Throughout the competition, students displayed remarkable enthusiasm and thorough preparedness, contributing to the overall success of the program.

Objective:- To promote awareness of sustainable practices in resource use, waste reduction, and ethical production.

Description:- The Department of Library and Information Science organized a quiz competition focused on Sustainable Development Goal 12 (SDG 12): Responsible Consumption and Production. This competition targeted BLIS and MLIS students to promote awareness of sustainable practices in resource use, waste reduction, and ethical production. Coordinated by Dr. Alpana, the competition aimed to educate students on SDG 12 principles, including sustainable consumption patterns and their role in addressing global challenges; foster skills in knowledge organization related to environmental sustainability, aligning with library science curricula and encourage the application of digital tools for preservation through eco-conscious practices. The programme commenced with a welcome address by Dr. Sudhir Tyagi, Dean, FASS, who emphasized the importance of sustainable development goals and the responsibility of information professionals in spreading awareness He was joined by Dr. Manoj Tripathi, Professor, and Dr. Kiran Panwar, Associate Professor from the

www.subharti.org

Department of Liberal Arts and Humanities, Dr. Javed Khan, Associate Professor and Dr Sapna Sharma, Assistant Professor, both from the Department of Library & Information Science. Dr. Sudhir Tyagi, congratulate all students for their enthusiasm in exploring SDG 12, underscoring the department's commitment to integrating sustainability into library education. Dr. Manoj Tripathi, delivered an inspiring address emphasising decision-making in consumption. "Every choice—from reducing plastic use to supporting ethical producers—shapes our planet's future. Dr. Kiran Panwar, focused on practical implementation. "SDG 12 calls for mindful resource use; in libraries, this means digitizing collections to cut paper waste." The quiz consisted of Multiple-choice questions on SDG 12 concepts and targets. Students were actively engaged, displaying commendable knowledge and enthusiasm. A group of BLIS was declared the winner. All the students enjoyed the quiz thoroughly, finding it an informative and knowledge-enriching experience.

Outcomes

The Quiz competition successfully enhanced awareness about sustainable practices and reinforced the importance of SDG 12 in academic and professional life.
